Exhibit A, list of exhibits 1-22 were entered into the record.

City Council discussions included:

- Proposed material for outer fence
- Proposed height of fence
- Only the four story buildings will have elevators
- ADA standards for the ground level units
- Clarification of the location on Lakewood Way discussed in the staff presentation
- Are any improvements planned for Lakewood Way in the city's five year Comprehensive Plan
- Is MoDOT planning any improvements to 470 Hwy and Lakewood Way
- Price points for units
- The amenities are intended for the entire development, and not just for apartments
- Did the traffic study take into account the traffic counts on 470 Hwy
- Did the traffic study take into account any accidents on 470 Hwy
- Traffic flow in and out of the development
- Were other ingress/egress access points explored to the west of the site
- The total number of parking spaces in the development is 947
- Current occupancy rates of other multifamily units in the city
- Local market demand and the developers site selection process
- Long term maintenance plan
- How would the increased call load effect the Fire Department
- Age requirement for the single family, age in place, units
- Date the area went under contract
- Topography of the area
- Price point for the single family homes
- Were single family homes considered instead of the multi-family units
- The developers market study area
- Comparables to the north of this development
- The developers opinion for the public's opposition to this project
- What does it take for the city to get shoulders and potholes repaired on

Lakewood Way, outside of the Comprehensive Plan

- The city's responsibility to the school district for overcrowding of schools
- Previous applications for this site and the year they were submitted
- What was the plan for this site when Monticello was built

There were no speakers in favor of this application.

Mr. Troy Bella spoke in opposition to this application. He was opposed to density in such park like surroundings. The lot sizes proposed for the single family dwellings on James Town Road would not be comparable to Monticello.

Mr. Scott Richards spoke in opposition to this application. He was opposed to the density in the area and voiced concerns about the number of uncovered parking spaces.

Ms. Chris Ray spoke in opposition to this application. She shared her concerns with how the added density will affect public safety response times.

Mr. Norman Greer spoke in opposition to this application. He was concerned about this project giving a mixed message of development to visitors entering through the northern gateway and the lack of walk ability in the area.

Mr. Rob Server spoke in opposition to this application. His concerns centered around the preservation of green space and the stress it would put on wildlife in the area.

Mr. Brian Conaty spoke in opposition to this application. His focus was the lack of infrastructure and lack of funding for maintenance in the city's budget.

Ms. Jamie Ledgerwood spoke in opposition to this application. Her concerns were public safety response times, traffic accidents and the lack of infrastructure.

Ms. Jami Grant spoke in opposition to this application. She commented on the economic benefits from this development which she thought would mostly go to Independence businesses.

Mr. Brad Twigg spoke in opposition to this application. He thought it was a great plan but for an urban area, not the suburbs. Multi family homes would require walk ability which is missing from this site.

Ms. Joan Bergstrom spoke in opposition to this application. She didn't think the single family homes would qualify for age in place living due to the steps.

Mr. James Reeselman spoke in opposition to this application. He was opposed

to rezoning the property from agriculture to multifamily. He would prefer rezoning to R1. He also stated public safety response times and infrastructure need to be built out before multifamily development in the area.

- 1) [BILL NO. 20-198](#) An Ordinance approving a rezoning from AG to districts R-1 and RP-4 and preliminary development plan for approximately 35 acres located at 1215 NE Bowlin Rd, proposed Stag's Field, in accordance with the provisions of Chapter 33, the Unified Development Ordinance of Lee's Summit Code of Ordinances, for the City of Lee's Summit, Missouri.
