Councilmember Phyllis Edson

APPROVAL OF AGENDA

A motion was made by Councilmember Forte, seconded by Councilmember Binney, that the agenda be approved. The motion carried unanimously.

1. PUBLIC COMMENTS:

Ms. Louise Horner submitted a packet to Council about Councilmember Moreno's news reports regarding Target bathrooms. These were non-discrimination reports. Councilmember Moreno met with citizens the previous evening and there was a lot of positive input. There is a large group and community that would oppose an ordinance on this issue, as Councilmember Moreno proposed. She would like to be kept informed on any actions.

Mrs. Teresa Fick addressed the Council again regarding water from her neighbor's pool. Councilmembers Mosby and Moreno will make a site visit.

2. COUNCIL COMMENTS:

Councilmember Moreno clarified that he never called for a "potty police" at Target. He did have a meeting last night and he wanted people to know that he heard their comments.

(NOTE: These comments are in response to national controversy about restroom use by transgender customers, specifically at a Target store.)

Councilmember Forte hoped that in future Councilmember Moreno will not have City Hall as background when holding an interview to voice his personal opinion because he is one of eight and other councilmembers may not be of the same opinion.

- F. [2016-0142](#) Request by Developer of the Summit Fair TIF Project for (1) approval of a lease to Dick's Sporting Goods, a business currently located in the Summit Woods shopping center, (2) a determination by the City Council that Dick's Sporting Goods would not be a direct beneficiary of tax increment financing or other development financing through a lease of property in the Summit Fair TIF redevelopment area and (3) approval of a Relocation Agreement to provide a payment to the City for the vacated store location.

Mr. Dave Bushek with Gilmore and Bell, bond and Economic Development Counsel for the City, discussed the request from Dick's Sporting Goods to relocate from Summit Woods Shopping Center to Summit Fair. This request is in accordance with provisions in the contract, which states there is to be no sale or lease in Summit Fair of a relocated business unless approved by

the City Council.

As proposed, the size of the store would increase from 30,000 to 50,000 square feet. A letter from the developer, dated April 26th, indicates the store will not be receiving any monetary benefit or reimbursement for relocation. This unique drafted agreement provides that the developer will guarantee payment to the City in the amount \$291,000 for two years after the leaves the current location. If sales is tax less than that amount, Dick's would make up the difference.

Mr. Jeff Haney, RED Development, noted that Dick's was one of longest-tenured stores in Summit Woods. Their lease expires in 2017. In the present location, there is no way to add on to the building. If approved, the new location would be across the street to the east of DFW Shoes store.

In answer to a question from the Council about the proposed new Cabellas store in Summit Place, the applicant stated they spent a lot of time on the issue. Both entities were aware they were going to be in close proximity since early in the negotiations.

On motion of Councilmember Binney, second by Councilmember Seif, the Council voted unanimously to APPROVE the lease to Dick's Sporting Goods, a business currently located in the Summit Woods shopping center.

On motion of Councilmember Forte, second by Councilmember Carlyle, the Council voted unanimously to determine that Dick's Sporting Goods would not be a direct beneficiary of tax increment financing or other development financing through a lease of property in the Summit Fair TIF redevelopment area.

On motion of Councilmember Seif, second by Councilmember Forte, the Council voted unanimously to direct Staff to PRESENT AN ORDINANCE for a Relocation Agreement to provide a payment to the City for the vacated store location.

COMMITTEE REPORTS (Committee chairs report on matters held in Committee):

Councilmember Edson moved to **AMEND** the agenda by adding Item 8K. Election of Mayor Pro Tem. Motion was seconded by Councilmember Moreno and passed unanimously. .

Councilmember Faith nominated Councilmember Seif for Mayor Pro Tem. Councilmember Carlyle nominated Councilmember Binney.

Those voting in favor of Councilmember Seif: Councilmembers Faith, Moreno, Edson and Seif

Those voting in favor of Councilmember Binney: Councilmembers Carlyle, Forte, Mosby and Binney

Mayor Rhoads stated he was placed in the position of breaking a tie last year when the Council was electing a Mayor Pro Tem and he felt this placed him in a bad situation. He advised he would be abstaining at this time to provide councilmembers an opportunity to think about the vote and, if there was still a tie vote next week, he will break the tie.

Councilmember Moreno stated it has been several weeks since the municipal election and the Mayor Pro Tem has failed to put together a committee list. He asked that members be placed on a committee so they have a voice. Councilmember Binney understood the concern about committee appointments but this happens every election year and the Council works through those concerns. The Budget Committee remains same, per Council rules.

Mr. Head advised a motion was in order to table the motion on electing a Mayor Pro Tem. Motion was made by Councilmember Carlyle, seconded by Councilmember Faith, to TABLE the election of Mayor Pro Tem until May 12 2016. MOTION PASSED on a vote of 5 "aye", 3 "no" (Councilmembers Binney, Forte and Mosby).

Councilmember Carlyle advised that at the last CEDC meeting, they passed the CDBG budget but not the Housing Study, so this may be an issue for the full Council.

Councilmember Forte noted the budget was presented at F&BC and will be on the Council agenda May 19.

This was approved.

COUNCIL ROUNDTABLE:

Councilmember Binney advised that Summit Tech students will present project designs tomorrow for the east side of the Airport. He was interested to see that. He also congratulated the graduating DARE students.

Councilmember Binney also noted the largest section of land in the Rock Island Corridor is in Lee's Summit, which will be turned over to the Rock Island Corridor Authority. He wanted to know the makeup of that body and Lee's Summit's part in the process.

Councilmember Faith felt the members of the Council can come together as a body, work together, and get some good things accomplished. He thought the Council owed that to their constituents, to Lee's Summit visitors, and to past Councils.

He continued by stating that Saturday, April 23rd, was the Fire Department awards where people were recognized for doing heroic deeds. Lee's Summit's emergency services are second to none. He also attended the May 1st Historic Preservation awards, which was given to Longview Farm Elementary School. He also encouraged everyone to visit the Lee's Summit Historical Museum. May 15th will be Law Enforcement week and he thanked first responders for all they do

Councilmember Seif added there is a lot of talent in this group and a lot of diverse ideas. She was proud to be working together.

Mayor mentioned that Lee's Summit was the inaugural city for live broadcast from Radio KMBZ.

STAFF ROUNDTABLE:

Mr. Arbo relayed information from the Missouri Municipal League (MML) that Governor Nixon signed a two-year extension on the requirement of placing the issue of sales tax on the ballot. However, the City has an election in place for the August ballot, in conjunction with other Eastern Jackson County cities. Eventually, this question needs to be answered.
