**Interest Response:** I have been a member of this community since 1966. In that time we have all seen change but one of the endearing qualities of our city, my home, is that we have kept a flavor of the past as we have moved forward to the future. In that light, I served on the Commission under Karen Messerli for a time. I would very much like to renew my association with the City by being considered for the Historic Preservation Commission.

If you need a reference I would offer the name of Mark Dunning. He has known me for many years through business, civic, and personal associations. I see a great future in our community but we must never lose sight of those things that have made Lee's Summit unique in so many ways. I will represent the best interest of our home in every way.

**Other Activities:** Base Community Council - Whiteman AFB representing Lee's Summit in serving the 509th CES Squadron (Working with Matt Baird on MAC)

**Interested in serving on:** Historic Preservation
