Status Update on the Airport Master Plan and Airport Business Plan Development

Crawford, Murphy & Tilly (CMT) has been working on the development of the Airport Master Plan and Airport Business Plan since early this year. COVID-19 has presented several challenges and has slightly slowed the schedule, but the work has continued. CMT staff well be present to update the BOAC on work completed to date and work still remaining to be accomplished.

Bob Hartnett, Deputy Director of Public Works
Andy Bodine, CMT
