Presentation: Stormwater Utility Rate Study Update.

Issue/Request
Stormwater Utility Rate Study Update presentation.

Key Issues:
o City Council approved a contract in October 2021 with Black & Veatch to conduct a Stormwater Utility Rate Study

o A stormwater utility will probably require a public election that could occur in fall 2023

Background:
Public Works Committee has requested a status update regarding this project.

George BInger, P.E., Deputy Directory of Public Works/City Engineer
