Presentation: Sister City Partnership with Ibague, Colombia, Global Prep Squad and the City of Lee's Summit, Missouri.

The City of Lee's Summit has laid out the Ignite strategic plan, whereby the City has a goal for educational partnership expansion and cultural diversity. Student representatives from Summit Tech's Global Prep Squad will present to the City Council a student led initiative for a sister city relationship with Ibague Columbia. A sister city partnership is an agreement between two cities in two separate countries that looks to improve cultural, commercial, and business ties . Sister cities have been shown to improve relationships, and enhance cultural and educational opportunities within the two cities.

There is a resolution later on the agenda asking for the Council's support of this community led Ignite Strategic Plan initiative.

NOTE: Background Materials and a presentation will be provided on Friday!

Global Prep Squad, Summit Technology Academy
