The building and site work will cost around \$4,000,000 and personal property will be around \$250,000.
- D.** Describe the capability of the project to attract sales from outside the City, if applicable.
Yes. We will attract many customers from the surrounding areas including Platte, Jackson and Johnson Counties in Missouri as well as Wyandotte and Johnson County Kansas.
- E.** Will this project attract additional residents to the area?
N/A
- F.** Are there plans for future expansion?
Yes, eventually we would like to purchase the skating rink to the east and add a service area.
- G.** What environmental impact will this project have on the area?
None
- H.** Will there be the use of federal or state incentives for this project?
N/A
- I.** Provide evidence of the need for the abatement (i.e., competitive pressures of the location, need for remediation of blight in proximity to the project, addition of jobs to a high unemployment area, etc.)
Our business is very inventory heavy. This dealership is a completely new business model for us in a location we currently do not serve.
- J.** Describe the estimated impact to proximate businesses, particularly to businesses selling similar products or services in the area.
While there are other auto dealerships in the area, the brands of the autos being sold by Aristocrat are not currently offered in the Lee's Summit market place. Such brands will likely result in accretive auto sales in the City of Lee's Summit given that likely buyers will be those buyers who had purchased such cars at other dealerships throughout the entire metro area.
