Discussion of Feedback from Stakeholders for 2017 CIP Sales Tax Prioritization of Projects and Programs

Issue/Request:
Discussion regarding Council Guidance for 2017 CIP Sales Tax Prioritization of Projects and Programs

Key Issues:

- Public Works Committee Directed City Staff to meet with Lee's Summit Economic Development Council, Downtown Main Street and Downtown CID
- Those meeting took place in January 2018

Proposed City Council Motion:
N/A; Presentation and discussion

Timeline:
Start: November 2017
Finish: February 2018

Other Information/Unique Characteristics:
The timeline to work with Council Committees is intended to lead the process of preparing the FY 2019 Capital Improvement Plan to allow City Staff the opportunity to program projects and programs into the 5-year plan.

Presenter: George Binger, P.E., Deputy Director of Public Works/City Engineer

Recommendation:
