Sec. 2-60.1. - Composition of membership.

City Councilmembers shall be appointed to regular standing committees by the Mayor Pro Tempore who, when appointing a committee, shall designate a member thereof as Chair, designate another member as Vice Chair and designate the total number of Councilmembers to serve on each committee. The Mayor Pro Tempore shall also designate one (1) councilmember, other than himself/herself, to serve as an alternate member for each standing committee. The alternate committee member shall have voting rights and shall be counted for purposes of quorum only when a quorum would not exist without the alternate's attendance. No Councilmember shall serve as an alternate for more than two (2) standing committees. The Mayor Pro Tempore shall be an ex-officio member of all committees of the City Council, for the purpose of a quorum and discussion, but shall have no vote unless the Mayor Pro Tempore is a duly appointed member of said committee. A quorum for a standing committee cannot be achieved by the presence of both the alternate committee member and the Mayor Pro Tempore.
