March 3, 2021

Michael Park
City of Lee's Summit
220 SE Green Street
Lee's Summit MO, 64063

Dear Mr. Park:

Congratulations! MoDOT's Cost Share Committee approved your application to make improvements to Route 291 North at Route 50 including construction of a new bridge structure, ramp reconstruction, highway reconstruction, and realignment/relocation of Blue Parkway at its December 10, 2020 meeting. Cost Share funds not to exceed \$8,705,407 are available in state fiscal years 2022 and 2023.

The funding for this project is contingent on the following items: the City of Lee's Summit agreeing to fund the replacement of the Missouri State Highway Patrol facility without the use of any State Highways and Transportation Fund moneys and the conveyance of the existing MSHP Troop A site to the City by legislative action. To help ensure all entities impacted are in agreement with the plan, updating and fully executing the drafted Memorandum of Understanding between the City of Lee's Summit and the Missouri State Highway Patrol/MO State Office of Administration should be pursued.

Matt Killion, Area Engineer, will be contacting you to proceed with the execution of the Cost Share agreement. In accordance with the Cost Share Guidelines, the Cost Share agreement must be executed by the City within 6 months of the date of this letter to prevent the Cost Share funds from expiring and being allocated to another project.

If you have any questions please contact Matt Killion, Area Engineer at 816-215-7274.

Sincerely,

David T. Silvester, P.E.
District Engineer
