To whom it may concern:

Grains & Taps would like to request a downgrade of our city liquor license to remove the A1 license type from our license. We also have a B1 license. We have learned from discussions with Missouri Alcohol and Tobacco Control that the A1 license "folds" into the B1 license. Therefore, malt beverage manufacturing is covered under the B1 license.

Sincerely,

A handwritten signature in black ink that reads "Bradley Boehm". The signature is written in a cursive, flowing style.
