

AGREEMENT BETWEEN OWNER AND CONTRACTOR FOR CONSTRUCTION CONTRACT (STIPULATED PRICE)

This Agreement is by and between **the City of Lee's Summit, Missouri** ("Owner") and **Custom Lighting Services, LLC dba Black & McDonald** ("Contractor").

Terms used in this Agreement have the meanings stated in the General Conditions and the Supplementary Conditions.

Owner and Contractor hereby agree as follows:

ARTICLE 1—WORK

1.01 Contractor shall complete all Work as specified or indicated in the Contract Documents. The Work is generally described as follows:

Providing maintenance, repair, replacement and installation services applicable to City's street lights and traffic signals. Services will be provided on an "as-requested" basis, which may include "emergency" work, and all services shall include all labor, supervision, equipment, and materials necessary to provide the contracted services described within the contract documents.

The contract will be awarded for a period of one calendar year (365 days) from the date of execution with the potential of four (4) one-year renewals at the sole option of the Owner.

ARTICLE 2—THE PROJECT

2.01 The Project, of which the Work under the Contract Documents is a part, is generally described as follows:

Project No. 2024-082 - Streetlight and Traffic Signal Services

ARTICLE 3—ENGINEER

3.01 The Project has been designed by the City of Lee's Summit Public Works Department, which is to act as the Owner's representative, assume all duties and responsibilities of Engineer, and have the rights and authority assigned to Engineer in the Contract Documents in connection with the completion of the Work in accordance with the Contract Documents.

ARTICLE 4—CONTRACT TIMES

4.01 *Time is of the Essence*

A. All time limits for Milestones, if any, Substantial Completion, and completion and readiness for final payment as stated in the Contract Documents are of the essence of the Contract.

4.02 *Contract Times: Dates*

A. The Work will be substantially complete on or before **July 1, 2025**, and completed and ready for final payment in accordance with Paragraph 15.06 of the General Conditions on or before **July 30, 2025**. For each of the four (4) renewal periods, if exercised by the Owner, the work will be substantially completed on or before June 1 and completed and ready for final

Exhibit A

payment in accordance with Paragraph 15.06 of the General Conditions on or before June 30 of each respective renewal period year.

4.05 *Liquidated Damages*

- A. Contractor and Owner recognize that time is of the essence as stated in Paragraph 4.01 above and that Owner will suffer financial and other losses if the Work is not completed within the Contract Times, as duly modified. The parties also recognize the delays, expense, and difficulties involved in proving, in a legal or arbitration proceeding, the actual loss suffered by Owner if the Work is not completed on time. Accordingly, instead of requiring any such proof, Owner and Contractor agree that as liquidated damages for delay (but not as a penalty), Contractor shall pay Owner \$700.00 for each day that expires after the time (as duly adjusted pursuant to the Contract) specified above for Substantial Completion, until the Work is substantially complete. After Substantial Completion, if Contractor shall neglect, refuse, or fail to complete the remaining Work within the Contract Times (as duly adjusted pursuant to the Contract) for completion and readiness for final payment, Contractor shall pay Owner \$700.00 for each day that expires after such time until the Work is completed and ready for final payment. In addition, Contractor shall be liable to Owner for all other damages, including, but not limited to attorney's fees and expenses, additional engineering fees and expenses, and time, costs, and/or expense of Owner's personnel.

ARTICLE 5—CONTRACT PRICE

5.01 Owner shall pay Contractor for completion of the Work in accordance with the Contract Documents, the amounts that follow, subject to adjustment under the Contract:

Consumers) or applicable PPI Index. Any proposed increase(s) above CPI shall not exceed 2% of the total contract amount. Justification for increases above CPI shall be provided to Owner for review. Any adjustments shall be either approved or denied by the Director of Public Works. Any ensuing contract renewals must be approved and executed by the Director of Public Works. Any proposed wage increase shall not exceed the stipulated wage rate(s) as stated in the applicable Prevailing Wage Order Number that shall be in effect for said particular contractual term and at the issuance of each Field Order.

If the bidder requests an increase in compensation for any renewal period, the Bidder shall notify Owner no less than sixty (60) days prior to the end of the contract period and shall provide evidence to the satisfaction of the Owner of increased cost incurred by the Bidder for any element of the bid for which an increase is requested.

Owner shall notify the Bidder in writing of the intent to exercise the renewal option. However, failure to notify the Bidder does not waive the Owner's right to exercise the renewal option.

Owner reserves the right to issue a separate bid for any Field Order estimated to be over the Owner's bid threshold amount of \$49,999.99 and is determined to be in the best interest of the Owner.

Due to the potential long lead times in manufacturing certain parts or equipment, and the Owner's desire to have the repairs completed as quickly as possible, Owner, at its sole discretion, may provide certain parts or equipment from Owner's inventory.

ARTICLE 6—PAYMENT PROCEDURES

6.01 *Submittal and Processing of Payments*

- A. Contractor shall submit Applications for Payment in accordance with Article 15 of the General Conditions. Applications for Payment will be processed by Engineer as provided in the General Conditions.

 1. Prior to Substantial Completion, progress payments will be made in an amount equal to the amount of each completed Field Order, in each case, less the aggregate of payments previously made and less such amounts as Owner may withhold, including but not limited to liquidated damages, in accordance with the Contract.
- B. Upon Substantial Completion, Owner shall pay an amount sufficient to increase total payments to Contractor to 100 percent of the Work completed, less such amounts set off by Owner pursuant to Paragraph 15.01.E of the General Conditions, and less 200 percent of Engineer's estimate of the value of Work to be completed or corrected as shown on the punch list of items to be completed or corrected prior to final payment.

Exhibit A
