NOW, THEREFORE, be it resolved by the Tax Increment Financing Commission for the City of Lee's Summit:

1. **Findings.** In accordance with Section 99.810, RSMo, the TIF Commission makes the following findings and recommends that the City Council by ordinance make the following findings regarding the TIF Plan:

A. the TIF Plan sets forth in writing a general description of the program to be undertaken to accomplish its objectives, including the estimated redevelopment project costs, the anticipated sources of funds to pay the costs, evidence of the commitments to finance the initial project costs which are expected to be incurred, the anticipated type and term of the sources of funds to pay costs, the anticipated type and terms of the obligations to be issued, the most recent equalized assessed valuation of the property within the Redevelopment Area which is to be subjected to payments in lieu of taxes and economic activity taxes pursuant to Section 99.845, RSMo, an estimate as to the equalized assessed valuation after redevelopment, and the general land uses to apply in the Redevelopment Area;

B. the Redevelopment Area is a blighted area, as such term is defined in Section 99.805(1), RSMo, due to the presence of several blighting factors as set forth in the Blight Analysis set forth in Exhibit 4 of the TIF Plan. The TIF Plan is also accompanied by an affidavit which is set forth in Exhibit 11, signed by the Developer, attesting to the conditions of the Redevelopment Area which qualify the area as a blighted area;

C. the proposed redevelopment satisfies the "but for" test set forth in Section 99.810, RSMo, in that the Redevelopment Area has not been subject to growth and development through investment by private enterprise and would not reasonably be anticipated to be developed without the adoption of tax increment financing, and the Plan is accompanied by an affidavit which is set forth in Exhibit 11, signed by the Developer, attesting to this statement;

D. the TIF Plan is in conformance with the Comprehensive Plan for the development of the City as a whole;

E. the TIF Plan contains estimated dates of completion of the redevelopment projects and estimated dates for the retirement of obligations incurred to finance redevelopment project costs, and said dates are not more than twenty-three (23) years from the adoption of an ordinance approving each Redevelopment Project within the Redevelopment Area;

F. there are no businesses existing in the Redevelopment Area that have been or will be required to relocate in order to implement the Plan. However, in the event relocation of any

occupant is necessary, it will be carried out in accordance with Section 523.205 and pursuant to the Relocation Assistance Plan attached as Exhibit 13 to the TIF Plan;

G. the TIF Plan is accompanied by a Cost Benefit Analysis and other evidence and documentation from Developer showing the economic impact of the Plan on each taxing district and political subdivision, and that the proposed projects are financially feasible, but only with TIF assistance, and the Plan and Redevelopment Projects are financially feasible for the developer only if TIF assistance is provided;

H. the TIF Plan does not include the initial development or redevelopment of any gambling establishment; and

I. the areas selected for the Redevelopment Projects include only those parcels of real property and improvements thereon which will be directly and substantially benefited by the Redevelopment Project improvements.

2. **Recommendations.** The TIF Commission recommends that the City Council take the following actions with respect to the TIF Plan:

A. adopt an ordinance to make the findings recommended in Section 1 above and adopt the Plan;

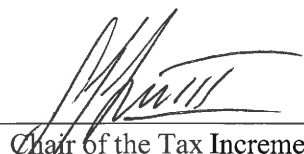

B. approve the TIF Plan;

C. designate the Redevelopment Area as a redevelopment area as provided in Section 99.805(12);

D. designate the Redevelopment Area by ordinance as described in the TIF Plan;

E. designate Parrot Properties, LLC as the developer of record for the Plan and the Redevelopment Projects and enter into a tax increment financing contract with such developer for implementation of the TIF Plan.

APPROVED BY THE TAX INCREMENT FINANCING COMMISSION FOR THE CITY OF LEE'S SUMMIT THIS 26th DAY OF JUNE, 2017.
