Presentation: Update on the Downtown Market Plaza Project

Key Issues:
This is a general update on our ongoing work by City staff, Lane4 and GLMV for the Project. The focus will be on the sources of funding for the project and the current status of the master plan for the public components. City staff will provide a brief presentation using the attached slides, and the attached report provides a summary of the update.

David Bushek, Chief Counsel of Economic Development and Planning
Ryan Elam, Assistant City Manager
