Why interested: I'm interested in serving on a city board because I am a 10+ year resident of Lee's Summit and a real estate professional. I believe I can bring a valuable viewpoint as a resident and business owner that resides and works in our great city. My background in creating housing opportunities, workforce housing and working within not for profit organizations gives me a unique vantage point on housing and community. I have served on several committees and boards of directors including Heartland Multiple Listing Service, Kansas City Regional Association of Realtors, Missouri Association Realtors (Executive Committee) and National Association of Realtors (Housing Opportunities Committee).

Other participation: I currently do not participate on any local community boards so I am available to serve and give 100% of my time to this committee.

Interested in serving on: Housing Authority

Other interests: I do not have any other interests at this time.
