**MIDWEST HIGH INTENSITY DRUG TRAFFICKING AREA (HIDTA)
MEMORANDUM OF UNDERSTANDING
KANSAS CITY FBI COMBINED TASK FORCE**

**G20MW0003A
01-01-2020 / 12-31-2021
CFDA number 95.001**

The Office of National Drug Control Policy (ONDCP) has awarded HIDTA funding to federal, state and local law enforcement agencies in the region comprised of the states of Kansas, Missouri, Nebraska, Iowa, South Dakota and North Dakota for the purpose of combating the manufacture and importation of methamphetamine and the disruption of poly-drug trafficking organizations. The Kansas Bureau of Investigation (KBI) has been designated as the fiscal agent for award proceeds to be distributed to state and local agencies participating in the Midwest HIDTA program within Kansas and in selected regional initiatives. These funds shall be used for purposes designated in the KANSAS CITY FBI COMBINED TASK FORCE INITIATIVE (Appendix A) and associated budget (Appendix B), as approved by ONDCP.

Scope of Service

The services carried out under this Memorandum of Understanding shall be consistent with those contained in the initiative proposal and budget as approved for funding by ONDCP. Changes shall not be made in the subject or the proposed objectives of the initiative without prior written approval from The Midwest HIDTA State Coordinator for Kansas, the Midwest HIDTA Executive Director and the Midwest HIDTA Executive Committee.

The signatories agree to provide written notice to the KBI and to the Midwest HIDTA Kansas State Coordinator, at least (30) days in advance of any planned withdrawal from this agreement. In the event of withdrawal from this initiative by any party, all property and equipment acquired with HIDTA funds by the withdrawing party shall be re-distributed as per Midwest HIDTA policy and procedure. Upon the date specified in the written notice of withdrawal, this agreement shall become void with respect to the agency giving notice but shall remain in effect for all other participants. The KBI shall process all allowable reimbursement requests for the withdrawing agency through the date of the withdrawal.

Reprogramming of Funds

Reprogramming of funds within a HIDTA award requires different levels of approval based upon the amount to be reprogrammed and whether the reprogramming is inter-agency or inter-initiative. In all cases the recipient agency is responsible for forwarding a request for authorization for reprogramming to the KBI to be forwarded to the Midwest HIDTA State Coordinator for Kansas, the Midwest HIDTA Executive Director and Midwest HIDTA Executive Committee. The recipient agency is also responsible for maintaining detailed records of any reprogramming activities.

Reporting Requirement

All participants may be required to prepare a final report of initiative expenditures, which shall be submitted to the KBI within 30 days of the close of the program fiscal year. The financial report will be of a form approved by the KBI and shall contain a listing of expenditures/costs by cost category from the approved initiative budget (Appendix B). The report shall also contain a comparison of actual costs/expenditures against budget estimates. Failure to submit reports on a timely basis may result in the interruption or termination of the initiative funding for your agency. Detailed information on the financial reporting requirements is found in the HIDTA Program Policy and Budget Guidance (PPBG) publication and the Midwest HIDTA Policies and Standard Operating Procedures document (SOP).

Program Standards

Each agency agrees to abide by the standards and rules defined in the HIDTA Program Policy and Budget Guidance (PPBG) publication and the Midwest HIDTA Policies and Standard Operating procedures document as well as all formal written program guidance regarding financial management standards, reporting, records retention, equipment, vehicles, and procurement and supplanting requirements for any agency accepting HIDTA funds. You can download the full version from National HIDTA Assistance Center (NHAC) at nhac.org.

Assurances

Each agency agrees to abide by the terms and conditions set out in Application for Federal Assistance SF 424, Assurances - Non-Construction Programs (Appendix D) and Assurances – Construction Programs (Appendix E). Each agency will also submit the signed OMB forms, Certification Regarding Lobbying (Appendix F) and Disclosure of Lobbying Activities (Appendix G) and will abide by all applicable special conditions included as a part of the award agreement (Appendix I).

Invoicing

Each agency receiving reimbursements will invoice once per month no more than quarterly, due the fifteenth of the month, for expenditures incurred during the prior month. Reimbursement form shall be a form approved by the KBI (Appendix H) and shall contain a listing of expenditures by category. Each agency shall retain the original supporting documentation and provide a copy to the KBI with the monthly report. Each agency agrees that the NHAC and Midwest HIDTA Executive Director and Midwest HIDTA Executive Committee have the right to terminate suspend or delay any payment to sub-recipient if the reimbursements clearly fails to meet HIDTA PPBG. In the event that such an act is necessary the agency will be notified within three days of the decision.

Inventory

Equipment purchased with HIDTA funds shall be identified by cost, type and serial number and reported to the Kansas State Coordinator on the Midwest HIDTA Inventory Form (Appendix C). The Kansas State Coordinator shall maintain an inventory of all equipment purchased and provide the same to HIDTA. A copy of all inventory transactions shall be provided to the KBI. Any change to the inventory of HIDTA purchased equipment shall be reported promptly and in writing to the KBI.

Audit Readiness and Compliance

Each agency agrees to maintain appropriate and detailed records of its receipt and use of the funds, in accordance with the generally accepted accounting principles applying to government agencies. Each agency understands that it may be subject to an audit. Each agency also understands that there will be a site audit every two years for awardees that receive \$25,000 or more, and every three years for awardees that receive \$25,000 or less.

As the fiduciary, the KBI is required to provide certain information in an audit. The Single Audit Certification (Appendix K) provides part of the information needed. The Risk Assessment Tool (Appendix J) helps to ensure proper accountability and compliance with the program.

Operations

1. Individual agencies shall be responsible for the initial payment of costs for phones, pagers, travel and overtime associated with their agent/officer. All equipment purchases shall be made in accordance with the HIDTA program policy. Each agency agrees to compile those costs on a monthly basis and submit the same to the KBI for reimbursement as per the section of this document titled Invoicing. In the event all available travel funds for non-federal participants are expended, the DEA will assume responsibility for all necessary travel costs associated with this initiative. Reimbursement to each agency is limited to the amount specified in the respective funding category, for that agency, as set out in the approved initiative budget and this agreement.

2. Signatories agree to provide all required statistical, financial and programmatic documentation to the Midwest HIDTA, including but not limited to non-supplanting agreements, monthly performance reports and yearly threat assessment information.
3. Signatories agree to participate in and support all Midwest HIDTA information and intelligence programs, including but not limited to, HIDTA SAFETNET, EPIC NCLSS.
4. The signatories agree that in event that any additional funds are received from HIDTA for the benefit of the initiative, those funds shall be distributed pursuant to the written award authorizing those additional funds.
5. **Lee's Summit Police Department** shall agree to designate one commissioned officer to the Kansas City FBI Combined Task Force.

**FY 2020 ENFORCEMENT INITIATIVE DESCRIPTION BUDGET PROPOSAL
(INVESTIGATIVE)**

HIDTA: Midwest HIDTA
INITIATIVE TITLE: Kansas City FBI Combined Task Force
LEAD AGENCY(S): Federal Bureau of Investigation
CO-LOCATION SITE: Kansas City, MO

1. DESCRIPTION

The Kansas City FBI Transnational Organized Crime Task Force (Kansas City FBI Combined Task Force), hereinafter referred to as the FBI TOCTF, is responsible for FBI investigative matters targeting violent gangs (VGs) and transnational criminal organizations (TCOs) operating in the Districts of Kansas and Western District of Missouri. The FBI TOCTF includes the Kansas City FBI's Violent Gang (VG) and Transnational Organized Crime Squads. The FBI TOCTF is led by the KC FBI TOC SSA. Additionally, a peer SSA oversees the KC FBI Violent Crime (VC)/VG squad. The FBI TOCTF is comprised of 12 FBI Special Agents, two FBI Administrative Assistances, four FBI Intelligence Analysts, and seven Task Force Officers (parent agencies: KCMOPD, KCKPD, Lee's Summit PD, and the Jackson County, MO Drug Task Force). Also, a DEA SA participates and partners with the FBI TOCTF on a part-time basis. The FBI TOCTF's most substantive partnerships exist with the DEA, the Jackson County Drug Task Force, and the Kansas City Missouri Police Department.

Operating from a semi-covert HIDTA funded facility, the FBI TOCTF uses an intelligence driven approach to identify the most violent TCOs impacting the state of Kansas and the Western District of Missouri. Employing a coordinated and concurrent investigative strategy which is highly reliant on interagency partnership and leveraging the capabilities of sophisticated techniques, the FBI TOCTF targets, disrupts, and dismantles the lower-level, midlevel, and leadership of targeted TCOs. This strategy continues to yield tangible positive local and regional impacts, as well as, national successes targeting significant CPOT linked TCOs originating in Mexico that impact the United States. The FBI TOCTF routinely contributes intelligence products to the IC.

Part 200 (the “Part 200 Uniform Requirements”), as adopted and implemented by the Office of National Drug Control Policy (ONDCP) in 2 C.F.R. Part 3603. For this award, the Part 200 Uniform Requirements supersede, among other things, the provisions of 28 C.F.R. Parts 66 and 70, as well as those of 2 C.F.R. Parts 215, 220, 225, and 230.

For more information on the Part 200 Uniform Requirements, see <https://cfo.gov/cofar/>. For specific, award-related questions, recipients should contact ONDCP promptly for clarification.

2. This award is subject to the following additional regulations and requirements:
 - 28 CFR Part 69 – “New Restrictions on Lobbying”
 - Conflict of Interest and Mandatory Disclosure Requirements, set out in paragraph 7 of these terms and conditions
 - Non-profit Certifications (when applicable)
3. Audits conducted pursuant to 2 CFR Part 200, Subpart F, “Audit Requirements” must be submitted no later than nine months after the close of the grantee’s audited fiscal year to the Federal Audit Clearinghouse at <https://harvester.census.gov/facweb/>.
4. Grantees are required to submit Federal Financial Reports (FFR) to the Department of Health and Human Services, Division of Payment Management (HHS/DPM). Federal Financial Report is required to be submitted quarterly and within 90 days after the grant is closed out.
5. The recipient gives the awarding agency or the Government Accountability Office, through any authorized representative, access to, and the right to examine, all paper or electronic records related to the grant.
6. Recipients of HIDTA funds are not agents of ONDCP. Accordingly, the grantee, its fiscal agent (s), employees, contractors, as well as state, local, and Federal participants, either on a collective basis or on a personal level, shall not hold themselves out as being part of, or representing, the Executive Office of the President or ONDCP.

These general terms and conditions, as well as archives of previous versions of the general terms and conditions, are available online at www.whitehouse.gov/ondcp/grants-programs.

7. Conflict of Interest and Mandatory Disclosures

A. Conflict of Interest Requirements

As a non-Federal entity, you must follow ONDCP's conflict of interest policies for Federal awards. Recipients must disclose in writing any potential conflict of interest to an ONDCP Program Officer; recipients that are pass-through entities must require disclosure from subrecipients or contractors. This disclosure must take place immediately whether you are an applicant or have an active ONDCP award.

The ONDCP conflict of interest policies apply to sub-awards as well as contracts, and are as follows:

- i. As a non-Federal entity, you must maintain written standards of conduct covering conflicts of interest and governing the performance of your employees engaged in the selection, award, and administration of subawards and contracts.
- ii. None of your employees may participate in the selection, award, or administration of a subaward or contract supported by a Federal award if he or she has a real or apparent conflict of interest. Such a conflict of interest would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in or a tangible personal benefit from an organization considered for a sub-award or contract. The officers, employees, and agents of the non-Federal entity must neither solicit nor accept gratuities, favors, or anything of monetary value from subrecipients or contractors or parties to subawards or contracts.
- iii. If you have a parent, affiliate, or subsidiary organization that is not a state, local government, or Native American tribe, you must also maintain written standards of conduct covering organizational conflicts of interest. Organizational conflicts of interest means that because of relationships with a parent company, affiliate, or subsidiary organization, you are unable or appear to be unable to be impartial in conducting a sub-award or procurement action involving a related organization.

B. Mandatory Disclosure Requirement

As a non-Federal entity, you must disclose, in a timely manner, in writing to ONDCP all violations of Federal criminal law involving fraud, bribery or gratuity violations potentially affecting the Federal award. Non-Federal entities that have received a Federal award that includes the term and condition outlined in 200 CFR Part 200, Appendix XII "Award Term and Condition for Recipient Integrity and Performance Matters," are required to report certain civil, criminal, or administrative proceedings to System for Award Management (SAM). Failure to make required disclosures can result in remedies such as: temporary withholding of payments pending correction of the deficiency, disallowance of all or part of the costs associated with noncompliance, suspension, termination of award, debarment, or other legally available remedies outlined in 2 CFR 200.338 "Remedies for Noncompliance".

8. Federal Funding Accountability and Transparency (FFATA) / Digital Accountability and Transparency Act (DATA Act). Each applicant is required to (i) Be registered in SAM before submitting its application; (ii) provide a valid DUNS number in its application; (iii) continue to maintain an active System for Award Management registration with current information at all times during which it has an active Federal award; and (iv) provide all relevant grantee information required for ONDCP to collect for reporting related to FFATA and DATA Act requirements.
9. Subawards are authorized under this grant award. Subawards must be monitored by the award recipient as outlined in 2 CFR 200.331.

10. Recipients must comply with the Government-wide Suspension and Debarment provision set forth at 2 CFR Part 180, dealing with all sub-awards and contracts issued under the grant.
11. As specified in the HIDTA Program Policy and Budget Guidance, recipient must:
 - a) Establish and maintain effective internal controls over the Federal award that provides reasonable assurance that Federal award funds are managed in compliance with Federal statutes, regulations and award terms and conditions. These internal controls should be in compliance with the guidance in “Standards for Internal Control in the Federal Government,” issued by the Comptroller General of the United States and the “Internal Control Integrated Framework,” issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO).
 - b) Comply with Federal statutes, regulations, and the terms and conditions of the Federal awards.
 - c) Evaluate and monitor compliance with applicable statute and regulations, and the terms and conditions of the Federal award.
 - d) Take prompt action when instances of noncompliance are identified, including noncompliance identified in audit findings.
 - e) Take reasonable measures to safeguard protected PII and other information ONDCP or the recipient designates consistent with applicable Federal, state, and local laws regarding privacy and obligations of confidentiality.

B. Recipient Integrity and Performance Matters

Reporting of Matters Related to Recipient Integrity and Performance

1. General Reporting Requirement

If the total value of your currently active grants, cooperative agreements, and procurement contracts from all Federal awarding agencies exceeds \$10,000,000 for any period of time during the period of performance of this Federal award, then you as the recipient during that period of time must maintain and report current information to the SAM that is made available in the designated integrity and performance system (currently the Federal Awardee Performance and Integrity Information System (FAPIIS)) about civil, criminal, or administrative proceedings described in paragraph 2 of this award term and condition (below). This is a statutory requirement under section 872 of Public Law 110-417, as amended (41 U.S.C. 2313). As required by section 3010 of Public Law 111-212, all information posted in the designated integrity and performance system on or after April 15, 2011, except past performance reviews required for Federal procurement contracts, will be publicly available.

2. Proceedings About Which You Must Report

Submit the information required about each proceeding that:

- a. Is in connection with the award or performance of a grant, cooperative agreement, or procurement contract from the Federal Government;
- b. Reached its final disposition during the most recent 5 year period; and
- c. Is one of the following:

- (1) A criminal proceeding that resulted in a conviction, as defined in paragraph 5 of this award term and condition (below);

- (3) An administrative proceeding, as defined in paragraph 5 of this award term and condition, that resulted in a finding of fault and liability and your payment of either a monetary fine or penalty of \$5,000 or more or reimbursement, restitution, or damages in excess of \$100,000; or
- (4) Any other criminal, civil, or administrative proceeding if:
 - (i) It could have led to an outcome described in paragraph 2.c.(1), (2), or (3) of this award term and condition;
 - (ii) It had a different disposition arrived at by consent or compromise with an acknowledgment of fault on your part; and
 - (iii) The requirement in this award term and condition to disclose information about the proceeding does not conflict with applicable laws and regulations.

3. Reporting Procedures

Enter in the SAM Entity Management area the information that SAM requires about each proceeding described in paragraph 2 of this award term and condition. You do not need to submit the information a second time under assistance awards that you received if you already provided the information through SAM because you were required to do so under Federal procurement contracts that you were awarded.

4. Reporting Frequency

During any period of time when you are subject to the requirement in paragraph 1 of this award term and condition, you must report proceedings information through SAM for the most recent 5 year period, either to report new information about any proceeding(s) that you have not reported previously or affirm that there is no new information to report. This includes proceedings at the Federal and state level, but only in connection with performance of a Federal contract or grant. It does not include audits, site visits, corrective plans, or inspection of deliverables.

2. This award is subject to the requirements in ONDCP's HIDTA PPBG.
3. No HIDTA funds shall be used to supplant state or local funds that would otherwise be made available for the same purposes.
4. The requirements of 28 CFR Part 23, which pertain to information collection and management of criminal intelligence systems, shall apply to any such systems supported by this award.
5. Special accounting and control procedures must govern the use and handling of HIDTA Program funds for confidential expenditures; i.e., the purchase of information, evidence, and services for undercover operations. Those procedures are described in Section 7 of the HIDTA Program Policy and Budget Guidance.
6. Property acquired with these HIDTA grant funds is to be used for activities of the Midwest HIDTA.
