The public works agency is responsible for the Functional Areas, which are checked on the reverse side of this application form. The agency is responsible for addressing all recommended practices in the Functional Areas which the public works agency has responsibility. Each area is covered by a separate chapter in the *Public Works Management Practices Manual* and forms the basis for fees charged for the accreditation process.

We hereby apply for a site evaluation for voluntary accreditation by the Accreditation Council of the American Public Works Association. By this application, the agency acknowledges its commitment to accreditation and is willing to devote the resources necessary to complete the re-accreditation process. The agency is prepared to provide such information necessary for the Council to fairly evaluate the agency's eligibility for re-accreditation.
