Subject: Committee Interest Form submission

***** This email is from an external source, use caution before clicking on links or opening attachments. *****

The following committee interest information was submitted through cityofls.

Name: Terry Trafton

Address: 3101 SW Grandstand Circle
Lees Summit Missouri 64081

Email: terry.trafton@gmail.com

Phone: 8168307555

Council District: District 2

How many years a resident: 13

High School: Blue Springs

College: William Jewell

Employment: CommCARE Behavioral Health

Position: President/CEO

Why interested: I am interested in serving on the planning commission as I have been a highly engaged and active member of Lee's Summit. I have previously served on the Health and Human Services Commission appointed by Mayor Randy Rhodes. I recently served on the Charter Commission nominated by Trish Caryle and approved by the City Council. I believe that I can also be a contributing member of the planning commission in helping understand and contribute to development and growth of the city. I have spoke with Council member Beto Lopez about his involvement with this commission as well and believe that my skills as a critical thinker and leader in the community can contribute to the city through the planning commission. I learned a lot of the city through the previous commission I have served and believe serving the city through the planning commission is the right step for me.

Other participation: I have been involved with the LS Chamber on the board and serving as the Vice Chair of Community Involvement. I am still engaged with the LS Chamber as a member and serving on the Legislative committee and Governmental Relations. I am the Past Chair of the Greater Lee's Summit Healthcare Foundation and continue to serve as a board member. As a member of the New Longview Community and the Longview Alliance, I have been active in the ongoing development of the westside of Lee's Summit for several

years. I am also an engaged citizen and interested in continuing to grow all areas of Lee's Summit in thoughtful and strategic approaches that will benefit the city and the citizens.

Interested in serving on: Planning Commission
