Current Employment: Paragon Star USA

Position Held: Executive Assistant

Interest Response: My experience with a variety of Boards and as an Executive Director of a 501-c-3 led me to work side by side with Mayors, City Council Members, City Planners, along with other Community Stakeholders (university/UCM, Hospital/WMCC, County Commissioners, EDC, Chamber Members, Public Utilities, Local Business Owners), Boards of Education/Educators and the Members of the Community to invest in cultural diversity and foster community spirit. I actively participated in the procurement of grants (Art In Public Spaces) along with the Art Commission to bring in local and regional artists for concerts, farmers' market events, and town art walks. A focus on creating partnerships with Local Business, Farmer's Market and the University of Central MO (Farm to Table Gathering) resulted in the promotion of local goods and services. Creating and continuing: Festivals, Trick or Treat Nights, Dickens Christmas, Pub Crawls, Parades, Storytime Programs, Patriotic Memorial Celebrations, Shop Small and Wine Shopping Walk events became a destination attraction to encourage economic growth from outside travelers as well as encouraging overnight stays; to benefit the bed tax on local hotels. Being ever budget conscience, recruiting and providing direction for volunteers aided in maintaining strict budgets and highlighted local talents. As a Woman Owned and Woman Operated business owner I acted in the roles of: Human Resources, Marketing, Payroll,

Purchasing/Inventory, Scheduling, and Customer Relations. It was thrilling to develop and maintain a relationship with my employees and clients over 10 years of service.

Other Activities: I currently volunteer with the: Lee's Summit Chamber, Lee's Summit Parks & Recreation Department, and Downtown Lee's Summit with their events.

Interest Response: My passion for growth and success for the City of Lee's Summit grows more each day I'm a resident. Two years ago I chose to live in historic downtown Lee's Summit because of its vibrant and "support local" culture. I believe it's one of the most unique areas in the KC metropolitan area. In the short time I've called Lee's Summit home, I've become engaged in several civic and service organizations. I want to help initiate future growth and tourism opportunities because I am proud of the vision and direction of Lee's Summit leadership and community's support. I have seen the economic impact of tourism in other communities and look forward to using my skills to lead the efforts locally.

I quickly develop strong connections. Communication skills, follow through, and creating belonging are my strong suit. I'm a listener, trusted teammate, ethical, action-oriented, and a visionary.

High School Attended: Spencer High School, Spencer Iowa

College Attended: University of Norther Iowa

Current Employment: City of Liberty, MO

Position Held: Community Development Manager (Staff liaison to Preservation Commission and the Arts Commission)

Interest Response: I would love the opportunity to volunteer in a meaningful way for the City of Lee's Summit and have applicable experience that think would be a perfect fit for the newly established Cultural Commission. I have lived in Lee's Summit for 27 years and was the Executive Director of Downtown Lee's Summit Main Street, from 2003 until 2011, leading the downtown district through the years that new infrastructure and streetscaping were installed. I was responsible for the overall revitalization of the downtown and also assisted in the implementation of the downtown master plan. While I currently work for the City of Liberty, I still live in Lee's Summit and I have a love for the downtown, preservation and the arts! I am fortunate to do this work for a living for the City of Liberty, and have their Community Development Manager since 2016. In this role, my responsibilities in part consist of serving as the Preservation Planner to the Preservation Commission. Liberty was just recently recognized for 35 years as a Certified Local Government, a status I am responsible for maintaining. I work with the Historic District Review Commission and property owners to process applications for Certificate of Appropriateness for four local historic residential districts as well as the downtown commercial district, which consists of 297 contributing structures in National Register Districts. Also, as the city staff to the Liberty Arts Commission, I manage all of the art grants, the outdoor and indoor public art for the city, including the annual rotating sculpture program, our permanent art collection as well as scheduling the art exhibits in our city buildings and public partner galleries. Other responsibilities include managing neighborhood enhancement grants for

the city and overseeing code enforcement. With this experience, I fully understand the processes and procedures of local government as well as the importance of community engagement. This is a labor of love and I would be honored to share my knowledge and passion with the City of Lee's Summit as a member of the Cultural Commission.

Other Activities: 2023-2024 Parade of Hearts, Community Engagement Committee
Rebuilding Together Kansas City, Executive Board member since 2018
Historic Downtown Liberty, Board Member since 2016
I also periodically volunteer for Downtown Lee's Summit Main Street events.

Do you have a demonstrated interest, competence of knowledge in history, humanities, fine art, performing art, public art, natural resources, or cultural resources: Yes

Please elaborate on above: See above, I believe my work experience described above shows my knowledge and passion for all of these areas.

Past LS Boards or other community: In the past I served on the Civic Roundtable, the Downtown Master Plan task force and am an alumni of the Chamber of Commerce Leadership LS.
