Mr. Conrad Lamb, Director City of Lee's Summit Finance Department 220 SE Green Street Lee's Summit, MO 64063

Subject: Waiver of PILOT FYE 2016

Dear Mr. Lamb:

The Housing Authority of the City of Lee's Summit would like to request a waiver of the Payment in lieu-of-taxes for our fiscal year ended September 30, 2016. The PILOT calculation for 09/30/16 is attached for your review.

The Housing Authority continues to maintain a fiscally conservative approach in budgeting. The only revenue sources are rents and income received from the Department of Housing and Urban Development (HUD) in the form of operating subsidy and capital improvements grants; both of which continue to shrink. All tenant rental income is based on 30% of adjusted income; the majority of our tenant population is elderly or handicapped/disabled and live on "fixed" income.

We have used the PILOT funds to improve and maintain our properties; our primary goal is to provide the senior citizens we serve with safe, decent, affordable housing. We have used the PILOT as a resource in many projects, including replacing roofs, HVAC, and water heaters. We continue to maintain the properties and over the course of the next three years, we anticipate our capital improvements needs at over \$600,000. It is also our goal to provide a housing resource that the City and people of Lee's Summit can be proud to have in their Community.

If I can provide any further information, please feel free to contact me.

Sincerely,

Darrin J. Taylor, PHM Executive Director
