Date	Ver.	Action By	Action	Result

Presentation: Review of guaranteed maximum price for Fire Station No. 4 and 5.

Issue/Request:
Staff and representatives from McCown Gordon and GLMV will be presenting additional information with regard to the bids and the increase in construction costs for the fire station 4 and 5 projects. The purpose of the presentation is to provide greater awareness of the significant cost increases and allow additional time for the Mayor and City Council to ask questions with regard to the projects and the guaranteed maximum price agreement with McCown Gordon.

Key Issues:
Staff and representatives from McCown Gordon and GLMV will be presenting additional information with regard to the bids and the increase in construction costs for the fire station 4 and 5 projects. The purpose of the presentation is to provide greater awareness of the significant cost increases and allow additional time for the Mayor and City Council to ask questions with regard to the projects and the guaranteed maximum price agreement with McCown Gordon.

Mark Dunning, Assistant City Manager
McCown Gordon Construction Company
