Presentation: Economic Development Incentive Policy

Background:

This presentation is a continuation of the previous discussion held at the May 11, 2023 CEDC meeting. Attached to this packet is a redlined version of the incentive policy identifying proposed changes to format and content of the policy. A non-redlined, clean version is also attached. The discussion will review the proposed changes for CEDC feedback prior to finalization. Additional portions of the policy may also be discussed.
