Why interested: First, I would be honored if the City Council and Mayor so chose me to be a member of the Parks and Recreation Board. I am interested in this board because the Parks and Rec of Lee's Summit is a large part of what keeps Lee's Summit economically competitive and a vibrant community. With my past experiences and work in professional and collegiate athletics, I believe I would be able to bring a perspective not currently shared on the board that would be advantageous.

Other participation: The other civic and community activities I participate in are: Knights of Columbus, Our Lady of Presentation Council #6819; Lee's Summit Chamber of Commerce; Lee's Summit Chamber of Commerce Governmental Relations; Vista Del Verde Community Association Homeowner's Association Board; LSGSA T-ball Head Coach; and a former Lee's Summit High School basketball coach.
