

Sec. 22-77. - Application for alarm identification number required.

- A. *Identification number.* Prior to reporting any alarm to the Police, an alarm identification number for each separate system must be obtained by the subscriber or by the installation contractor from the Police Department.
- B. *Application.* Application for the alarm identification number shall be signed by the applicant and shall include the following information:
 - 1. *Address.* Common address at which the system is installed, not to include post office boxes.
 - 2. *Alarm subscriber.* Full name and address of the alarm subscriber.
 - 3. *Property owner.* Full name, street address, and telephone number of the owner(s) of the property at which the system is installed.
 - 4. *Type of alarm system.* Description of the system, including whether it is equipped to cease emitting an audible exterior alarm sound within fifteen (15) minutes of activation.
 - 5. *Alarm business.* Full name and address of the firm installing (or who has already installed) the system.
 - 6. *Date.* Date the system was installed.
 - 7. *Service.* If the system is serviced or maintained by someone other than the alarm subscriber, full name(s), address(es) of the person(s) servicing or maintaining the system.
 - 8. *Monitor.* If the system is monitored by someone other than the alarm subscriber, full name(s), address(es) of the person(s) monitoring the system.
 - 9. *Contact.* Name, address and telephone number of a person to be contacted by the Lee's Summit Police Department in the event the alarm subscriber is not available.
 - 10. *Additional information.* Any other information required by the Police Chief to facilitate compliance with this article.
- C. *Application fee.* Each application for an alarm identification number shall include an application fee in the amount set forth in the City's Schedule of Fees and Charges.
- D. *Disclaimer.* Application shall contain the following disclaimer: "Undersigned applicant agrees that the City of Lee's Summit shall have no responsibility in rendering or not rendering any service or in termination of service in connection with any alarm or alarm system, any service being voluntary and solely for the benefit of applicant and at no expense to applicant."
- E. *Transfer of possession.* When the possession of the premises at which a system is maintained is transferred, the person obtaining possession of the property shall file a new application for an alarm identification number within thirty (30) days of obtaining possession of the property.
- F. *Information change.* Whenever the information provided on the alarm identification number application changes, the correct information shall be provided to the Lee's Summit Police

Department within thirty (30) days of the change.

- G. *Application renewal fee.* At the beginning of each calendar year, an alarm identification number application renewal fee shall be collected from each alarm subscriber in the amount set forth in the City's Schedule of Fees and Charges.
