

**AGREEMENT FOR PROFESSIONAL ENGINEERING SERVICES
FOR THE FOUR STREAMBANK STABILIZATION/STORMWATER MANAGEMENT
PROJECTS (RFQ NO. 2018-301)**

THIS AGREEMENT made and entered into this ____ day of _____, 20____, by and between the City of Lee's Summit, Missouri (hereinafter "City"), and Allgeier Martin and Associates, Inc. (hereinafter "Engineer").

WITNESSETH:

WHEREAS, City intends to have engineering services for Four Streambank Stabilization/Stormwater Management Projects (hereinafter "Project"); and

WHEREAS, Engineer has submitted a proposal for the Project and an estimate of engineering costs to perform the Project; and

WHEREAS, the City Manager is authorized and empowered by City to execute contracts providing for professional engineering services; and

WHEREAS, City desires to enter into an agreement with Engineer to perform the Project; and

WHEREAS, Engineer represents that the firm is equipped, competent, and able to undertake such an assignment.

NOW THEREFORE, in consideration of the mutual covenants and considerations herein contained, **IT IS HEREBY AGREED** by the parties hereto as follows:

**ARTICLE I
SCOPE OF BASIC SERVICES TO BE PROVIDED BY ENGINEER**

Engineer shall provide the following professional engineering services to City ("Basic Services"):

1.1 General

1.1.1 ENGINEER shall perform professional planning, design, preparation of easement descriptions for property acquisition, bidding, and limited construction phase services as hereinafter stated which include customary civil engineering services.

1.1.2 Coordinate the planning, design and construction of improvements for the four stormwater projects mentioned above with the City.

1.1.3 In general, the Project consists of the following:

- 1.1.3.1 Project areas are generally as follows: Upstream side of NE Bristol Drive near NE Concord Street; 150 Feet of NE Douglas Street leading into Lee's Summit Municipal Airport; North side of 2nd Street approximately 250 feet west of SE Independence Avenue; and North side of SW 3rd Street located 800 feet east of SW Winterpark Drive.
- 1.1.3.2 Design streambank stabilization improvements for each of the four projects.
- 1.1.3.3 Bidding and limited Construction Phase Engineering for installation of the improvements identified above and within the project area boundary.
- 1.1.3.4 Right-of-Way/Easement Writing services for the projects, which will include permanent and temporary construction easement exhibits, as well as written descriptions.
- 1.1.3.5 Secure necessary environmental permits for the project. Correspond with FEMA, USACE and MDNR for construction and necessary permits, including preparation of SWPPP's. Cost of permits, if any, to be paid by the City.

1.2 Planning and Design Phases.

ENGINEER shall provide the following planning and design services for the project, as follows:

- 1.2.1 Meet with City and City's representatives to discuss recommendations, project expectations, alternate considerations and costs.
- 1.2.3 Conduct topographic and boundary surveys to the extent necessary for design of the project facilities.
- 1.2.4 Subcontract a geotechnical study and slope stability analysis for the SW 3rd Street Project. This work will be provided by Terracon, Inc.
- 1.2.5 Conduct research and investigation into existing utilities located within the project boundaries. Engineer shall:
 - 1.2.5.1 Make notification to utilities during conceptual phase/preliminary design process. Notification to be made in a specific, documentable format.
 - 1.2.5.2 If determined necessary after preliminary review of potential utility conflicts and consultation with the City, a plan shall be prepared and presented for the City to review. Said plan shall detail significant utility conflicts and proposed pothole locations and associated costs for verifying existing utilities. An allowance has been included in Article II of this contract for these services.
 - 1.2.5.3 Submit a utility report, which is to include representatives contacted, meeting dates, and a summary of discussions, requests, observations and/or concerns.
- 1.2.6 Prepare preliminary design documents consisting of final design criteria and preliminary drawings, and review same with City.
- 1.2.7 Based on the information contained in the preliminary design documents, submit to the City an opinion of probable project costs.
- 1.2.8 If requested, attend a Public Meeting with the City to present the preliminary design to local impacted residents for comments.

- 1.2.9. On the basis of the accepted preliminary design documents and the opinion of probable project cost, prepare for incorporation in the contract documents final drawings and Job Special Provisions to show the character and extent of the Project. Since the City has adopted and is familiar with the Kansas City APWA general specifications, the ENGINEER will provide the Job Special Provisions in a format that is compatible to the City's contract documents, and the City will provide the Contract Documents and General Specifications.
- 1.2.10. Advise City of any adjustments to the latest opinion of probable Project cost caused by changes in extent or design requirements of the Project or construction costs and furnish a revised opinion of probable Project cost based on the drawings and specifications.
- 1.2.11. Compile for review and approval by City, his legal counsel and other advisors contract agreement forms, general conditions, supplementary conditions, bid forms, invitations to bid and instructions to bidders, easements and assist in the preparation of other related documents.
- 1.2.12. Furnish electronic and PDF digital files of the Plans, Job Special Provisions, Easements and general information for use by the City.

1.3 Bidding and Construction Phase

Following approval of the design documents and acquisition of required easements by the City, ENGINEER shall assist in the bidding phase for this project described, as follows:

- 1.3.1 Attend and assist with answering contractor's questions arising from City's project pre-bid conference and development of addendum information that may be necessary as a result of pre-bid conference.
- 1.3.2 Assist City in opening and evaluating bids or proposals and provide a written award recommendation.
- 1.3.4 Assist with a project pre-construction conference.
- 1.3.5 If requested, conduct up to 4 site visits to answer questions which may arise as to design concepts.
- 1.3.6 Provide support during construction to answer questions on intent of project plans, and if requested, review/comment on submittals. If significant changes were made to the plans during construction, provide Record Drawings upon request by City.
- 1.3.7 ENGINEER shall not be responsible for the acts or omissions of any contractor, or subcontractor, or any of the contractor(s)' or subcontractors' agents or employees, or any other persons (except ENGINEER's own employees and agents) at the site, or otherwise performing any of the contractor(s)' work; however, nothing contained in paragraph 1.3.1 through 1.3.7, inclusive, shall be construed to release ENGINEER from liability for failure to properly perform duties set forth in this contract.

PROJECT TEAM

Kurt Higgins, P.E., Vice President shall be the Project Manager/Engineer, and Charles Patterson, PhD, P.E. shall be the lead Hydraulics and Hydrology Engineer, and Sarah Simon, P.E. shall be the Lee's Summit Liaison Engineer for the duration of the Project, unless the ENGINEER requests and receives the City's approval to appoint other personnel to these positions.

Geotechnical investigation and slope stability analysis will be subcontracted to Terracon, Inc. based in Lee's Summit Missouri.

ARTICLE II
OPTIONAL SERVICES TO BE PROVIDED BY ENGINEER

The following is a list of additional services which will be furnished by Engineer, if needed by City, upon receipt of written authorization by the Director of Public Works (“Optional Services”):

1.4 Optional Services.

1.4.1 ENGINEER shall subcontract potholing services to locate utilities during design phase if City and ENGINEER agree services are warranted. ENGINEER will invoice City actual cost plus 10% and an allowance of \$5,000 has been included in the contract for these services.

1.4.2 ENGINEER shall provide right of way/easement negotiation, appraisals, construction observation, and other services upon written request.

ARTICLE III
SCOPE OF SERVICES TO BE PROVIDED BY CITY

City shall provide the following services to Engineer:

City Services

The City will cooperate fully with the Engineer in the development of the project, including the following:

- 1.5.1 Make available all information pertaining to the project which may be in the possession of the City.
- 1.5.2 Provide the Engineer with the City’s requirements for the project.
- 1.5.3 Make provisions for the Engineer to enter upon property at the project site for the performance of his duties.
- 1.5.4 Examine all studies and layouts developed by the Engineer, obtain reviews by staff, and render decisions thereon in a prompt manner so as not to delay the Engineer.
- 1.5.5 Designate a City’s employee to act as City’s Person in Responsible Charge under this contract, such person shall have authority to transmit instructions, interpret the City’s policies and render decisions with respect to matters covered by this agreement.
- 1.5.6 Perform appraisals and appraisal review, negotiate with property owners and otherwise provide all services in connection with acquiring all right-of-way needed to construct this project.
- 1.5.7 On-site construction observation and construction contract administration.
- 1.5.8 Advertise and obtain bids for the project including distribution of plans and specifications.
- 1.5.9 Waive any City fees/permits to Engineer, or its consultants relative to this project.

ARTICLE IV PAYMENTS TO THE ENGINEER

For the services performed by Engineer pursuant to this Agreement, and as full compensation therefore, and for all expenditures made and all expenses incurred by Engineer in connection with this Agreement, except as otherwise expressly provided herein, subject to and in conformance with all provisions of this Agreement, City will pay Engineer a maximum fee for Basic Services and Optional Services in the sum of one hundred and sixty five thousand Dollars (\$165,000), according to the following provisions:

- A. The cost of all Basic Services covered under Article I shall be billed hourly at the rates set forth in Exhibit A attached hereto and incorporated herein by reference. Expenses incurred to provide the Basic Services shall be billed as set forth in Exhibit A. The total fees (hourly fees and expenses) for the Basic Services shall not exceed the total sum of one hundred and sixty thousand Dollars (\$160,000).
- B. The cost of all Optional Services covered under Article II shall be billed hourly at the rates set forth in Exhibit A attached hereto and incorporated herein by reference. Expenses incurred to provide the Optional Services shall be billed as set forth in Exhibit A. Fees for these services will be provided after receiving written request. An allowance of \$5,000 has been included for Optional Services for potholing services.
- C. If so requested by Engineer, City will make payment monthly for Basic Services and Optional Services that have been satisfactorily completed. The City shall make payment to Engineer within a period not to exceed thirty (30) days from the date an invoice is received by City. All invoices shall contain the following information:
 - 1. Project Name/Task Name/RFP Number/Description of Agreement.
 - 2. Invoice Number and Date.
 - 3. Purchase Order Number issued by City.
 - 4. Itemized statement for the previous month of Labor (including Personnel Description, Title or classification for each person on the Project, Hours Worked, Hourly Rate, and Amount), Itemized Reimbursable Expenses, and Invoice Total.
 - 5. Description of monthly progress detailing the amount of the services completed to date and projected completion time.
 - 6. Project Billing Summary containing the Contract or Agreed Maximum Fee Amount, Cumulative Amount Previously Billed, Billing Amount this Invoice, Contract or Agreed Amount Remaining, and Percent of Maximum Fee Billed to Date.

All moneys not paid when due as provided herein shall bear interest at a per annum rate equal to one percent (1%) plus the average *Consumer Price Index for All Urban Consumers (CPI-U)-U.S. City Average* for the time period in which payment is past

due; provided, however, that in no event will the amount of interest to be paid by the City exceed 9% per annum.

ARTICLE V COMPLETION TIME

The Basic Services shall be completed in accordance with the following schedule:

Assuming that the Notice to Proceed will be issued on, or before February 12, 2018, design survey and existing site plans shall be completed around March 24, 2018.

Engineering Design (15%) with Existing watershed analysis shall be completed around May 31, 2018.

Engineering Design (25%) with conceptual planning, sizing, layout and geotechnical report of project shall be completed around June 28, 2018.

Engineering Design (50%) with preliminary recommendations shall be completed around July 26, 2018.

Engineering Design (85%) with field check design plans, legal descriptions, easement exhibits and cost estimates shall be completed around August 23, 2018.

Engineering Design (100%) with final plans, specifications, and estimate, including and bid documents for the Project shall be completed around October 01, 2018.

Bidding phase time frame shall be controlled by the City, but is anticipated to take place in the Fall of 2018.

Construction Phase to be determined, but may begin in late Winter 2018 thru the Summer of 2019.

The Director of Public Works may, with the mutual consent of the parties, amend the deadlines contained in this Article by written authorization upon a showing of cause for amendment by Engineer.

The Optional Services shall be completed in accordance with the deadlines set by the Director of Public Works and accepted by Engineer at the time said Optional Services are authorized by the Director of Public Works.

ARTICLE VI INSURANCE

- A. **CERTIFICATE OF INSURANCE:** The Engineer shall secure and maintain, throughout the duration of this contract, insurance of such types and in at least the amounts that are required herein. Engineer shall provide certificate(s) of insurance confirming the required protection on an ACORD 25 (or equivalent form). The City shall be notified by receipt of written notice from the insurer at least thirty (30) days prior to material modification or cancellation of any policy listed on the certificate(s). The City reserves the right to require formal copies of any Additional Insured endorsement, as well as the right to require completed copies of all insuring policies applicable to the project. The cost of such insurance shall be included in the Engineer's contract price.
- B. **NOTICE OF CLAIM:** The Engineer shall upon receipt of notice of any claim in connection with this contract promptly notify the City, providing full details thereof, including an estimate of the amount of loss or liability. The Engineer shall also promptly notify the City of any reduction in limits of protection afforded under any policy listed in the certificate(s) of insurance in excess of \$10,000.00, whether or not such impairment came about as a result of this contract. If the City shall subsequently determine that the Engineer's aggregate limits of protection shall have been impaired or reduced to such extent that they are inadequate for the balance of the project, the Engineer shall, upon notice from the City, promptly reinstate the original limits of liability required hereunder and shall furnish evidence thereof to the City.
- C. **INDUSTRY RATING:** The City will only accept coverage from an insurance carrier who offers proof that it is licensed to do business in the State of Missouri; carries a Best's policyholder rating of "A" or better; carries at least a Class VII financial rating or is a company mutually agreed upon by the City and the Engineer.
- D. **SUB-CONSULTANT'S INSURANCE:** If any part of the contract is to be sublet, the Engineer shall either:
1. Cover all sub-consultants in the Engineer's liability insurance policy or,
 2. Require each sub-consultant not so covered to secure insurance in the minimum amounts required of the Engineer and submit such certificates to the City as outlined herein.
- E. **SELF-INSURED RETENTIONS / DEDUCTIBLES:** Any Engineer that maintains a Self-Insured Retention or Deductible (in excess of \$50,000) must be declared on the Certificates provided to the City. Such amounts shall be the sole responsibility of the Engineer. The City reserves the right to approve such self-insured retentions/deductibles and may require guarantees from the Engineer for such assumed limits.

F. PROFESSIONAL LIABILITY: Professional Liability, or Errors and Omissions Insurance protection must be carried by Engineer in the minimum amount of \$1,000,000.

G. COMMERCIAL GENERAL LIABILITY POLICY

Limits:

Each occurrence:	\$2,000,000
Personal & Advertising Injury:	\$2,000,000
Products/Completed Operations Aggregate:	\$2,000,000
General Aggregate:	\$2,000,000

Policy must include the following conditions:

- Bodily Injury and Property Damage
- Insured Contract's Contractual Liability
- Explosion, Collapse & Underground (if risk is present)
- Additional Insured: City of Lee's Summit, Missouri

H. AUTOMOBILE LIABILITY: Policy shall protect the Engineer against claims for bodily injury and/or property damage arising out of the ownership or use of any owned, hired and/or non-owned vehicle and must include protection for either:

1. Any Auto
2. or all Owned Autos; Hired Autos; and Non-Owned Autos

Limits:

Each Accident, Combined Single Limits, Bodily Injury and Property Damage:	\$2,000,000
City of Lee's Summit, Missouri does NOT need to be named as additional insured on Automobile Liability	

I. WORKERS' COMPENSATION: This insurance shall protect the Engineer against all claims under applicable state Workers' Compensation laws. The Engineer shall also be protected against claims for injury, disease or death of employees which, for any reason, may not fall within the provisions of a Workers' Compensation law and contain a waiver of subrogation against the City. The policy limits shall not be less than the following:

Workers' Compensation:	Statutory
Employer's Liability:	
Bodily Injury by Accident:	\$100,000 Each Accident
Bodily Injury by Disease:	\$500,000 Policy Limit
Bodily Injury by Disease:	\$100,000 Each Employee

J. GENERAL INSURANCE PROVISIONS

1. The insurance limits outlined above represent the minimum coverage limit and do not infer or place a limit of liability on the Engineer nor has the City assessed the risk that may be applicable to the Engineer.

2. The Engineer's liability program will be primary and any insurance maintained by the City (including self-insurance) will not contribute with the coverage maintained by the Engineer.
3. Coverage limits outlined above may be met by a combination of primary and excess liability insurance programs.
4. Any coverage provided on a Claims Made policy form must contain a 3-year tail option (extended reporting period) or the program must be maintained for 3-years subsequent to completion of the Contract.
5. Any failure on the part of the Engineer with any policy reporting provision shall not affect the coverage provided to the City.
6. When "City" is utilized, this includes its officers, employees and volunteers in respect to their duties for the City.

ARTICLE VII MISCELLANEOUS PROVISIONS

The following miscellaneous provisions are agreed to by both parties to this Agreement:

- A. **COVENANT AGAINST CONTINGENT FEES:** Engineer warrants that Engineer has not employed or retained any company or person, other than a bona fide employee working for the Engineer, to solicit or secure this Agreement, and that Engineer has not paid or agreed to pay any company or person, other than bona fide employee, any fee, commission, percentage, brokerage fee, gifts, or any other consideration contingent upon or resulting from the award or making of this Agreement. For breach or violation of this warranty, the City shall have the right to annul this Agreement without liability or, at its discretion, to deduct from the contract price or consideration, or otherwise recover, the full amount of such fee, commission, percentage, brokerage fee, gift, or contingent fee.
- B. **OWNERSHIP OF ENGINEERING DOCUMENTS:** Payment by City to Engineer as aforesaid in Article IV shall vest in City title to all drawings, sketches, studies, analyses, reports, models, and other paper, documents, computer files, and material produced by Engineer exclusively for the services performed pursuant to this Agreement up to the time of such payments, and the right to use the same without other or further compensation, provided that any use for another purpose shall be without liability to the Engineer. Any reuse without written verification or adaptation by Engineer for the specific purpose intended will be at City's risk and without liability or exposure to Engineer, and City shall indemnify and hold harmless, to the extent allowed by the Constitution and Laws of the State of Missouri, Engineer from all claims, damages, losses, expenses, including attorneys' fees arising out of or resulting therefrom.
- C. **MODIFICATIONS TO AGREEMENT:** In the event of any changes in the scope of services contained in this Agreement, prior to commencing the services City and Engineer shall enter into a modification of this Agreement describing the changes in the services to be provided by Engineer and City, providing for compensation for any additional services to be performed by Engineer, and providing completion times for said services.

D. EMERGENCY CHANGES IN SERVICES: The Director of Public Works, with the consent of the City Manager, is authorized to execute on behalf of the City modification agreements as provided for in subsection C. above where there is an emergency and the overall compensation authorized in Article IV above, and any supplements or modifications thereto, is not increased. For purposes of this subsection, an “emergency” shall mean those unforeseen circumstances that present an immediate threat to public health, welfare, or safety; or when immediate response is necessary to prevent further damage to public property, machinery, or equipment; or when delay would result in significant financial impacts to the City as determined by the Director of Public Works and the City Manager.

In the event an emergency change in services is authorized by the Director of Public Works and the City Manager pursuant to this provision, the modification agreement shall be submitted to the City Council for ratification at its next available meeting.

E. TERMINATION: In the event of termination by City, if there are any services hereunder in progress but not completed as of the date of termination, then said Agreement may be extended upon written approval of the City until said services are completed and accepted.

1. Termination for Convenience: The services called for by this Agreement or any supplements thereto may be terminated upon request and for the convenience of City upon thirty (30) days advance written notice. City shall pay Engineer for all services rendered up to the date of termination.

2. Termination for Cause: This Agreement may also be terminated for cause by City or Engineer. Termination for cause shall be preceded by a fourteen-(14) day correction period effective upon delivery of written notice. City shall pay Engineer for all services rendered up to the date of termination. In the event of termination for cause by City, compensation for services rendered by Engineer up to the date of termination shall be offset by City’s reasonable cost to mitigate or correct the effects of such termination.

3. Termination Due to Unavailability of Funds in Succeeding Fiscal Years: When funds are not appropriated or otherwise made available to support continuation of the Project in a subsequent fiscal year, this Agreement shall be terminated and Engineer shall be reimbursed for the services rendered up to the date of termination plus the reasonable value of any nonrecurring costs incurred by Engineer but not amortized in the price of the services delivered under this Agreement.

F. COMPLIANCE WITH LAWS: Engineer shall comply with all Federal, State, and local laws, ordinances, and regulations applicable to the services. Engineer shall secure all licenses, permits, etc. from public and private sources necessary for the fulfillment of its obligations under this Agreement.

- G. **SUBLETTING ASSIGNMENT OR TRANSFER:** Engineer shall not sublet, assign, or transfer any interest in the services covered by this Agreement, except as provided for herein and except with the prior written consent of City. The use of subcontractors shall in no way relieve Engineer of his/her primary responsibility for the services. No approval will be necessary for non-professional services such as reproductions, printing, materials, and other services normally performed or provided by others.
- H. **CONFERENCES, VISITS TO SITE, INSPECTION OF SERVICES:** Upon reasonable advance notice and during normal business hours at Engineer's place of business, representatives of City shall have the privilege of inspecting and reviewing the services being performed by Engineer and consulting with him/her at such time. Conferences are to be held at the request of City or Engineer.
- I. **ENGINEER'S ENDORSEMENT:** Engineer shall endorse all plans, specifications, estimates, and engineering data furnished by him/her.
- J. **INSPECTION OF DOCUMENTS:** Engineer shall maintain all records pertaining to its services hereunder for inspection, upon reasonable advance notice and during normal business hours at Engineer's place of business, by a City representative during the contract period and for three (3) years from the date of final payment for each individual project performed pursuant to this Agreement.
- K. **INDEMNIFICATION AND HOLD HARMLESS:** Engineer shall indemnify and hold harmless City and its officers, employees, elected officials, and attorneys, each in their official and individual capacities, from and against judgments, damages, losses, expenses, including reasonable attorneys' fees, to the extent caused by the negligent acts, errors, omissions, or willful misconduct of Engineer, or its employees, or subcontractors, in the performance of Engineer's duties under this Agreement, or any supplements or amendments thereto.
- L. **LIMITATION OF LIABILITY:** In no event will City be liable to Engineer for indirect or consequential damages, and in no event will City's liability under this Agreement exceed the amount to be paid to Engineer pursuant to Article IV of this Agreement.
- M. **PROFESSIONAL RESPONSIBILITY:** Engineer will exercise reasonable skill, care, and diligence in the performance of its services in accordance with customarily accepted professional engineering practices. If Engineer fails to meet the foregoing standard, Engineer will perform at its own cost, and without reimbursement from City, the professional engineering services necessary to correct errors and omissions that are caused by Engineer's failure to comply with above standard, and that are reported to Engineer within one year from the completion of Engineer's services for each individual project performed pursuant to this Agreement.
- N. **ENTIRE AGREEMENT:** This Agreement constitutes the entire agreement between the parties with respect to its subject matter, and any prior agreements, understandings, or other matters, whether oral or written, are of no further force or effect. This Agreement

may be amended, changed, or supplemented only by written agreement executed by both of the parties hereto.

- O. CONFLICT: In the event of any conflict, ambiguity, or inconsistency between this Agreement and any other document that may be annexed hereto, the terms of this Agreement shall govern.
- P. GOVERNING LAW: This Agreement shall be governed by and construed in accordance with the laws of the State of Missouri.
- Q. OPINION OF PROBABLE CONSTRUCTION COST AND SCHEDULE: Since Engineer has no control over the cost of labor, materials, or equipment, or over contractor's(s') methods of determining prices, or over competitive bidding or market conditions, the estimate of construction cost and schedule provided for herein is to be made on the basis of Engineer's experience and qualifications and represents Engineer's best judgment as a professional engineer familiar with the construction industry, but Engineer cannot and does not guarantee that the bids or the Project construction cost or schedule will not vary from the opinion of probable construction cost and schedule prepared by Engineer.
- R. TAX EXEMPT: City and its agencies are exempt from State and local sales taxes. Sites of all transactions derived from this Agreement shall be deemed to have been accomplished within the State of Missouri.
- S. SAFETY: In the performance of its services, Engineer shall comply with the applicable provisions of the Federal Occupational Safety and Health Act, as well as any pertinent Federal, State and/or local safety or environmental codes.
- T. ANTI-DISCRIMINATION CLAUSE: Engineer and its agents, employees, or subcontractors shall not in any way, directly or indirectly, discriminate against any person because of age, race, color, handicap, sex, national origin, or religious creed.
- U. DELAY IN PERFORMANCE: Neither City nor Engineer shall be considered in default of this Agreement for delays in performance caused by circumstances beyond the reasonable control of the nonperforming party. For purposes of this Agreement, such circumstances include, but are not limited to, abnormal weather conditions, floods, earthquakes, fire, epidemics, war, riots, and other civil disturbances, strikes, lockouts, work slowdowns, and other labor disturbances, sabotage, judicial restraint, and delay in or inability to procure permits, licenses, or authorizations from any local, State, or Federal agency for any of the supplies, materials, accesses, or services required to be provided by either City or Engineer under this Agreement. Engineer and City shall be granted a reasonable extension of time for any delay in its performance caused by any such circumstances. Should such circumstances occur, the nonperforming party shall within a reasonable time of being prevented from performing, give written notice to the other party describing the circumstances preventing continued performance and the efforts being made to resume performance of the Agreement.

V. NO THIRD-PARTY RIGHTS: The services provided for in this Agreement are for the sole use and benefit of City and Engineer. Nothing in this Agreement shall be construed to give any rights or benefits to anyone other than City and Engineer.

W. NOTICE: Whenever any notice is required by this Agreement to be made, given or transmitted to any party, it shall be enclosed in an envelope with sufficient postage attached to ensure delivery and deposited in the United States Mail, first class, with notices to City addressed to:
