**I. INTRODUCTION**

**A. History of Redevelopment Initiatives in the Longview Farm Vicinity.**

The City of Lee’s Summit initiated important initial steps to plan for and fund redevelopment of the historic Longview Farm vicinity in the early 2000s. In 2003, the City approved the First Amended and Ratified Longview Farm Tax Increment Financing Plan (the “**2003 TIF Plan**”) and related agreements and project areas, as well as a Transportation Development District. This plan amends and restates the 2003 TIF Plan to align it with current development realities and conditions and permit completion of a portion of the vision established in 2003.

The goals of the City, the original developer and the 2003 TIF Plan included as a key component the rehabilitation and renovation of certain historic structures that were part of the original Longview Farm. The historic structures were envisioned to be important parts of a comprehensive economic development strategy for promoting development of a mixed use, unique neighborhood community that would include residential and commercial development, including shops, restaurants, offices and similar uses. It was recognized in 2003 that “but for” the assistance of tax increment financing the stabilization and ultimate rehabilitation of any of the historic structures could not reasonably be expected to occur.

The scope of the 2003 TIF Plan was unable to be realized for a variety of economic and other reasons. Renovation and rehabilitation was accomplished on only the Show Horse Arena (now the Longview Farm Elementary School), with progress made on the arches, the water tower, the bandstand foundation, the gatehouse, and the gatehouse lodge. Little or no progress was made on renovating or rehabilitating

major structures including the Mansion, Pergola, Calf and Shelter Barn, Dairy Barn and Milk House, Farm Office, Dairy Manager's Office, Saddle Horse Manager's House, Old Longview Lake or the surrounding lakefront.

The 2003 TIF Plan included ten (10) individual and separate project areas, of which only four (4) were activated within the ten-year period required by Missouri statute. Thus, although commercial development did occur within project areas 1B, 2C, 3 and 6, the remaining project areas were not activated and, as of the date of this application, can no longer be activated to generate any TIF revenues. The four activated project areas have created a demonstrated tax increment revenue stream from which certified TIF costs have been reimbursed and future project costs can be reimbursed. The TIF revenue includes the capture of 50% of the existing TDD sales tax revenue stream from sales taxes generated in the existing development. However, to maximize the potential TIF and TDD revenue stream to accomplish the initial and current goals of Historic Preservation, the 2003 TIF Plan needs to be amended and restated to revise the boundaries of the developed portions of project areas 1B, 2C, 3 and 6 and to release the remaining original project areas and other areas so they can be incorporated into the 2015 New Longview Tax Increment Financing Plan (the "*New Longview TIF Plan*"), which is filed contemporaneously with this application.

As a result of certain economic realities, in December 2013, ownership of the New Longview redevelopment area was acquired by M-III Longview LLC, which is managed and operated by Mariner Real Estate Management, LLC. Since that time, M-III Longview LLC, the City, and the surrounding neighborhood stakeholders have been working to develop a Redevelopment Plan that can realistically attain the original vision and goals of the community by preserving as many historic structures as possible within the economics of the market as it

exists in 2015 and is forecast for future years. As was the case in 2003, stabilization and ultimate rehabilitation of the identified Historic Structures cannot be reasonably anticipated to occur without the adoption of tax increment financing as a source of public assistance.

Multiple meetings among and between City staff, the New Longview Alliance, the Longview Foundation, and others, as well as comprehensive presentations to the City Council, have culminated in the Redevelopment Plan set forth here which, together with the New Longview TIF Plan filed contemporaneously, provides a realistic, market-based plan for attaining the City's and community's historic preservation and economic development goals.

**B. Summary of the Proposed Redevelopment Plan**

This is an amended and restated redevelopment plan prepared by M-III Longview LLC for the redevelopment of the 2003 Redevelopment Area<sup>1</sup> within the New Longview community. The 2003 Redevelopment Area encompasses approximately 267+/- acres of real property generally located in the vicinity of the intersection of Longview Road and Third Street in the southwest portion of Lee's Summit, all within the City's corporate limits. The 2003 Redevelopment Area and individual Redevelopment Project Areas are depicted in **Exhibit 1** and legally described in **Exhibit 2**. The 2003 Redevelopment Area is currently developed with a mixture of commercial buildings, including office, retail, pharmaceutical and restaurant uses. The 2003 Redevelopment Area is adjacent to and partially overlaps the New Longview Redevelopment Area to be created by the contemporaneously filed New Longview TIF Plan. The 2003 Redevelopment Area and the New Longview Redevelopment Area are, together, the Redevelopment Areas.

---

<sup>1</sup> All capitalized terms in this section shall have the meaning set forth in Section II below.

A primary purpose of this Plan is to fund Historic Preservation Improvements that benefit the Redevelopment Areas and the City, through the use of TIF Revenues that are available under the Act. This Plan and the New Longview TIF Plan are designed to coordinate, complement and jointly fund efforts to stabilize, renovate and rehabilitate the Historic Structures that exist in the Redevelopment Areas, to the extent TIF revenue funding permits. The rehabilitated Historic Structures will become active and economically integrated commercial uses within the Redevelopment Areas. Tax increment financing will allow the use of Payments in Lieu of Taxes and Economic Activity Taxes to pay for Reimbursable Project Costs that are incurred in completing the Historic Preservation Improvements. The Historic Preservation Improvements funded as a result of this Plan will encourage development and maintenance of property in the Redevelopment Areas to its highest and best use, and will enhance the tax bases of the taxing districts which extend into the Redevelopment Areas.

Upon the earlier of (1) completion of this Plan and the payment of all Reimbursable Project Costs, or (2) the expiration of 23 years after the approval of the last-approved Redevelopment Project Area by ordinance, TIF Revenues from the Redevelopment Project Area will be paid to the City and other applicable Taxing Districts as if the Plan had not been adopted.

**C. Summary of the Redevelopment Project**

The intent of this Plan is to define and restate Redevelopment Project Areas 1B, 2C, 3 and 6 within the 2003 Redevelopment Area and to continue to collect TIF Revenues in those areas for the purpose of funding the Historic Preservation Improvements. This Plan calls for M-III Longview LLC (and/or its permitted assignees) to serve as the master developer (“Developer”) for the Redevelopment Projects, with specific projects related to the stabilization, renovation and rehabilitation of the Historic Structures to be accomplished by Sunflower

Development Group or other sub-developers selected by Developer and approved by the City (each, a “Sub-Developer”). Developer and Sub-Developer will facilitate funding for the Historic Preservation Improvements and, through agreements with the City, will administer the program to provide the Historic Preservation Improvements, and will be entitled to receive reimbursement for eligible costs and expenses incurred for improvements in the Redevelopment Areas. Reimbursement from TIF Revenues for the Reimbursable Project Costs are intended to be provided on a “pay as you go” basis, although the Developer and any Sub-Developer may request that the City issue debt obligations upon approval by the City Council in its legislative discretion.

## **II. DEFINITIONS**

As used in this Plan, the following terms shall mean:

A. 2003 Redevelopment Area. The area depicted in **Exhibit 1** and legally described in **Exhibit 2**. The 2003 Redevelopment Area was established by the City in the original and First Amended and Ratified Longview Farm TIF Plan. No changes to the 2003 Redevelopment Area are requested in this Second Amended and Restated Longview Farm TIF Plan.

B. Act. The Real Property Tax Increment Allocation Redevelopment Act, Section 99.800 *et seq.*, of the Revised Statutes of Missouri, as amended.

C. Administrative Costs. All documented costs and expenses incurred by the City for planning, legal, financial, administrative and other costs associated with the preparation, review, consideration, approval and implementation of this Plan, any contracts executed by the City to implement this Plan and any Redevelopment Projects, including all consultants engaged by the City, and the costs incurred by the City for the preparation, review, consideration,

approval and implementation of any funding district which generates TIF Revenues pursuant to this Plan.

D. City. The City of Lee's Summit, Missouri.

E. City Council. The City Council of the City.

F. City Treasurer. The Finance Director of the City.

G. Comprehensive Plan. The Comprehensive Master Plan for the City, as amended.

H. Conservation Area. Any improved area within the boundaries of a redevelopment area located within the territorial limits of a municipality in which fifty percent (50%) or more of the structures in the area have an age of at least thirty-five (35) years, as more fully set forth in Section 99.805(3) of the Act.

I. County. Jackson County, Missouri.

J. County Assessor. The Assessor of the County.

K. County Collector. The Collector of the County.

L. Economic Activity Taxes Account. The separate segregated account within the Special Allocation Fund into which Economic Activity Taxes are to be deposited.

M. Economic Activity Taxes or EATS. Fifty percent (50%) of the total additional revenue from taxes which are imposed by the City or other Taxing Districts, and which are generated by economic activities within a Redevelopment Project Area, over the amount of such taxes generated by economic activities within such Redevelopment Project Area in the calendar year prior to the approval and adoption of the Redevelopment Project for such Redevelopment Project Area by Ordinance, while tax increment financing remains in effect, but excluding (1) personal property taxes, (2) taxes imposed on sales or charges for sleeping rooms

paid by transient guests of hotels and motels, (3) licenses, (4) fees or special assessments, and (5) taxes levied pursuant to Section 70.500 of the Revised Statutes of Missouri, commonly referred to as the Bi-State Cultural Tax; provided, however, if any retail establishment relocates within one year after the approval of a Redevelopment Project Area from a facility in the County to a facility in the Redevelopment Project Area and the City Council adopts an Ordinance finding that such retail establishment is a direct beneficiary of tax increment financing pursuant to the Plan, then for purposes of this definition, the Economic Activity Taxes generated by such retail establishment shall equal the total additional revenue from Economic Activity Taxes which are imposed by the City and other Taxing Districts over the amount of Economic Activity Taxes generated by such retail establishment in the calendar year prior to its relocation to such Redevelopment Project Area.

N. Governmental Entity. A political subdivision of the state of Missouri which has the power to impose taxes.

O. Historic Preservation Improvements. The stabilization, renovation, rehabilitation, reconstruction, maintenance, repair or remodeling of as many Historic Structures as TIF Revenues permit in order to create active and economically integrated commercial and residential uses within the full Redevelopment Area.

P. Historic Structures. The following structures located within the Redevelopment Area: Mansion, Pergola, Calf and Shelter Barn, Dairy Barn and Milk House, Farm Office, and Dairy Manager's Office, including all surrounding grounds, support areas, Old Longview Lake and lakefront improvements.

Q. New Longview Redevelopment Area. The redevelopment area fully set forth in the New Longview Tax Increment Financing Plan filed contemporaneously with this Plan.

R. Obligations. Bonds, loans, debentures, notes, special certificates, or other evidences of indebtedness issued or undertaken by the City, or by any other appropriate issuer, to pay or reimburse all or any portion of the Reimbursable Project Costs incurred or estimated to be incurred, or to otherwise carry out a Redevelopment Project, to finance the cost of issuing such Obligations, to establish reserves to refund or secure such Obligations, to finance the interest costs associated with such Obligations or to refund, redeem or defease outstanding Obligations.

S. Ordinance. An ordinance enacted by the City Council.

T. Payments in Lieu of Taxes or PILOTS. Revenue from real property taxes in any Redevelopment Project Area selected for a Redevelopment Project which are to be used to reimburse the Reimbursable Project Costs, which Taxing Districts would have received had the City not adopted tax increment allocation financing, and which result from levies made within each Redevelopment Project Area after the time of the adoption of tax increment allocation financing and during the time the current equalized value of real property in such Redevelopment Project Area exceeds the Total Initial Equalized Assessed Value of all real property in such Redevelopment Project Area, until the designation is terminated pursuant to the Plan, but excluding the blind pension fund tax levied under the authority of Article III, Section 38(b) of the Missouri Constitution, and the merchant's and manufacturer's inventory replacement tax levied under the authority of Article X, Section 6(2) of the Missouri Constitution.

U. PILOT Account. The separate segregated account within the Special Allocation Fund into which Payments in Lieu of Taxes are deposited.

- V. Plan. This Second Amended and Restated Longview Farm TIF Plan.
- W. Redevelopment Agreement. An agreement to be negotiated and executed between the City and the Developer following approval of the Plan.
- X. Redevelopment Areas. The 2003 Redevelopment Area and the New Longview Redevelopment Area.
- Y. Redevelopment Project. Any development project within the 2003 Redevelopment Area in furtherance of the objectives of this Redevelopment Plan, which shall include a legal description of the area of each distinct Redevelopment Project Area.
- Z. Redevelopment Project Area. The property included within the legally-described area for a Redevelopment Project.
- AA. Redevelopment Project Costs. The sum total of all reasonable or necessary costs incurred or estimated to be incurred, and any such costs incidental to a redevelopment plan or redevelopment project, as applicable, all as set forth in Section 99.805(15) of the Act.
- BB. Reimbursable Project Costs. Those Redevelopment Project Costs associated with a Redevelopment Project which may be reimbursed with TIF Revenues, as approved by the City in accordance with the Redevelopment Agreement.
- CC. Special Allocation Fund. The fund which contains at least two separate segregated accounts, maintained by the City Treasurer, into which all Payments in Lieu of Taxes and Economic Activity Taxes are to be deposited as required by the Act.
- DD. Taxing District. Any political subdivision of the State of Missouri located wholly or partially within the 2003 Redevelopment Area having the power to levy taxes.

EE. TDD. The Lee's Summit, Missouri New Longview Transportation Development District and related agreements or supplemental or additional districts created by the City as provided pursuant to Sections 238.200, et seq. R.S.Mo., as amended.

FF. TDD Revenue. Any revenue generated within the 2003 Redevelopment Area received by, or on behalf of, the TDD from any funding method authorized by Sections 238.200, et seq. R.S.Mo., as amended.

GG. TIF Commission. The Tax Increment Financing Commission for the City.

HH. TIF Revenues. Payments in Lieu of Taxes, Economic Activity Taxes, and any other funds pledged to the Special Allocation Fund.

II. Total Initial Equalized Assessed Value. That amount certified by the County Assessor which equals the most recently ascertained equalized assessed value of each taxable lot, block, tract, or parcel of real property within a Redevelopment Project Area immediately after tax increment financing for such Redevelopment Project Area has been approved by the City Council by an Ordinance.

### **III. TAX INCREMENT FINANCING**

This Plan is adopted pursuant to the Act. The Act enables municipalities to fund or finance Redevelopment Project Costs with the revenue generated from both Payments in Lieu of Taxes resulting from increased assessed valuation due to redevelopment and Economic Activity Taxes resulting from increased economic activities in the Redevelopment Project Areas.

After the City Council approves tax increment financing for a Redevelopment Project Area, the County Assessor is required to certify the Total Initial Equalized Assessed Value of such Redevelopment Project Area. Real estate taxes (including penalties and interest thereon) resulting from (1) all taxes levied on the Total Initial Equalized Assessed Value; (2) the blind

pension fund tax levied under the authority of Article III, Section 38(b) of the Missouri Constitution, and (3) the merchant's and manufacturer's inventory replacement tax levied under the authority of Article X, Section 6(2) of the Missouri Constitution, will be payable to Taxing Districts as if tax increment financing were not adopted.

All of the Payments in Lieu of Taxes (including applicable penalties and interest) collected from owners of property within each Redevelopment Project Area will be paid by the County Collector to the City Treasurer and deposited in the PILOT Account within the Special Allocation Fund. In addition, following annual appropriation by the appropriate Taxing Districts, the Economic Activity Taxes shall be paid by the collecting Taxing Districts to the City Treasurer who shall deposit such funds in the Economic Activity Account within the Special Allocation Fund.

#### **IV. REDEVELOPMENT PLAN OBJECTIVES**

The objectives of this Plan are outlined below:

A. **General Plan Objectives.** The general objectives of this Plan are:

1. To eliminate the adverse conditions which are detrimental to public health, safety, morals, and welfare in the 2003 Redevelopment Area, as identified in the Conservation Study, and to eliminate and prevent the recurrence thereof for the betterment of the 2003 Redevelopment Area and the community at large;
2. To enhance the tax base of the City and the other Taxing Districts, and encourage private investment in the surrounding area;
3. To increase employment opportunities;
4. To make Historic Preservation Improvements;
5. To preserve Historic Structures and culturally significant elements;

6. To stimulate construction and development within the 2003 Redevelopment Area; and

7. To implement the goals identified in the City's Tax Increment Financing Policy.

B. **Specific Plan Objectives.** The specific objectives of this Plan are:

1. To rehabilitate a portion of the Mansion, fully rehabilitate the Pergola and stabilize the Barns, Farm Office and Dairy Manager's house. Any remaining Longview Farm TIF revenues may be used to continue the preservation of as many Historic Structures within the 2003 Redevelopment Area as TIF revenues permit. The use of TIF Revenues for Historic Preservation Improvements will be approved by the City on a project-by-project basis in accordance with a Redevelopment Agreement approved by the City.

2. To construct and enhance the curbs, sidewalks and streets in the Redevelopment Areas and other types of Historic Preservation Improvements that benefit the Redevelopment Areas as a whole, such as monument signs, planters, urns, paving, district markers, public landscaping and the replication of identifiable historic structural elements in public areas.

3. To expand the tax base of the City and other Taxing Districts through the redevelopment of property to its highest and best use, thereby increasing the value of real property and the amount of taxable personal property, taxable retail sales and other taxable economic activity and taxable income in the Redevelopment Areas.

4. To assist in the repayment of Obligations that may be issued by or at the direction of the City to finance Reimbursable Project Costs.

5. To strengthen existing New Longview businesses and neighborhoods, attract new businesses and residents and unify future efforts to preserve the Longview Farm as one of the centerpieces of the past, present and future of the City.

**V. PLAN IMPLEMENTATION**

A. The sources and uses of funds anticipated for the 2003 Redevelopment Area are as shown on **Exhibit 8**.

The Redevelopment Plan is intended to be implemented through Redevelopment Project Areas 1B, 2C, 3 and 6. An affidavit from the Developer attesting to the required elements of the Act is set forth in **Exhibit 13** of this Plan.

The initial equalized assessed valuation of all property in the Redevelopment Project Areas 1B, 2C, 3 and 6, both taxable and tax-exempt property, is \$171,997 as described in **Exhibit 7-1**. The TIF Revenue that is projected to be generated by the Redevelopment Project Areas through December 31, 2015 and the amount of additional revenue projected to be produced through the next 13 years of the TIF term is set forth in **Exhibit 7-2**.

**B. Redevelopment Project Costs.**

The total cost to implement this Plan is projected to be approximately \$3,650,000 as estimated in detail on **Exhibit 6**, plus financing costs. The Reimbursable Project Costs that are funded with TIF Revenues from the Redevelopment Project Areas will be used for improvements that directly and substantially benefit the 2003 Redevelopment Area and the New Longview Redevelopment Area. Required gross reimbursements to Developer, the City, or other

parties incurring Reimbursable Projects Costs, may be larger due to (among other things) interest and other financing costs that may be incurred in order to initially fund the underlying Redevelopment Project Costs, as described further in the footnotes of **Exhibit 6**.

Anticipated sources and available amounts of funds to pay Redevelopment Project Costs are shown on **Exhibit 7-2**.

C. **Schedule of Development**

Construction of the Historic Preservation Improvements is expected to occur in accordance with the schedule set forth in **Exhibit 11**.

D. **Relocation Assistance Plan.**

No residents or business are expected to be relocated through the implementation of this Plan because the property within the Redevelopment Project Areas is developed. Any Historic Preservation Improvements funded by this Plan are expected to occur within existing owned property and rights-of-way, and the acquisition of property should not be needed for these improvements. If it is later determined, however, that one or more businesses or residences in the 2003 Redevelopment Area will be required to relocate in order to implement this Plan, such relocation will occur in accordance with the Relocation Assistance Plan attached as **Exhibit 4**.

**VI. PAYMENTS INTO THE SPECIAL ALLOCATION FUND**

A. **Payments in Lieu of Taxes.**

For as long as each Redevelopment Project Area is subject to tax increment financing, the County Assessor is required to determine the assessed value of the Redevelopment Project Area without regard to tax increment financing. The County Collector shall collect sums due from real property within the Redevelopment Project Area in accordance with the current equalized assessed valuation and tax levies in effect for each year. All of the amounts collected as

Payments in Lieu of Taxes will be paid by the County Collector within thirty (30) days after collection to the City Treasurer who will deposit the amount paid into the PILOT Account within the Special Allocation Fund to be utilized and expended in accordance with the Act and this Plan. An estimate of the PILOTS to be generated in the Redevelopment Project Areas is shown on **Exhibit 7-2**.

B. **Economic Activity Taxes.**

For as long as each Redevelopment Project Area is subject to tax increment financing, Economic Activity Taxes shall be determined and deposited into the Economic Activity Account within the Special Allocation Fund in accordance with the following procedures:

1. **Documentation of Economic Activity Taxes by Taxpayers.** The City will determine the type and amount of the Economic Activity Taxes paid by each entity paying sales taxes within the Redevelopment Project Area.

2. **Presentation to Taxing Districts.** The City Treasurer shall deliver a certification of Economic Activity Taxes payable by each Taxing District to the governing body of each such Taxing District. Each Taxing District, shall within thirty (30) days of receiving the certification or within thirty (30) days after receiving any such Economic Activity Tax, whichever is later, appropriate the amount of Economic Activity Taxes actually received and pay the appropriate sum to the City Treasurer.

3. **Deposit of Funds.** The City Treasurer shall deposit the payments of Economic Activity Taxes received from the respective Taxing Districts in the Economic Activity Account in the Special Allocation Fund, earmarked for the appropriate Redevelopment Project, to be utilized and expended in accordance with the Act, this Plan and the applicable requirements or restrictions associated with such Redevelopment

Project. An estimate of the EATS to be generated in the Redevelopment Project Areas is shown on **Exhibit 7-2**.

4. **Special Taxing District Revenues.** A portion of the existing TDD boundaries are covered by the 2003 Redevelopment Area. The existing TDD could be extended, or a new, amended or restated transportation development district could be formed within or adjacent to the 2003 Redevelopment Area. In any such case, 50% of the Economic Activity Taxes that are generated within the Redevelopment Project Areas from the existing TDD or other special taxing district will be expended on Reimbursable Project Costs. An estimation of the TDD revenue captured as EATS in the Redevelopment Project Areas is shown on **Exhibit 7-2**.

#### **VII. DISBURSEMENTS FROM THE SPECIAL ALLOCATION FUND**

All disbursements from the Special Allocation Fund will be made by the City Treasurer out of the two separate segregated accounts maintained within the Special Allocation Fund for Payments in Lieu of Taxes and Economic Activity Taxes as prescribed in the Redevelopment Agreement.

#### **VIII. AMENDMENT AND TERMINATION OF TAX INCREMENT FINANCING**

This Plan and the Redevelopment Projects may be amended pursuant to the provisions of the Act.

Tax increment financing for the Redevelopment Project Areas will remain in effect until the Redevelopment Projects have been constructed, any applicable Obligations which are funded by TIF Revenues from the Redevelopment Projects are repaid, and all Reimbursable Project Costs incurred or to be incurred by the Developer and the City have been reimbursed. It is the

intention to terminate this Plan after all Reimbursable Project Costs set forth in **Exhibit 6** have been fully funded. After all TIF Revenues collectible from a Redevelopment Project Area in the Special Allocation Fund have been disbursed, the tax increment financing for such Redevelopment Project Area shall be terminated.

When all TIF Revenues collectible from the Redevelopment Project Areas have been disbursed from the Special Allocation Fund, the Plan shall be terminated and the Special Allocation Fund shall be terminated and dissolved by ordinance.

#### **IX. REQUIRED STATUTORY FINDINGS**

With the approval of this Plan, the City Council has, as required by the Act, made the findings set forth below.

A. **Conservation Area.** Attached as **Exhibit 3** is an “existing conditions” or Conservation Study prepared by Integra Realty Resources. The Conservation Study includes a detailed description of the existing conditions within the 2003 Redevelopment Area as of the date of the study and the adoption of the 2003 TIF Plan, as well as photographs of portions of the 2003 Redevelopment Area. The Conservation Study concludes that the 2003 Redevelopment Area was a Conservation Area as defined in the Act.

B. **Expectations for Development “But For” Public-Private Partnership.** While significant development has occurred in the Redevelopment Area set forth in this Plan, the significant Historic Preservation Improvements and the stabilization, renovation and rehabilitation of the Historic Structures have failed to occur. Instead, the Historic Structures (other than the Mansion to a limited extent) have dilapidated and deteriorated further due to age, exposure to the elements and lack of attention. The Historic

Preservation Improvements would not reasonably be anticipated to occur without the use of tax increment financing as a source of public assistance for the significant costs associated with the stabilization, renovation, rehabilitation and redevelopment of the Historic Structures contemplated under this Plan and the New Longview TIF Plan.

The affidavit attached as **Exhibit 13** attests to these statements. Sufficient resources and commitments are reasonably available to finance the anticipated redevelopment project costs, as indicated in **Exhibit 12**.

The Historic Longview Mansion is expected to receive TIF Revenues from both this Plan as well as the New Longview TIF Plan. A comprehensive analysis of TIF Revenue funding from both Plans in addition to other public sources of revenue set forth in this Plan show that the Mansion Renovation is projected to have a negative return on investment without assistance and a return on investment of 10.25% with Tax Increment Financing and other public and private sources of revenue set forth in the New Longview TIF Plan, supporting the conclusion that redevelopment in accordance with this Plan would not occur without Tax Increment Financing. This is more fully described in **Exhibit 10**.

C. **Conforms to Comprehensive Plan of City.** The City's 2005 Comprehensive Plan, as amended, designates the Redevelopment Areas as "Planned Mixed Use" development. The City approved the original land use concept for New Longview in 2003 and has effectively maintained that plan. The City continues to identify the Redevelopment Areas as appropriate for mixed uses of residential and commercial activity. The City's Economic Development Incentive Policy, adopted in February 2015, states: "Longview Farm continues to see development and redevelopment with the overall vision to rehabilitate many of the historic

structures of Longview Farm.” As a result, this Plan conforms to and implements the City’s Comprehensive Plan.

D. **Date to Approve Redevelopment Project Areas.** Any Ordinance approving any Redevelopment Project Area must be adopted not later than ten (10) years from the date that this Plan is approved by Ordinance.

E. **Date to Complete Redevelopment.** The estimated date to complete any Redevelopment Project may not be more than twenty three (23) years from the adoption of the Ordinance approving such Redevelopment Project.

F. **Date to Retire Obligations.** In the event that any additional Obligations are issued to finance Redevelopment Project Costs, such Obligations will be retired within twenty three (23) years from the date that such Obligations are issued; provided, however, that any Obligations funded by TDD revenue may have a longer term than twenty-three (23) year.

G. **Acquisition by Eminent Domain.** It is not anticipated that any property in the 2003 Redevelopment Area will need to be acquired by eminent domain. In any event, no property for a Redevelopment Project Area shall be acquired by eminent domain later than five (5) years from the adoption of any Ordinance approving any Redevelopment Project Area.

H. **Relocation Assistance Plan.** No relocation of residents or businesses from the 2003 Redevelopment Area as a result of this Plan is expected. In the event that any relocations need to occur, a plan has been developed for relocation assistance and is attached as **Exhibit 4.**

I. **Cost-Benefit Analysis.** A cost-benefit analysis has been prepared for the Plan. This analysis shows the economic benefit to each applicable taxing jurisdiction generated

from the currently developed structures located within Project Areas 1B, 2C, 3 and 6 as of the date of this plan. The Cost-Benefit Analysis is attached hereto as **Exhibit 9**.

J. **Gambling Establishment**. This Plan does not include the initial development or redevelopment of any gambling establishment as defined in the Act.

X. **CONCLUSION**

This Second Amended and Restated Longview Farm TIF Plan complies with the Real Property Tax Increment Allocation Redevelopment Act, Section 99.800 *et seq.*, of the Revised Statutes of Missouri, as amended. It is a necessary pre-condition to the implementation of the City's long-term vision and plan for the Longview Farm community and area, including the stabilization, renovation, and rehabilitation of the remaining Historic Structures within the 2003 Redevelopment Area. Adoption of this Plan, together with the adoption of the New Longview TIF Plan filed contemporaneously, will provide a unique and possible final opportunity for fulfillment of the City's vision and that of the surrounding Longview Farm community.

### RELOCATION ASSISTANCE PLAN & ROSTER OF DISPLACED OCCUPANTS AND BUSINESSES

This Relocation Plan governs relocation assistance which shall be paid in conjunction with implementation of the TIF Plan as required by the Act. Under Missouri law, any municipality utilizing the redevelopment tools provided under Chapter 99, RSMo., for redevelopment activities which cause displacement must adopt by rule or ordinance a relocation policy which meets the requirements set forth in Section 523.200-215 RSMo., (the “Relocation Statute”). This Relocation Plan is intended to comply with the minimum statutory requirements of the Relocation Statute which is incorporated herein.

A. **Definitions.** The following terms shall have the meanings set forth below for purposes of this Relocation Plan. Capitalized terms not otherwise defined in this Relocation Plan shall have the meaning set forth in the TIF Plan.

(i) **Business:** Any lawful activity that is conducted: (a) primarily for the purchase, sale or use of personal or real property or for the manufacture, processing or marketing of products or commodities; or (b) primarily for the sale of services to the public.

(ii) **Decent, Safe and Sanitary Dwelling:** A dwelling that meets applicable housing and occupancy codes. The dwelling shall:

(a) Be structurally sound, weathertight and in good repair;

(b) Contain a safe electrical wiring system;

(c) Contain an adequate heating system;

(d) Be adequate in size with respect to the number of rooms needed to accommodate the displaced person; and

(e) For a handicapped person, be free of any barriers which would preclude reasonable ingress, egress or use of the dwelling;

(iii) **Displaced Person:** Any person that moves from the real property, which is within the 2003 Redevelopment Area, or moves such Person’s personal property from real property, which is within the 2003 Redevelopment Area, permanently and voluntarily as a direct result of the acquisition, rehabilitation or demolition of, or the written notice of intent to acquire, such real property, in whole or in part, for a public purpose. No person who moves from real property within the 2003 Redevelopment Area prior to the acquisition of such real property by Developer, nor any person who moves from real property within the 2003 Redevelopment Area at any time as the result of the termination or expiration of such person's lease or other right of occupancy shall be a Displaced Person.

(iv) **Eligible Displaced Person:** Any Displaced Person who occupied the real property to be acquired for not less than 90 days prior to the Initiation of Negotiations and who is required to vacate such real property.

(v) **Handicapped Displaced Person:** Any Displaced Person who is deaf, legally blind or orthopedically disabled to the extent that acquisition of another residence presents a greater burden than other persons would encounter or to the extent that modifications to the replacement residence would be necessary.

(vi) **Initiation of Negotiations:** The delivery of the initial written offer of just compensation by the acquiring entity, to the owner of the real property, to purchase such real property for a Redevelopment Project, or the notice to the Person that he will be displaced by rehabilitation or demolition.

(vii) **Person:** Any individual, family, partnership, corporation or association that has a legal right to occupy the property.

(viii) **Referral Site Notice:** The written notice of referral sites to be provided to Displaced Persons by the City pursuant to Section D of this Relocation Plan.

(ix) **Relocation Payment:** The payment to be made by the City or its agent to an Eligible Displaced Person pursuant to Section F of this Relocation Plan.

(x) **TIF Plan:** The Second Amended and Restated Longview Farm TIF Plan.

- B. **Availability of Relocation Assistance.** All Eligible Displaced Persons shall have the right to receive relocation assistance in accordance with the terms of this Relocation Plan. In no event shall relocation assistance be provided to any Person who purposely resides or locates such Person's Business in the 2003 Redevelopment Area solely for the purpose of obtaining relocation benefits.
- C. **Notice to Vacate.** Every Displaced Person shall be given by the Developer or its agent a written notice to vacate not less than 90 days prior to the date such Displaced Person is required to vacate its premises.
- D. **Referrals.** The Developer or its agent shall provide each Displaced Person occupying a residence in the 2003 Redevelopment Area with written notice of a minimum of three Decent, Safe and Sanitary Dwelling referrals and each Displaced Person operating a Business in the 2003 Redevelopment Area with written notice of a minimum of three suitable referral sites for such Business. The Referral Site Notice shall be provided to each Handicapped Displaced Person 90 days prior, and to each other Displaced Person 60 days prior, to the date such Displaced Person is required to vacate its respective premises. The Developer or its agent shall make arrangements for transportation for Displaced Persons to inspect referral sites upon receipt of a written request from such Displaced Person for transportation addressed to the Developer.
- E. **Notice of Relocation Plan.** Concurrently with the provision of a Referral Site Notice, all Displaced Businesses and Persons shall be notified in writing of the availability of such

relocation payments and assistance. Such notice shall include a general description of the Eligible Displaced Person's potential rights and benefits if they are displaced, their eligibility for relocation assistance, and the nature of that assistance. Notices shall include (1) a general information notice that shall be issued at the approval and selection of a designated redeveloper and shall inform residential and nonresidential owners and occupants of a potential project, including the potential acquisition of the property; and, (2) a notice of relocation eligibility that shall be issued as soon as feasible after the execution of the redevelopment agreement and shall inform residential and nonresidential occupants within the project area who will be displaced of their relocation assistance and nature of that assistance, including ninety days advance notice of the date the occupants must vacate.

F. **Relocation Payments.** Each Eligible Displaced Person shall be entitled to the following Relocation Payment from the Developer or its agent:

(i) **Residential Displaced Persons.** Each Eligible Displaced Person occupying a residence in the 2003 Redevelopment Area shall be provided with, at the option of such Eligible Displaced Person, either: (a) a \$1,000 fixed payment; or (b) actual reasonable costs of relocation, including actual moving costs, utility deposits, key deposits, storage of personal property up to one month, utility transfer and connection fees and other initial rehousing deposits, including first and last month's rent and security deposit, but shall not include the cost of replacement property or any capital improvements thereto. Each such Eligible Displaced Person must elect one of the foregoing payment options and give notice of such election to the Developer not less than 30 days prior to the date such Displaced Person is required to vacate its premises.

(ii) **Displaced Businesses.** Each Eligible Displaced Person operating a Business located in the 2003 Redevelopment Area shall be provided with, at the option of such Eligible Displaced Person, either: (a) a three thousand dollar (\$3,000) fixed moving expense payment and up to an additional ten thousand dollars (\$10,000) for reestablishment expenses. Reestablishment expenses are limited to costs incurred for physical improvements to the replacement property to accommodate the particular business at issue; or (b) actual costs of moving including costs for packing, crating, disconnection, dismantling, reassembling and installing all personal equipment and costs for relettering similar signs and similar replacement stationery, and up to an additional ten thousand dollars (\$10,000) for reestablishment expenses. Reestablishment expenses are limited to costs incurred for physical improvements to the replacement property to accommodate the particular business at issue.

G. **Special Needs.** Any Displaced Person who believes that such Displaced Person has any special needs as the result of such Displaced Person's income, age, size of family, nature of business, availability of suitable replacement facilities and vacancy rates of affordable facilities may advise the Developer of such needs and such needs shall be given specific consideration with respect to the relocation benefits offered to such Displaced Person. To notify the Developer of such special needs, the Displaced Person having such needs must

deliver written notice to the Developer. Such notice shall identify the special needs and the basis of the special need. The Developer reserves the right to require from any Displaced Person claiming special needs, reasonable evidence of the alleged facts upon which a claim for special needs is based (by way of example, copies of income tax returns if income is an issue).

- H. **Deadline for Claims and Payments.** All claims for Relocation Payments shall be filed by the Displaced Person with the Developer within six months after: (a) for tenants, the date of displacement; or (b) for owners, the date of displacement or the final payment for the acquisition of the real property, whichever is later. Payment for a satisfactory claim for Relocation Payments shall be made by the Developer or its agent within 30 days following the Developer's or its agent's receipt of sufficient documentation to support the claim.
- I. **Advance Payment.** If an Eligible Displaced Person demonstrates the need for an advance payment of the Relocation Payment in order to avoid or reduce a hardship, the Developer or its agent shall issue the Relocation Payment subject to such safeguards as the Developer may reasonably establish and are appropriate to ensure that the objective of the Relocation Payment is accomplished.
- J. **Waiver of Payment.** Any Eligible Displaced Person, who is also the owner or tenant of the applicable real property, may waive Relocation Payments as part of the negotiations for acquisition of the real property or leasehold interest owned by such Eligible Displaced Person. Such waiver shall be in writing, shall disclose the Eligible Displaced Person's knowledge of the provisions of this Relocation Plan and Section 523.205 of the Revised Statutes of Missouri and knowledge of entitlement to Relocation Payments under this Relocation Plan, and shall be filed with the Developer.
- K. **Reports.** The Developer shall prepare, or cause to be prepared, and file with the City a report, which shall include, but not be limited to the following:
- (i) the addresses of all occupied residential buildings and structures within the 2003 Redevelopment Area;
  - (ii) the name and addresses of all Displaced Persons;
  - (iii) specific relocation payments made to each Displaced Person; and
  - (iv) a sample form of all notices provided to each Displaced Person.
- L. **Amendment.** In the event that a court of competent jurisdiction determines that this Relocation Plan does not satisfy the minimum requirements of Section 523.205 of the Revised Statutes of Missouri and/or the Act, then this Relocation Plan shall be automatically and retroactively amended to the minimum extent necessary to bring this Relocation Plan in conformity with the minimum requirements of Section 523.205 of the Revised Statutes of Missouri and/or the Act.

**SECOND AMENDED AND RESTATED LONGVIEW FARM TIF PLAN AFFIDAVIT**

STATE OF     Kansas     )  
  )     S.S.  
COUNTY OF     Johnson     )

Pursuant to Subsection 99.810.1(1), R.S.Mo., amended, M-III Longview, LLC, has expressed an interest in the redevelopment of the Longview Farm community area through an Second Amended and Restated Longview Farm Tax Increment Financing Plan (the "Plan") within the City of Lee's Summit, Missouri ("City"). The Plan, including this Affidavit, is to be submitted for consideration and approval by The Tax Increment Financing Commission of the City ("Commission"). Capitalized terms used but not defined in this Affidavit have the meanings set forth in the Plan. The undersigned authorized representative of M-III Longview, LLC states and deposes upon oath as follows:

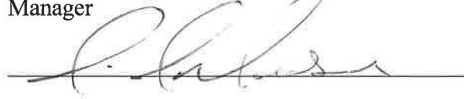

1. The Redevelopment Area consists of approximately 267+/- acres located in the City and as more particularly described in the Plan.
  
2. The Redevelopment Area, on the whole, is a conservation area (as defined in The Real Property Tax Increment Allocation Redevelopment Act, Sections 99.800, *et seq.*, R.S.Mo., as amended) because, at the time of the initial consideration and approval of the TIF Plan, within the Redevelopment Area fifty percent or more of the existing structures have an age of thirty-five years or more. The Redevelopment Area was not yet blighted at the time of the initial approval of the TIF Plan but was or could have become detrimental to the public health, safety, morals, or welfare and may have become a blighted area due to one or more of the following factors: dilapidation; obsolescence; deterioration; illegal use of individual structures; presence of structures below minimum code standards; abandonment; excessive vacancies; overcrowding of structures and community facilities; lack of ventilation, light or sanitary facilities; inadequate utilities; excessive land coverage; deleterious land use or layout; depreciation of physical maintenance; and lack of community planning, all as shown in the proposed Plan. At the time of its initial creation, the Redevelopment Area had been allowed to deteriorate and had not been subject to growth and development through investment by private enterprise and the Historic Preservation Improvements could not have been and still cannot reasonably be anticipated to be developed without the adoption of tax increment financing, including the amended and restated Plan. In addition, the cost of curing the pre-existing conditions and construction of improvements, including stabilization, renovation and rehabilitation of Historic Structures pursuant to the Plan, were not and are not economically viable if fully born by a developer or other private enterprise.
  
3. The cost/benefit analysis shows the economic impact of the Plan on each Taxing District.
  
4. The Plan projects are not economically viable to the Developer or any private developer without such tax increment financing.
  
5. The information submitted to the Commission, and the statements and averments in this Affidavit are, to the best of its knowledge and belief, true, accurate and complete in all material respects.

FURTHER, AFFIANT SAITH NAUGHT.
