Public Hearing - Plan for an Industrial Development Project for M150 Echelon Land Development LLC, for the Residences at Echelon Multi-family Project.

Issue/Request:

Public Hearing - Plan for an Industrial Development Project for M150 Echelon Land Development LLC, for the Residences at Echelon Multi-family Project.

Key Issues:

This is the reconsideration of the previously proposed and presented Chapter 100 incentive considered by the City Council at the December 15, 2016 City Council meeting. The previously considered Plan included a fixed PILOT of \$935.00 per door, whereas this Plan reflects a fixed PILOT of \$1,051.00 as directed by the City Council during the December 15, 2016 meeting.

This is a Plan for an Industrial Development Project as required under Section 100.010 to 100.200 RsMO (Chapter 100). The public hearing is conducted to consider the approval of the plan which is attached along with the cost benefit analysis. If approved, the ordinance approving the Lease Agreement, Bond Purchase Agreement, Indenture, and Performance Agreement is provided later on the January 12, 2017 agenda. Notice of the public hearing was sent to all affected taxing jurisdictions regarding the plan.

The project consists of the design and construction of the Residences at Echelon, a 243 unit luxury apartment development with onsite amenities on approximately 12.6 acres at the northwest corner of 291 and 150 Highways. The Company will receive tax abatement under Chapter 100 on the real property included in the project, however the Company will make fixed Payments in Lieu of Taxes (PILOTS) in accordance with the following schedule:

2017-2018	\$ 20, 421.00
2019-2021	\$255,393.00
2022-2026	\$261,778.00
2027-2028	\$268,322.00

The PILOT schedule is reflective of a per door rate of \$1,051 beginning in year 2019 as construction of the development will be occurring in 2017-2018 with completion scheduled for 2018. The per door rate of \$1,051 was established per direction given by the City Council at the December 15, 2016 City Council meeting where this matter was first introduced.

It is also anticipated that the construction materials used to construct the project will be exempt from state and local sales taxes.

Proposed City Council Motion:

I move to direct staff to present AN ORDINANCE APPROVING A PLAN FOR AN INDUSTRIAL DEVELOPMENT PROJECT FOR M150 ECHELON LAND DEVELOPMENT, LLC, A MISSOURI LIMITED LIABILITY COMPANY, CONSISTING OF THE CONSTRUCTION AND IMPROVEMENT OF A COMMERCIAL FACILITY FOR THE COMPANY; AUTHORIZING THE CITY OF LEE'S SUMMIT, MISSOURI TO ISSUE ITS TAXABLE INDUSTRIAL DEVELOPMENT REVENUE BONDS (RESIDENCES AT ECHELON PROJECT), SERIES 2017, IN A PRINCIPAL AMOUNT NOT TO EXCEED \$27,000,000 TO FINANCE THE COSTS OF SUCH PROJECT; AUTHORIZING AND APPROVING CERTAIN DOCUMENTS; AND AUTHORIZING CERTAIN OTHER ACTIONS IN CONNECTION WITH THE ISSUANCE OF THE BONDS.

Background:

On November 3, 2016 the City Council approved a rezoning and preliminary development plan for the Residences at Echelon by a vote of 5 - 3. Also on November 3, 2016 a conceptual economic development incentive presentation was made and the City Council provided staff and the developer direction to proceed with preparing the Chapter 100 incentive request for formal consideration. On December 15, 2016 the Council considered a plan establishing a fixed PILOT of \$935.00 per door and heard new information presented by City staff regarding the manner in which Jackson County is assessing multi-family developments and directed staff and the applicant to prepare a plan that reflects a per door fixed PILOT of \$1,051.00. the developer and staff have prepared the new Plan and cost benefit analysis to reflect this change in the fixed PILOT accordingly.

Timeline:

The project is expected to be constructed during 2017 and 2018 with completion occurring in 2018.

Presenter: Evan Fitts, Polsinelli Law Firm, Developer's legal counsel and David Bushek, Gillmore & Bell, P.C., City's Economic Development Counsel

CITY OF LEE'S SUMMIT, MISSOURI

AMENDED AND RESTATED
PLAN FOR AN INDUSTRIAL DEVELOPMENT PROJECT
AND
COST-BENEFIT ANALYSIS
FOR
RESIDENCES AT ECHELON

I. PURPOSE OF THIS AMENDED AND RESTATED PLAN

On November 23, 2016, the City mailed a Plan for an Industrial Development Project and Cost-Benefit Analysis (the "Original Plan") to the taxing districts for a proposal to authorize the issuance by the City of its taxable industrial development revenue bonds in the aggregate principal amount of not to exceed \$27,000,000 (the "Bonds"), to finance costs of an industrial development project (the "Project") for M150 Echelon Land Development, LLC (the "Company") as more fully described and defined herein. This Amended and Restated Plan provides for an increase in the payments in lieu of taxes to be paid to the taxing districts. The City Council of the City of Lee's Summit, Missouri (the "City") will reconsider an ordinance approving this Amended Plan (defined below) and the Bonds. The Bonds will be issued pursuant to the provisions of Sections 100.010 to 100.200 of the Revised Statutes of Missouri, as amended, and Article VI, Section 27(b) of the Missouri Constitution, as amended (collectively, the "Act").

This Amended and Restated Plan for an Industrial Development Project and Cost-Benefit Analysis (the "Amended Plan") has been prepared to satisfy requirements of the Act and to analyze the potential costs and benefits, including the related tax impact on all affected taxing jurisdictions, of using industrial development revenue bonds to finance the Project and to facilitate abatement of ad valorem taxes on the bond-financed property.

II. GENERAL DESCRIPTION OF CHAPTER 100 FINANCINGS

General. The Act authorizes cities, counties, towns and villages to issue industrial development revenue bonds to finance the purchase, construction, extension and improvement of warehouses, distribution facilities, research and development facilities, office industries, agricultural processing industries, service facilities that provide interstate commerce, industrial plants and other commercial facilities.

Issuance and Sale of Bonds. Revenue bonds issued pursuant to the Act do not require voter approval and are payable solely from revenues received from the project. The municipality issues its bonds and in exchange, the benefited company promises to make payments that are sufficient to pay the principal of and interest on the bonds as they become due. Thus, the municipality merely acts as a conduit for the financing.

Concurrently with the closing of the bonds, the company will convey to the municipality title to the property included in the project. (The municipality must be the legal owner of the property while the bonds are outstanding for the property to be eligible for tax abatement, as further described below.) At the same time, the municipality will lease the property, including the project, back to the benefited company pursuant to a lease agreement. The lease agreement will require the company, acting on behalf of the municipality, to use the bond proceeds to pay the costs or reimburse the costs of purchasing, constructing and installing the project, as applicable.

Under the lease agreement, the company typically: (1) will unconditionally agree to make payments sufficient to pay the principal of and interest on the bonds as they become due; (2) will agree, at its own expense, to maintain the project, to pay all taxes and assessments with respect to the project, and to maintain adequate insurance; (3) has the right, at its own expense, to make certain additions, modifications or improvements to the project; (4) may assign its interests under the lease agreement or sublease the project while remaining responsible for payments under the lease agreement; (5) will covenant to maintain its corporate existence during the term of the bond issue; and (6) will agree to indemnify the municipality for any liability the municipality might incur as a result of its participation in the transaction.

Property Tax Abatement. Under Article X, Section 6 of the Missouri Constitution and Section 137.100 of the Revised Statutes of Missouri, all property of any political subdivision is exempt from taxation. In a typical transaction, the municipality holds fee title to the project and leases the project to the benefited company.

If the municipality and the company determine that partial tax abatement is desirable, the company may agree to make “payments in lieu of taxes.” The amount of payments in lieu of taxes is negotiable. The payments in lieu of taxes are payable by December 31 of each year, and are distributed to the municipality and to each political subdivision within the boundaries of the project in the same manner and in the same proportion as property taxes would otherwise be distributed under Missouri law.

III. DESCRIPTION OF THE PARTIES

M150 Echelon Land Development, LLC. The Company is a limited liability company organized and existing under the laws of the State of Missouri.

City of Lee’s Summit, Missouri. The City is a constitutional home rule charter city and municipal corporation organized and existing under the laws of the State of Missouri. The City is authorized and empowered pursuant to the provisions of the Act to purchase, construct, extend and improve certain projects (as defined in the Act) and to issue industrial development revenue bonds for the purpose of providing funds to pay the costs of such projects and to lease or otherwise dispose of such projects to private persons or corporations for manufacturing, commercial, warehousing and industrial development purposes upon such terms and conditions as the City deems advisable.

IV. REQUIREMENTS OF THE ACT

Description of the Project. The Project to be financed by the Bonds consists of (1) the design and construction of the Residences at Echelon, a 243-unit luxury apartment complex and (2) associated site work and infrastructure. The Project being financed by the Bonds will be constructed on approximately 12.59 acres at the Northwest corner of 291 and 150 Highways, which is referred to as the “Project Site.”

Estimate of the Costs of the Project. The Project is expected to cost approximately \$27,000,000 and to be constructed during the years 2017 and 2018.

Source of Funds to be Expended for the Project. The sources of funds to be expended for the Project will be the proceeds of the Bonds in a principal amount not to exceed \$27,000,000, to be issued by the City and purchased by the Company or its designee (the “Bondholder”) and, if needed, other available funds of the Company. The Bonds will be payable solely from the revenues derived by the City from the lease or other disposition of the Project (as further described below). The Bonds will not be an indebtedness or general obligation, debt or liability of the City or the State of Missouri.

Statement of the Terms Upon Which the Project is to be Leased or Otherwise Disposed of by the City. The City will hold title to the Project Site under the Chapter 100 transaction. The City will lease the Project to the Company for lease payments equal to the principal and interest payments on the Bonds. Under the terms of the lease agreement with the City, the Company will have the option to purchase the Project at any time and will have the obligation to purchase the Project at the termination of the lease. The lease between the City and the Company will terminate in 2028, unless terminated sooner pursuant to the terms of the lease.

Affected School District, Community College District, County and City. The Lee’s Summit R-7 School District is the school district affected by the Project. Jackson County, Missouri is the county affected by the Project. Metropolitan Community College is the community college district affected by the Project. The City is the city affected by the Project. The Cost-Benefit Analysis attached hereto identifies all other taxing districts affected by the Project (other than those taxing entities solely affected by the Project with respect to receipt of tax revenues from the commercial surcharge tax).

Assessed Valuation. The most recent equalized assessed valuation of the Project Site is \$199,262.¹ The estimated total equalized assessed valuation of the Project Site after construction of the Project (2019) is \$2,492,101. This valuation was calculated based upon an assumed appraised value of \$13,116,321 for the Project Site in year 2019, multiplied by the assessment rate of 19%.

Payments in Lieu of Taxes. If this Amended Plan is approved by the City Council, the City intends to issue the Bonds in 2017 and to provide tax abatement to the Company for the Project for a period of ten years beginning in 2019. During years 2017 and 2018, the Project will be under construction and the Company will pay a partial payment in lieu of taxes as set forth below. For all the years that the Project Site is subject to tax abatement as provided herein, the Company will make a fixed PILOT payment in December of each year in accordance with the following schedule:

2017-18	\$ 20,421.00
2019-21	\$ 255,393.00
2022-26	\$ 261,778.00
2027-28	\$ 268,322.00

Sales Tax Exemption on Construction Materials. It is anticipated that the construction materials used to construct the Project will be exempt from state and local sales taxes.

Cost-Benefit Analysis and Discussion of Exhibits. In compliance with Section 100.050.2(3) of the Revised Statutes of Missouri, this Amended Plan has been prepared to show the costs and benefits to the City and to other taxing jurisdictions affected by the tax abatements and exemptions of the Project. The following is a summary of the exhibits attached to this Amended Plan that show the direct tax impact the Project is expected to have on each taxing jurisdiction. This Amended Plan does not attempt to quantify the overall economic impact of the Project.

¹ The Project Site is currently part of a larger 20.88 acre tract (Parcel ID No. 70-400-04-07-00-0-00-000) which is improved with a church facility and has an assessed value of \$1,049,357. That portion of the 20.88 acre tract which will be the Project Site is 12.59 acres and is currently unimproved. The Project Site will be subdivided as a separate tax parcel. Based on information received from the County Assessor’s Office, it is assumed that the most recent equalized assessed valuation of the land only for the larger 20.88 acre tract is \$330,450. The Project Site is 60.3% of the acreage of the 20.88 acre site and it is therefore assumed that the most recent equalized assessed valuation of the Project Site is \$199,262.

Project Assumptions. **Exhibit 1** presents a list of the assumptions related to the determination of assessed valuations and the tax formulas.

Summary of Cost-Benefit Analysis. **Exhibit 2** presents a summary for each affected taxing district of (1) the total estimated tax revenues that would be generated if the Project did not occur and (2) the total estimated value of the payments in lieu of taxes (“PILOT Amounts”) to be made by the Company for the proposed abatement period.

Real Property. **Exhibit 3** provides the projected tax revenues which would be paid on the Project Site without tax abatement and without the Project. **Exhibit 4** provides the projected value of PILOT Amounts to be paid by the Company.

V. ASSUMPTIONS AND BASIS OF AMENDED PLAN

In preparing this Amended Plan, key assumptions have been made to estimate the fiscal impact of the abatement and exemptions proposed for the Project. See **ATTACHMENT A** for a summary of these assumptions.

Information necessary to complete this Amended Plan, has been furnished by representatives of the City, representatives of the Company and its counsel, the Bondholder and other persons deemed appropriate and such information has not been independently verified for accuracy, completeness or fairness.

SUMMARY OF KEY ASSUMPTIONS

1. The cost of designing and constructing the Project is estimated to be approximately \$27,000,000.

2. The Project will be owned by the City and leased to the Company with an option to purchase. As long as the Project is owned by the City, it will be exempt from ad valorem taxes.

3. The Project Site will be excluded from the calculation of ad valorem property taxes for a period of twelve years beginning in 2017.

4. During the entire term of the Bonds through 2028, the Company will make payments in lieu of taxes in accordance with that portion of Section IV above in the Amended Plan entitled "Payments in Lieu of Taxes."

5. Commercial real property taxes are calculated using the following formula:

$$(\text{Assessed Value} * \text{Tax Rate})/100$$

6. The assessed value of the Project Site is calculated using the following formula:

$$\text{Estimated Value} * \text{Assessment Ratio of 19\%}$$

7. The tax rates used in this Amended Plan reflect the rates in effect for the tax year 2016. The tax rates were held constant through the 2028 tax year.

3. The Ordinance authorizes the City to lease the Project Site and the Project Improvements (collectively, the “Project”) to M150 Echelon Land Development, LLC, a Missouri limited liability company (the “Company”).

4. Pursuant to the Ordinance, the City is authorized to execute and deliver (a) this Indenture for the purpose of issuing and securing the Bonds, (b) the Lease Agreement of even date herewith (the “Lease”) with the Company, under which the City, as lessor, will, or will cause the Company to, construct and improve the Project and will lease the Project to the Company, as lessee, in consideration of rentals that will be sufficient to pay the principal of and interest on the Bonds, and (c) the Performance Agreement for the purpose of setting forth the terms and conditions of the Project’s exemption from ad valorem real property taxes and certain payments in lieu of taxes to be made by the Company with respect to the Project.

ARTICLE II

THE BONDS

Section 201. Title and Amount of Bonds. No Bonds may be issued under this Indenture except in accordance with the provisions of this Article. The Bonds authorized to be issued under this Indenture shall be designated as “City of Lee’s Summit, Missouri, Taxable Industrial Development Revenue Bonds (Residences at Echelon Project), Series 2017.” The maximum total principal amount of Bonds that may be issued hereunder is hereby expressly limited to \$27,000,000.

Section 202. Nature of Obligation. The Bonds and the interest thereon shall be special obligations of the City payable solely out of the rents, revenues and receipts derived by the City from the Project and the Lease, and not from any other fund or source of the City. The Bonds are secured by a pledge and assignment of the Trust Estate to the Trustee in favor of the Owners, as provided in this Indenture. The Bonds and the interest thereon shall not constitute general obligations of the City, the State or any political subdivision thereof, and neither the City, the State or related political subdivision thereof shall be liable thereon, and the Bonds shall not constitute an indebtedness within the meaning of any constitutional, charter or statutory debt limitation or restriction, and are not payable in any manner by taxation.

Section 203. Denomination, Number and Dating of the Bonds.

(a) The Bonds shall be issuable in the form of one fully-registered Bond, in substantially the form set forth in **Exhibit C** hereto, in the denomination of \$0.01 or any multiple thereof.

(b) The Bonds shall be dated by the Trustee as of the date of initial delivery thereof as provided herein. If the Bonds are at any time thereafter transferred, any replacement Bonds shall be dated as of the date of authentication thereof.

Section 204. Method and Place of Payment of Bonds.

(a) The principal of and interest on the Bonds shall be payable in any coin or currency of the United States of America which on the respective dates of payment thereof is legal tender for payment of public and private debts.

(b) Payment of the principal of the Bonds shall be made upon the presentation and surrender of such Bonds at the principal payment office of any Paying Agent named in the Bonds. The payment of principal on the Bonds shall be noted on the Bonds on **Schedule I** thereto and the registration books maintained by the Trustee pursuant to **Section 206** hereof. Payment of the interest on the Bonds shall be made by the Trustee on each Payment Date to the Person appearing on the registration books of the Trustee hereinafter provided for as the Owner thereof on the fifteenth day (whether or not a Business Day) of the calendar month next preceding such Payment Date by check or draft mailed to such Owner at such Owner's address as it appears on such registration books.

(c) The Bonds and the original **Schedule I** thereto shall be held by the Trustee in trust, unless otherwise directed in writing by the Owner. If the Bonds are held by the Trustee, the Trustee shall, on each Payment Date, send a revised copy of **Schedule I** via facsimile or other electronic means to the Owner, the Company (if not the Owner) and the City. Absent manifest error, the amounts shown on **Schedule I** as noted by the Trustee shall be conclusive evidence of the principal amount paid on the Bonds.

(d) If there is one Owner of the Bonds, the Trustee is authorized to make the final or any interim payments of principal on such Bonds by internal bank transfer or by electronic transfer to an account at a commercial bank or savings institution designated in writing by such Owner and located in the continental United States. The Trustee is also authorized to make interest payments on such Bonds by internal bank transfer or by electronic transfer to an account at a commercial bank or savings institution designated by such Owner and located in the continental United States.

(e) If the Company is the sole Owner of the Bonds, then the Company may set-off its obligation to the City as lessee under the Lease against the City's obligations to the Company as the bondholder under this Indenture. The Trustee may conclusively rely on the absence of any notice from the Company to the contrary as evidence that such set-off has occurred. On the final Payment Date, the Company may deliver to the Trustee for cancellation the Bonds and the Company shall receive a credit against the Basic Rent payable by the Company under **Section 5.1** of the Lease in an amount equal to the remaining principal on the Bond so tendered for cancellation plus accrued interest thereon.

Section 205. Execution and Authentication of Bonds.

(a) The Bonds shall be executed on behalf of the City by the manual or facsimile signature of its Mayor and attested by the manual or facsimile signature of the City Clerk, and shall have the corporate seal of the City affixed thereto or imprinted thereon. If any officer whose signature or facsimile thereof appears on the Bonds ceases to be such officer before the delivery of such Bond, such signature or facsimile thereof shall nevertheless be valid and sufficient for all purposes, the same as if such Person had remained in office until delivery. Any Bond may be signed by such Persons as at the actual time of the

execution of such Bond are the proper officers to sign such Bond although at the date of such Bond such Persons may not have been such officers.

(b) The Bonds shall have endorsed thereon a Certificate of Authentication substantially in the form set forth in **Exhibit C** hereof, which shall be manually executed by the Trustee. No Bond shall be entitled to any security or benefit under this Indenture or shall be valid or obligatory for any purposes until such Certificate of Authentication has been duly executed by the Trustee. The executed Certificate of Authentication upon any Bond shall be conclusive evidence that such Bond has been duly authenticated and delivered under this Indenture. The Certificate of Authentication on any Bond shall be deemed to have been duly executed if signed by any authorized signatory of the Trustee.

Section 206. Registration, Transfer and Exchange of Bonds.

(a) The Trustee shall keep books for the registration and for the transfer of Bonds as provided in this Indenture.

(b) The Bonds may be transferred only upon the books kept for the registration and transfer of Bonds upon surrender thereof to the Trustee duly endorsed for transfer or accompanied by an assignment duly executed by the Owner or such Owner's attorney or legal representative in such form as shall be satisfactory to the Trustee. In connection with any such transfer of the Bonds, the City and the Trustee shall receive an executed representation letter signed by the proposed assignee in substantially the form of **Exhibit D** hereto. Upon any such transfer, the City shall execute and the Trustee shall authenticate and deliver in exchange for such Bond a new fully registered Bond or Bonds, registered in the name of the transferee, of any denomination or denominations authorized by this Indenture, in an aggregate principal amount equal to the outstanding principal amount of such Bond, of the same maturity and bearing interest at the same rate.

(c) In all cases in which Bonds are exchanged or transferred hereunder the provisions of any legend restrictions on the Bonds shall be complied with and the City shall execute and the Trustee shall authenticate and deliver at the earliest practicable time Bonds in accordance with the provisions of this Indenture. All Bonds surrendered in any such exchange or transfer shall forthwith be cancelled by the Trustee. The City or the Trustee may make a reasonable charge for every such exchange or transfer of Bonds sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer, and such charge shall be paid before any such new Bond shall be delivered. Neither the City nor the Trustee shall be required to make any such exchange or transfer of Bonds during the 15 days immediately preceding a Payment Date on the Bonds or, in the case of any proposed redemption of Bonds, during the 15 days immediately preceding the selection of Bonds for such redemption or after such Bonds or any portion thereof has been selected for redemption.

(d) If any Owner fails to provide a certified taxpayer identification number to the Trustee, the Trustee may make a charge against such Owner sufficient to pay any governmental charge required to be paid as a result of such failure, which amount may be deducted by the Trustee from amounts otherwise payable to such Owner under such Owner's Bond.

Section 207. Persons Deemed Owners of Bonds. As to any Bond, the Person in whose name the same is registered as shown on the bond registration books required by **Section 206** hereof shall be deemed and regarded as the absolute owner thereof for all purposes. Payment of or on account of the principal of and interest on any such Bond shall be made only to or upon the order of the Owner thereof or a legal representative thereof. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond, including the interest thereon, to the extent of the sum or sums so paid.

Section 208. Authorization of the Bonds.

(a) The Bonds are authorized in the aggregate maximum principal amount of \$27,000,000 for the purpose of providing funds to pay the costs of the Project, which Bonds shall be designated “City of Lee’s Summit, Missouri, Taxable Industrial Development Revenue Bonds (Residences at Echelon Project), Series 2017.” The Bonds shall be dated as provided in **Section 203(b)** hereof, shall become due on December 1, 2028 (subject to prior redemption as provided in **Article III** hereof) and shall bear interest as specified in **Section 208(f)** hereof, payable on the dates specified in **Section 208(f)** hereof.

(b) The Trustee is hereby designated as the Paying Agent. The Owners of a majority of Bonds then Outstanding may designate a different Paying Agent upon written notice to the City and the Trustee.

(c) The Bonds shall be executed without material variance from the form and in the manner set forth in **Exhibit C** hereto and delivered to the Trustee for authentication. Prior to or simultaneously with the authentication and delivery of the Bonds by the Trustee, there shall be filed with the Trustee the following:

(1) An original or certified copy of the ordinance passed by the City Council authorizing the issuance of the Bonds and the execution of this Indenture, the Performance Agreement, the Bond Purchase Agreement and the Lease;

(2) Original executed counterparts of this Indenture, the Lease, the Performance Agreement and the Bond Purchase Agreement;

(3) A representation letter from the Purchaser in substantially the form attached as **Exhibit D** hereto;

(4) A request and authorization to the Trustee on behalf of the City, executed by the Authorized City Representative, to authenticate the Bonds and deliver the same to or at the direction of the Purchaser upon payment to the Trustee, for the account of the City, of the purchase price thereof specified in the Bond Purchase Agreement. The Trustee shall be entitled to conclusively rely upon such request and authorization as to names of the purchaser and the amount of such purchase price;

(5) An opinion of counsel nationally recognized on the subject of municipal bonds to the effect that the Bonds constitute valid and legally binding limited and special revenue obligations of the City; and

(6) Such other certificates, statements, receipts, opinions and documents as the Trustee shall reasonably require for the delivery of the Bonds.

(d) When the documents specified in subsection (c) of this Section have been filed with the Trustee, and when the Bonds have been executed and authenticated as required by this Indenture, either:

(1) The Purchaser shall pay the Closing Price to the Trustee, and the Trustee shall endorse the Bonds in an amount equal to the Closing Price and then either hold the Bonds in trust or if so directed in writing deliver the Bonds to or upon the order of the Purchaser; or

(2) The Company shall submit a requisition certificate in accordance with **Section 4.4** of the Lease, in an amount equal to the Closing Price, and the Trustee shall authenticate and endorse the Bonds in an amount equal to the Closing Price and then either hold the Bonds in trust or if so directed in writing deliver the Bonds to the Company (or another purchaser designated by the Company).

In either case, the Purchaser shall be deemed to have paid over to the Trustee, and the Trustee shall be deemed to have deposited into the Project Fund, an amount equal to the Closing Price.

(e) Following the initial issuance and delivery of the Bonds, the Company may submit additional requisition certificates in accordance with **Section 4.4** of the Lease, and the Trustee shall, based solely of the amount set forth in the requisition, endorse the Bonds in an amount equal to the amount set forth in each requisition certificate. The date of endorsement of each Principal Amount Advanced (as defined in subsection (g) below) as set forth on **Schedule I** to the Bonds shall be the date of the City's approval of each requisition certificate. The Trustee shall keep a record of the total requisitions submitted, and shall notify the City if the requisitions submitted exceed the maximum Cumulative Outstanding Principal Amount of the Bonds permitted hereunder.

(f) The Bonds shall bear interest at the rate of 2.00% per annum on the Cumulative Outstanding Principal Amount of the Bonds. Such interest shall be payable in arrears on each December 1, commencing on December 1, 2017, and continuing thereafter until the Cumulative Outstanding Principal Amount is paid in full; provided that the aggregate maximum principal amount shall not exceed \$27,000,000 and further provided that the Bonds shall be paid in full no later than December 1, 2028. Interest shall be calculated on the basis of a year of 360 days consisting of twelve months of 30 days each.

(g) The Trustee shall keep and maintain a record of the amount deposited or deemed to be deposited into the Project Fund pursuant to the terms of this Indenture as "Principal Amount Advanced" and shall enter the aggregate principal amount of the Bonds then Outstanding on its records as the "Cumulative Outstanding Principal Amount." On each date upon which a portion of the Cumulative Outstanding Principal Amount is paid to the Owners, pursuant to the redemption provisions of this Indenture, the Trustee shall enter on its records the principal amount paid on the Bonds as "Principal Amount Redeemed," and shall enter the then Outstanding principal amount of the Bonds as "Cumulative Outstanding Principal Amount." The records maintained by the Trustee as to amounts deposited into the Project Fund or principal amounts paid on the Bonds shall be the official records of the Cumulative Outstanding Principal Amount for all purposes, absent manifest error, and shall be in substantially the form of the Table of Cumulative Outstanding Principal Amount as set out in the form of Bonds in **Exhibit C** hereto. If any moneys are deposited by the Trustee into the Project Fund, then the Trustee shall provide a statement of receipts and disbursements with respect thereto to the City and the Company on a monthly basis. After the Project has been completed and the certificate of payment of all costs is filed as provided in **Section 504** hereof, the Trustee, to the extent it has not already done so pursuant to this Section or **Section 1012** hereof, shall file a final statement of receipts and disbursements with respect thereto with the City and the Company.

Section 209. Mutilated, Lost, Stolen or Destroyed Bonds. If any Bond becomes mutilated, or is lost, stolen or destroyed, the City shall execute and the Trustee shall authenticate and deliver a new Bond of like series, date and tenor as the Bond mutilated, lost, stolen or destroyed; provided that, in the case of any mutilated Bond, such mutilated Bond shall first be surrendered to the Trustee, and in the case of any lost, stolen or destroyed Bond, there shall be first furnished to the City and the Trustee evidence of such loss, theft or destruction satisfactory to the Trustee, together with indemnity satisfactory to the

Trustee to save each of the City and the Trustee harmless. If any such Bond has matured, instead of delivering a substitute Bond, the Trustee may pay the same without surrender thereof. Upon the issuance of any substitute Bond, the City and the Trustee may require the payment of an amount sufficient to reimburse the City and the Trustee for any tax or other governmental charge that may be imposed in relation thereto and any other reasonable fees and expenses incurred in connection therewith.

Section 210. Cancellation and Destruction of Bonds Upon Payment.

(a) All Bonds which have been paid or redeemed or which the Trustee has purchased or which have otherwise been surrendered to the Trustee under this Indenture, either at or before maturity shall be cancelled by the Trustee immediately upon the payment, redemption or purchase of such Bonds and the surrender thereof to the Trustee.

(b) All Bonds cancelled under any of the provisions of this Indenture shall be destroyed by the Trustee. The Trustee shall execute a certificate describing the Bonds so destroyed, and shall file executed counterparts of such certificate with the City and the Company.

ARTICLE III

REDEMPTION OF BONDS

Section 301. Redemption of Bonds.

(a) The Bonds are subject to redemption and payment at any time before the stated maturity thereof, at the option of the City, upon written instructions from the Company, (1) in whole, if the Company exercises its option to purchase the Project and deposits an amount sufficient to effect such purchase pursuant to the Lease on the applicable redemption date, or (2) in part, if the Company prepays additional Basic Rent pursuant to the Lease. If only a portion of the Bonds are to be redeemed, (1) Bonds aggregating at least 10% of the maximum aggregate principal amount of Bonds authorized hereunder shall not be subject to redemption and payment before the stated maturity thereof, and (2) the Trustee shall keep a record of the amount of Bonds to remain Outstanding following such redemption. Any redemption of Bonds pursuant to this paragraph shall be at a redemption price equal to the par value thereof being redeemed, plus accrued interest thereon, without premium or penalty, to the redemption date.

(b) The Bonds are subject to mandatory redemption, in whole or in part, to the extent of amounts deposited in the Bond Fund pursuant to **Sections 9.1(f) or 9.2(c)** of the Lease, in the event of substantial damage to or destruction or condemnation of substantially all of the Project. Bonds to be redeemed pursuant to this paragraph shall be called for redemption by the Trustee on the earliest practicable date for which timely notice of redemption may be given as provided hereunder. Any redemption of Bonds pursuant to this paragraph shall be at a redemption price equal to the par value thereof being redeemed, plus accrued interest thereon, without premium or penalty, to the redemption date. Before giving notice of redemption to the Owners pursuant to this paragraph (b), money in an amount equal to the redemption price shall have been deposited in the Bond Fund.

(c) In connection with a redemption under paragraphs (a) or (b) of this Section, at its option, the Company may deliver to the Trustee for cancellation any Bonds owned by the Company and not previously paid, and the Company shall receive a credit against the amounts payable by the Company for

the redemption of such Bonds in an amount equal to the principal amount of the Bonds so tendered for cancellation, plus accrued interest.

Section 302. Effect of Call for Redemption. Before or on the date fixed for redemption, funds, Government Securities, or a combination thereof, shall be placed with the Trustee which are sufficient to pay the Bonds called for redemption and accrued interest thereon, if any, to the redemption date. Upon the happening of the above conditions and appropriate written notice having been given, the Bonds or the portions of the principal amount of Bonds thus called for redemption shall cease to bear interest on the specified redemption date, and shall no longer be entitled to the protection, benefit or security of this Indenture and shall not be deemed to be Outstanding under the provisions of this Indenture. If the Bonds are fully redeemed before maturity and an amount of money equal to the Trustee's and the Paying Agent's agreed to fees and expenses hereunder accrued and to accrue in connection with such redemption is paid or provided for, the City shall, at the Company's direction, deliver to the Company the items described in **Section 11.2** of the Lease.

Section 303. Notice of Redemption. If the Bonds are to be called for redemption as provided in **Section 301(a)** hereof, the Company shall deliver written notice to the City and the Trustee that it has elected to direct the City to redeem all or a portion of the Bonds at least 40 days (10 days if the Company is the Owner) prior to the scheduled redemption date. The Trustee shall then deliver written notice to the Owners at least 30 days (five days if the Company is the Owner) prior to the scheduled redemption date by facsimile and by first-class mail stating the date upon which the Bonds will be redeemed and paid, unless such notice period is waived by the Owners in writing.

ARTICLE IV

FORM OF BONDS

Section 401. Form Generally. The Bonds and the Trustee's Certificate of Authentication to be endorsed thereon shall be issued in substantially the forms set forth in **Exhibit C** hereto. The Bonds may have endorsed thereon such legends or text as may be necessary or appropriate to conform to any applicable rules and regulations of any governmental authority or any custom, usage or requirements of law with respect thereto.

ARTICLE V

CUSTODY AND APPLICATION OF BOND PROCEEDS

Section 501. Creation of Funds. There are hereby created and ordered to be established in the custody of the Trustee the following special trust funds in the name of the City:

(a) "City of Lee's Summit, Missouri, Project Fund – M150 Echelon Land Development, LLC" (herein called the "Project Fund");

(b) "City of Lee's Summit, Missouri, Costs of Issuance Fund – M150 Echelon Land Development, LLC" (herein called the "Costs of Issuance Fund"); and

(c) “City of Lee’s Summit, Missouri, Bond Fund – M150 Echelon Land Development, LLC” (herein called the “Bond Fund”).

Section 502. Deposits into the Project Fund. The proceeds of the sale of the Bonds (whether actually paid or deemed paid under **Section 208(d)** and **(e)** hereof), including Additional Payments provided for in the Bond Purchase Agreement, when received, excluding such amounts required to be paid into the Bond Fund pursuant to **Section 601** hereof, shall be deposited by the Trustee into the Project Fund. Any money received by the Trustee from any other source for the purpose of purchasing, constructing and improving the Project shall pursuant to any directions from the Person depositing such moneys also be deposited into the Project Fund.

Section 503. Disbursements from the Project Fund.

(a) The moneys in the Project Fund shall be disbursed by the Trustee for the payment of, or reimbursement to the Company (or any other party that has made payment on behalf of the Company) for payment of, Project Costs upon receipt of requisition certificates signed by the Company in accordance with the provisions of **Article IV** of the Lease. The Trustee hereby covenants and agrees to disburse such moneys in accordance with such provisions.

(b) If, pursuant to **Section 208(d)** and **(e)** hereof, the Trustee is deemed to have deposited into the Project Fund the amount specified in the requisition certificates submitted by the Company in accordance with the provisions of **Article IV** of the Lease, the Trustee shall upon endorsement of the Bonds in an equal amount be deemed to have disbursed such funds from the Project Fund to the Company (or such other purchaser designated by the Company) in satisfaction of the requisition certificate.

(c) In paying any requisition under this Section, the Trustee may rely as to the completeness and accuracy of all statements in such requisition certificate if such requisition certificate is signed by the Authorized Company Representative and shall not be required to make any independent inspection or investigation in connection therewith. If the City so requests in writing, a copy of each requisition certificate submitted to the Trustee for payment under this Section shall be promptly provided by the Trustee to the City. The City hereby authorizes and directs the Trustee to make disbursements in the manner and as provided for by the aforesaid provisions of the Lease.

Section 504. Completion of the Project. The completion of the construction and improvement of the Project and payment of all costs and expenses incident thereto shall be evidenced by the filing with the Trustee of the certificate required by the provisions of **Section 4.5** of the Lease. As soon as practicable after the Completion Date any balance remaining in the Project Fund shall without further authorization be transferred by the Trustee to the Bond Fund and applied as provided in **Section 4.6** of the Lease.

Section 505. Deposits into and Disbursements from the Costs of Issuance Fund. Money deposited by the Company in the Costs of Issuance Fund shall be used solely to pay costs of issuing the Bonds or refunded to the Company as hereinafter provided. The Trustee shall without further authorization disburse from the Costs of Issuance Fund, to the extent available, money sufficient to pay the amounts shown in a closing memorandum provided to the Trustee on or before the date of delivery of the Bonds, which shall have attached thereto the statements, invoices and related items described in said closing memorandum. The Trustee may rely conclusively on the amounts due as shown in the closing memorandum and will not be required to make any independent inspection or investigation in connection therewith. Any of such money not used to pay costs of issuance by July 1, 2017 shall be refunded to the Company.

Section 506. Disposition Upon Acceleration. If the principal of the Bonds has become due and payable pursuant to **Section 902** hereof, upon the date of payment by the Trustee of any moneys due as provided in **Article IX** hereof, any balance remaining in the Project Fund shall without further authorization be deposited in the Bond Fund by the Trustee, with advice to the City and to the Company of such action.

ARTICLE VI

REVENUES AND FUNDS

Section 601. Deposits Into the Bond Fund.

(a) The Trustee shall deposit into the Bond Fund, as and when received, (a) all Basic Rent payable by the Company to the City specified in **Section 5.1** of the Lease; (b) any Additional Rent payable by the Company specified in **Section 5.2** of the Lease; (c) any amount in the Project Fund to be transferred to the Bond Fund pursuant to **Section 504** hereof upon completion of the Project or pursuant to **Section 506** hereof upon acceleration of the Bonds; (d) the balance of any Net Proceeds (as defined in the Lease) of condemnation awards or insurance received by the Trustee pursuant to **Article IX** of the Lease; (e) the amounts to be deposited in the Bond Fund pursuant to **Sections 9.1(f)** and **9.2(c)** of the Lease; (f) all interest and other income derived from investments of Bond Fund moneys as provided in **Section 702** hereof; and (g) all other moneys received by the Trustee under and pursuant to any of the provisions of the Lease when accompanied by directions from the Person depositing such moneys that such moneys are to be paid into the Bond Fund.

(b) The Trustee shall notify the Company in writing, at least 15 days before each date on which a payment is due under **Section 5.1** of the Lease, of the amount that is payable by the Company pursuant to such Section.

Section 602. Application of Moneys in the Bond Fund.

(a) Except as provided in **Section 604** and **Section 908** hereof or in **Section 4.6(a)** of the Lease, moneys in the Bond Fund shall be expended solely for the payment of the principal of and the interest on the Bonds as the same mature and become due or upon the redemption thereof before maturity; provided, however, that any amounts received by the Trustee as Additional Rent under **Section 5.2** of the Lease and deposited to the Bond Fund as provided in **Section 601** above, shall be expended by the Trustee for such items of Additional Rent as they are received or due without further authorization from the City.

(b) The City hereby authorizes and directs the Trustee to withdraw sufficient funds from the Bond Fund to pay the principal of and the interest on the Bonds as the same become due and payable and to make said funds so withdrawn available to the Paying Agent for the purpose of paying said principal and interest.

(c) Whenever the amount in the Bond Fund from any source whatsoever is sufficient to redeem all of the Bonds Outstanding and to pay interest to accrue thereon before such redemption, the City covenants and agrees, upon request of the Company, to take and cause to be taken the necessary steps to redeem all such Bonds on the next succeeding redemption date for which the required redemption

notice may be given or on such later redemption date as may be specified by the Company. The Trustee may use any moneys in the Bond Fund to redeem a part of the Bonds Outstanding in accordance with and to the extent permitted by **Article III** hereof so long as the Company is not in default with respect to any payments under the Lease and to the extent said moneys are in excess of the amount required for payment of Bonds theretofore matured or called for redemption and past due interest, if any, in all cases when such Bonds have not been presented for payment.

(d) After payment in full of the principal of and interest, if any, on the Bonds (or provision has been made for the payment thereof as provided in this Indenture), and the fees, charges and expenses of the Trustee, the City and any Paying Agent and any other amounts required to be paid under this Indenture, the Lease and the Performance Agreement, all amounts remaining in the Bond Fund shall be paid to the Company upon the expiration or sooner termination of the Lease.

Section 603. Payments Due on Days Other than Business Days. In any case where the date of maturity of principal or of interest, if any, on the Bonds or the date fixed for redemption of any Bonds is not a Business Day, then payment of principal or interest, if any, need not be made on such date but may be made on the next succeeding Business Day with the same force and effect as if made on the date of maturity or the date fixed for redemption, and no interest, if any, shall continue to accrue for the period after such date.

Section 604. Nonpresentment of Bonds. If any Bond is not presented for payment when the principal thereof becomes due, either at maturity or otherwise, or at the date fixed for redemption thereof, if funds sufficient to pay such Bond shall have been made available to the Trustee, all liability of the City to the Owner thereof for the payment of such Bond shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of the Trustee to hold such fund or funds, without liability for interest thereon, for the benefit of the Owner of such Bond who shall thereafter be restricted exclusively to such fund or funds for any claim of whatever nature on his part under this Indenture or on, or with respect to, said Bond. If any Bond is not presented for payment within one year following the date when such Bond becomes due, whether by maturity or otherwise, the Trustee shall without liability for interest thereon repay to the Company the funds theretofore held by it for payment of such Bond, and such Bond shall, subject to the defense of any applicable statute of limitation, thereafter be an unsecured obligation of the Company, and the Owner thereof shall be entitled to look only to the Company for payment, and then only to the extent of the amount so repaid, and the Company shall not be liable for any interest thereon and shall not be regarded as a trustee of such money.

Section 605. Repayment to the Company from the Bond Fund. After payment in full of the principal of and interest on the Bonds (or provision has been made for the payment thereof as provided in this Indenture), and the reasonable fees, charges and expenses of the Trustee and the City and any other amounts required to be paid under this Indenture and the Lease, all amounts remaining in the Bond Fund shall be paid to the Company upon the expiration or sooner termination of the Lease.

ARTICLE VII

SECURITY FOR DEPOSITS AND INVESTMENT OF FUNDS

Section 701. Moneys to be Held in Trust. All moneys deposited with or paid to the Trustee for account of the Bond Fund or the Project Fund under any provision of this Indenture, and all moneys deposited with or paid to any Paying Agent under any provision of this Indenture, shall be held by the

Trustee or Paying Agent in trust and shall be applied only in accordance with the provisions of this Indenture and the Lease, and, until used or applied as herein provided, shall constitute part of the Trust Estate and be subject to the lien hereof. Neither the Trustee nor any Paying Agent shall be under any liability for interest on any moneys received hereunder except such as may be agreed upon in writing.

Section 702. Investment of Moneys in Project Fund and Bond Fund. Moneys held in the Project Fund and the Bond Fund shall, pursuant to written direction of the Company, signed by the Authorized Company Representative, be separately invested and reinvested by the Trustee in Investment Securities which mature or are subject to redemption by the Owner before the date such funds will be needed. If the Company fails to provide written directions concerning investment of moneys held in the Project Fund and the Bond Fund, the Trustee is authorized to invest in such Investment Securities specified in paragraph (e) of the definition of Investment Securities, provided they mature or are subject to redemption before the date such funds will be needed. The Trustee is specifically authorized to implement its automated cash investment system to assure that cash on hand is invested and to charge its normal cash management fees and cash sweep account fees, which may be deducted from income earned on investments; provided that any such fees shall not exceed the interest income on the investment. Any such Investment Securities shall be held by or under the control of the Trustee and shall be deemed at all times a part of the fund in which such moneys are originally held, and the interest accruing thereon and any profit realized from such Investment Securities shall be credited to such fund, and any loss resulting from such Investment Securities shall be charged to such fund. After the Trustee has notice pursuant to **Section 1001(h)** hereof of the existence of an Event of Default, the Trustee shall direct the investment of moneys in the Bond Fund and the Project Fund. The Trustee shall sell and reduce to cash a sufficient amount of such Investment Securities whenever the cash balance in any Fund is insufficient for the purposes of such Fund. In determining the balance in any Fund, investments in such Fund shall be valued at the lower of their original cost or their fair market value as of the most recent Payment Date. The Trustee may make any and all investments permitted by the provisions of this Section through its own bond department or any affiliate or short-term investment department.

Section 703. Record Keeping. The Trustee shall maintain records designed to show compliance with the provisions of this Article and with the provisions of **Article VI** hereof for at least six years after the payment of all of the Outstanding Bonds.

ARTICLE VIII

GENERAL COVENANTS AND PROVISIONS

Section 801. Payment of Principal and Interest. The City covenants and agrees that it will, but solely from the rents, revenues and receipts derived from the Project and the Lease as described herein, deposit or cause to be deposited in the Bond Fund sufficient sums payable under the Lease promptly to meet and pay the principal of and the interest on the Bonds as they become due and payable at the place, on the dates and in the manner provided herein and in the Bonds according to the true intent and meaning thereof. Nothing herein shall be construed as requiring the City to operate the Project as a business other than as lessor or to use any funds or revenues from any source other than funds and revenues derived from the Project.

Section 802. Authority to Execute Indenture and Issue Bonds. The City covenants that it is duly authorized under the Constitution and laws of the State to execute this Indenture, to issue the Bonds and to pledge and assign the Trust Estate in the manner and to the extent herein set forth; that all action on

its part for the execution and delivery of this Indenture and the issuance of the Bonds has been duly and effectively taken; that the Bonds in the hands of the Owners thereof are and will be valid and enforceable obligations of the City according to the import thereof.

Section 803. Performance of Covenants. The City covenants that it will faithfully perform at all times any and all covenants, undertakings, stipulations and provisions contained in this Indenture, in the Bonds and in all proceedings of its governing body pertaining thereto. The Trustee may take such action as it deems appropriate to enforce all such covenants, undertakings, stipulations and provisions of the City hereunder.

Section 804. Instruments of Further Assurance. The City covenants that it will do, execute, acknowledge and deliver, or cause to be done, executed, acknowledged and delivered, such Supplemental Indentures and such further acts, instruments, financing statements and other documents as the Trustee may reasonably require for the better pledging and assigning unto the Trustee the property and revenues herein described to the payment of the principal of and interest, if any, on the Bonds. The City covenants and agrees that, except as herein and in the Lease provided, it will not sell, convey, mortgage, encumber or otherwise dispose of any part of the Project or the rents, revenues and receipts derived therefrom or from the Lease, or of its rights under the Lease.

Section 805. Recordings and Filings. The City shall file or cause to be kept and filed all financing statements, and hereby authorizes the Trustee to file or cause to be kept and filed continuation statements with respect to such originally filed financing statements related to this Indenture and all supplements hereto and such other documents as may be required under the Uniform Commercial Code in order to fully preserve and protect the security of the Owners and the rights of the Trustee hereunder. The City will cooperate in causing this Indenture and all Supplemental Indentures, the Lease and all Supplemental Leases and all other security instruments to be recorded and filed in such manner and in such places as may be required by law in order to fully preserve and protect the security of the Owners and the rights of the Trustee hereunder.

Section 806. Inspection of Project Books. The City covenants and agrees that all books and documents in its possession relating to the Project and the rents, revenues and receipts derived from the Project shall at all times be open to inspection by such accountants or other agencies as the Trustee may from time to time designate.

Section 807. Enforcement of Rights Under the Lease. The City covenants and agrees that it will enforce all of its rights and all of the obligations of the Company (at the expense of the Company) under the Lease to the extent necessary to preserve the Project in good repair and reasonably safe operating condition, and to protect the rights of the Trustee and the Owners hereunder with respect to the pledge and assignment of the rents, revenues and receipts coming due under the Lease; provided that, the City and the Trustee, as its assignee, shall refrain from enforcing any such right or obligation (except for the rights of the City or the Trustee to receive payments owing to either of them for their own account under the Indenture, the Lease, the Performance Agreement or any other agreement related to the Bonds or for their rights of indemnification or to be protected from liabilities by insurance policies required by the Lease) if so directed in writing by the Owners of 100% of the Outstanding Bonds. The City agrees that the Trustee, as assignee of the rentals and other amounts to be received by the City and paid by the Company under the Lease, or in its name or in the name of the City, may enforce all rights of the City to receive such rentals and other amounts and all obligations of the Company to pay such rentals and other amounts under and pursuant to the Lease for and on behalf of the Owners, whether or not the City is in default hereunder.

Section 808. Subordination of Indenture to the Lease. This Indenture and the rights and privileges hereunder of the Trustee and the Owners of the Bonds are specifically made subject and subordinate to the rights and privileges of the Company (as long as no default by the Company under the Lease is continuing beyond any applicable grace period) set forth in the Lease. So long as not otherwise provided in this Indenture, the Company shall be suffered and permitted to possess, use and enjoy the Project and appurtenances so as to carry out its obligations under the Lease. Nothing contained in this Section shall be interpreted as eliminating, modifying or affecting in any manner the rights, privileges or immunities granted to the Trustee in **Article X** hereof.

ARTICLE IX

DEFAULT AND REMEDIES

Section 901. Events of Default; Notice; Opportunity to Cure. If any of the following events occur, it is hereby defined as and declared to be and to constitute an “Event of Default”:

- (a) Default in the due and punctual payment of the principal on any Bond, whether at the stated maturity or accelerated maturity thereof, or at the date fixed for redemption thereof for a period of 5 days following written notice to the City and the Company by the Trustee or by the Owners of 25% in aggregate principal amount of the Bonds Outstanding;
- (b) Default in the due and punctual payment of the interest on any Bond, whether at the stated maturity or accelerated maturity thereof, or at the date fixed for redemption thereof for a period of 5 days following written notice to the City and the Company by the Trustee or by the Owners of 25% in aggregate principal amount of the Bonds Outstanding;
- (c) Default as specified in **Section 12.1** of the Lease has occurred; or
- (d) Default in the performance, or breach, of any other covenant or agreement under this Indenture.

No default specified above shall constitute an Event of Default until the City, the Trustee or the Owners of 25% in aggregate principal amount of all Bonds Outstanding has given actual notice of such default by registered or certified mail to the Company, and the Company has had 30 days after receipt of such notice to correct said default or cause said default to be corrected and has not corrected said default or caused said default to be corrected within such period; provided, however, if any such default (other than a default in the payment of any money) is such that it cannot be corrected within such period, it shall not constitute an Event of Default if corrective action is instituted by the Company or the City (as the case may be) within such period and diligently pursued until the default is corrected.

Section 902. Acceleration of Maturity in Event of Default; Rescission. If an Event of Default has occurred and is continuing after the notice and cure period described in **Section 901** elapses, the Trustee may, and upon the written request of the Owners of not less than 25% in aggregate principal amount of Bonds then Outstanding, shall, by notice in writing delivered to the City and the Company, declare the principal of all Bonds then Outstanding and the interest accrued thereon immediately due and payable, and such principal and interest shall thereupon become and be immediately due and payable. At any time after such a declaration of acceleration has been made, but before any judgment or decree for

payment of money due on any Bonds has been obtained by the Trustee as provided in this Article, the Owners of a majority in principal amount of the Bonds Outstanding may, by written notice to the Company and Trustee but with the written consent of the City, rescind and annul such declaration and its consequences if: (a) there is deposited with the Trustee a sum sufficient to pay: (1) all overdue installments of interest on all Bonds; (2) the principal of (and premium, if any, on) any Bonds which have become due otherwise than by such declaration of acceleration and interest thereon at the rate or rates prescribed therefor in such Bonds; and (3) all sums paid or advanced by the Trustee hereunder and the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel; and (b) all events of default, other than the non-payment of the principal of Bonds which have become due solely by such declaration of acceleration, have been cured or have been waived as provided in **Section 910** of this Indenture.

Section 903. Surrender of Possession of Trust Estate; Rights and Duties of Trustee in Possession. If an Event of Default has occurred and is continuing after the notice and cure period described in **Section 901** hereof elapses, the City, upon demand of the Trustee, shall forthwith surrender the possession of, and it shall be lawful for the Trustee, by such officer or agent as it may appoint, to take possession of all or any part of the Trust Estate, together with the books, papers and accounts of the City pertaining thereto, and including the rights and the position of the City under the Lease, and to hold, operate and manage the same, and from time to time make all needful repairs and improvements. The Trustee may lease the Project or any part thereof, in the name and for account of the City, and collect, receive and sequester the rents, revenues and receipts therefrom, and out of the same and any moneys received from any receiver of any part thereof pay, and set up proper reserves for the payment of all proper costs and expenses of so taking, holding and managing the same, including without limitation (a) reasonable compensation to the Trustee, its agents and counsel, (b) any reasonable charges of the Trustee hereunder, (c) any taxes and assessments and other charges having a lien that is senior to the lien of this Indenture, (d) all expenses of such repairs and improvements and (e) any amounts payable under the Performance Agreement. The Trustee shall apply the remainder of the moneys so received in accordance with the provisions of **Section 908** hereof. Whenever all that is due upon the Bonds has been paid and all defaults cured, the Trustee shall surrender possession of the Trust Estate to the City, its successors or assigns, the same right of entry, however, to exist upon any subsequent Event of Default. While in possession of such property, the Trustee shall render annually to the City and the Company a summarized statement of receipts and expenditures in connection therewith.

Section 904. Appointment of Receivers in Event of Default. If an Event of Default has occurred and is continuing after the notice and cure period described in **Section 901** elapses, and upon the filing of a suit or other commencement of judicial proceedings to enforce the rights of the Trustee and of the Owners under this Indenture, the Trustee shall be entitled, as a matter of right, to the appointment of a receiver or receivers of the Trust Estate or any part thereof, pending such proceedings, with such powers as the court making such appointment shall confer.

Section 905. Exercise of Remedies by the Trustee.

(a) Upon the occurrence of an Event of Default, the Trustee may pursue any available remedy at law or in equity by suit, action, mandamus or other proceeding to enforce the payment of the principal of and interest on the Bonds then Outstanding and all other amounts due hereunder, and to enforce and compel the performance of the duties and obligations of the City or the Company as herein set forth or as set forth in the Lease, respectively.

(b) If an Event of Default has occurred and is continuing after the notice and cure period described in **Section 901** elapses, and if requested to do so by (1) the City (in the case of an Event of Default pursuant to **Section 12.1(b), (c), (d), (e) or (f)** of the Lease), or (2) the Owners of 25% in aggregate principal amount of Bonds then Outstanding and indemnified as provided in subsection (l) of **Section 1001** hereof, the Trustee shall be obligated to exercise such one or more of the rights and powers conferred by this Article as the Trustee, being advised by counsel, shall deem most expedient and in the interests of the City or the Owners, as the case may be.

(c) All rights of action under this Indenture or under any of the Bonds may be enforced by the Trustee without the possession of any of the Bonds or the production thereof in any trial or other proceedings relating thereto, and any such suit or proceeding instituted by the Trustee shall be brought in its name as Trustee without necessity of joining as plaintiffs or defendants any Owners, and any recovery of judgment shall, subject to the provisions of **Section 908** hereof, be for the equal benefit of all the Owners of the Outstanding Bonds.

Section 906. Limitation on Exercise of Remedies by Owners. No Owner shall have any right to institute any suit, action or proceeding in equity or at law for the enforcement of this Indenture or for the execution of any trust hereunder or for the appointment of a receiver or any other remedy hereunder, unless (a) a default has occurred of which the Trustee has been notified as provided in **Section 1001(h)** hereof or of which by said subsection the Trustee is deemed to have notice, (b) such default has become an Event of Default, (c) the Owners of 25% in aggregate principal amount of Bonds then Outstanding have made written request to the Trustee, have offered it reasonable opportunity either to proceed for such reasonable period not to exceed 60 days following such notice and to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in its own name, and have offered to the Trustee indemnity as provided in **Section 1001(l)** hereof, and (d) the Trustee thereafter fails or refuses to exercise the powers herein granted or to institute such action, suit or proceeding in its own name; such notification, request and offer of indemnity are hereby declared in every case, at the option of the Trustee, to be conditions precedent to the execution of the powers and trusts of this Indenture, and to any action or cause of action for the enforcement of this Indenture, or for the appointment of a receiver or for any other remedy hereunder, it being understood and intended that no one or more Owners shall have any right in any manner whatsoever to affect, disturb or prejudice this Indenture by their action or to enforce any right hereunder except in the manner herein provided, and that all proceedings at law or equity shall be instituted, had and maintained in the manner herein provided and for the equal benefit of the Owners of all Bonds then Outstanding. Nothing in this Indenture contained shall, however, affect or impair the right of any Owner to payment of the principal of and interest on any Bond at and after the maturity thereof or the obligation of the City to pay the principal of and interest on each of the Bonds issued hereunder to the respective Owners thereof at the time, place, from the source and in the manner herein and in the Bonds expressed.

Section 907. Right of Owners to Direct Proceedings.

(a) The Owners of a majority in aggregate principal amount of Bonds then Outstanding may, at any time, by an instrument or instruments in writing executed and delivered to the Trustee, direct the time, method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of this Indenture, or for the appointment of a receiver or any other proceedings hereunder; provided that such direction shall not be otherwise than in accordance with the provisions of law and of this Indenture, including **Section 1001(l)** hereof.

(b) Notwithstanding any provision in this Indenture to the contrary, including paragraph (a) of this Section, the Owners shall not have the right to control or direct any remedies hereunder upon an Event of Default under **Section 12.1(b)** (but only with respect to Unassigned Rights) or (d) of the Lease.

Section 908. Application of Moneys in Event of Default.

(a) All moneys received by the Trustee pursuant to any right given or action taken under the provisions of this Article shall, after payment of any obligations outstanding under the Lease and the Performance Agreement, of the cost and expenses of the proceedings resulting in the collection of such moneys and of the fees, expenses, liabilities and advances incurred or made by the Trustee (including any attorneys fees and expenses) or amounts to be paid pursuant to **Section 903** hereof, be deposited in the Bond Fund and all moneys so deposited in the Bond Fund shall be applied as follows:

(1) Unless the principal of all the Bonds shall have become or shall have been declared due and payable, all such moneys shall be applied:

FIRST -- To the payment to the Persons entitled thereto of all installments of interest, if any, then due and payable on the Bonds, in the order in which such installments of interest became due and payable, and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the Persons entitled thereto, without any discrimination or privilege;

SECOND -- To the payment to the Persons entitled thereto of the unpaid principal of any of the Bonds which shall have become due and payable (other than Bonds called for redemption for the payment of which moneys are held pursuant to the provisions of this Indenture), in the order of their due dates, and, if the amount available shall not be sufficient to pay in full Bonds due on any particular date, together with such interest, then to the payment, ratably, according to the amount of principal due on such date, to the Persons entitled thereto without any discrimination or privilege.

(2) If the principal of all the Bonds shall have become due or shall have been declared due and payable, all such moneys shall be applied to the payment of the principal and interest, if any, then due and unpaid on all of the Bonds, without preference or priority of principal over interest or of interest over principal or of any installment of interest over any other installment of interest or of any Bond over any other Bond, ratably, according to the amounts due respectively for principal and interest, to the Person entitled thereto, without any discrimination or privilege.

(3) If the principal of all the Bonds shall have been declared due and payable, and if such declaration shall thereafter have been rescinded and annulled under the provisions of **Section 910** hereof, then, subject to the provisions of subsection (2) of this Section in the event that the principal of all the Bonds shall later become due or be declared due and payable, the moneys shall be applied in accordance with the provisions of subsection (1) of this Section.

(b) Whenever moneys are to be applied pursuant to the provisions of this Section, such moneys shall be applied at such times and from time to time as the Trustee shall determine, having due regard to the amount of such moneys available and which may become available for such application in the future. Whenever the Trustee shall apply such moneys, it shall fix the date (which shall be a Payment

Date unless it shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such dates shall cease to accrue.

(c) Whenever all of the Bonds and interest thereon, if any, have been paid under the provisions of this Section, and all fees, expenses and charges of the City and the Trustee and any other amounts required to be paid under this Indenture and the Lease have been paid (including any amounts payable under the Performance Agreement), any balance remaining in the Bond Fund shall be paid to the Company as provided in **Section 602** hereof.

Section 909. Remedies Cumulative. No remedy by the terms of this Indenture conferred upon or reserved to the Trustee or to the Owners is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Trustee or to the Owners hereunder or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right, power or remedy accruing upon any Event of Default shall impair any such right, power or remedy or shall be construed to be a waiver of any such Event of Default or acquiescence therein; every such right, power or remedy may be exercised from time to time and as often as may be deemed expedient. If the Trustee has proceeded to enforce any right under this Indenture by the appointment of a receiver, by entry, or otherwise, and such proceedings have been discontinued or abandoned for any reason, or have been determined adversely, then and in every such case the City, the Company, the Trustee and the Owners shall be restored to their former positions and rights hereunder, and all rights, remedies and powers of the Trustee shall continue as if no such proceedings had been taken.

Section 910. Waivers of Events of Default. The Trustee shall waive any Event of Default hereunder and its consequences and rescind any declaration of maturity of principal of and interest, if any, on Bonds, and only upon the written request of the Owners of at least 50% in aggregate principal amount of all the Bonds then Outstanding, provided, however, that (1) there shall not be waived without the consent of the City an Event of Default hereunder arising from an Event of Default under **Section 12.1(b), (c), (d) (e) or (f)** of the Lease, and (2) there shall not be waived without the consent of the Owners of all the Bonds Outstanding (a) any Event of Default in the payment of the principal of any Outstanding Bonds when due (whether at the date of maturity or redemption specified therein), or (b) any Event of Default in the payment when due of the interest on any such Bonds, unless prior to such waiver or rescission, all arrears of interest, or all arrears of payments of principal when due, as the case may be, and all reasonable expenses of the Trustee and the City (including reasonable attorneys' fees and expenses), in connection with such default, shall have been paid or provided for. In case of any such waiver or rescission, or in case any proceeding taken by the Trustee on account of any such default shall have been discontinued or abandoned or determined adversely, then and in every such case the City, the Company, the Trustee and the Owners shall be restored to their former positions, rights and obligations hereunder, respectively, but no such waiver or rescission shall extend to any subsequent or other default, or impair any right consequent thereon, and all rights, remedies and powers of the Trustee shall continue as if no such proceedings had been taken.

ARTICLE X

THE TRUSTEE

Section 1001. Acceptance of the Trusts. The Trustee hereby accepts the trusts imposed upon it by this Indenture, but only upon and subject to the following express terms and conditions, and no implied covenants or obligations shall be read into this Indenture against the Trustee:

(a) The Trustee, before the occurrence of an Event of Default and after the curing or waiver of all Events of Default that may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this Indenture. If any Event of Default has occurred and is continuing, subject to **Section 1001(i)** hereof, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and shall use the same degree of care and skill in their exercise, as a prudent Person would exercise or use under the circumstances in the conduct of its own affairs.

(b) The Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or through agents, affiliates, attorneys or receivers and shall not be responsible for any misconduct or negligence on the part of any agent, attorney or receiver appointed or chosen by it with due care. The Trustee may conclusively rely upon and act or refrain from acting upon any opinion or advice of counsel, who may be counsel to the City or to the Company, concerning all matters of trust hereof and the duties hereunder, and may in all cases pay such reasonable compensation to all such agents, attorneys and receivers as may reasonably be employed in connection with the trusts hereof. The Trustee shall not be responsible for any loss or damage resulting from any action or inaction by it taken or omitted to be taken in good faith in reliance upon such opinion or advice of counsel addressed to the City and the Trustee.

(c) The Trustee shall not be responsible for any recital herein or in the Bonds (except with respect to the Certificate of Authentication of the Trustee endorsed on the Bonds), or except as provided in the Lease and particularly **Section 10.8** thereof, for the recording or rerecording, filing or refiling of this Indenture or any security agreement in connection therewith (excluding the continuation of Uniform Commercial Code financing statements), or for insuring the Project or collecting any insurance moneys, or for the validity of the execution by the City of this Indenture or of any Supplemental Indentures or instruments of further assurance, or for the sufficiency of the security of the Bonds. The Trustee shall not be responsible or liable for any loss suffered in connection with any investment of funds made by it in accordance with **Article VII** hereof.

(d) The Trustee shall not be accountable for the use of any Bonds authenticated and delivered hereunder. The Trustee, in its individual or any other capacity, may become the Owner or pledgee of Bonds with the same rights that it would have if it were not Trustee. The Trustee shall not be accountable for the use or application by the City or the Company of the proceeds of any of the Bonds or of any money paid to or upon the order of the City or Company under any provision of this Indenture.

(e) The Trustee may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, affidavit, letter, telegram or other paper or document provided for under this Indenture believed by it to be genuine and correct and to have been signed, presented or sent by

the proper Person or Persons. Any action taken by the Trustee pursuant to this Indenture upon the request or authority or consent of any Person who, at the time of making such request or giving such authority or consent is an Owner, shall be conclusive and binding upon all future Owners of the same Bond and upon Bonds issued in exchange therefor or upon transfer or in place thereof.

(f) As to the existence or nonexistence of any fact or as to the sufficiency or validity of any instrument, paper or proceeding, or whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established before taking, suffering or omitting any action hereunder, the Trustee shall be entitled to rely upon a certificate signed by the Authorized City Representative or an Authorized Company Representative as sufficient evidence of the facts therein contained, and before the occurrence of a default of which the Trustee has been notified as provided in subsection (h) of this Section or of which by said subsection it is deemed to have notice, the Trustee shall also be at liberty to accept a similar certificate to the effect that any particular dealing, transaction or action is necessary or expedient, but may at its discretion secure such further evidence deemed necessary or advisable, but shall in no case be bound to secure the same.

(g) The permissive right of the Trustee to do things enumerated in this Indenture shall not be construed as a duty, and the Trustee shall not be answerable for other than its negligence or willful misconduct.

(h) The Trustee shall not be required to take notice or be deemed to have notice of any default hereunder except failure by the City to cause to be made any of the payments to the Trustee required to be made in **Article VI** hereof, unless the Trustee is specifically notified in writing of such default by the City or by the Owners of at least 25% in aggregate principal amount of all Bonds then Outstanding.

(i) At any and all reasonable times and subject to the Company's reasonable and standard security procedures, the Trustee and its duly authorized agents, attorneys, experts, engineers, accountants and representatives may, but shall not be required to, inspect any and all of the Project, and all books, papers and records of the City pertaining to the Project and the Bonds, and to take such memoranda from and in regard thereto as may be desired. The Trustee shall treat all proprietary information of the Company as confidential.

(j) The Trustee shall not be required to give any bond or surety in respect to the execution of its trusts and powers hereunder or otherwise in respect of the Project.

(k) The Trustee may, but shall not be required to, demand, in respect of the authentication of any Bonds, the withdrawal of any cash, the release of any property, or any action whatsoever within the purview of this Indenture, any showings, certificates, opinions, appraisals or other information, or corporate action or evidence thereof, in addition to that by the terms hereof required, as a condition of such action by the Trustee deemed desirable for the purpose of establishing the right of the City to the authentication of any Bonds, the withdrawal of any cash, or the taking of any other action by the Trustee.

(l) Notwithstanding anything in the Indenture or the Lease to the contrary, before taking any action under this Indenture other than the payments from moneys on deposit in the Project Fund or the Bond Fund, as provided herein, the Trustee may require that satisfactory indemnity be furnished to it for the reimbursement of all costs and expenses to which it may be

put and to protect it against all liability which it may incur in or by reason of such action, except liability which is adjudicated to have resulted from its negligence or willful misconduct by reason of any action so taken.

(m) Notwithstanding any other provision of this Indenture to the contrary, any provision relating to the conduct of, intended to provide authority to act, right to payment of fees and expenses, protection, immunity and indemnification to the Trustee, shall be interpreted to include any action of the Trustee, whether it is deemed to be in its capacity as Trustee, bond registrar or Paying Agent.

Section 1002. Fees, Charges and Expenses of the Trustee. The Trustee shall be entitled to payment of and/or reimbursement for reasonable fees for its ordinary services rendered hereunder and all advances, agent and counsel fees and other ordinary expenses reasonably made or incurred by the Trustee in connection with such ordinary services. If it becomes necessary for the Trustee to perform extraordinary services, it shall be entitled to reasonable extra compensation therefor and to reimbursement for reasonable extraordinary expenses in connection therewith; provided that if such extraordinary services or extraordinary expenses are occasioned by the neglect or willful misconduct of the Trustee, it shall not be entitled to compensation or reimbursement therefor. The Trustee shall be entitled to payment and reimbursement for the reasonable fees and charges of the Trustee as Paying Agent for the Bonds. Pursuant to the provisions of **Section 5.2** of the Lease, the Company has agreed to pay to the Trustee all reasonable fees, charges and expenses of the Trustee under this Indenture. The Trustee agrees that the City shall have no liability for any reasonable fees, charges and expenses of the Trustee, and the Trustee agrees to look only to the Company for the payment of all reasonable fees, charges and expenses of the Trustee and any Paying Agent as provided in the Lease. Upon the occurrence of an Event of Default and during its continuance, the Trustee shall have a lien with right of payment before payment on account of principal of or interest on any Bond, upon all moneys in its possession under any provisions hereof for the foregoing reasonable advances, fees, costs and expenses incurred.

Section 1003. Notice to Owners if Default Occurs. If a default occurs of which the Trustee is by **Section 1001(h)** hereof required to take notice or if notice of default is given as in said subsection (h) provided, then the Trustee shall give written notice thereof to the last known Owners of all Bonds then Outstanding as shown by the bond registration books required by **Section 206** hereof to be kept at the corporate trust office of the Trustee.

Section 1004. Intervention by the Trustee. In any judicial proceeding to which the City is a party and which, in the opinion of the Trustee and its counsel, has a substantial bearing on the interests of Owners, the Trustee may intervene on behalf of Owners and, subject to the provisions of **Section 1001(i)** hereof, shall do so if requested in writing by the Owners of at least 25% of the aggregate principal amount of Bonds then Outstanding.

Section 1005. Successor Trustee Upon Merger, Consolidation or Sale. With the prior written consent of the Company, any corporation or association into which the Trustee may be merged or converted or with or into which it may be consolidated, or to which it may sell or transfer its corporate trust business and assets as a whole or substantially as a whole, or any corporation or association resulting from any merger, conversion, sale, consolidation or transfer to which it is a party, shall be and become successor Trustee hereunder and shall be vested with all the trusts, powers, rights, obligations, duties, remedies, immunities and privileges hereunder as was its predecessor, without the execution or filing of any instrument or any further act on the part of any of the parties hereto.

Section 1006. Resignation of Trustee. The Trustee and any successor Trustee may at any time resign from the trusts hereby created by giving 30 days' written notice to the City, the Company and the Owners, and such resignation shall take effect at the end of such 30 days, or upon the earlier appointment of a successor Trustee by the Owners or by the City; provided, however, that in no event shall the resignation of the Trustee or any successor trustee become effective until such time as a successor trustee has been appointed and has accepted the appointment. If no successor has been appointed and accepted the appointment within 30 days after the giving of such notice of resignation, the Trustee may petition any court of competent jurisdiction for the appointment of a successor Trustee.

Section 1007. Removal of Trustee. The Trustee may be removed at any time, with or without cause, by an instrument or concurrent instruments in writing (a) delivered to the Trustee, the City and the Company and signed by the Owners of a majority in aggregate principal amount of Bonds then Outstanding, or (b) so long as no Event of Default under this Indenture or the Lease shall have occurred and be continuing, delivered to the Trustee, the Company and the Owners and signed by the City.

Section 1008. Appointment of Successor Trustee. If the Trustee hereunder resigns or is removed, or otherwise becomes incapable of acting hereunder, or if it is taken under the control of any public officer or officers or of a receiver appointed by a court, a successor Trustee (a) reasonably acceptable to the City may be appointed by the Company (so long as no Event of Default has occurred and is continuing), or (b) reasonably acceptable to the City and the Company may be appointed by the Owners of a majority in aggregate principal amount of Bonds then Outstanding, by an instrument or concurrent instruments in writing; provided, nevertheless, that in case of such vacancy, the City, by an instrument executed and signed by its Mayor and attested by its City Clerk under its seal, may appoint a temporary Trustee to fill such vacancy until a successor Trustee shall be appointed in the manner above provided. Any such temporary Trustee so appointed by the City shall immediately and without further acts be superseded by the successor Trustee so appointed as provided above. Every such Trustee appointed pursuant to the provisions of this Section shall be a trust company or bank in good standing and qualified to accept such trust with a corporate trust office in the State, and having, or whose obligations are guaranteed by a financial institution having, a reported capital, surplus and undivided profits of not less than \$50,000,000. If no successor Trustee has been so appointed and accepted appointment in the manner herein provided, the Trustee or any Owner may petition any court of competent jurisdiction for the appointment of a successor Trustee, until a successor shall have been appointed as above provided.

Section 1009. Vesting of Trusts in Successor Trustee. Every successor Trustee appointed hereunder shall execute, acknowledge and deliver to its predecessor and also to the City and the Company an instrument in writing accepting such appointment hereunder, and thereupon such successor shall, without any further act, deed or conveyance, become fully vested with all the trusts, powers, rights, obligations, duties, remedies, immunities and privileges of its predecessor and the duties and obligations of such predecessor hereunder shall thereafter cease and terminate; but such predecessor shall, nevertheless, on the written request of the City, execute and deliver an instrument transferring to such successor Trustee all the trusts, powers, rights, obligations, duties, remedies, immunities and privileges of such predecessor hereunder; every predecessor Trustee shall deliver all securities and moneys held by it as Trustee hereunder to its successor. Should any instrument in writing from the City be required by any predecessor or successor Trustee for more fully and certainly vesting in such successor the trusts, powers, rights, obligations, duties, remedies, immunities and privileges hereby vested in the predecessor, any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by the City.

Section 1010. Right of Trustee to Pay Taxes and Other Charges. If any tax, assessment or governmental or other charge upon, or insurance premium with respect to, any part of the Project is not paid as required herein or in the Lease, the Trustee may pay such tax, assessment or governmental charge or insurance premium, without prejudice, however, to any rights of the Trustee or the Owners hereunder arising in consequence of such failure; any amount at any time so paid under this Section, with interest thereon from the date of payment at the rate of 10% per annum, shall become an additional obligation secured by this Indenture, and the same shall be given a preference in payment over any payment of principal of or interest on the Bonds, and shall be paid out of the proceeds of rents, revenues and receipts collected from the Project, if not otherwise caused to be paid; but the Trustee shall be under no obligation to make any such payment unless it shall have been requested to do so by the Owners of at least 25% of the aggregate principal amount of Bonds then Outstanding and shall have been provided adequate funds for the purpose of such payment.

Section 1011. Trust Estate May be Vested in Co-Trustee.

(a) It is the purpose of this Indenture that there shall be no violation of any law of any jurisdiction (including particularly the State) denying or restricting the right of banking corporations or associations to transact business as trustee in such jurisdiction. It is recognized that in case of litigation under this Indenture or the Lease, and in particular in case of the enforcement of either this Indenture or the Lease upon the occurrence of an Event of Default or if the Trustee deems that by reason of any present or future law of any jurisdiction it cannot exercise any of the powers, rights or remedies herein granted to the Trustee, or take any other action which may be desirable or necessary in connection therewith, it may be necessary or desirable that the Trustee appoint an additional individual or institution as a co-trustee or separate trustee, and the Trustee is hereby authorized to appoint such co-trustee or separate trustee.

(b) If the Trustee appoints an additional individual or institution as a co-trustee or separate trustee (which appointment shall be subject to the approval of the Company), each and every remedy, power, right, claim, demand, cause of action, immunity, title, interest and lien expressed or intended by this Indenture to be exercised by the Trustee with respect thereto shall be exercisable by such co-trustee or separate trustee but only to the extent necessary to enable such co-trustee or separate trustee to exercise such powers, rights and remedies, and every covenant and obligation necessary to the exercise thereof by such co-trustee or separate trustee shall run to and be enforceable by either of them.

(c) Should any deed, conveyance or instrument in writing from the City be required by the co-trustee or separate trustee so appointed by the Trustee for more fully and certainly vesting in and confirming to such co-trustee such properties, rights, powers, trusts, duties and obligations, any and all such deeds, conveyances and instruments in writing shall, on request, be executed, acknowledged and delivered by the City.

(d) If any co-trustee or separate trustee shall die, become incapable of acting, resign or be removed, all the properties, rights, powers, trusts, duties and obligations of such co-trustee or separate trustee, so far as permitted by law, shall vest in and be exercised by the Trustee until the appointment of a successor to such co-trustee or separate trustee.

Section 1012. Accounting. The Trustee shall render an annual accounting for the period ending December 31 of each year, within 90 days following the end of such year, to the City, the Company and to any Owner requesting the same and, upon the request of the City, the Company or any Owner, a monthly accounting to any such party, showing in reasonable detail all financial transactions

relating to the Trust Estate during the accounting period and the balance in any funds or accounts created by this Indenture as of the beginning and close of such accounting period.

Section 1013. Performance of Duties Under the Lease. The Trustee hereby accepts and agrees to perform all duties and obligations assigned to it under the Lease.

ARTICLE XI

SUPPLEMENTAL INDENTURES

Section 1101. Supplemental Indentures Not Requiring Consent of Owners. The City and the Trustee may from time to time, without the consent of or notice to any of the Owners, enter into such Supplemental Indenture or Supplemental Indentures as shall not be inconsistent with the terms and provisions hereof, for any one or more of the following purposes:

- (a) To cure any ambiguity or formal defect or omission in this Indenture, or to make any other change which, in the judgment of the Trustee, is not to the material prejudice of the Trustee or the Owners;
- (b) To grant to or confer upon the Trustee for the benefit of the Owners any additional rights, remedies, powers or authority that may lawfully be granted to or conferred upon the Owners or the Trustee or either of them;
- (c) To more precisely identify any portion of the Project or to add additional property thereto;
- (d) To conform the Indenture to amendments to the Lease made by the City and the Company; or
- (e) To subject to this Indenture additional revenues, properties or collateral.

Section 1102. Supplemental Indentures Requiring Consent of Owners.

(a) Exclusive of Supplemental Indentures covered by **Section 1101** hereof and subject to the terms and provisions contained in this Section, and not otherwise, the Owners of not less than a majority in aggregate principal amount of the Bonds then Outstanding may, from time to time, anything contained in this Indenture to the contrary notwithstanding, consent to and approve the execution by the City and the Trustee of such other Supplemental Indenture or Supplemental Indentures as shall be deemed necessary and desirable by the City for the purpose of modifying, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in this Indenture or in any Supplemental Indenture; provided, however, that without the consent of the Owners of 100% of the principal amount of the Bonds then Outstanding, nothing in this Section contained shall permit or be construed as permitting (1) an extension of the maturity or a shortening of the redemption date of the principal of or the interest, if any, on any Bond issued hereunder, or (2) a reduction in the principal amount of any Bond or the rate of interest thereon, if any, or (3) a privilege or priority of any Bond or Bonds over any other Bond or Bonds, or (4) a reduction in the aggregate principal amount of Bonds the Owners of which are required for consent to any such Supplemental Indenture.

(b) If at the time the City requests the Trustee to enter into any such Supplemental Indenture for any of the purposes of this Section, the Trustee shall cause notice of the proposed execution of such Supplemental Indenture to be mailed to each Owner as shown on the bond registration books required by **Section 206** hereof. Such notice shall briefly set forth the nature of the proposed Supplemental Indenture and shall state that copies thereof are on file at the corporate trust office of the Trustee for inspection by all Owners. If within 60 days or such longer period as may be prescribed by the City following the mailing of such notice, the Owners of not less than a majority in aggregate principal amount of the Bonds Outstanding, (or in the case of a Supplemental Indenture concerning the matters described in (1) through (4) of subparagraph (a) above, the Owners of 100% of the principal amount of the Bonds then Outstanding) at the time of the execution of any such Supplemental Indenture shall have consented to and approved the execution thereof as herein provided, no Owner shall have any right to object to any of the terms and provisions contained therein, or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Trustee or the City from executing the same or from taking any action pursuant to the provisions thereof.

Section 1103. Company's Consent to Supplemental Indentures. Anything herein to the contrary notwithstanding, a Supplemental Indenture under this Article that affects any rights of the Company shall not become effective unless and until the Company shall have consented in writing to the execution and delivery of such Supplemental Indenture. The Trustee shall cause notice of the proposed execution and delivery of any Supplemental Indenture (regardless of whether it affects the Company's rights) together with a copy of the proposed Supplemental Indenture to be mailed to the Company at least 15 days prior to the proposed date of execution and delivery of the Supplemental Indenture.

Section 1104. Opinion of Counsel. In executing, or accepting the additional trusts created by, any Supplemental Indenture permitted by this Article or the modification thereby of the trusts created by this Indenture, the Trustee and the City shall receive, and, shall be fully protected in relying upon, an opinion of counsel addressed and delivered to the Trustee and the City stating that the execution of such Supplemental Indenture is permitted by and in compliance with this Indenture and will, upon the execution and delivery thereof, be a valid and binding obligation of the City. The Trustee may, but shall not be obligated to, enter into any such Supplemental Indenture which affects the Trustee's rights, duties or immunities under this Indenture or otherwise.

ARTICLE XII

SUPPLEMENTAL LEASES

Section 1201. Supplemental Leases Not Requiring Consent of Owners. The City and the Trustee shall, without the consent of or notice to the Owners, consent to the execution of any Supplemental Lease or Supplemental Leases by the City and the Company as may be required (a) by the provisions of the Lease and this Indenture, (b) for the purpose of curing any ambiguity or formal defect or omission in the Lease, (c) so as to more precisely identify the Project or add additional property thereto or (d) in connection with any other change therein which, in the judgment of the Trustee, does not materially and adversely affect the Trustee or security for the Owners.

Section 1202. Supplemental Leases Requiring Consent of Owners. Except for Supplemental Leases as provided for in **Section 1201** hereof, neither the City nor the Trustee shall consent to the execution of any Supplemental Lease or Supplemental Leases by the City or the Company without the mailing of notice and the obtaining of the written approval or consent of the Owners of not less than a

majority in aggregate principal amount of the Bonds at the time Outstanding given and obtained as provided in **Section 1102** hereof. If at any time the City and the Company shall request the consent of the Trustee to any such proposed Supplemental Lease, the Trustee shall cause notice of such proposed Supplemental Lease to be mailed in the same manner as provided in **Section 1102** hereof with respect to Supplemental Indentures. Such notice shall briefly set forth the nature of such proposed Supplemental Lease and shall state that copies of the same are on file in the corporate trust office of the Trustee for inspection by all Owners. If within 60 days or such longer period as may be prescribed by the City following the mailing of such notice, the Owners of not less than 50% in aggregate principal amount of the Bonds Outstanding at the time of the execution of any such Supplemental Lease shall have consented to and approved the execution thereof as herein provided, no Owner shall have any right to object to any of the terms and provisions contained therein, or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Trustee or the City from executing the same or from taking any action pursuant to the provisions thereof.

Section 1203. Opinion of Counsel. In executing or consenting to any Supplemental Lease permitted by this Article, the City and the Trustee shall receive, and shall be fully protected in relying upon, an opinion of counsel addressed to the Trustee and the City stating that the executing of such Supplemental Lease is authorized or permitted by the Lease and this Indenture and the applicable law and will upon the execution and delivery thereof be valid and binding obligations of the parties thereof.

ARTICLE XIII

SATISFACTION AND DISCHARGE OF INDENTURE

Section 1301. Satisfaction and Discharge of this Indenture.

(a) When the principal of and interest on all the Bonds have been paid in accordance with their terms or provision has been made for such payment, as provided in **Section 1302** hereof, and provision also made for paying all other sums payable hereunder and under the Lease and the Performance Agreement, including the reasonable fees and expenses of the Trustee, the City and Paying Agent to the date of retirement of the Bonds, then the right, title and interest of the Trustee in respect hereof shall thereupon cease, determine and be void. Thereupon, the Trustee shall cancel, discharge and release this Indenture and shall upon the written request of the City or the Company execute, acknowledge and deliver to the City such instruments of satisfaction and discharge or release as shall be required to evidence such release and the satisfaction and discharge of this Indenture, and shall assign and deliver to the City (subject to the City's obligations under **Section 11.2** of the Lease) any property at the time subject to this Indenture which may then be in its possession, except amounts in the Bond Fund required to be paid to the Company under **Section 602** hereof and except funds or securities in which such funds are invested held by the Trustee for the payment of the principal of and interest on the Bonds.

(b) The City is hereby authorized to accept a certificate by the Trustee that the whole amount of the principal and interest, if any, so due and payable upon all of the Bonds then Outstanding has been paid or such payment provided for in accordance with **Section 1302** hereof as evidence of satisfaction of this Indenture, and upon receipt thereof shall cancel and erase the inscription of this Indenture from its records.

Section 1302. Bonds Deemed to be Paid.

(a) Bonds shall be deemed to be paid within the meaning of this Article when payment of the principal of and interest thereon to the due date thereof (whether such due date be by reason of maturity or upon redemption as provided in this Indenture, or otherwise), either (1) have been made or caused to be made in accordance with the terms thereof, or (2) have been provided for by depositing with the Trustee or other commercial bank or trust company having full trust powers and authorized to accept trusts in the State in trust and irrevocably set aside exclusively for such payment (i) moneys sufficient to make such payment or (ii) Government Securities maturing as to principal and interest in such amount and at such times as will insure the availability of sufficient moneys to make such payment, or (3) have been provided for by surrendering the Bonds to the Trustee for cancellation. At such time as Bonds are deemed to be paid hereunder, as aforesaid, they shall no longer be secured by or entitled to the benefits of this Indenture, except for the purposes of such payment from such moneys or Government Securities.

(b) Notwithstanding the foregoing, in the case of Bonds which by their terms may be redeemed before the stated maturities thereof, no deposit under clause (2) of the immediately preceding paragraph shall be deemed a payment of such Bonds as aforesaid until, as to all such Bonds which are to be redeemed before their respective stated maturities, proper notice of such redemption shall have been given in accordance with **Article III** hereof or irrevocable instructions shall have been given to the Trustee to give such notice.

(c) Notwithstanding any provision of any other section of this Indenture which may be contrary to the provisions of this Section, all moneys or Government Securities set aside and held in trust pursuant to the provisions of this Section for the payment of Bonds shall be applied to and used solely for the payment of the particular Bonds, with respect to which such moneys and Government Securities have been so set aside in trust.

ARTICLE XIV

MISCELLANEOUS PROVISIONS

Section 1401. Consents and Other Instruments by Owners.

(a) Any consent, request, direction, approval, objection or other instrument required by this Indenture to be signed and executed by the Owners may be in any number of concurrent writings of similar tenor and may be signed or executed by such Owners in Person or by agent appointed in writing. Proof of the execution of any such instrument or of the writing appointing any such agent and of the ownership of Bonds (other than the assignment of ownership of a Bond) if made in the following manner, shall be sufficient for any of the purposes of this Indenture, and shall be conclusive in favor of the Trustee with regard to any action taken, suffered or omitted under any such instrument, namely:

(i) The fact and date of the execution by any Person of any such instrument may be proved by the certificate of any officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the Person signing such instrument acknowledged before him the execution thereof, or by affidavit of any witness to such execution.

(ii) The fact of ownership of Bonds and the amount or amounts, numbers and other identification of such Bonds, and the date of holding the same shall be proved by the registration books of the City maintained by the Trustee pursuant to **Section 206** hereof.

(b) In determining whether the Owners of the requisite principal amount of Bonds Outstanding have given any request, demand, authorization, direction, notice, consent or waiver under this Indenture, Bonds owned by the Company shall be disregarded and deemed not to be Outstanding under this Indenture, except that, in determining whether the Trustee shall be protected in relying upon any such request, demand, authorization, direction, notice, consent or waiver, only Bonds which the Trustee knows to be so owned shall be so disregarded; provided, the foregoing provisions shall not be applicable if the Company is the only Owner of the Bonds. Notwithstanding the foregoing, Bonds so owned which have been pledged in good faith shall not be disregarded as aforesaid if the pledgee establishes to the satisfaction of the Trustee the pledgee's right so to act with respect to such Bonds and the pledgee is not the Company or any affiliate thereof.

Section 1402. Limitation of Rights Under this Indenture. With the exception of rights herein expressly conferred, nothing expressed or mentioned in or to be implied from this Indenture or the Bonds is intended or shall be construed to give any Person other than the parties hereto, and the Owners, if any, any right, remedy or claim under or in respect to this Indenture, this Indenture and all of the covenants, conditions and provisions hereof being intended to be and being for the sole and exclusive benefit of the parties hereto and the Owners, as herein provided.

As used herein, the term “Cumulative Outstanding Principal Amount” means all Bonds outstanding under the terms of the hereinafter-defined Indenture, as reflected on **Schedule I** hereto maintained by the Trustee.

THIS BOND is one of a duly authorized series of Bonds of the City designated “City of Lee’s Summit, Missouri, Taxable Industrial Development Revenue Bonds (Residences at Echelon Project), Series 2017,” in the maximum aggregate principal amount of \$27,000,000 (the “Bonds”), to be issued for the purpose of improving certain real property located generally at the Northwest corner of 291 and 150 Highways in the City (the “Project Site,” as more fully described on **Exhibit A** to the Lease (defined below)), including the construction and improvement of a luxury apartment complex (the “Project Improvements”). THE BONDS are issued under and are equally and ratably secured and entitled to the protection given by a Trust Indenture dated as of [DATE], 2017 (said Trust Indenture, as amended and supplemented from time to time in accordance with the provisions thereof, being herein called the “Indenture”), between the City and BOKF, N.A., Kansas City, Missouri, as trustee (the “Trustee”). *Capitalized terms not defined herein shall have the meanings set forth in the Indenture.*

Reference is hereby made to the Indenture for a description of the provisions, among others, with respect to the nature and extent of the security for the Bonds, the rights, duties and obligations of the City, the Trustee and the Owners, and the terms upon which the Bonds are issued and secured.

THE BONDS are subject to redemption and payment prior to maturity as provided in the Indenture.

THE BONDS, including interest thereon, are special obligations of the City and are payable solely out of the rents, revenues and receipts derived by the City from the Project and the Lease and not from any other fund or source of the City, and are secured by a pledge and assignment of the Project and of such rents, revenues and receipts, including all rentals and other amounts to be received by the City under and pursuant to the Lease, all as provided in the Indenture. The Bonds do not constitute a general obligation of the City or the State of Missouri, and neither the City nor said State shall be liable thereon, and the Bonds shall not constitute an indebtedness within the meaning of any constitutional, charter or statutory debt limitation or restriction, and are not payable in any manner by taxation. Pursuant to the provisions of the Lease, rental payments sufficient for the prompt payment when due of the principal of and interest on the Bonds are to be paid by the Company directly to the Trustee for the account of the City and deposited in a special fund created by the City and designated the “City of Lee’s Summit, Missouri, Bond Fund – M150 Echelon Land Development, LLC.”

THE OWNER of this Bond shall have no right to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any Event of Default under the Indenture, or to institute, appear in or defend any suit or other proceedings with respect thereto,

In certain events, on the conditions, in the manner and with the effect set forth in the Indenture, the principal of all the Bonds issued under the Indenture and then Outstanding may become or may be declared due and payable before the stated maturity thereof, together with interest accrued thereon. Modifications or alterations of this Bond or the Indenture may be made only to the extent and in the circumstances permitted by the Indenture.

THIS BOND is transferable, as provided in the Indenture, only upon the books of the City kept for that purpose at the above-mentioned office of the Trustee by the Owner hereof in Person or by such Person's duly authorized attorney, upon surrender of this Bond together with a written instrument of transfer reasonably satisfactory to the Trustee duly executed by the Owner or such Person's duly authorized attorney, and thereupon a new fully registered Bond or Bonds, in the same aggregate principal amounts, shall be issued to the transferee in exchange therefor as provided in the Indenture, and upon payment of the charges therein prescribed. The City, the Trustee and any Paying Agent may deem and treat the Person in whose name this Bond is registered as the absolute owner hereof for the purpose of receiving payment of, or on account of, the principal or redemption price hereof and interest due hereon and for all other purposes.

THE BONDS are issuable in the form of one fully-registered Bond in the maximum principal amount of \$27,000,000.

THIS BOND shall not be valid or become obligatory for any purposes or be entitled to any security or benefit under the Indenture until the Certificate of Authentication hereon shall have been executed by the Trustee.

IT IS HEREBY CERTIFIED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and in the execution and delivery of the Indenture and the issuance of this Bond do exist, have happened and have been performed in due time, form and manner as required by the Constitution and laws of the State of Missouri.

Ladies and Gentlemen:

In connection with the purchase of the above-referenced Bonds (the "Bonds"), the undersigned purchaser of the Bonds (the "Purchaser") hereby represents, warrants and agrees as follows:

1. The Purchaser fully understands that (a) the Bonds have been issued under and pursuant to a Trust Indenture dated as of [DATE], 2017 (the "Indenture"), between the City of Lee's Summit, Missouri (the "City") and BOKF, N.A., Kansas City, Missouri, as trustee (the "Trustee"), and (b) the Bonds are payable solely out of certain rents, revenues and receipts to be derived from the leasing or sale of the Project (as defined in the Indenture) to M150 Echelon Land Development, LLC, a Missouri limited liability company (the "Company"), under a Lease Agreement dated as of [DATE], 2017 (the "Lease"), between the City and the Company, with certain of such rents, revenues and receipts being pledged and assigned by the City to the Trustee under the Indenture to secure the payment of the principal of and interest on the Bonds.

2. The Purchaser understands that the Bonds have not been registered under the Securities Act of 1933, as amended (the "1933 Act"), or the securities laws of any state and will be sold to the Purchaser in reliance upon certain exemptions from registration and in reliance upon the representations and warranties of the Purchaser set forth herein.

3. The Purchaser understands that the Bonds are transferable only in the manner provided for in the Indenture and discussed below and warrants that it is acquiring the Bonds for its own account with the intent of holding the Bonds as an investment, and the acquisition of the Bonds is not made with a view toward their distribution or for the purpose of offering, selling or otherwise participating in a distribution of the Bonds.

4. The Purchaser agrees not to attempt to offer, sell, hypothecate or otherwise distribute the Bonds to others unless authorized by the terms of the Indenture and upon receipt of any required opinion of counsel acceptable to the City, the Company, the Trustee and the Purchaser that all registration and

6. The Purchaser acknowledges that no offering document has been prepared in connection with the sale of the Bonds. The Purchaser further acknowledges that it has timely received in satisfactory form and manner all proceedings, certificates, opinions, letters and other documents required to be submitted to the Purchaser pursuant to the Bond Purchase Agreement prior to or on the date of the delivery of and payment for the Bonds, and that the City and the Company have in all respects complied with and satisfied all of their respective obligations to the Purchaser which are required under the Bond Purchase Agreement to be complied with and satisfied on or before such date.

(b) On behalf of the City, the Company will construct and improve the Project Improvements on the Project Site and otherwise improve the Project Site in accordance with the Plans and Specifications. The Company may revise the Plans and Specifications from time to time as it deems necessary to carry out the Project, but revisions that would alter the intended purpose of the Project may be made only with the prior written approval of the City. The Company agrees that the aforesaid construction and improvement will, with such changes and additions as may be made hereunder, result in facilities suitable for use by the Company for its purposes, and that all real and personal property described in the Plans and Specifications, with such changes and additions as may be made hereunder, is desirable and appropriate in connection with the Project. The provisions of this paragraph are in addition to and do not supersede the provisions of **Section 8.2**;

(c) The Company will comply with the provisions of Section 107.170 of the Revised Statutes of Missouri, as amended, to the extent applicable to the construction of the Project; provided, however, that (i) nothing herein shall constitute, or be deemed to be, an agreement or acknowledgment by either the City or the Company that Section 107.170 of the Revised Statutes of Missouri, as amended, is applicable to the construction of the Project or any portion thereof, and (ii) the City and the Company hereby acknowledge and agree that the Project is not a “public work” for purposes of Section 107.170 of the Revised Statutes of Missouri, as amended; and

Section 4.4. Payment for Project Costs. the Trustee of certificates in substantially the form attached hereto as **Exhibit C**, signed by an Authorized Company Representative, which disbursements may be recorded via a transaction entry on the trust records held by the Trustee. The Trustee may rely conclusively on any such certificate and shall not be required to make any independent investigation in connection therewith. The submission of any requisition certificate by an Authorized Company Representative shall constitute unto the Trustee an irrevocable determination that all conditions precedent to the payments requested have been satisfied.

Section 4.5. Establishment of Completion Date. The Completion Date shall be evidenced to the Trustee by a certificate signed by the Authorized Company Representative stating (a) the construction and improvement of the Project has been completed in accordance with the Plans and Specifications, (b) that all costs and expenses incurred in the construction and improvement of the Project have been paid except costs and expenses the payment of which is not yet due or is being retained or contested in good faith by the Company, and (c) amounts to be retained by Trustee with respect to item (b) above. Notwithstanding the foregoing, such certificate shall state that it is given without prejudice to any rights against third parties which exist at the date of such certificate or which may subsequently come into being. The Company and the City agree to cooperate in causing such certificate to be furnished to the Trustee.

Section 4.6. Surplus or Deficiency in Project Fund.

(a) Upon receipt of the certificate described in **Section 4.5** hereof, the Trustee shall, as provided in **Section 504** of the Indenture, transfer any remaining moneys then in the Project Fund to the Bond Fund to be applied as directed by the Company solely to (1) the payment of principal and premium, if any, of the Bonds through the payment (including regularly scheduled principal payments, if any) or redemption thereof at the earliest date permissible under the terms of the Indenture, or (2) at the option of the Company, to the purchase of Bonds at such earlier date or dates as the Company may elect. Any amount so deposited in the Bond Fund may be invested as permitted by **Section 702** of the Indenture.

(b) If the Project Fund shall be insufficient to pay fully all Project Costs and to complete the Project free of liens and encumbrances other than Permitted Encumbrances, the Company shall pay, in cash, the full amount of any such deficiency by making payments thereof directly to the contractors and to the suppliers of materials and services as the same shall become due, and the Company shall save the City and the Trustee whole and harmless from any obligation to pay such deficiency.

Section 4.7. Project Property of City. The Project Site and the Project Improvements, which the Company desires to convey to the City, including all work and materials on the Project Improvements as such work progresses, and all additions or enlargements thereto or thereof, the Project as fully completed, anything under this Lease which becomes, is deemed to be, or constitutes a part of the Project, and the Project as repaired, rebuilt, rearranged, restored or replaced by the Company under the provisions of this Lease, except as otherwise specifically provided herein, shall immediately when erected or installed become the absolute property of the City, subject only to this Lease, the Indenture and any Permitted Encumbrances.

Section 4.8. Non-Project Improvements, Machinery and Equipment Property of the Company. Any moneys expended by the City or the Trustee in efforts to comply with any applicable Environmental Law (including the reasonable cost of hiring consultants, undertaking sampling and testing, performing any cleanup necessary or useful in the compliance process and reasonable attorneys' fees) shall be due and payable as Additional Rent hereunder with interest thereon at the average rate of interest per annum on the Bonds, plus two (2) percentage points, from the date such cost is incurred. There shall be unlimited recourse to the Company to the extent of any liability incurred by the City or the Trustee with respect to any breaches of the provisions of this section.

The Company shall and does hereby indemnify the City, the Trustee and the Bondowners and agree to defend and hold them harmless from and against all loss, cost, damage and expense (including, without limitation, reasonable attorneys' fees and costs associated incurred in the investigation, defense and settlement of claims) that they may incur, directly or indirectly, as a result of or in connection with the assertion against them or any of them of any claim relating to the presence on, escape or removal from the Project during the term of this Lease of any hazardous substance or other material regulated by any applicable Environmental Law, or compliance with any applicable Environmental Law, whether such claim is raised before, during or after the term of this Lease, including claims relating to personal injury or damage to property; provided, however, this indemnity shall only relate to claims resulting from the City's ownership of the Project and the Trustee's acceptance of its duties as Trustee hereunder.

(c) Nothing in this Lease shall be construed to require the Company to make duplicate tax payments. The Company shall receive a credit against any payments in lieu of taxes due under the Performance Agreement to the extent of any ad valorem taxes imposed and paid by the Company with respect to the Project paid pursuant to this Section.

Section 6.3. Utilities. All utilities and utility services used by the Company in, on or about the Project shall be paid for by the Company and shall be contracted for by the Company in the Company's own name (or the name(s) of its Affiliates), and the Company shall, at its sole cost and expense, procure any and all permits, licenses or authorizations necessary in connection therewith.

Section 6.4. Property Tax Exemption. The City and the Company agree that while the Project is owned by the City and is subject to this Lease, the Project and the leasehold interest of the Company in the Project will be exempt from all *ad valorem* real and personal property taxes by reason of such ownership, and the City agrees that it will (at the expense of the Company) cooperate with the Company to defend such exemption against all parties in accordance with the Performance Agreement attached hereto as *Appendix I*. Notwithstanding the foregoing, Company will annually pay to the City the payments with respect to the Project set forth in the Performance Agreement.

ARTICLE VII

INSURANCE

Section 7.1. Title Commitment or Report. Before conveying title to any real property to the City, the Company will purchase, from a title insurance company reasonably acceptable to the City, a commitment for title insurance or provide such other report in a form reasonably acceptable to the City showing the ownership of and encumbrances on the Project Site. Copies of such report shall be provided to the City and the Trustee.

Section 7.2. Property Insurance.

(a) The Company shall at its sole cost and expense obtain and shall maintain throughout the Lease Term, a policy or policies of insurance (including, if appropriate, builder's risk insurance) to keep

the Project constantly insured against loss or damage by fire, lightning and all other risks covered by the extended coverage insurance endorsement then in use in the State of Missouri in an amount equal to the Full Insurable Value thereof (subject to reasonable loss deductible provisions). The insurance required pursuant to this Section shall be maintained with a generally recognized responsible insurance company or companies authorized to do business in the State of Missouri or generally recognized international insurers or reinsurers with an A.M. Best rating of B+ or the equivalent thereof or better as may be selected by the Company. All such policies of insurance pursuant to this Section, and all renewals thereof, shall name the Company as insured and the City and the Trustee shall be named as loss payees, as their respective interests may appear, and shall contain a provision that the issuer of such insurance will provide at least 10 days' advance written notice to, the Company of the cancellation of such insurance. Company agrees it shall immediately forward any notice of cancellation it receives from the issuer of such insurance to the City and Trustee. The Company shall provide the City and the Trustee, on an annual basis, commencing on December 1, 2017 with a certificate of an Authorized Company Representative certifying compliance with this Section. The Trustee shall be entitled to rely upon said certificate as to the Company's compliance with the insurance requirements. The Trustee makes no representation as to, and shall have no responsibility for the sufficiency or adequacy of, the insurance.

(b) In the event of loss or damage to the Project, the Net Proceeds of property insurance carried pursuant to this Section shall be applied as provided in **Article IX** of this Lease, or as may be directed by, or on behalf of, the Owners of 100% in principal amount of the Bonds outstanding.

Section 7.3. Commercial General Liability Insurance.

(a) The Company shall at its sole cost and expense maintain or cause to be maintained at all times during the Lease Term general accident and commercial general liability insurance under which the City, the Company and the Trustee shall be named as additional insureds, properly protecting and indemnifying the City and the Trustee, in an amount not less than \$1,000,000 per occurrence (subject to reasonable liability retention amounts not to exceed the amounts normally or generally carried by the Company or its affiliates). The policies of said insurance shall contain a provision that the issuer of such insurance will provide at least 10 days' advance written notice to the Company of the cancellation of such insurance. The Company agrees it shall immediately forward any notice of cancellation it receives from the issuer of such insurance to the City and Trustee. The Company shall provide the City and the Trustee, on an annual basis, commencing on December 1, 2017 with a certificate of an Authorized Company Representative certifying compliance with this Section. The Trustee shall be entitled to rely upon said certificate as to the Company's compliance with the insurance requirements. The Trustee makes no representation as to, and shall have no responsibility for the sufficiency or adequacy of, the insurance.

(b) In the event of a public liability occurrence, the Net Proceeds of liability insurance carried pursuant to this Section shall be applied toward the extinguishment or satisfaction of the liability with respect to which such proceeds have been paid.

Section 7.4. Workers' Compensation. The Company agrees throughout the Lease Term to maintain or cause to be maintained the Workers' Compensation coverage required by the laws of the State of Missouri.

Section 7.5. Blanket Insurance Policies; Self-Insurance. The Company may satisfy any of the insurance requirements set forth in this Article by using blanket policies of insurance, provided each and all of the requirements and specifications of this Article respecting insurance are complied with. Nothing in this Lease shall be construed from prohibiting the Company from self-insuring provided the Company, or in combination with its parent corporation, has a net worth in excess of \$200,000,000, as determined by generally accepted accounting principles.

ARTICLE VIII

ALTERATION OF THE PROJECT

Section 8.1. Additions, Modifications and Improvements to the Project. The Company shall have and is hereby given the right, at its sole cost and expense, to make such additions, modifications and improvements in and to any part of the Project as the Company from time to time may deem necessary or desirable for its business purposes. All additions, modifications and improvements made by the Company pursuant to the authority of this Section shall (a) be made in workmanlike manner and will comply in all material respects with all laws and ordinances applicable thereto, (b) when commenced, be prosecuted to completion with due diligence, and (c) when completed, be deemed a part of the Project; provided, however, that additions of machinery and equipment installed on the Project Site by the Company not purchased or acquired from funds deposited with the Trustee hereunder and not constituting repairs, renewals or replacements of the Project shall remain the property of the Company and may be removed by the Company. Such property shall be subject to *ad valorem* taxes.

Section 8.2. Additional Improvements on the Project Site. The Company may, at its sole cost and expense, construct on portions of the Project Site not theretofore occupied by buildings or improvements such additional buildings and improvements as the Company from time to time may deem necessary or desirable for its business purposes. All additional buildings and improvements constructed on the Project Site by the Company, and not paid for with Bond proceeds, pursuant to the authority of this Section shall not be included as Project Improvements and, during the life of this Lease, shall remain the property of the Company and may be added to, altered or razed and removed by the Company at any time. All additional buildings and improvements shall be made in a good and workmanlike manner and in strict compliance with all material laws, orders and ordinances applicable thereto and when commenced shall be prosecuted to completion with due diligence. The Company covenants and agrees (a) to make any repairs and restorations required to be made to the Project because of the construction of, addition to, alteration or removal of said additional buildings or improvements, and (b) to promptly and with due diligence either raze and remove or repair, replace or restore any of said additional buildings and improvements as may from time to time be damaged by fire or other casualty. The Company shall pay all *ad valorem* taxes and assessments payable with respect to such additional buildings and improvements which remain the property of the Company. If for any reason the County Assessor determines that such additional buildings and improvements are not subject to *ad valorem* taxes, the Company shall make payments in lieu of taxes in an amount equal to the taxes that would otherwise be due under this Section.

Section 8.3. Permits and Authorizations. The Company shall not do or permit others under its control to do any work on the Project related to any repair, rebuilding, restoration, replacement, modification or addition to the Project, or any part thereof, unless all requisite municipal and other governmental permits and authorizations shall have been first procured. All such work shall be done in a good and workmanlike manner and in material compliance with all applicable building, zoning and other laws, ordinances, governmental regulations. In the event of demonstrated noncompliance with such laws, ordinances, governmental regulations and requirements the Company will take all reasonable steps to comply with laws, ordinances, governmental regulations and requirements.

Section 8.4. Mechanics' Liens.

(a) The Company will not directly or indirectly create, incur, assume or suffer to exist any lien on or with respect to the Project, except Permitted Encumbrances, and the Company shall promptly notify the City of the imposition of such lien of which the Company is aware and shall promptly, at its own expense, take such action as may be necessary to fully discharge or release any such lien. Whenever and as often as any mechanics' or other similar lien is filed against the Project, or any part thereof, purporting to be for or on account of any labor done or materials or services furnished in connection with any work in or about the Project, the Company shall discharge the same of record. Notice is hereby given that the City shall not be liable for any labor or materials furnished the Company or anyone claiming by, through or under the Company upon credit, and that no mechanics' or other similar lien for any such labor, services or materials shall attach to or affect the reversionary or other estate of the City in and to the Project or any part thereof.

(b) Notwithstanding paragraph (a) above, the Company may contest any such mechanics' or other similar lien if the Company (1) within 60 days after the Company becomes aware of any such lien notifies the City and the Trustee in writing of its intention so to do, (2) diligently prosecutes such contest, (3) at all times effectively stays or prevents any official or judicial sale of the Project, or any part thereof or interest therein, under execution or otherwise, (4) promptly pays or otherwise satisfies any final judgment adjudging or enforcing such contested lien claim and (5) thereafter promptly procures record release or satisfaction thereof. The Company may permit the lien so contested to remain unpaid during the period of such contest and any appeal therefrom unless the Company is notified by the City that, in the opinion of counsel, by nonpayment of any such items, the interest of the City in the Project will be subject to loss or forfeiture. In that event, the Company shall promptly, at its own expense, take such action as may be reasonably necessary to duly discharge or remove any such mortgage, pledge, lien, charge, encumbrance or claim if the same shall arise at any time. The Company shall save and hold harmless the City from any loss, costs or expenses the City may incur related to any such contest. The Company shall reimburse the City for any expense incurred by it in connection with the imposition of any such lien or in order to discharge or remove any such mortgage, pledge, lien, charge, encumbrance or claim. The City shall cooperate fully with the Company in any such contest.

ARTICLE IX

DAMAGE, DESTRUCTION AND CONDEMNATION

Section 9.1. Damage or Destruction.

(a) If the Project is damaged or destroyed by fire or any other casualty, whether or not covered by insurance, the Company, as promptly as practicable, shall either (i) make the determination described in subsection (f) below, or (ii) repair, restore, replace or rebuild the same so that upon completion of such repairs, restoration, replacement or rebuilding the Project is of a value not less than the value thereof immediately before the occurrence of such damage or destruction or, at the Company's option, construct upon the Project Site new buildings and improvements thereafter together with all new machinery, equipment and fixtures which are either to be attached to or are to be used in connection with the operation or maintenance thereof, provided that (A) the value thereof shall not be less than the value of such destroyed or damaged Project Improvements immediately before the occurrence of such damage or destruction and (B) the nature of such new buildings, improvements, machinery, equipment and fixtures will not impair the character of the Project as an enterprise permitted by the Act.

If the Company elects to construct any such new buildings and improvements, for all purposes of this Lease, any reference to the words "Project Improvements" shall be deemed to also include any such new buildings and improvements and all additions thereto and all replacements and alterations thereof.

Unless the Company makes the determination described in subsection (f) below, the Net Proceeds of casualty insurance required by **Article VII** hereof received with respect to such damage or loss to the Project shall be used to pay the cost of repairing, restoring, replacing or rebuilding the Project or any part thereof. Insurance monies in an amount less than \$1,000,000 may be paid to or retained by the Company to be held in trust and used as provided herein. Insurance monies in any amount of \$1,000,000 or more shall be (i) paid to the Trustee and deposited in the Project Fund and shall be disbursed as provided in **Section 4.4** hereof to pay the cost of repairing, restoring, replacing or rebuilding the Project or any part thereof, or (ii) if determined by the Owners of 100% in principal amount of the Bonds Outstanding, applied as directed by, or on behalf of, such Owners of 100% in principal amount of the Bonds Outstanding. If the Company makes the determination described in subsection (f) below, the Net Proceeds shall be deposited with the Trustee and used to redeem Bonds as provided in subsection (f).

(b) If any of the insurance monies paid by the insurance company as hereinabove provided remain after the completion of such repairs, restoration, replacement or rebuilding, and this Lease has not been terminated, the excess shall be deposited in the Bond Fund, subject to the rights of any Lender. Completion of such repairs, restoration, replacement or rebuilding shall be evidenced by a certificate of completion in accordance with the provisions of **Section 4.5** hereof. If the Net Proceeds are insufficient to pay the entire cost of such repairs, restoration, replacement or rebuilding, the Company shall pay the deficiency.

(c) Except as otherwise provided in this Lease, in the event of any such damage by fire or any other casualty, the provisions of this Lease shall be unaffected and the Company shall remain and continue liable for the payment of all Basic Rent and Additional Rent and all other charges required hereunder to be paid by the Company, as though no damage by fire or any other casualty has occurred.

(d) The City and the Company agree that they will cooperate with each other, to such extent as such other party may reasonably require, in connection with the prosecution or defense of any action or proceeding arising out of, or for the collection of any insurance monies that may be due in the event of, any loss or damage, and that they will execute and deliver to such other parties such instruments as may be required to facilitate the recovery of any insurance monies.

(e) The Company agrees to give prompt notice to the City and the Trustee with respect to all fires and any other casualties occurring in, on, at or about the Project Site which damages a material portion of the Project.

(f) If the Company determines that rebuilding, repairing, restoring or replacing the Project is not practicable or desirable, or if the Company does not have the right under any Mortgage to use any Net Proceeds for repair or restoration of the Project, any Net Proceeds of casualty insurance required by **Article VII** hereof received with respect to such damage or loss shall, after payment of all Additional Rent then due and payable, be paid into the Bond Fund and shall be used to redeem Bonds on the earliest practicable redemption date or to pay the principal of any Bonds as the same become due, all subject to rights of _____ under the Initial Mortgage and any other Lender under a Mortgage (if any). The Company agrees to be reasonable in exercising its judgment pursuant to this subsection (f). Alternatively, if the Company is the sole owner of the Bonds and it has determined that rebuilding, repairing, restoring or replacing the Project is not practicable or desirable, it may tender Bonds to the Trustee for cancellation in a principal amount equal to the Net Proceeds of the casualty insurance, and retain such proceeds for its own account.

(g) The Company shall not, by reason of its inability to use all or any part of the Project during any period in which the Project is damaged or destroyed or is being repaired, rebuilt, restored or replaced, nor by reason of the payment of the costs of such rebuilding, repairing, restoring or replacing, be entitled to any reimbursement from the City, the Trustee or the Owners or to any abatement or diminution of the rentals payable by the Company under this Lease or of any other obligations of the Company under this Lease except as expressly provided in this Section.

Section 9.2. Condemnation.

(a) If during the Lease Term, title to, or the temporary use of, all or any part of the Project is condemned by or sold under threat of condemnation to any authority possessing the power of eminent domain, to such extent that the claim or loss resulting from such condemnation is greater than \$1,000,000, the Company shall, within 90 days after the date of entry of a final order in any eminent domain proceedings granting condemnation or the date of sale under threat of condemnation, notify the City, the Trustee, [_____] under the Initial Mortgage and any other Lender under a Mortgage (if any) in writing as to the nature and extent of such condemnation or loss of title and whether it is practicable and desirable to acquire or construct substitute improvements.

(b) If the Company determines that such substitution is practicable and desirable, the Company shall proceed promptly with and complete with reasonable dispatch the acquisition or construction of such substitute improvements, so as to place the Project in substantially the same condition as existed before the exercise of the said power of eminent domain, including the acquisition or construction of other improvements suitable for the Company's operations at the Project (which improvements will be deemed a part of the Project and available for use and occupancy by the Company without the payment of any rent other than herein provided, to the same extent as if such other improvements were specifically described herein and demised hereby); provided, that such improvements

will be acquired by the City subject to no liens, security interests or encumbrances before the lien and/or security interest afforded by the Indenture and this Lease other than Permitted Encumbrances. In such case, any Net Proceeds received from any award or awards with respect to the Project or any part thereof made in such condemnation or eminent domain proceedings, or of the sale proceeds, shall be applied in the same manner as provided in **Section 9.1** hereof (with respect to the receipt of casualty insurance proceeds).

(c) If the Company determines that it is not practicable or desirable to acquire or construct substitute improvements, any Net Proceeds of condemnation awards received by the Company shall, after payment of all Additional Rent then due and payable, be paid into the Bond Fund and shall be used to redeem Bonds on the earliest practicable redemption date or to pay the principal of any Bonds as the same becomes due and payable, provided that if the Company is the sole owner of the Bonds and it has determined that acquiring and constructing substitute improvements is not practicable or desirable, it may tender Bonds to the Trustee for cancellation in a principal amount equal to the Net Proceeds of the condemnation awards, and retain such proceeds for its own account, all subject to the rights of [_____] under the Initial Mortgage and any other Lender under a Mortgage (if any).

(d) The Company shall not, by reason of its inability to use all or any part of the Project during any such period of restoration or acquisition nor by reason of the payment of the costs of such restoration or acquisition, be entitled to any reimbursement from the City, the Trustee or the Owners or to any abatement or diminution of the rentals payable by the Company under this Lease nor of any other obligations hereunder except as expressly provided in this Section.

(e) The City shall cooperate fully with the Company in the handling and conduct of any prospective or pending condemnation proceedings with respect to the Project or any part thereof, and shall, to the extent it may lawfully do so, permit the Company to litigate in any such proceeding in the name and on behalf of the City. In no event will the City voluntarily settle or consent to the settlement of any prospective or pending condemnation proceedings with respect to the Project or any part thereof without the prior written consent of the Company.

Section 9.3. Bondowner Approval. Notwithstanding anything to the contrary contained in this **Article IX**, the proceeds of any insurance received subsequent to a casualty or of any condemnation proceedings (or threats thereof) may prior to the application thereof by the City or the Trustee be applied as directed by the Owners of 100% of the principal amount of Bonds outstanding, subject and subordinate to the rights of the City and the Trustee to be paid all their expenses (including attorneys' fees, trustee's fees and any extraordinary expenses of the City and the Trustee) incurred in the collection of such gross proceeds. For purposes of this Section only, any person to whom Bonds have been pledged in good faith shall be deemed to be the Owner of the Bonds.

ARTICLE X

SPECIAL COVENANTS

Section 10.1. No Warranty of Condition or Suitability by the City; Exculpation and Indemnification. The City makes no warranty, either express or implied, as to the condition of the Project or that it will be suitable for the Company's purposes or needs. The Company releases the City and the Trustee from, agrees that the City and the Trustee shall not be liable for and agrees to hold the

City and the Trustee harmless against, any loss or damage to property or any injury to or death of any Person that may be occasioned by any cause whatsoever pertaining to the Project or the Company's use thereof, unless such loss is the result of the City's or the Trustee's gross negligence or willful misconduct. This provision shall survive termination of this Lease.

Section 10.2. Surrender of Possession. Upon accrual of the City's right of re-entry to the extent provided in **Section 12.2(b)** hereof, the Company shall peacefully surrender possession of the Project to the City in good condition and repair; provided, however, the Company may within 90 days (or such later date as the City may agree to) after the termination of this Lease remove from the Project Site any buildings, improvements, furniture, trade fixtures, machinery and equipment owned by the Company and not constituting part of the Project. All repairs to and restorations of the Project required to be made because of such removal shall be made by and at the sole cost and expense of the Company, and during said 90-day (or extended) period the Company shall bear the sole responsibility for and bear the sole risk of loss for said buildings, improvements, furniture, trade fixtures, machinery and equipment owned by the Company and not constituting part of the Project. All buildings, improvements, furniture, trade fixtures, machinery and equipment owned by the Company and which are not so removed from the Project before the expiration of said period shall be the separate and absolute property of the City.

Section 10.3. City's Right of Access to the Project. The Company agrees that the City and the Trustee and their duly authorized agents shall have the right at reasonable times during business hours, subject to 24 hours' advance written notice and the Company's usual safety and security requirements, to enter upon the Project Site (a) to examine and inspect the Project without interference or prejudice to the Company's operations, (b) as may be reasonably necessary to cause to be completed the purchase and installation provided for in **Section 4.2** hereof, (c) performing such work in and about the Project Site made necessary by reason of the Company's default under any of the provisions of this Lease, and (d) exhibiting the Project to prospective purchasers, lessees or trustees.

Section 10.4. Granting of Easements; Mortgages and Financing Arrangements.

(a) Subject to **Sections 10.4(b)** and (c), if no Event of Default under this Lease has happened and is continuing, the Company may at any time or times (i) grant subleases (as permitted in **Section 13.1(b)** hereof), easements, licenses, rights-of-way (including the dedication of public highways) and other rights or privileges in the nature of easements that are for the direct use of the Project, or part thereof, by the grantee, (ii) release or terminate existing subleases, easements, licenses, rights-of-way and other rights or privileges, all with or without consideration and upon such terms and conditions as the Company shall determine, or (iii) incur Permitted Encumbrances. The Company may take such actions and may execute any applicable documents in the Company's own name. No separate signature of or authorization from the City shall be required for the execution and delivery of any such document, although the City agrees to execute and deliver such confirming documents as are described below, under the procedures described below, if the Company chooses to make such a request. All third parties entering into agreements with the Company or receiving delivery of or the benefit of such agreements or documents shall be entitled to rely upon the same as having been executed and delivered by the City, unless such third party has actual or constructive notice, expressly in writing, that the agency herein granted by the City to the Company has been terminated by the City because of an uncured Event of Default hereunder. The City agrees that it will execute and deliver and will cause and direct the Trustee to execute and deliver any instrument necessary or appropriate to confirm and grant, release or terminate any such sublease, easement, license, right-of-way or other right or privilege or any such agreement or other arrangement, upon receipt by the City and the Trustee of: (i) a copy of the instrument of grant, release or termination or of the agreement or other arrangement, (ii) a written application signed by an

Authorized Company Representative requesting such instrument, and (iii) a certificate executed by an Authorized Company Representative stating that such grant or release is not detrimental to the proper conduct of the business of the Company, will not impair the effective use or interfere with the efficient and economical operation of the Project, will not materially adversely affect the security intended to be given by or under the Indenture and will be a Permitted Encumbrance. If no Event of Default has happened and is continuing beyond any applicable grace period, any payments or other consideration received by the Company for any such grant or with respect to or under any such agreement or other arrangement shall be and remain the property of the Company; but, subject to **Sections 10.4(b) and (c)**, upon (i) termination of this Lease for any reason other than the redemption of the Bonds and/or the purchase of the Project by the Company or (ii) the occurrence and continuance of an Event of Default by the Company, all rights then existing of the Company with respect to or under such grant shall inure to the benefit of and be exercisable by the City and the Trustee.

(b) The City and the Company have agreed to execute and deliver the Initial Mortgage which grants a lien on the fee estate held by the City and the leasehold estate to be held by the Company (upon delivery of this Lease), and in connection therewith, the City has agreed to allow the Company to enter into the Assignment of Leases and Rents. The City acknowledges and agrees that the Company may refinance its rights and interests in the Project, this Lease, and the leasehold estate created hereby and, in connection therewith, the Company may mortgage the fee estate held by the City and the leasehold estate created by this Lease with the consent of the City, or may mortgage only the leasehold estate created by this Lease with prior notice to but without the consent of the City, provided and upon condition that a duplicate original or certified copy or photostatic copy of each such Mortgage, and the note or other obligation secured thereby, is delivered to the City within thirty (30) days after the execution thereof. In either case, in connection therewith, the Company shall have the right to assign this Lease, the leasehold estate, any sublease, and any rights in connection therewith, and/or grant liens or security interests therein, to any Lender. Any further sublease or assignment by any Lender shall be subject to the provisions of **Section 13.1(c)**.

(c) With respect to a future Mortgage upon notice by the Company to the City in writing that it has executed a Mortgage under which it has granted rights in this Lease to a Lender which includes the name and address of such Lender, and with respect to the Initial Lien Instrument, the following provisions shall apply in respect of each such Lender:

(1) there shall be no merger of this Lease or of the leasehold estate created hereby with the fee title to the Project, notwithstanding that this Lease or said leasehold estate and said fee title shall be owned by the same Person or Persons, without the prior written consent of such Lender;

(2) the City shall serve upon each such Lender (at the address, if any, provided to the City) a copy of each notice of the occurrence of an Event of Default and each notice of termination given to the Company under this Lease, at the same time as such notice is served upon the Company. No such notice to the Company shall be effective unless a copy thereof is thus served upon each Lender;

(3) each Lender shall have the same period of time which the Company has, after the service of any required notice upon it, within which to remedy or cause to be remedied any payment default under this Lease which is the basis of the notice plus thirty (30) days, and the City shall accept performance by such Lender as timely performance by the Company;

(4) the City may exercise any of its rights or remedies with respect to any other Event of Default by the Company, subject to the rights of each Lender under this **Section 10.4(c)** as to such other events of default;

(5) upon the occurrence and continuance of an Event of Default by the Company under this Lease, other than a default in the payment of money, the City shall take no action to effect a termination of this Lease by service of a notice or otherwise, without first giving notice thereof to each such Lender and permitting such Lender (or its designee, nominee, assignee, or transferee) a reasonable time within which to remedy such default in the case of an Event of Default which is susceptible of being cured (provided that the period to remedy such event of default shall continue beyond any period set forth in the Lease to effect said cure so long as the Lender (or its designee, nominee, assignee, or transferee) is diligently prosecuting such cure); provided that the Lender (or its designee, nominee, assignee, or transferee) shall pay or cause to be paid to the City and the Trustee all expenses, including reasonable counsel fees, court costs and disbursements incurred by the City or the Trustee in connection with any such default; and

(6) such Lenders (and their designees, nominees, assignees, or transferees) shall have the right to enter, possess and use the Project at such reasonable times and manner as are necessary or desirable to effectuate the remedies and enforce their respective rights under the Mortgage.

(d) In connection with the execution of one or more Mortgages, upon the request of the Company, the City agrees to execute such documents as shall be reasonably requested by a Lender and which are usual and customary in connection with the closing of the financing or refinancing pursuant to the Mortgage. The Company agrees to reimburse the City for any and all costs and expenses incurred by the City pursuant to this Section, including reasonable attorneys' fees and expenses, in complying with such request.

(e) This Lease is subject to any Mortgage.

(f) Notwithstanding anything contained to the contrary in this Lease, (a) the Company shall have the right to assign this Lease and any subleases to a Lender or to the designee or nominee of a Lender, without the consent of the City, and (b) if a Lender or its designee or nominee shall acquire ownership of the leasehold estate, either following foreclosure of the applicable Mortgage or in liquidation of the indebtedness and in lieu of foreclosure thereof, said Lender or its designee or nominee shall have the further right to further assign this Lease and any subleases and any purchase money mortgage accepted in connection therewith, without the consent of the City and such assignee shall enjoy all rights, powers and privileges granted herein to said Lender; provided, however, that such Lender or its assignee or nominee, or their assignee or nominee, shall assume in writing all rights, duties and obligations of the Company under this Lease and the Performance Agreement.

(g) During the term of any Mortgage, the following provisions shall apply:

(i) this Lease may not be modified, amended, canceled or surrendered by agreement between the City and the Company, without the prior written consent of the applicable Lender;

(ii) if this Lease shall terminate prior to the expiration of the Lease Term, the City shall enter into a new lease for the Project with the applicable Lender or its designee or nominee, for the remainder of the Lease Term, effective as of the date of such termination, at the same rent and upon the same terms, covenants and conditions contained herein, except that such new lease shall not

guarantee possession of the Project to the new tenant as against the Company and/or anyone claiming under the Company, and the City, simultaneously with the execution and delivery of such new lease, shall turn over to the new tenant all monies, if any, then held by the City under the Lease on behalf of the Company, on condition that:

(A) The applicable Lender shall make written request for such new lease within thirty (30) days after the date of such termination, and

(B) on the commencement date of the term of the new lease, the applicable Lender shall cure all defaults of the Company under the Lease (susceptible of being cured by such Lender) which remain uncured on that date, and shall pay or cause to be paid all unpaid sums which at such time would have been payable under this Lease but for such termination, and shall pay or cause to be paid to the City on that date all fees, costs, charges and expenses, including, without limitation, reasonable counsel fees, court costs and disbursements, incurred by the City or the Trustee in connection with any such default and termination as well as in connection with the execution and delivery of such new lease;

(iii) if a Lender or its designee or nominee shall become the owner of this Lease either following foreclosure of a Mortgage or in liquidation of the indebtedness and in lieu of foreclosure thereof and said Lender or its designee or nominee shall have assigned this Lease, said Lender or its designee or nominee so assigning shall be released from all liability accruing from and after the date of such assignment.

(h) The Company's obligations under any Mortgage (not including the Initial Mortgage) relating to the Project shall be subordinate to the Company's obligations under this Lease.

Section 10.5. Indemnification of City and Trustee. The Company shall indemnify and save and hold harmless the City and the Trustee and their governing body members, officers, agents and employees (collectively, the "Indemnified Parties") from and against all claims, demands, costs, liabilities, damages or expenses, including attorneys' fees, by or on behalf of any person, firm or corporation arising from the issuance of the Bonds and the execution of this Lease, the Indenture or any other documents entered into in connection with the Bonds and from the conduct or management of, or from any work or thing done in or on the Project during the Lease Term, and against and from all claims, demands, costs, liabilities, damages or expenses, including attorneys' fees, arising during the Lease Term from (a) any condition of the Project, (b) any breach or default on the part of the Company in the performance of any of its obligations under this Lease or any related document, (c) any contract entered into by the Company in connection with the purchase, construction, extension or improvement of the Project, (d) any act of negligence of the Company or of any of its agents, contractors, servants, employees or licensees, (e) unless the Company has been released from liability pursuant to **Section 13.1(c)**, any act of negligence of any assignee or sublessee of the Company, or of any agents, contractors, servants, employees or licensees of any assignee or sublessee of the Company, (f) obtaining any applicable state and local sales and use tax exemptions for materials or goods that become part of the Project, and (g) any claim relating to the presence on, escape or removal from the Project during the term of the Lease of any hazardous substance or other material regulated by any applicable Environmental Law, or compliance with any applicable Environmental Law, whether such claim arises before, during or after the term of this Lease, including claims relating to personal injury or damage to property; provided, however, the indemnification contained in this **Section 10.5** shall not (i) extend to the City if such claims, demands, costs, liabilities, damages or expenses, including attorneys' fees, are the result of work being performed at the Project by employees of the City or the result of negligence or willful misconduct by the City, or (ii)

extend to the Trustee if such claims, demands, costs, liabilities, damages or expenses, including attorneys' fees, are the result of the negligence or willful misconduct of the Trustee or (iii) the performance or failure to perform by the City or the Trustee of its obligations under this Lease, the Performance Agreement or any related documents. Upon notice from the City or the Trustee, the Company shall defend them or either of them in any such action or proceeding. This **Section 10.5** shall survive any termination of this Lease or the satisfaction and discharge of the Indenture.

In case any action shall be brought against one or more of the Indemnified Parties based upon the foregoing indemnification and in respect of which indemnity may be sought against the Company, the Indemnified Parties shall promptly notify the Company in writing and the Company shall promptly assume the defense thereof, including the employment of counsel, the payment of all reasonable expenses and the right to negotiate and consent to settlement. If the Company shall have wrongfully failed to assume the defense of such action, the reasonable fees and expenses of counsel retained by the Indemnified Party shall be paid by the Company. If any of the Indemnified Parties is advised by counsel retained by the Company to defend such action that there may be legal defenses available to it which are adverse to or in conflict with those available to the Company or any other Indemnified Party, and that the defense of such Indemnified Party should be handled by separate counsel, the Company shall not have the right to assume the defense of such Indemnified Party, but shall be responsible for the reasonable fees and expenses of counsel retained by such Indemnified Party in assuming its own defense, provided, such counsel shall be acceptable to the Company. Any one or more of the Indemnified Parties shall have the right to employ separate counsel in any such action and to participate in the defense thereof, but the fees and expenses of such counsel shall be at the expense of such Indemnified Party or Indemnified Parties unless employment of such counsel has been specifically authorized by the Company. The Company shall not be liable for any settlement of any such action effected without its consent by any of the Indemnified Parties, but if settled with the consent of the Company or if there be a final judgment for the plaintiff in any such action against the Company or any of the Indemnified Parties, with or without the consent of the Company, the provided that the Company was given prompt written notice and the ability to assume the defense thereof as required by this paragraph, the Company agrees to indemnify and hold harmless the Indemnified Parties to the extent provided herein.

Section 10.6. Depreciation, Investment Tax Credit and Other Tax Benefits. The City agrees that any depreciation, investment tax credit or any other tax benefits with respect to the Project or any part thereof shall be made available to the Company, and the City will fully cooperate with the Company in any effort by the Company to avail itself of any such depreciation, investment tax credit or other tax benefits.

Section 10.7. Company to Maintain its Corporate Existence. The Company agrees that until the Bonds are paid or payment is provided for in accordance with the terms of the Indenture, it will maintain its corporate existence, and will not dissolve or otherwise dispose of all or substantially all of its assets; provided, however, that the Company may, without violating the agreement contained in this Section, consolidate with or merge into another domestic corporation (i.e., a corporation incorporated and existing under the laws of one of the states of the United States) or permit one or more other domestic corporations to consolidate with or merge into it, or may sell or otherwise transfer to another domestic corporation all or substantially all of its assets as an entirety and thereafter dissolve, provided, the surviving, resulting or transferee corporation either (A) becomes, in connection with the consolidation, merger or sale of assets becomes the Owner of 100% in principal amount of the Bonds outstanding and expressly assumes in writing all of the obligations of the Company contained in this Lease and the Performance Agreement, or (B) if not the Owner of 100% in principal amount of the Bonds outstanding, expressly assumes in writing all the obligations of the Company contained in this Lease; and, further provided, that if not the Owner of 100% in principal amount of the Bonds outstanding, the surviving,

resulting or transferee corporation, as the case may be, has a consolidated net worth (after giving effect to said consolidation, merger or transfer) at least (i) equal to or greater than that of the Company immediately prior to said consolidation, merger or transfer, or (b) \$100,000,000. The term “net worth,” as used in this Section, shall mean the difference obtained by subtracting total liabilities (not including as a liability any capital or surplus item) from total assets of the Company and all of its subsidiaries. In any such consolidation, merger or transfer the Company shall comply with the provisions of **Section 10.1** hereof to the extent applicable.

Section 10.8. Security Interests. At the written request of the Owner of the Bonds, the City and the Company agree to enter into all instruments (including financing statements and statements of continuation) necessary for perfection of and continuance of the perfection of the security interests of the City and the Trustee in the Project. Upon the written instructions of the Owner of the Bonds, the Trustee, at the Company’s expense, shall file all instruments the Owner of the Bonds shall deem necessary to be filed and shall continue or cause to be continued the liens of such instruments for so long as the Bonds shall be Outstanding. The City and the Company shall cooperate with the Trustee in this regard by executing such continuation statements and providing such information as the Trustee may require to renew such liens.

ARTICLE XI

OPTION AND OBLIGATION TO PURCHASE THE PROJECT

Section 11.1. Option to Purchase the Project. The Company shall have, and is hereby granted, the option to purchase the Project at any time, upon payment in full of all Bonds then outstanding or provision for their payment having been made pursuant to **Article XIII** of the Indenture. To exercise such option the Company shall give written notice to the City and to the Trustee, and shall specify therein the date of closing such purchase, which date shall be not less than 15 nor more than 90 days from the date such notice is mailed, and in case of a redemption of the Bonds in accordance with the provisions of the Indenture, the Company shall make arrangements satisfactory to the Trustee for the giving of the required notice of redemption. Notwithstanding the forgoing, if the City or the Trustee provides notice of its intent to exercise its remedies hereunder (a "Remedies Notice"), the Company shall be deemed to have exercised its repurchase option under this Section on the 29th day following the issuance of the Remedies Notice without any further action by the Company; provided said notice has not been rescinded by such date (such option to take place on the 29th day following the issuance of the Remedies Notice). The Company may rescind such exercise by providing written notice to the City and the Trustee on or prior to the 29th and by taking such action as may be required to cure the default that led to the giving of the Remedies Notice. The purchase price payable by the Company in the event of its exercise of the option granted in this Section shall be the sum of the following:

- (a) an amount of money which, when added to the amount then on deposit in the Bond Fund, will be sufficient to redeem all the then outstanding Bonds on the earliest redemption date next succeeding the closing date, including, without limitation, principal and interest to accrue to said redemption date and redemption expense; plus
- (b) an amount of money equal to the Trustee's agreed to and reasonable fees, charges and expenses under the Indenture accrued and to accrue until such redemption of the Bonds; plus
- (c) an amount of money equal to all payments due and payable pursuant to the Performance Agreement through the end of the calendar year in which the date of purchase occurs; plus
- (d) the sum of \$100.00.

At its option, to be exercised at least 5 days prior to the date of closing such purchase, the Company may deliver to the Trustee for cancellation Bonds not previously paid, and the Company shall receive a credit against the purchase price payable by the Company in an amount equal to 100% of the principal amount of the Bonds so delivered for cancellation, plus the accrued interest thereon.

Section 11.2. Conveyance of the Project. At the closing of the purchase of the Project pursuant to this Article, the City will upon receipt of the purchase price deliver to the Company the following:

- (a) If the Indenture shall not at the time have been satisfied in full, a release from the Trustee of the Project from the lien and/or security interest of the Indenture and this Lease and appropriate termination of financing statements as required under the Uniform Commercial Code; and

(b) Documents, including without limitation a special warranty deed as to the Project Site, conveying to the Company legal title to the Project, as it then exists, in recordable form, subject to the following: (i) those liens and encumbrances, if any, to which title to the Project was subject when conveyed to the City; (ii) those liens and encumbrances created by the Company or to the creation or suffering of which the Company consented; (iii) those liens and encumbrances resulting from the failure of the Company to perform or observe any of the agreements on its part contained in this Lease; (iv) Permitted Encumbrances other than the Indenture and this Lease; and (v) if the Project or any part thereof is being condemned, the rights and title of any condemning authority.

Section 11.3. Relative Position of Option and Indenture. The options and obligation to purchase the Project granted to the Company in this Article shall be and remain prior and superior to the Indenture and may be exercised whether or not the Company is in default under this Lease, provided that such default will not result in nonfulfillment of any condition to the exercise of any such option and further provided that all options herein granted shall terminate upon the termination of this Lease.

Section 11.4. Obligation to Purchase the Project. As additional consideration for the Company's use of the Project, the Company hereby agrees to purchase, and the City hereby agrees to sell, the Project upon the occurrence of (a) the expiration of the Lease Term following full payment of the Bonds or provision for payment thereof having been made in accordance with the provisions of the Indenture, and (b) the final payment due under the Performance Agreement. The amount of the purchase price under this Section shall be \$100 plus an amount sufficient to redeem all the then Outstanding Bonds, plus accrued interest and the reasonable fees and expenses of the City and the Trustee.

ARTICLE XII

DEFAULTS AND REMEDIES

Section 12.1. Events of Default. If any one or more of the following events shall occur and be continuing, it is hereby defined as and declared to be and to constitute an "Event of Default" or "default" under this Lease:

(a) Default in the due and punctual payment of Basic Rent for a period of 5 days following written notice to the Company by the City or the Trustee; or

(b) Default in the due and punctual payment of Additional Rent for a period of 30 days following written notice to the Company by the City or the Trustee or the Owners of 25% in aggregate principal amount of all Bonds Outstanding provided, however, at any time the Company is the owner of 100% in aggregate principal amount of all Bonds Outstanding, said notice must also have been given by the Owner of 100% in aggregate principal amount of all Bonds Outstanding or it shall not be effective; or

(c) Default in the due observance or performance of any other covenant, agreement, obligation or provision of this Lease on the Company's part to be observed or performed, and such default shall continue for 30 days after the City or the Trustee or the Owners of 25% in aggregate principal amount of all Bonds Outstanding has given the Company written notice specifying such default (or such longer period as shall be reasonably required to cure such default provided that (1) the Company has commenced such cure within said 30-day period, and (2) the Company diligently prosecutes such cure to completion) provided, however, at any time the

Company is the owner of 100% in aggregate principal amount of all Bonds Outstanding, said notice must also have been given by the Owner of 100% in aggregate principal amount of all Bonds Outstanding or it shall not be effective; or

(d) The Company: (1) admits in writing its inability to pay its debts as they become due; or (2) files a petition in bankruptcy or for reorganization, arrangement, composition, readjustment, liquidation, dissolution or similar relief under the Bankruptcy Code as now or in the future amended or any other similar present or future federal or state statute or regulation, or files a pleading asking for such relief; or (3) make an assignment for the benefit of creditors; or (4) consents to the appointment of a trustee, receiver or liquidator for all or a major portion of its property or fails to have the appointment of any trustee, receiver or liquidator made without the Company's consent or acquiescence, vacated or set aside; or (5) is finally adjudicated as bankrupt or insolvent under any federal or state law; or (6) is subject to any proceeding, or suffers the entry of a final and non-appealable court order, under any federal or state law appointing a trustee, receiver or liquidator for all or a major part of its property or ordering the winding-up or liquidation of its affairs, or approving a petition filed against it under the Bankruptcy Code, as now or in the future amended, which order or proceeding, if not consented to by it, is not dismissed, vacated, denied, set aside or stayed within 90 days after the day of entry or commencement; or (7) suffers a writ or warrant of attachment or any similar process to be issued by any court against all or any substantial portion of its property, and such writ or warrant of attachment or any similar process is not contested, stayed, or is not released within 60 days after the final entry, or levy or after any contest is finally adjudicated or any stay is vacated or set aside; or

(e) the Company vacates, abandons, ceases operations, fails to occupy or is ejected from the Project Site or any material portion thereof, and the same remains uncared for or abandoned for a period of 90 days; or

(f) The occurrence and continuance of an "Event of Default" by the Company under the Performance Agreement following any applicable notice and grace period provided therein.

With regard to any alleged default concerning which notice is given to the Company under the provisions of this Section, the City hereby grants the Company full authority for account of the City to perform any covenant or obligation, the nonperformance of which is alleged in said notice to constitute a default, in the name and stead of the City, with full power to do any and all things and acts to the same extent that the City could do and perform any such things and acts in order to remedy such default.

Section 12.2. Remedies on Default. If any Event of Default referred to in **Section 12.1** hereof has occurred and continues beyond the period provided to cure, then the City may at the City's election (subject, however, to any restrictions against acceleration of the maturity of the Bonds or termination of this Lease in the Indenture), then or at any time thereafter, and while such default continues, take any one or more of the following actions:

(a) cause all amounts payable with respect to the Bonds for the remainder of the term of this Lease to become due and payable after giving ten (10) days prior written notice thereof to the Company, as provided in the Indenture; or

(b) give the Company written notice of the City's intention to terminate this Lease on a date specified therein, which date shall not be earlier than 30 days after such notice is given, and if all defaults have not then been cured, on the date so specified, the Owners shall tender or

be deemed to have tendered the outstanding principal amount of the Bonds for cancellation with instruction that such tender is in lieu of payment in accordance with **Section 11.1** hereof and this Lease shall thereupon be terminated, and the City will promptly convey the Project in accordance with **Section 11.2** hereof.

Section 12.3. Survival of Obligations. The Company covenants and agrees with the City and Owners that those of its obligations under this Lease which by their nature require performance after the end of the term of this Lease, or which are expressly stated herein as intended to survive expiration or termination of this Lease, shall survive the cancellation and termination of this Lease, for any cause.

Section 12.4. Performance of the Company's Obligations by the City. If the Company shall fail to keep or perform any of its obligations as provided in this Lease in the making of any payment or performance of any obligation, then the City, or the Trustee in the City's name, may (but shall not be obligated so to do) upon the continuance of such failure on the Company's part for 30 days after written notice of such failure is given the Company by the City or the Trustee, and without waiving or releasing the Company from any obligation hereunder, as an additional but not exclusive remedy, make any such payment or perform any such obligation, and all reasonable sums so paid by the City or the Trustee and all incidental reasonable costs and expenses incurred by the City or the Trustee (including, without limitation, attorneys' fees and expenses) in performing such obligations shall be deemed Additional Rent and shall be paid to the City or the Trustee on demand, and if not so paid by the Company, the City or the Trustee shall have the same rights and remedies provided for in **Section 12.2** hereof in the case of default by the Company in the payment of Basic Rent.

Section 12.5. Rights and Remedies Cumulative. The rights and remedies reserved by the Trustee, the City and the Company hereunder and those provided by law shall be construed as cumulative and continuing rights. No one of them shall be exhausted by the exercise thereof on one or more occasions. The Trustee, the City and the Company shall each be entitled to specific performance and injunctive or other equitable relief for any breach or threatened breach of any of the provisions of this Lease, notwithstanding availability of an adequate remedy at law, and each party hereby waives the right to raise such defense in any proceeding in equity.

Section 12.6. Waiver of Breach. No waiver of any breach of any covenant or agreement herein contained shall operate as a waiver of any subsequent breach of the same covenant or agreement or as a waiver of any breach of any other covenant or agreement, and in case of a breach by the Company of any covenant, agreement or undertaking by the Company, the Trustee or the City may nevertheless accept from the Company any payment or payments hereunder without in any way waiving the Trustee or the City's right to exercise any of its rights and remedies provided for herein with respect to any such breach or breaches of the Company which were in existence at the time such payment or payments were accepted by the Trustee or the City.

Section 12.7. Trustee's Exercise of the City's Remedies. Whenever any Event of Default shall have occurred and be continuing, the Trustee may, but except as otherwise provided in the Indenture shall not be obliged to, exercise any or all of the rights of the City under this Article, upon notice as required of the City unless the City has already given the required notice. In addition, the Trustee shall have available to it all of the remedies prescribed by the Indenture.

ARTICLE XIII

ASSIGNMENT AND SUBLEASE

Section 13.1. Assignment; Sublease.

(a) The Company may assign, transfer, encumber or dispose of this Lease or any interest therein or part thereof for any lawful purpose under the Act. With respect to any assignment, the Company shall comply with the following conditions:

(1) Such assignment shall be in writing, duly executed and acknowledged by the assignor and in proper form for recording;

(2) Such assignment shall include the entire then unexpired term of this Lease; and

(3) A duplicate original of such assignment shall be delivered to the City and the Trustee within 10 days after the execution thereof, together with an assumption agreement, duly executed and acknowledged by the assignee in proper form for recording, by which the assignee shall assume all of the terms, covenants and conditions of this Lease on the part of the Company to be performed and observed.

(b) The Company shall have the right to sublet all or any part of the Project to a single entity for any lawful purpose under the Act. The Company shall, within 10 days after the delivery thereof, furnish or cause to be furnished to the City and the Trustee a true and correct copy of each such sublease. Any sublease may provide, at the Company's option, that the City's consent shall not be required in respect of any further subletting thereunder if such further subletting is for a similar purpose as the original sublease and is for a purpose permissible under the Act. Notwithstanding the foregoing, the Company may, in the ordinary course of its business, and without the prior approval of, or notice to, the City, enter into leases or subleases with one or more persons or entities for the various parcels or units within the Project to be used for residential purposes or other uses commonly associated with an apartment complex.

If for any reason this Lease and the leasehold estate of the Company hereunder is terminated by the City by summary proceedings or otherwise in accordance with the terms of this Lease, the City covenants and agrees that such termination of this Lease shall not result in a termination of any sublease affecting the Project or any part or parts thereof and that they shall continue for the duration of their respective terms and any extensions thereof as a direct lease between the City hereunder and the sublessee thereunder, with the same force and effect as if the City had originally entered into such sublease as landlord thereunder. Any such sublessee shall not be named or joined in any action or proceeding by the City under this Lease to recover possession of the Project or for any other relief if such sublessee is not then in default under the terms of its sublease beyond any applicable grace period for curing the same. The City shall, upon request, execute, acknowledge and deliver such agreements evidencing and agreeing to the foregoing in a form reasonably satisfactory to the Company.

(c) Notwithstanding the foregoing, the right of the Company to assign or sublease (excluding residential subleases as contemplated in subsection (b) hereof) any interests in this Lease without the prior written consent of the City shall only apply to assignments made (A) to any entity whose long-term debt, or the long-term debt of an entity controlled by, under common control with or controlling such entity has at least a rating in any of the top three long term debt rating categories by any nationally recognized rating agency; (B) so long as the Company shall remain secondarily liable, to any such entity; or (C) to an entity

controlled by or under common control with or controlling the Company. For any proposed assignment or transfer, other than those specifically set forth in this Lease, the Company may assign or transfer any interests in this Lease to any entity or person with the City's prior written consent, and such consent shall not be unreasonably withheld, conditioned or delayed. The City shall have the right to grant or withhold its consent to such proposed assignment or transfer in its reasonable discretion after inquiry and the delivery of information by the Company to the City as to whether the proposed assignee or transferee has sufficient financial wherewithal and experience to complete the Project according to the terms of this Lease, the Performance Agreement or any other agreement related to the issuance of the Bonds. If and to the extent that the Company and/or the proposed assignee reasonably demonstrates to the City that the proposed assignee has sufficient experience and a net worth sufficient to complete the Project, then it shall not be deemed "reasonable" for the City to withhold its consent to such proposed assignment or sublease. Any assignee of all the rights of the Company shall agree to be bound by the terms of this Lease and any other documents related to the issuance of the Bonds. Upon such assignment of all the rights of the Company and agreement by the assignee to be bound by the terms of this Lease and any other documents related to the Bonds, the Company shall be released from and have no further obligations under this Lease or any agreement related to the issuance of the Bonds.

Section 13.2. Assignment of Revenues by City. The City shall assign and pledge any rents, revenues and receipts receivable under this Lease, to the Trustee pursuant to the Indenture as security for payment of the principal of, interest and premium, if any, on the Bonds and the Company hereby consents to such pledge and assignment. The City and the Company recognize that the Trustee is a third party creditor beneficiary of this Lease.

Section 13.3. Prohibition Against Fee Mortgage of Project. Except as otherwise set forth in **Section 10.4**, the City shall not mortgage its fee interest in the Project, but may assign its interest in and pledge any moneys receivable under this Lease to the Trustee pursuant to the Indenture as security for payment of the principal of and interest on the Bonds.

Section 13.4. Restrictions on Sale or Encumbrance of Project by City. During this Lease Term, the City agrees that, except to secure the Bonds to be issued pursuant to the Indenture, it will not sell, assign, encumber, transfer or convey the Project or any interest therein, but may assign its interest in and pledge any moneys receivable under this Lease to the Trustee pursuant to the Indenture as security for payment of the principal of and interest on the Bonds.

ARTICLE XIV

AMENDMENTS, CHANGES AND MODIFICATIONS

Section 14.1. Amendments, Changes and Modifications. Except as otherwise provided in this Lease or in the Indenture, subsequent to the issuance of Bonds and prior to the payment in full of the Bonds (or provision for the payment thereof having been made in accordance with the provisions of the Indenture), this Lease may not be effectively amended, changed, modified, altered or terminated without the prior written consent of the Trustee, given in accordance with the provisions of the Indenture.

ARTICLE XV

MISCELLANEOUS PROVISIONS

Section 15.1. Notices. All notices, certificates or other communications required or desired to be given hereunder shall be in writing and shall be governed by **Section 1403** of the Indenture.

Section 15.2. City Shall Not Unreasonably Withhold Consents and Approvals. Wherever in this Lease it is provided that the City shall, may or must give its approval or consent, or execute supplemental agreements or schedules, the City shall not unreasonably, arbitrarily or unnecessarily withhold or refuse to give such approvals or consents or refuse to execute such supplemental agreements or schedules; provided, however, that nothing in this Lease shall be interpreted to affect the City's rights to approve or deny any additional project or matter unrelated to the Project subject to zoning, building permit or other regulatory approvals by the City.

Section 15.3. Net Lease. The parties hereto agree (a) that this Lease shall be deemed and construed to be a net lease, (b) that the payments of Basic Rent are designed to provide the City and the Trustee funds adequate in amount to pay all principal of and interest accruing on the Bonds as the same become due and payable, (c) that to the extent that the payments of Basic Rent are not sufficient to provide the City and the Trustee with funds sufficient for the purposes aforesaid, the Company shall be obligated to pay, and it does hereby covenant and agree to pay, upon demand therefor, as Additional Rent, such further sums of money, in cash, as may from time to time be required for such purposes, and (d) that if after the principal of and interest on the Bonds and all costs incident to the payment of the Bonds (including the fees and expenses of the City and the Trustee) have been paid in full the Trustee or the City holds unexpended funds received in accordance with the terms hereof such unexpended funds shall, after payment therefrom of all sums then due and owing by the Company under the terms of this Lease, and except as otherwise provided in this Lease and the Indenture, become the absolute property of and be paid over forthwith to the Company.

Section 15.4. Limitation on Liability of City. No provision, covenant or agreement contained in this Lease, the Indenture or the Bonds, or any obligation herein or therein imposed upon the City, or the breach thereof, shall constitute or give rise to or impose upon the City a pecuniary liability or a charge upon the general credit or taxing powers of the City or the State of Missouri.

Section 15.5. Governing Law. This Lease shall be construed in accordance with and governed by the laws of the State of Missouri.

Section 15.6. Binding Effect. This Lease shall be binding upon and shall inure to the benefit of the City and the Company and their respective successors and assigns.

Section 15.7. Severability. If for any reason any provision of this Lease shall be determined to be invalid or unenforceable, the validity and enforceability of the other provisions hereof shall not be affected thereby.

Section 15.8. Execution in Counterparts. This Lease may be executed in several counterparts, each of which shall be deemed to be an original and all of which shall constitute but one and the same instrument.

Section 15.9. Electronic Storage. The parties hereto agree that the transaction described herein may be conducted and related documents may be sent, received or stored by electronic means. Copies, teletypes, facsimiles, electronic files and other reproductions of original executed documents shall be deemed to be authentic and valid counterparts of such original documents for all purposes, including the filing of any claim, action or suit in the appropriate court of law.

Section 15.10. Satisfaction of the Company's Obligations. Any obligation of the Company under this Lease, including, but not limited to, the obligations of the Company to pay Basic Rent, Additional Rent and to maintain insurance as required herein, may be performed by a member of the Company, and such performance by a member of the Company shall be treated as though the obligation were performed by the Company.

Section 15.11 Complete Agreement. THE COMPANY AND THE CITY UNDERSTAND THAT ORAL OR UNEXECUTED AGREEMENTS OR COMMITMENTS TO LOAN MONEY, EXTEND CREDIT OR TO FORBEAR FROM ENFORCING REPAYMENT OF A DEBT INCLUDING PROMISES TO EXTEND OR RENEW SUCH DEBT ARE NOT ENFORCEABLE. TO PROTECT THE COMPANY AND THE CITY FROM MISUNDERSTANDING OR DISAPPOINTMENT, ANY AGREEMENTS THE COMPANY AND THE CITY REACH COVERING SUCH MATTERS ARE CONTAINED IN THIS LEASE AND IN THE PERFORMANCE AGREEMENT, WHICH ARE THE COMPLETE AND EXCLUSIVE STATEMENTS OF THE AGREEMENT BETWEEN THE COMPANY AND THE CITY, EXCEPT AS THE COMPANY AND THE CITY MAY LATER AGREE IN WRITING TO MODIFY THIS LEASE AND THE PERFORMANCE AGREEMENT.

[Remainder of this page intentionally left blank]

IN WITNESS WHEREOF, the parties hereto have caused this Lease to be executed in their respective names by their duly authorized signatories, all as of the date first above written.

THIS PERFORMANCE AGREEMENT, dated as of [DATE], 2017 (the “**Agreement**”), between the **CITY OF LEE’S SUMMIT, MISSOURI**, a constitutional charter city and municipal corporation duly organized and existing under the laws of the State of Missouri (the “**City**”), and **M150 ECHELON LAND DEVELOPMENT-, LLC**, a Missouri limited liability company (the “**Company**”);

RECITALS:

1. The City is authorized and empowered pursuant to the provisions of Article VI, Section 27(b) of the Missouri Constitution and Sections 100.010 through 100.200, inclusive, of the Revised Statutes of Missouri, as amended (collectively, the “**Act**”), to purchase, construct, extend and improve certain projects and to issue industrial development revenue bonds for the purpose of providing funds to pay the costs of such projects and to lease or otherwise dispose of such projects to private persons or corporations for manufacturing, commercial, research and development, warehousing and industrial development purposes upon such terms and conditions as the City shall deem advisable.

2. Pursuant to the Act, the City Council of the City gave notice to the affected taxing jurisdictions in accordance with Section 100.059.1 of the Act and held a public hearing to finance the costs of a project (the “**Project**”) for the Company consisting of the improvement of certain real property located generally at the Northwest corner of 291 and 150 Highways in the City (the “**Project Site**”), including the construction and improvement of a luxury apartment complex on the Project Site, out of the proceeds of the industrial development revenue bonds to be issued under the Act to provide funds to pay the costs of the Project, and to lease or sell the Project to the Company for the purpose of financing the costs of the Project.

3. Pursuant to Ordinance No. [_____] (the “**Ordinance**”) passed by the City Council on January 12, 2017, the City has approved a plan for the Company’s economic development project and has been authorized to execute and deliver (a) a Trust Indenture of even date herewith (the “**Indenture**”) between the City and BOKF, N.A., Kansas City, Missouri, as trustee (the “**Trustee**”), for the purpose of issuing and securing the City’s Taxable Industrial Development Revenue Bonds (Residences at Echelon Project), Series 2017 in the maximum principal amount of \$27,000,000 (the “**Bonds**”), (b) a Lease Agreement of even date herewith (the “**Lease**”) with the Company under which the City, as lessor, will construct, extend and improve the Project and will lease the Project to the Company, in consideration of rentals which will be sufficient to pay the principal of and interest on the Bonds, and (c) this Agreement for the purpose of setting forth the terms and conditions of the Project’s exemption from ad valorem real property taxes and certain payments in lieu of taxes to be made by the Company with respect to the Project.

4. Pursuant to the foregoing, the City desires to enter into this Agreement with the Company in consideration of the Company’s desire to construct, extend and improve the Project upon the terms and conditions hereinafter set forth.

NOW, THEREFORE, in consideration of the premises and the mutual representations, covenants and agreements herein contained, the City and the Company hereby represent, covenant and agree as follows:

REPRESENTATIONS

Section 2.1. City’s Representations. The City hereby represents that the Project will significantly benefit the City and the State of Missouri by (i) stimulating economic development in the City and the State; and (ii) increasing local and state tax revenues.

Section 2.2. Company’s Representations. The Company hereby represents that the Project will significantly benefit the City and the State of Missouri by (i) stimulating economic development in the City and the State; and (ii) increasing local and state tax revenues.

ARTICLE III

PROPERTY TAX EXEMPTION; PAYMENT IN LIEU OF TAXES

Section 3.1. Property Tax Exemption. So long as the City owns title to the Project, the City expects that the Project will be exempt from ad valorem taxes on real property. The first year of the exemption period for purposes of this Agreement shall begin on January 1, 2017. Notwithstanding any other provision of this Agreement to the contrary, the last year of such exemption period shall be 2028. The Company covenants and agrees that, during each year the Project is exempt from ad valorem taxes by reason hereof, the Company will make annual payments in lieu of taxes to the City (each such payment, a “PILOT”) as described in this **Article III**. The City and the Company hereby agree that the tax abatement provided by this Agreement shall only apply to property financed with the proceeds of the Bonds (i.e., property constituting a part of the Project) and shall not apply to property not financed with proceeds of the Bonds.

Section 3.2. Payments In Lieu of Taxes for Project. The Company covenants and agrees to make PILOT Payments to the City on or before each December 31, commencing December 31, 2017, in the amounts, and in the years, set forth in **Exhibit B** attached hereto. Additionally, because the Project Site is being transferred to the City in 2017, the real property is not subject to ad valorem taxation for 2017 and 2018, and therefore, the Company, to the extent the taxes for 2017 or 2018 are not paid, is required to make a PILOT Payment equal to 100% of the taxes that would otherwise be due for 2017 and 2018 in the amounts shown in **Exhibit B**.

Section 3.3. Termination for Failure to Operate the Project as a Commercial Facility. If the Company fails to operate the Project as a Commercial Facility, other than temporary closures customary in the applicable industry, then in addition to any other remedies that may be available to the City under the Lease or hereunder, the percentage of PILOTS set forth in **Section 3.2** shall be increased to 100% of the ad valorem real property taxes that would otherwise have been due on the Project during each year following such failure, including the year in which the failure occurs, and during which the Project is exempt from ad valorem real property taxes as provided herein.

Section 3.4. Distribution of PILOTS. Within 30 days of the date of receipt of each PILOT, the City or designated billing/collection agent shall distribute each PILOT among the taxing jurisdictions. However, upon a termination under **Section 3.3**, the City or designated billing/collection agent shall distribute each PILOT among the taxing jurisdictions in proportion to the amount of taxes which would have been paid in each year had the Project not been exempt from taxation pursuant to this Agreement.

Section 3.5. Obligation of City to Effect Tax Abatement. The City agrees to take all actions within its control to obtain and/or maintain in effect the exemption referred to in **Section 3.1** above, including any filing required with any governmental authorities; provided, however, the City shall not be liable for any failure of Jackson County, Missouri or any other governmental taxing authority to recognize the exemption provided herein. The City covenants that it will not voluntarily take any action that may cause or induce the levy or assessment of ad valorem taxes on the Project. In the event such a levy or assessment should occur, the City shall, at the Company’s request and at the Company’s expense, fully cooperate with the Company in all reasonable ways to prevent and/or remove any such levy or assessment against the Project.

Section 3.6. Administration Costs. Under Section 100.050 of the Act, the City may require the Company to reimburse the City for its actual costs of issuing the Bonds and administering the plan including costs associated with this Agreement, in an amount of no greater than \$1,000 per year. The

City will provide a statement for such costs to the Company not later than November 15th of each year and the Company will reimburse the City for its costs on or before December 31 of each year continuing until December 31 of the year in which this Agreement expires or is terminated.

Section 3.7. Other Property Taxes In Connection with the Project. The real property tax exemption provided by the City's ownership of the Project is expected to apply to all interests in the Project during the period it is owned by the City. If any ad valorem property taxes are levied by or on behalf of any taxing jurisdiction against any interest in the Project during the period the City owns the Project (including, without limitation, any ad valorem taxes levied against the Company's rights in the Lease), the amount of ad valorem tax payments related to such levy or levies which are paid by the Company and received by the City and other taxing jurisdictions shall be credited against and reduce on a *pro rata* basis the amount of the PILOT Payments the Company is obligated to pay pursuant to this Agreement. The Company shall be responsible for any taxes related to any interest in the Project which the Company owns in its own name or granted to the Company other than pursuant to the Lease.

Section 3.8. Credits for Certain Tax Payments. Nothing in this Agreement shall be construed to require the Company to make duplicate tax payments. The Company shall receive a credit hereunder to such extent it has made any payment for ad valorem real property taxes on the Project to Jackson County, Missouri.

Section 3.9. Company's Right To Protest Taxes. Notwithstanding any other provision of this Agreement to the contrary, nothing in this Agreement shall be construed to limit or in any way restrict the availability of any provision of Missouri law which confers upon the Company the right to appeal, protest or otherwise contest any property tax valuation, assessment, classification or similar action.

Section 3.10. No Abatement on Special Assessments, Licenses or Fees. The City and the Company hereby agree that the property tax exemptions described in this Agreement shall not apply to special assessments and shall not serve to reduce or eliminate any other licenses or fees owing to the City or any other taxing jurisdiction with respect to the Project. The Company hereby agrees to make payments with respect to all special assessments, licenses and fees which would otherwise be due with respect to the Project if such Project was not owned by the City.

Section 3.11. PILOTS Following Cessation of Operations. If for any reason the Company ceases operations of the Project during the term of this Agreement, the percentage of PILOTS set forth in **Section 3.2** shall be increased to 100% of the ad valorem real property taxes that would otherwise have been due on the Project for each year following such cessation of operations including the year of cessation of operations. "Ceases operations" or "cessation of operations" for the purpose of this paragraph means the Company completely vacates, abandons and permanently ceases operations for a period of 90 consecutive days during the term of this Agreement, unless the Project has been subject to a casualty and the Company is intending to rebuild the Project or the Company's interest in this Agreement has been transferred pursuant to **Article V** hereof and the Project continues in operation thereafter.

ARTICLE IV

The Company hereby grants such warranties regarding environmental matters as set forth in **Section 10.9** of the Lease. This section shall not apply to the negligence or willful misconduct of the City or its officers, employees or agents.

Section 4.7. Sales Tax Exemptions. In order to obtain an exemption from state and local sales taxes, the City will provide a project exemption certificate to the Company in connection with the Company's acquisition of the construction materials for the Project Improvements.

ARTICLE V

SALE AND ASSIGNMENT

The benefits granted by the City to the Company pursuant to this Agreement shall belong solely to the Company, and such benefits shall not be transferred (other than to an affiliate of the Company), assigned, pledged or in any other manner hypothecated without the express written consent of the City; but nothing herein shall preclude the Company from assigning or pledging its interest in the Project so long as the Company continues to operate the Project as a commercial apartment complex and otherwise remains responsible for its undertakings herein. Notwithstanding the foregoing, the Company may, without the City's consent, transfer its interests in this Agreement to any entity or person to whom the Lease has been assigned in accordance with **Article XIII** thereof.

ARTICLE VI

DEFAULT AND REMEDIES

Section 6.1. Events of Default. If any one or more of the following events shall occur and be continuing, it is hereby defined as and declared to be and to constitute an Event of Default hereunder:

(a) the Company fails to make any PILOT Payments required to be paid hereunder within 10 days after written notice and demand by the City;

(b) any representation of the Company contained herein proves to be materially false or erroneous and is not corrected or brought into compliance within 30 days (or such longer period as the City and the Company may agree in writing) after the City has given written notice to the Company specifying the false or erroneous representation and requiring it to be remedied; provided, that if such matter is not subject to cure within such 30 days (or such longer period as the City and Company agree in writing) after such notice, the Company fails to initiate action to cure the default within such 30 days after such notice and fails to pursue such action diligently; or

(c) the Company fails to operate the Project as a Commercial Facility.

Section 6.2. Remedies on Default. Upon an Event of Default hereunder this Agreement may be terminated by written notice to the Company from the City. Within thirty days of such termination and upon written notice of the dollar amounts due, the Company shall make a PILOT to the City equal to (i) the pro rata amount payable pursuant to **Section 3.3** hereof from January 1 of the year in question through the effective date of termination, plus (ii) the pro rata amount of taxes that would be due for the remaining portion of the year assuming the Project was placed on the tax rolls effective on the date of termination through December 31; provided, however, the payment of PILOTS following cessation of operations shall be governed by **Section 3.12**.

Upon any termination of this Agreement the Company agrees to pay interest and penalties on all amounts due hereunder to the same extent as if such payments were taxes under Missouri law.

Section 6.3. Payments on Defaulted Amounts. Any amounts due hereunder which are not paid when due shall bear interest at the interest rate imposed by Missouri law on overdue ad valorem real estate taxes from the date such payment was first due.

Section 6.4. Enforcement. In addition to the remedies specified in **Section 6.2**, upon the occurrence of an Event of Default, the City or any taxing jurisdictions that would benefit from the PILOT Payments due and owing under this Agreement may bring an action for specific performance to enforce such payments. In the event of litigation pertaining to the enforcement of this Agreement, the losing party shall pay all costs of litigation, including reasonable attorneys' fees.

Section 6.5. Failure of the City to Perform its Obligations. In the event the City shall fail to perform any of its obligations hereunder for (i) a period of 60 days (or such longer period as the Company and the City may agree in writing) following written notice to the City from the Company of such failure which notice shall include a specific description of the City's failure hereunder), or (ii) if such failure is not subject to cure within such 60 days, the City shall have failed to initiate action to cure such default and shall pursue such action diligently; the Company may declare that the City is in default under this Agreement and may pursue any legal remedy available to it to enforce this Agreement.

ARTICLE VII

TERM OF AGREEMENT

“**Stated Expiration Date**”). This Agreement shall automatically terminate prior to the Stated Expiration Date in the event the Bonds (or any Bonds issued to refund the Bonds) are no longer outstanding.

ARTICLE VIII

MISCELLANEOUS PROVISIONS

Section 8.1. Severability. If for any reason any provision of this Agreement shall be determined to be invalid or unenforceable, the validity and enforceability of the other provisions hereof shall not be affected thereby.

Section 8.2. Governing Law. This Agreement shall be construed in accordance with and governed by the laws of the State of Missouri.

Section 8.3. Execution in Counterparts. This Agreement may be executed simultaneously in several counterparts, each of which shall be deemed to be an original and all of which shall constitute but one and the same instrument.

Section 8.4. Waiver. The City and the Company acknowledge and agree that the amounts payable hereunder shall constitute payments due the City under the Lease executed in connection with the Bonds. The Company shall not be entitled to any extension of payment of such amounts as a result of a filing by or against the Company in any bankruptcy court.

Section 8.5. Entire Agreement. This Agreement constitutes the entire agreement relating to the subject matter contained herein and supersedes all prior agreements and understandings, both written and oral, between the City and the Company with respect to the subject matter hereof.

Section 8.6. Electronic Storage of Documents. The City and the Company agree that the transaction described herein may be conducted and related documents may be sent, received or stored by electronic means.

Section 8.7. Notices. All notices, certificates or other communications required or desired to be given hereunder shall be given in the manner specified in the Lease.

Section 8.8. Employee Verification. The Company will comply with and satisfy the requirements of Section 285.530.2, RSMo., as amended, which requires (1) any business entity receiving tax abatement to, by sworn affidavit and provision of documentation, annually affirm its enrollment and participation in a federal work authorization program with respect to the employees working in connection with the business entity receiving tax abatement, and (2) every such business entity to annually sign an affidavit affirming that it does not knowingly employ any person who is an unauthorized alien in connection with the entity receiving tax abatement. The Company shall provide such affidavits and documentation to the City on or before November 15 of each year during the term of this Agreement, beginning November 15, 2017, and also upon execution of this Agreement.

Section 8.9. Complete Agreement. The Company and the City understand that oral or unexpected agreements or commitments to loan money, extend credit or to forbear from enforcing repayment of a debt including promises to extend or renew such debt are not enforceable. To protect the Company and the City from misunderstanding or disappointment, any agreements the Company and the City reach covering such matters are contained in this Agreement and the Lease, which are the complete

and exclusive statements of the agreement between the Company and the City, except as the Company and the City may later agree in writing to modify this Agreement and the Lease.
