# Final Plat Lee's Summit Logistics

## An unplatted tract of land lying in the West Half of Section 31, Township 48 North, Range 31 West, in the City of Lee's Summit, Jackson County, Missouri

**Dedication**

The undersigned proprietor of the above described tract of land has caused the same to be subdivided in the manner shown on the accompanying Plat, which subdivision shall be hereafter known as "Lee's Summit Logistics".

An easement or license is hereby granted to the City of Lee's Summit, Missouri, to locate, construct and maintain, or to authorize the location, construction and maintenance of poles, wires, anchors, conduits, and/or structures for water, gas, sanitary sewer, storm sewer, surface drainage channel, electricity, telephone, cable television, or any other necessary public utility or services, any or all of them, upon, over, or under those areas outlined or designated upon this plat as "Utility Easement" (U/E) or within any street or thoroughfare dedicated to public use on this plat. Grantor, on behalf of himself, his heirs, his assigns and successors in interest, hereby waives, to the fullest extent allowed by law, including, without limitation, Section 527.188, RSMo. (2006), any right to request restoration of rights previously transferred and vacation of the easement herein granted.

An easement or license is hereby granted to the City of Lee's Summit, Missouri, to locate, construct and maintain, or to authorize the location, construction and maintenance of structures for sanitary sewer, upon, over, or under those areas outlined or designated upon this plat as "Sanitary Sewer Easement" (S/E) or within any street or thoroughfare dedicated to public use on this plat. Grantor, on behalf of himself, his heirs, his assigns and successors in interest, hereby waives, to the fullest extent allowed by law, including, without limitation, Section 527.188, RSMo. (2006), any right to request restoration of rights previously transferred and vacation of the easement herein granted.

An easement or license is hereby granted to the City of Lee's Summit, Missouri, to locate, construct and maintain, or to authorize the location, construction and maintenance of structures for storm sewer, surface drainage channel, any or all of them, upon, over, or under those areas outlined or designated upon this plat as "Drainage Easement" (D/E) or within any street or thoroughfare dedicated to public use on this plat. Grantor, on behalf of himself, his heirs, his assigns and successors in interest, hereby waives, to the fullest extent allowed by law, including, without limitation, Section 527.188, RSMo. (2006), any right to request restoration of rights previously transferred and vacation of the easement herein granted.

An easement or license is hereby granted to the City of Lee's Summit, Missouri, to locate, construct and maintain, or to authorize the location, construction and maintenance of structures for water lines, upon, over, or under those areas outlined or designated upon this plat as "Water Easement" (W/E) or within any street or thoroughfare dedicated to public use on this plat. Grantor, on behalf of himself, his heirs, his assigns and successors in interest, hereby waives, to the fullest extent allowed by law, including, without limitation, Section 527.188, RSMo. (2006), any right to request restoration of rights previously transferred and vacation of the easement herein granted.

A private easement or license to enter upon, locate, construct and maintain or authorize the location, construction or maintenance and use of pipes, inlets, manholes, surface drainage facilities, underground detention and other similar facilities, upon, over and under those areas outlined and designated on this plat as "Best Management Practices Easement" (BMP), is hereby granted to all lots within this subdivision and to all future lots within this subdivision.

In the areas designated as "Stream Buffer Easement" or "SB/E" there is hereby granted to the City an easement for the purpose of prohibiting any development of any kind and prohibiting the erection, construction, placement or maintenance of any structures upon such land, as the term "structure" shall be defined in the City's Unified Development Ordinance in Chapter 33 of the City Code of Ordinances, and prohibiting any change in the grade and elevation of such land, and prohibiting the alteration of the natural course and flow of the water in the stream, and prohibiting the damming or stoppage of the water in the stream, and to require the owners of such land to keep and maintain such land in its natural vegetative state and to tend, maintain and mow such land as required by the City's Property Maintenance Code in Chapter 16 of the City Code of Ordinances, which easement shall constitute a servitude upon the land so encumbered and which shall run with the land in perpetuity and be binding upon the land owners, their successors and assigns and all other parties claiming under them, and shall remain in full force and effect forever. A waiver or modification to this Stream Buffer Easement, or a release of this Stream Buffer Easement, may be granted by the City Engineer on behalf of the City as to any or all areas so designated on this Plat, which waiver, modification or release shall be recorded in the land records for Jackson County.

The sanitary, storm, and water utilities not installed within the utility easements, and contained within this plat, are private utilities and shall be owned and maintained by the property owner.

Roads, streets and drives shown on this plat and not heretofore dedicated to public use as thoroughfares are hereby so dedicated.

**Building Lines**

Building lines or setback lines are hereby established, as shown on the accompanying plat, and no building or portion thereof shall be built between this line and the lot line nearest thereto.

Lot 1 shall not have direct vehicular access to NE Tudor Road.

All storm water conveyance, retention, or detention facilities to be located on common property shall be owned and maintained by the property owners' association in accordance with the standards set forth in the covenants, conditions, and restrictions. These stormwater detention facilities shall be inspected by the property owners' association on the frequency specified in the current City of Lee's Summit Design and Construction Manual, to assure that all inlet and outlet structures are fully-functional, the detention basin has full storage capacity and all landscaping, vegetation and structural improvements are being maintained in accordance with the current City of Lee's Summit Property Maintenance Code.
