Interest Response: It's important to be engaged in building the community we are a part of. As my kids were growing up I volunteered in many roles in their schools and after they graduated served on the LSR7 School Board for the past 3 years. Throughout my career and volunteer service my focus has been on leadership, bringing people together to focus on common goals and build strategic plans, listen and value others ideas and ensure fiscal responsibility in decision making. We have an amazing city with so many beautiful parks, athletics and activities - my family has benefitted from our Parks and Recreation. I'd be excited to continue growth for the future of our LS Families.

Other Activities: I am engaged with the LSR7 LSEF serving on 2 committees and am sitting on the LSR7 Committee to help build the next strategic plan (CSIP) for the district. I also volunteer with my employer and in various capabilities with my church.
