ROLL CALL

Present: 8 - Councilmember Rob Binney
Councilmember Trish Carlyle
Councilmember Phyllis Edson
Councilmember Craig Faith
Councilmember Diane Forte
Councilmember Chris Moreno
Councilmember Dave Mosby
Councilmember Diane Seif

APPROVAL OF AGENDA

Prior to approval of the agenda, Mayor Rhoads commented on the discord among Councilmembers and urged the members to find a way to work together.

Councilmember Moreno thought there was some confusion about a motion from the last meeting regarding Mayor Pro Tem appointments. Mr. Head explained the Council passed a motion removing the Parks Board liaison from a previous list; however, the Council approved the list that was included in the packet, which included the Parks Board liaison. Mr. Moreno moved for reconsideration of Item 2016-0138.

Councilmember Forte read a statement in which she withdrew as liaison to the Parks Board. Mr. Head noted there is now a vacancy in this position and the Mayor Pro-Tem can make a new appointment.

Mayor Rhoads advised the June 16, 2016 Action Letter will be removed from the Consent Agenda and reconsidered on July 14th after amendments are made. He also advised there was a Substitute Bill No. 16-141 due to scrivener's error.

On motion of Councilmember Binney, second by Councilmember Edson, the Council voted unanimously to approve the published agenda as amended.

1. **PUBLIC COMMENTS:**

Mr. and Mrs. Willis Clark asked Council to reconsider Council action from June 16, 2016, requiring them to remove their trash barrels from the alley behind their property on Market Street.

2. **COUNCIL COMMENTS:**

Mr. Head reminded Mayor Rhoads about combining the ENR (Environment and Natural Resources Committee) with the Public Works Committee. A bill was prepared but he was asking for Council consensus before presenting the bill for ordinance. Council reached a consensus to combine the two committees.

Councilmember Faith appreciated Councilmember Forte's comments and willingness to admit a mistake. He will not tolerate personal agendas but will consider all issues and make a decision based on facts. Councilmember Moreno stated this was about the purchasing process, not about Councilmember Forte.

Mayor Rhoads closed the regular session and opened the public hearing at 10:11 p.m.

Mr. Andrew Danner presented his plan for development of a 55 and older housing project in an in-field area. The Planning Commission recommended approval. As proposed, he felt this development would have a much lower impact on the area than the projects previously approved for this property.

Mr. Hector Soto, Jr., Planning Division Manager, entered Exhibits 1-21 into the record. This proposed development included approximately 2.6 acres and would be a four-story apartment complex with 72 units. Originally, the 2007 plans were for a shopping center with two buildings. The proposed plan would have a significantly less impact on parking and trip generation and would serve as a transitional use from single-family to commercial. The existing floodplain would provide a 200-foot buffer for the residential uses and the existing tree stand on Park property would serve as a physical buffer. Staff was recommending approval, subject to Conditions 1-4.

A protest petition was filed but failed to meet the 30% land requirement.

The following citizens voiced their opposition to the proposed development: Brigett Duet, 204 SE Brownfield Drive; Paul Hesberger, 212 SE Brownfield Drive; Glenda Clark, 208 SE Brownfield Drive; Larry Wright, 1623 SE Brome; Brian Smedley, 210 SE Brownfield Drive; Gina Shelton, 214 SE Brownfield Drive; Milly Leader, 205 SE Brownfield Drive; and, Ingrid Hesberger, 212 SE Brownfield Drive. Their concerns included the height of the structure, traffic, too much structure on a small lot; blocking walking path; lack of privacy; reduced property values; additional noise; and, flooding issues.

Hearing no further testimony, Mayor Rhoads closed the public hearing at 11:45 p.m.

Councilmember Moreno was concerned about the four stories and the possibility of renting to other than those over 55 years. Councilmember Forte thought the project was good but not the location. Councilmember Faith had public safety concerns. Councilmember Binney was glad to hear the residents were enjoying the walking trails; however, he agreed with the comments regarding water problems.

ACTION: A motion was made by Councilmember Moreno, seconded by Councilmember Mosby, that Appl. #PL2016-084 - REZONING from CP-2 to PMIX and PRELIMINARY DEVELOPMENT PLAN - Lee's Summit Senior Apartments, 110 SE Todd George Parkway; North Star Housing, LLC, applicant, be denied. The motion carried by a unanimous vote.
