Why interested: I have great organizational skills. I LOVE research. I have good written communication skills and can muster up verbal communication skills when I need to. I have always been interested in history and local history is the best! Whenever we travel, the first think we do is look for the historical societies, architecture and artifacts to tell the story of the place we have landed. I would love to work on the Historic Preservation Committee as this would go right along with my family's interests.

Other participation: Participating member of the Longview Alliance. Patron of the R-7 school district where our children and now grandchildren are educated. HOA participation and a growing public service interest.

Interested in serving on: Beautification Commission, Historic Preservation, Planning Commission, Railroad Task Force, Strategic Plan, Tif Commission

Other interests: Genealogy, photography, graphic arts, travel, architecture, dancing. Always have interest in keeping up with the IT fields: Analysis, Project Management, Programming, Systems Engineering
