**MISSOURI HIGHWAYS AND TRANSPORTATION COMMISSION  
STBG PROGRAM  
SUPPLEMENTAL AGREEMENT**

THIS SUPPLEMENTAL AGREEMENT is entered into by the Missouri Highways and Transportation Commission (hereinafter, "Commission") and the City of Lee's Summit (hereinafter, "City").

WITNESSETH:

WHEREAS, on May 3, 2023, the Commission and the City previously entered into a STBG Program Agreement #2022-03-68866 as to public improvements designated as STBG-3378(403), for the construction of Pryor Road Complete Streets Improvements Phase I, (hereinafter, "Original Agreement"); and

WHEREAS, the Commission and the City now desire to revise the Original Agreement.

NOW, THEREFORE, in consideration of the mutual covenants, promises and representations contained herein, the parties agree as follows:

(1) REVISION: Paragraph (13) REIMBURSEMENT subparagraph (A) of the Original Agreement is hereby removed and replaced with the following:

(13) REIMBURSEMENT: The cost of the contemplated improvements will be borne by the United States Government and by the City as follows:

(A) Any federal funds for project activities shall only be available for reimbursement of eligible costs which have been incurred by City. Any costs incurred by City prior to authorization from FHWA and notification to proceed from the Commission are not reimbursable costs. All federally funded projects are required to have a project end date. Any costs incurred after the project end date are not eligible for reimbursement. The federal share for this project will be eighty percent (80%) not to exceed Thirteen Million Nine Hundred Thirty Thousand Dollars (\$13,930,000.00). The calculated federal share for seeking federal reimbursement of participating costs for the

herein improvements will be determined by dividing the total federal funds applied to the project by the total participating costs. Any costs for the herein improvements which exceed any federal reimbursement or are not eligible for federal reimbursement shall be the sole responsibility of City. The Commission shall not be responsible for any costs associated with the herein improvement unless specifically identified in this Agreement or subsequent written amendments. The addition federal share of ten million dollars (\$10,000,000) shall be rescinded if not obligated for FFY2024 and the Commission shall have no obligation under this Agreement.

(2) REVISION: Paragraph (3) REASONABLE PROGRESS POLICY of the Original Agreement is hereby removed and replaced with the following:

(3) REASONABLE PROGRESS POLICY: The project as described in this agreement is subject to the reasonable progress policy set forth in the Local Public Agency (LPA) Manual and the final deadline specified in Exhibit B attached hereto and incorporated herein by reference. In the event, the LPA Manual and the final deadline within Exhibit B conflict, the final deadline within Exhibit B controls. If the project is within a Transportation Management Area that has a reasonable progress policy in place, the project is subject to that policy. If the project is withdrawn for not meeting reasonable progress, the City agrees to repay the Commission for any progress payments made to the City for the project and agrees that the Commission may deduct progress payments made to the City from future payments to the City.

(3) REVISION: Exhibit B attached to the Original Agreement is removed and replaced with the following:
