To whom it may concern,

All City Tow has an agreement to assist Jim's Tow Service with any trucks or Fire Apparatus they are unable to handle with regard to the Lees Summit tow contract. We have 10 heavy wreckers in the KC Metro area as well as a 50ton specialized trailer for hauling fire apparatus so we can be readily available when needed. Please let me know if you have anymore questions or concerns.

Thank you,

Chris Jacobson
Operations Manager,
All City Tow Service
