9. Committee Reports

Councilmember Forte stated the Community and Economic Development Committee will meet tomorrow, Wednesday, March 9, 2022 at 4:00pm and they will be discussing the annual CDBG funding.

Councilmember DeMoro advised there will be a Rules Committee on Monday, March 14, 2022 at 11am via Zoom and there will be a Public Works Committee at 5pm on the same day.

10. Council Comments:

Councilmember Forte said some citizens had been asking about all of the trucks on the Adessa property. Mr. Ryan Elam, Director of Development Services, stated the property owners were leasing the property short term to Ford to store over 2,000 Ford F150's that are awaiting chips. They did not realize they had to have a Special Event Permit to do so. They were made aware of this and have subsequently applied for the permit.

Councilmember Forte then asked about ARPA funding stating the document she received from staff was not what she thought it would look like as far as scores, rankings and the outcome was not what she expected. Mr. Steve Arbo, City Manager, advised the information provided was done so to respect the request. However, that was information in a very raw format and is not ready for a presentation to be made yet. Mr. Ryan Elam stated staff will be reviewing that information so that it can be presented to Council in a better format at a later date.

Councilmember Shields asked for an update on the downtown encroachment policy issues. Mr. Michael Park, Director of Public Works, advised they held an Open House with several business owners and he felt it was very successful. They determined that a policy change was not necessary but allowances by the City to businesses would be made through a change to license agreements.

11. Staff Roundtable

Mr. Steve Arbo, City Manager, advised the Half-Cent Public Safety Sales Tax postcard has been sent out to households this week. He stated that staff is willing to speak to any group wanting additional information.

12. Adjournment

Hearing no further business, Mayor Baird adjourned Regular Session No. 60 at 6:49pm.

Unless determined otherwise by the Mayor and City Council, no new agenda items shall be considered after 11:00 p.m.
