The Committee Interest form from cityofls.net was submitted.

Name: Jennifer Nussbeck

Home Address: 1048 NE Queens Court, Lee's Summit, MO 64064

Email Address: jcnussbeck@gmail.com

Phone Number: 816-982-2444

District of residence: District 2

Years as a resident: 4 years

High School Attended: O'Hara High School

College Attended: Missouri State University

Current Employment: Hope House, Inc.

Position Held: Chief Development Officer

Interest Response: Although I work in the non-profit sector, I feel that serving on a board or commission is my civic duty to assist in the prosperity of the city in which I work and live. Sharing my expertise in strategic and tactical planning is not only a part of my daily work, but also serves well as a member for the two foundation boards I currently sit on.

I have the time to dedicate to a board / commission and would be honored to be an impactful member.

Other Activities: I currently serve as Chair for the Tyrann Mathieu Foundation, as well as a board member for the Charlie Hustle Summer Series, which brings three high profile events to support several charities including: The Battle Within, Noah's Band-Aid Project, Dimensional Innovations Foundation and Children's Mercy.

I was also former Vice-Chair of the BMA Foundation for five years.

My professional career beyond Hope House, I served as Centennial Director for Union Station and National World War I Museum.

On a personal level, I work closely with area animal rescue shelters and outreach programs.

Interested in serving on: Beautification Commission, Parks and Recreation Board, Public Safety Advisory

Other Interests: I would be honored to serve on one of the board/committee/commissions selected above, however I have a strong affinity for the Public Safety Advisory Board. Through my work at Hope House and personal experiences, I feel that I would contribute to discussions, studies and reviews of fire safety, law enforcement and animal control ordinances. My experience with public information sharing, public relations, budgets, and crime prevention could be beneficial for this board and our great city.
