6. Roundtable

Councilmember Prier asked where the highest point of Lee's Summit is located. Mr. Michael Park, Director of Public Works, stated the highest known location is on top of the closed Lee's Summit Landfill. The highest *natural* point of Lee's Summit is near the western City limits at M-150 Hwy and Horridge Rd.

Councilmember Prier asked if there are currently any weight restrictions on roadways for vehicles. Mr. Park stated there are weight restrictions for a bridge, but none for roadways beyond the statutory weight restriction of 80,000 lbs. which is imposed by the State. Councilmember Prier asked if weight restrictions on roadways is something the City could impose to prevent large
