Interest Response: I retired after serving with the Lee's Summit Fire Department for 30 years, the last five years as Chief of the department. I worked within the City's management team and as such I have a good grasp of City operations. During my tenure as Fire Chief, LSFDD was awarded International Accreditation by the Center for Public Safety Excellence. Part of the accreditation process included assessment of the water sources for fire fighting capabilities. LS Water Department received the highest rating for this portion of the accreditation assessment. This was a pivotal part of the overall successful assessment. I am proud of the water and sewer service provided to the citizens of Lee's Summit, and I am interested in being a part of this continual service.

Other Activities: Volunteer at World War I Museum and Memorial
Volunteer at Lift and Serve Food Pantry
Volunteer landscape and mow at Holy Spirit Catholic Church
Work on sideline chain crew/ballboy at KC Chiefs home games
