WHEREAS, the City of Lee's Summit, Missouri (the "City") is a constitutional charter city and municipal corporation of the State of Missouri, duly created, organized and existing under and by virtue of the Constitution and laws of the State of Missouri; and,

WHEREAS, the City is authorized under the provisions of Article VI, Section 27 of the Missouri Constitution, as amended, and Sections 100.010 to 100.200, inclusive, of the Revised Statutes of Missouri, as amended (collectively, the "Act"), to purchase, construct, extend and improve certain projects (as defined in the Act) for the purposes set forth in the Act and to issue industrial development revenue bonds for the purpose of providing funds to pay the costs of such projects and to lease or otherwise dispose of such projects to private persons or corporations for manufacturing, commercial, warehousing and industrial development purposes upon such terms and conditions as the City shall deem advisable; and,

WHEREAS, the City, in accordance with Section 100.050 of the Act, has prepared a Plan for an Industrial Development Project and Cost-Benefit Analysis for Village at View High (the "Plan") for Archview Properties, LLC, an Indiana limited liability company ("Archview"), with respect to a project consisting of the construction and improvement of a high-end multi-family complex in the City (the "Project"), notice of the Project was given to the taxing jurisdictions in accordance with Section 100.059.1 of the Act and the City now desires to approve the Plan; and,

WHEREAS, the City desires to finance the costs of the Project out of the proceeds of industrial development revenue bonds to be issued under the Act (the "Bonds"); and,

WHEREAS, the City has and does hereby find and determine that it is desirable for the economic development of the City and within the public purposes of the Act that the City proceed with the issuance of the Bonds for the purpose described above; and,

WHEREAS, because the Bonds will be payable solely out of payments, revenues and receipts derived by the City from the lease of the Project to an affiliated company to be named by Archview for such purpose (the "Company") and from no other source, the City has determined that it is appropriate that the Bonds be sold to the Company pursuant to Section 108.170 of the Revised Statutes of Missouri, as amended, which provides that notwithstanding any other provisions of any law or any charter provision to the contrary, industrial development revenue bonds may be sold at private sale; and,

WHEREAS, the City further finds and determines that it is necessary and desirable in connection with approval of the Plan and the issuance of the Bonds that the City enter into certain

documents, and that the City take certain other actions and approve the execution of certain other documents as herein provided; and,

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF LEE'S SUMMIT, AS FOLLOWS:

SECTION 1. Promotion of Economic Development. The Council hereby finds and determines that the Project will promote the economic welfare and the development of the City, and the issuance of the Bonds by the City to pay the costs of the Project will be in furtherance of the public purposes set forth in the Act.

SECTION 2. Approval of Plan. The Council hereby approves the Plan attached hereto as Exhibit A in accordance with Section 100.050 of the Act.

SECTION 3. Authorization and Sale of the Bonds. The sale of the Bonds to the Company at private sale pursuant to the provisions of Section 108.170 of Revised Statutes of Missouri, as amended, at the interest rate and upon the terms set forth in the Trust Indenture is hereby approved.

**PLAN FOR AN INDUSTRIAL DEVELOPMENT PROJECT
AND
COST-BENEFIT ANALYSIS
FOR
VILLAGE AT VIEW HIGH**

I. PURPOSE OF THIS PLAN

The City Council of the City of Lee's Summit, Missouri (the "City") will consider an ordinance approving this Plan (defined below) and authorizing the issuance by the City of its taxable industrial development revenue bonds in the aggregate principal amount of not to exceed \$39,500,000 (the "Bonds"), to finance costs of an industrial development project (the "Project") for Archview Properties, LLC, an Indiana limited liability company, or its assigns (the "Company") as more fully described and defined herein. The Bonds will be issued pursuant to the provisions of Article VI, Section 27(b) of the Missouri Constitution, as amended and Sections 100.010 to 100.200 of the Revised Statutes of Missouri, as amended (collectively, the "Act").

This Plan for an Industrial Development Project and Cost-Benefit Analysis (the "Plan") has been prepared to satisfy requirements of the Act and to analyze the potential costs and benefits, including the related tax impact on all affected taxing jurisdictions, of using industrial development revenue bonds to finance the Project and to facilitate abatement of ad valorem taxes on the bond-financed property.

II. GENERAL DESCRIPTION OF CHAPTER 100 FINANCINGS

General. The Act authorizes cities, counties, towns and villages to issue industrial development revenue bonds to finance the purchase, construction, extension and improvement of warehouses, distribution facilities, research and development facilities, office industries, agricultural processing industries, service facilities that provide interstate commerce, industrial plants and other commercial facilities.

Issuance and Sale of Bonds. Revenue bonds issued pursuant to the Act do not require voter approval and are payable solely from revenues received from the project. The municipality issues its bonds and in exchange, the benefited company promises to make payments that are sufficient to pay the principal of and interest on the bonds as they become due. Thus, the municipality merely acts as a conduit for the financing.

Concurrently with the closing of the bonds, the company will convey to the municipality title to the property included in the project. (The municipality must be the legal owner of the property while the bonds are outstanding for the property to be eligible for tax abatement, as further described below.) At the same time, the municipality will lease the property, including the project, back to the benefited company pursuant to a lease agreement. The lease agreement will require the company, acting on behalf of the municipality, to use the bond proceeds to pay the costs or reimburse the costs of purchasing, constructing and installing the project, as applicable.

Under the lease agreement, the company typically: (1) will unconditionally agree to make payments sufficient to pay the principal of and interest on the bonds as they become due; (2) will agree, at its own expense, to maintain the project, to pay all taxes and assessments with respect to the project, and to maintain adequate insurance; (3) has the right, at its own expense, to make certain additions,

modifications or improvements to the project; (4) may assign its interests under the lease agreement or sublease the project while remaining responsible for payments under the lease agreement; (5) will covenant to maintain its corporate existence during the term of the bond issue; and (6) will agree to indemnify the municipality for any liability the municipality might incur as a result of its participation in the transaction.

Property Tax Abatement. Under Article X, Section 6 of the Missouri Constitution and Section 137.100 of the Revised Statutes of Missouri, all property of any political subdivision is exempt from taxation. In a typical transaction, the municipality holds fee title to the project and leases the project to the benefited company.

If the municipality and the company determine that partial tax abatement is desirable, the company may agree to make “payments in lieu of taxes.” The amount of payments in lieu of taxes is negotiable. The payments in lieu of taxes are payable by December 31 of each year, and are distributed to the municipality and to each political subdivision within the boundaries of the project in the same manner and in the same proportion as property taxes would otherwise be distributed under Missouri law.

III. DESCRIPTION OF THE PARTIES

Archview Properties, LLC. The Company is a limited liability company organized and existing under the laws of the State of Indiana.

City of Lee’s Summit, Missouri. The City is a constitutional home rule charter city and municipal corporation organized and existing under the laws of the State of Missouri. The City is authorized and empowered pursuant to the provisions of the Act to purchase, construct, extend and improve certain projects (as defined in the Act) and to issue industrial development revenue bonds for the purpose of providing funds to pay the costs of such projects and to lease or otherwise dispose of such projects to private persons or corporations for manufacturing, commercial, warehousing and industrial development purposes upon such terms and conditions as the City deems advisable.

IV. REQUIREMENTS OF THE ACT

Description of the Project. The Project to be financed by the Bonds consists of (1) the design and construction of the Village at View High apartments, an approximately 312-unit high-end multi-family complex and (2) associated site work and infrastructure. The Project being financed by the Bonds will be constructed on approximately 21.34 acres in the vicinity of the northeast intersection of 3rd Street and View High Drive, which is referred to as the “Project Site.”

Estimate of the Costs of the Project. The Project is expected to cost approximately \$39,500,000 and to be constructed during the years 2017 and 2018.

Source of Funds to be Expended for the Project. The sources of funds to be expended for the Project will be the proceeds of the Bonds in a principal amount not to exceed \$39,500,000, to be issued by the City and purchased by the Company or its designee (the “Bondholder”) and, if needed, other available funds of the Company. The Bonds will be payable solely from the revenues derived by the City from the lease or other disposition of the Project (as further described below). The Bonds will not be an indebtedness or general obligation, debt or liability of the City or the State of Missouri.

Statement of the Terms Upon Which the Project is to be Leased or Otherwise Disposed of by the City. The City will hold title to the Project Site under the Chapter 100 Transaction. The City will

lease the Project to the Company for lease payments equal to the principal and interest payments on the Bonds. Under the terms of the lease agreement with the City, the Company will have the option to purchase the Project at any time and will have the obligation to purchase the Project at the termination of the lease. The lease between the City and the Company will terminate in 2028, unless terminated sooner pursuant to the terms of the lease.

Affected School District, Community College District, County and City. The Lee's Summit R-7 School District is the school district affected by the Project. Jackson County, Missouri is the county affected by the Project. Metropolitan Community College is the community college district affected by the Project. The City is the city affected by the Project. The Cost-Benefit Analysis attached hereto identifies all other taxing districts affected by the Project (other than those taxing entities solely affected by the Project with respect to receipt of tax revenues from the commercial surcharge tax).

Assessed Valuation. The most recent equalized assessed valuation of the Project Site is \$13,099.¹ The estimated total equalized assessed valuation of the Project Site after construction of the Project (2019) is \$3,721,613. This valuation was calculated based upon an assumed appraised value of \$19,587,434 for the Project Site in year 2019, multiplied by the assessment rate of 19%.

Payments in Lieu of Taxes. If this Plan is approved by the City Council, the City intends to issue the Bonds in 2017 and to provide tax abatement to the Company for the Project for a period of ten years beginning in 2019. During years 2017 and 2018, the Project will be under construction and the Company will pay a partial payment in lieu of taxes as set forth below. For all the years that the Project Site is subject to tax abatement as provided herein, the Company will make a fixed PILOT payment in December of each year in accordance with the following schedule:

2017-18	\$ 1,149
2019-21	\$ 327,912
2022-26	\$ 336,110
2027-28	\$ 344,513

Sales Tax Exemption on Construction Materials. It is anticipated that the construction materials used to construct the Project will be exempt from state and local sales taxes.

Cost-Benefit Analysis and Discussion of Exhibits. In compliance with Section 100.050.2(3) of the Revised Statutes of Missouri, this Plan has been prepared to show the costs and benefits to the City and to other taxing jurisdictions affected by the tax abatements and exemptions of the Project. The following is a summary of the exhibits attached to this Plan that show the direct tax impact the Project is

¹ The Project Site consists of two separate parcels, both of which are currently part of larger tracts. The first parcel (Parcel I.D. No. 62-330-99-98-01-0-00-000) is owned by Parrot Properties Inc. and is approximately 24.89 acres. The Company is purchasing approximately 18.46 acres from Parrot Properties Inc. Based on information received from Jackson County, it is assumed that the most recent equalized assessed valuation of the land for the larger 24.89 acres tract is \$17,416. The land owned by the Company is approximately 74.47% of the acreage of the 24.89 acre site and it is therefore assumed that the most recent equalized assessed valuation of the land owned by the Company is \$12,969. The second parcel (Parcel I.D. No. 62-330-99-98-02-1-00-000) is owned by Mike's Farm Inc. and is approximately 11.13 acres. The Company is purchasing approximately 3.29 acres from Mike's Farm Inc. Based on information received from Jackson County, it is assumed that the most recent equalized assessed valuation of the land for the larger 11.13 acres is \$441. The land owned by the Company is approximately 29.53% of the acreage of the approximately 11.13 acre site and it is therefore assumed that the most recent equalized assessed valuation of the land owned by the Company is \$130.

expected to have on each taxing jurisdiction. This Plan does not attempt to quantify the overall economic impact of the Project.

Project Assumptions. **Exhibit 1** presents a list of the assumptions related to the determination of assessed valuations and the tax formulas.

Summary of Cost-Benefit Analysis. **Exhibit 2** presents a summary for each affected taxing district of (1) the total estimated tax revenues that would be generated if the Project did not occur and (2) the total estimated value of the payments in lieu of taxes (“PILOT Amounts”) to be made by the Company for the proposed abatement period.

Real Property. **Exhibit 3** provides the projected tax revenues which would be paid on the Project Site without tax abatement and without the Project. **Exhibit 4** provides the projected value of PILOT Amounts to be paid by the Company.

V. ASSUMPTIONS AND BASIS OF PLAN

In preparing this Plan, key assumptions have been made to estimate the fiscal impact of the abatement and exemptions proposed for the Project. See **ATTACHMENT A** for a summary of these assumptions.

Information necessary to complete this Plan, has been furnished by representatives of the City, representatives of the Company and its counsel, the Bondholder and other persons deemed appropriate and such information has not been independently verified for accuracy, completeness or fairness.

ATTACHMENT A

SUMMARY OF KEY ASSUMPTIONS

1. The cost of designing and constructing the Project is estimated to be approximately \$39,500,000.

2. The Project will be owned by the City and leased to the Company with an option to purchase. As long as the Project is owned by the City, it will be exempt from ad valorem taxes.

3. The Project Site will be excluded from the calculation of ad valorem property taxes for a period of twelve years beginning in 2017.

4. During the entire term of the Bonds through 2028, the Company will make payments in lieu of taxes in accordance with that portion of Section IV above in the Plan entitled "Payments in Lieu of Taxes."

5. Commercial real property taxes are calculated using the following formula:

$$(\text{Assessed Value} * \text{Tax Rate})/100$$

6. The assessed value of the Project Site is calculated using the following formula:

$$\text{Estimated Value} * \text{Assessment Ratio of 19\%}$$

7. The tax rates used in this Plan reflect the rates in effect for the tax year 2016. The tax rates were held constant through the 2028 tax year.

3. Pursuant to the Ordinance, the City is authorized to enter into a Trust Indenture of even date herewith (the "Indenture") with BOKF, N.A., Kansas City, Missouri, as Trustee (the "Trustee"), for the purpose of issuing and securing the Bonds, as therein provided, and to enter into this Lease with the Company under which the City will construct and improve the Project Improvements, and lease the Project Site and the Project Improvements as they may at any time exist (collectively, the "Project"), to the Company in consideration of rental payments by the Company that will be sufficient to pay the principal of and interest on the Bonds.

4. In consideration of the terms and conditions of this Lease, the Ordinance, issuance of the Bonds and certain other agreements, the City and the Company have concurrently herewith entered into a Performance Agreement of even date herewith (the "Performance Agreement"), pursuant to which the Company has agreed to make certain payments in lieu of taxes.

5. Pursuant to the foregoing, the City desires to lease the Project to the Company and the Company desires to lease the Project from the City, for the rentals and upon the terms and conditions hereinafter set forth.

NOW, THEREFORE, in consideration of the premises and the mutual representations, covenants and agreements herein contained, the receipt and sufficiency of which are hereby acknowledged, the City and the Company do hereby represent, covenant and agree as follows:

ARTICLE IV

CONSTRUCTION AND IMPROVEMENT OF THE PROJECT

Section 4.1. Issuance of the Bonds. To provide funds for the payment of Project Costs, the City agrees that, upon request of the Company, it will issue, sell and cause to be delivered the Bonds to the purchaser thereof in accordance with the provisions of the Indenture and the Bond Purchase Agreement. The proceeds of the sale of the Bonds, when received, shall be paid over to the Trustee for the account of the City. The Trustee shall promptly deposit such proceeds, when received, as provided in the Indenture, to be used and applied as hereinafter provided in this Lease and in the Indenture. Alternatively, the Trustee may, (pursuant to **Section 208(d)** of the Indenture) endorse the Bonds in an amount equal to the requisition certificates submitted pursuant to **Section 4.4** below. In that event, the

purchaser of the Bonds shall be deemed to have deposited funds with the Trustee in an amount equal to the amount stated in the requisition certificate.

Section 4.2. Construction and Improvement of the Project. The City and the Company agree that the Company, as the agent of the City, shall, but solely from the Project Fund, construct and improve the Project as follows:

(a) The City has acquired the Project Site prior to the execution hereof. Concurrently with the execution of this Lease, (i) a deed and any other necessary instruments of transfer will be delivered to the City and placed of record, and (ii) the commitment for title insurance or ownership and encumbrance report required by **Article VII** hereof will be delivered to the City and the Trustee;

(b) On behalf of the City, the Company will construct and improve the Project Improvements on the Project Site and otherwise improve the Project Site in accordance with the Plans and Specifications. The Company may revise the Plans and Specifications from time to time as it deems necessary to carry out the Project, but revisions that would alter the intended purpose of the Project may be made only with the prior written approval of the City. The Company agrees that the aforesaid construction and improvement will, with such changes and additions as may be made hereunder, result in facilities suitable for use by the Company for its purposes, and that all real and personal property described in the Plans and Specifications, with such changes and additions as may be made hereunder, is desirable and appropriate in connection with the Project. The provisions of this paragraph are in addition to and do not supersede the provisions of **Section 8.2**;

(c) The Company will comply with the provisions of Section 107.170 of the Revised Statutes of Missouri, as amended, to the extent applicable to the construction of the Project; provided, however, that (i) nothing herein shall constitute, or be deemed to be, an agreement or acknowledgment by either the City or the Company that Section 107.170 of the Revised Statutes of Missouri, as amended, is applicable to the construction of the Project or any portion thereof, and (ii) the City and the Company hereby acknowledge and agree that the Project is not a "public work" for purposes of Section 107.170 of the Revised Statutes of Missouri, as amended; and

(d) The Company agrees that it will use reasonable efforts to cause the construction and improvement of the Project to be completed as soon as practicable with all reasonable dispatch. In the event such construction and improvement commences prior to the receipt of proceeds from the sale of the Bonds, the Company agrees to advance all funds necessary for such purpose.

Section 4.3. Project Costs. The City hereby agrees to pay for, but solely from the Project Fund, and hereby authorizes and directs the Trustee to pay for, but solely from the Project Fund, all Project Costs upon receipt by the Trustee of a certificate pursuant to **Section 4.4** hereof. The Company may not submit any requisition certificates for Project Costs incurred after the Completion Date. The Company must submit all requisitions for Project Costs incurred before the Completion Date within three months after the Completion Date.

Section 4.4. Payment for Project Costs. All Project Costs as specified in **Section 4.3** hereof shall be paid by the Trustee from the Project Fund as more fully provided in the Indenture, and the City hereby authorizes and directs the Trustee to make disbursements from the Project Fund, upon receipt by

the Trustee of certificates in substantially the form attached hereto as **Exhibit C**, signed by an Authorized Company Representative, which disbursements may be recorded via a transaction entry on the trust records held by the Trustee. The Trustee may rely conclusively on any such certificate and shall not be required to make any independent investigation in connection therewith. The submission of any requisition certificate by an Authorized Company Representative shall constitute unto the Trustee an irrevocable determination that all conditions precedent to the payments requested have been satisfied.

Section 4.5. Establishment of Completion Date. The Completion Date shall be evidenced to the Trustee by a certificate signed by the Authorized Company Representative stating (a) the construction and improvement of the Project has been completed in accordance with the Plans and Specifications, (b) that all costs and expenses incurred in the construction and improvement of the Project have been paid except costs and expenses the payment of which is not yet due or is being retained or contested in good faith by the Company, and (c) amounts to be retained by Trustee with respect to item (b) above. Notwithstanding the foregoing, such certificate shall state that it is given without prejudice to any rights against third parties which exist at the date of such certificate or which may subsequently come into being. The Company and the City agree to cooperate in causing such certificate to be furnished to the Trustee.

Section 4.6. Surplus or Deficiency in Project Fund.

(a) Upon receipt of the certificate described in **Section 4.5** hereof, the Trustee shall, as provided in **Section 504** of the Indenture, transfer any remaining moneys then in the Project Fund to the Bond Fund to be applied as directed by the Company solely to (1) the payment of principal and premium, if any, of the Bonds through the payment (including regularly scheduled principal payments, if any) or redemption thereof at the earliest date permissible under the terms of the Indenture, or (2) at the option of the Company, to the purchase of Bonds at such earlier date or dates as the Company may elect. Any amount so deposited in the Bond Fund may be invested as permitted by **Section 702** of the Indenture.

(b) If the Project Fund shall be insufficient to pay fully all Project Costs and to complete the Project free of liens and encumbrances other than Permitted Encumbrances, the Company shall pay, in cash, the full amount of any such deficiency by making payments thereof directly to the contractors and to the suppliers of materials and services as the same shall become due, and the Company shall save the City and the Trustee whole and harmless from any obligation to pay such deficiency.

Section 4.7. Project Property of City. The Project Site and the Project Improvements, which the Company desires to convey to the City, including all work and materials on the Project Improvements as such work progresses, and all additions or enlargements thereto or thereof, the Project as fully completed, anything under this Lease which becomes, is deemed to be, or constitutes a part of the Project, and the Project as repaired, rebuilt, rearranged, restored or replaced by the Company under the provisions of this Lease, except as otherwise specifically provided herein, shall immediately when erected or installed become the absolute property of the City, subject only to this Lease, the Indenture, any Permitted Encumbrances, and the Leasehold Mortgage, if any.

Section 4.8. Non-Project Improvements, Machinery and Equipment Property of the Company. Any improvements or items of machinery or equipment which do not constitute part of the Project Improvements and the entire purchase price of which is paid for by the Company with the Company's own funds, and no part of the purchase price of which is paid for from funds deposited pursuant to the terms of this Lease in the Project Fund, shall be the property of the Company and shall not constitute a part of the Project for purposes of **Section 6.4** hereof and therefore are subject to taxation, to the extent otherwise provided by law.

Section 4.9. Environmental Matters. The Company acknowledges that is it responsible for maintaining the Project in compliance with all Environmental Laws. In the event that the Company fails to undertake to comply with any final, non-appealable order issued by any local, state or federal authority under applicable Environmental Law, the City or the Trustee, immediately after notice to the Company, may elect (but shall not be required) to undertake such compliance. Any moneys expended by the City or the Trustee in efforts to comply with any applicable Environmental Law (including the reasonable cost of hiring consultants, undertaking sampling and testing, performing any cleanup necessary or useful in the compliance process and reasonable attorneys' fees) shall be due and payable as Additional Rent hereunder with interest thereon at the average rate of interest per annum on the Bonds, plus two (2) percentage points, from the date such cost is incurred. There shall be unlimited recourse to the Company to the extent of any liability incurred by the City or the Trustee with respect to any breaches of the provisions of this section.

The Company shall and does hereby indemnify the City, the Trustee and the Bondowners and agree to defend and hold them harmless from and against all loss, cost, damage and expense (including, without limitation, reasonable attorneys' fees and costs associated incurred in the investigation, defense and settlement of claims) that they may incur, directly or indirectly, as a result of or in connection with the assertion against them or any of them of any claim relating to the presence on, escape or removal from the Project during the term of this Lease of any hazardous substance or other material regulated by any applicable Environmental Law, or compliance with any applicable Environmental Law, whether such claim is raised before, during or after the term of this Lease, including claims relating to personal injury or damage to property; provided, however, this indemnity shall only relate to claims resulting from the City's ownership of the Project and the Trustee's acceptance of its duties as Trustee hereunder.

ARTICLE V

RENT PROVISIONS

Section 5.1. Basic Rent. The Company covenants and agrees to pay to the Trustee in same day funds for the account of the City during this Lease Term, for deposit in the Bond Fund on or before 10:00 a.m., Trustee's local time, on or before each December 1, commencing December 1, 2017 and continuing until the principal of and interest on the Bonds shall have been fully paid, an amount which, when added to any collected funds then on deposit in the Bond Fund and available on such Payment Date, shall be equal to the total amount payable on each December 1 as interest on the Bonds. On December 1, 2028 (or such earlier date as the Company may elect to redeem the Bonds), the Company shall also pay an amount equal to all principal then due on the Bonds in connection with such maturity or redemption. All payments of Basic Rent provided for in this Section shall be paid directly to the Trustee and shall be deposited in accordance with the provisions of the Indenture into the Bond Fund and shall be used and applied by the Trustee in the manner and for the purposes set forth in this Lease and the Indenture, provided that if the Company is the Owner of all the Bonds Outstanding, payment of Basic Rent as provided for in this Section may be made via a transaction entry on the trust records held by the Trustee and the Paying Agent consistent with **Section 204(d)** of the Indenture. Any Basic Rent paid by the Company which exceeds the total amount payable on such payment dates shall be immediately paid to the Company by wire transfer. At its option, on the final Payment Date, the Company may deliver to the Trustee for cancellation Bonds not previously paid and the Company shall receive a credit against the Basic Rent payable by the Company in an amount equal to the principal amount of the Bonds so tendered for cancellation plus accrued interest thereon.

Notwithstanding anything contained in this Lease, the Indenture, the Bond Purchase Agreement or the Performance Agreement to the contrary, if the Purchaser, or any other affiliate of the Company, is the Owner of all of the Bonds Outstanding, payments of Basic Rent may be made via a transaction entry on the trust records held by the Trustee and the Paying Agent without requiring the Company to wire or otherwise transfer any moneys to such Owner or the Trustee.

Section 5.2. Additional Rent. The Company shall pay as Additional Rent, within 30 days after receiving an itemized invoice therefor, the following amounts as and when the same become due:

(a) all reasonable fees, charges and expenses, including agent and counsel fees, of the Trustee incurred under the Indenture, this Lease, or any other document entered into in connection with the Bonds, as and when the same become due;

(b) all costs incident to the payment of the principal of and interest on the Bonds as the same becomes due and payable, including all costs and expenses in connection with the call, redemption and payment of all outstanding Bonds;

(c) all reasonable costs which are reasonably incurred in connection with the enforcement of any rights against the Company or the Project or in connection with a failure of the Company to perform its obligations under this Lease, the Indenture or the Performance Agreement by the City, the Trustee or the Bondowners, including counsel fees and expenses;

(d) all amounts payable under the Performance Agreement; or

(e) all other payments of whatever nature which Company has agreed to pay or assume under the provisions of this Lease.

Section 5.3. Obligations of Company Absolute and Unconditional.

(a) The obligations of the Company under this Lease to make payments of Basic Rent and Additional Rent on or before the date the same become due, and to perform all of its other obligations, covenants and agreements hereunder shall be absolute and unconditional, without notice or demand, and without abatement, deduction, set-off, counterclaim, recoupment or defense or any right of termination or cancellation arising from any circumstance whatsoever, whether now existing or hereafter arising, and irrespective of whether the Project has been started or completed, or whether the City's title thereto or to any part thereof is defective or nonexistent, and notwithstanding any damage to, loss, theft or destruction of, the Project or any part thereof, any failure of consideration or frustration of commercial purpose, the taking by eminent domain of title to or of the right of temporary use of all or any part of the Project, legal curtailment of the Company's use thereof, the eviction or constructive eviction of the Company, any change in the tax or other laws of the United States of America, the State of Missouri or any political subdivision thereof, any change in the City's legal organization or status, or any default of the City hereunder, and regardless of the invalidity of any action of the City; provided, however, that nothing in this **Section 5.3(a)** or **Section 5.3(b)** is intended or shall be deemed to affect or impair in anyway the rights of the Company to tender Bonds for redemption in satisfaction of Basic Rent as provided in **Section 5.1** and **Section 5.4** hereof, nor the right of the Company to terminate this Lease and repurchase the Project as provided in **Article XI** hereof.

(b) Nothing in this Lease shall be construed to release the City from the performance of any agreement on its part herein contained or as a waiver by the Company of any rights or claims the Company may have against the City under this Lease or otherwise, but any recovery upon such rights and

claims shall be had from the City separately, it being the intent of this Lease that the Company shall be unconditionally and absolutely obligated to perform fully all of its obligations, agreements and covenants under this Lease (including the obligation to pay Basic Rent and Additional Rent) for the benefit of the Owners and the City. The Company may, however, at its own cost and expense and in its own name or in the name of the City, prosecute or defend any action or proceeding or take any other action involving third Persons which the Company deems reasonably necessary in order to secure or protect its right of possession, occupancy and use hereunder, and in such event the City hereby agrees to cooperate fully with the Company and to take all action necessary to effect the substitution of the Company for the City in any such action or proceeding if the Company shall so request.

Section 5.4. Prepayment of Basic Rent. The Company may at any time and from time to time prepay a portion of the Basic Rent provided for hereunder (subject to the limitations of **Section 301(a)** of the Indenture relating to the redemption of the Bonds. Subject to **Section 301(a)** of the Indenture relating to the redemption of Bonds, the Company, at its option, may deliver to the Trustee for cancellation Bonds owned by the Company and not previously paid, and the Company shall receive a credit against amounts payable by the Company for the redemption of Bonds in an amount equal to the principal amount of the Bonds so tendered for cancellation, plus accrued interest thereon.

Without limiting the generality of the foregoing, the Company shall at all times remain in compliance with all provisions of the City's charter relating to maintenance and appearance.

Section 6.2. Taxes, Assessments and Other Governmental Charges.

(a) Subject to subsection (b) of this Section, the Company shall promptly pay and discharge, as the same become due, all taxes and assessments, general and special, and other governmental charges of any kind whatsoever that may be lawfully taxed, charged, levied, assessed or imposed upon or against or be payable for or in respect of the Project, or any part thereof or interest therein (including the leasehold estate of the Company therein) or any buildings, improvements, machinery and equipment at any time installed thereon by the Company, or the income therefrom, including any new taxes and assessments not of the kind enumerated above to the extent that the same are lawfully made, levied or assessed in lieu of or in addition to taxes or assessments now customarily levied against real or personal property, and further including all utility charges, assessments and other general governmental charges and impositions whatsoever, foreseen or unforeseen, which if not paid when due would impair the security of the Bonds or encumber the City's title to the Project; provided that with respect to any special assessments or other governmental charges that are lawfully levied and assessed which may be paid in

installments, the Company shall be obligated to pay only such installments thereof as become due and payable during the Lease Term.

(b) The Company may, in its own name or in the City's name, contest the validity or amount of any tax, assessment or other governmental charge which the Company is required to bear, pay and discharge pursuant to the terms of this Article by appropriate legal proceedings instituted at least 10 days before the tax, assessment or other governmental charge complained of becomes delinquent if and provided (1) the Company, before instituting any such contest, gives the City and the Trustee written notice of its intention to do so, (2) the Company diligently prosecutes any such contest, at all times effectively stays or prevents any official or judicial sale therefor, under execution or otherwise, and (3) the Company promptly pays any final judgment enforcing the tax, assessment or other governmental charge so contested and thereafter promptly procures record release or satisfaction thereof. The City agrees to cooperate fully with the Company in connection with any and all administrative or judicial proceedings related to any tax, assessment or other governmental charge. The Company shall save and hold harmless the City and the Trustee from any costs and expenses the City and the Trustee may incur related to any of the above.

(c) Nothing in this Lease shall be construed to require the Company to make duplicate tax payments. The Company shall receive a credit against any payments in lieu of taxes due under the Performance Agreement to the extent of any ad valorem taxes imposed and paid by the Company with respect to the Project paid pursuant to this Section.

Section 6.3. Utilities. All utilities and utility services used by the Company in, on or about the Project shall be paid for by the Company and shall be contracted for by the Company in the Company's own name (or the name(s) of its Affiliates), and the Company shall, at its sole cost and expense, procure any and all permits, licenses or authorizations necessary in connection therewith.

Section 6.4. Property Tax Exemption. The City and the Company agree that while the Project is owned by the City and is subject to this Lease, the Project and the leasehold interest of the Company in the Project will be exempt from all *ad valorem* real and personal property taxes by reason of such ownership, and the City agrees that it will (at the expense of the Company) cooperate with the Company to defend such exemption against all parties in accordance with the Performance Agreement attached hereto as *Appendix I*. Notwithstanding the foregoing, Company will annually pay to the City the payments with respect to the Project set forth in the Performance Agreement.

ARTICLE VII

INSURANCE

Section 7.1. Title Commitment or Report. Before conveying title to any real property to the City, the Company will purchase, from a title insurance company reasonably acceptable to the City, a commitment for title insurance or provide such other report in a form reasonably acceptable to the City showing the ownership of and encumbrances on the Project Site. Copies of such report shall be provided to the City and the Trustee.

Section 7.2. Property Insurance.

(a) The Company shall at its sole cost and expense obtain and shall maintain throughout the Lease Term, a policy or policies of insurance (including, if appropriate, builder's risk insurance) to keep

the Project constantly insured against loss or damage by fire, lightning and all other risks covered by the extended coverage insurance endorsement then in use in the State of Missouri in an amount equal to the Full Insurable Value thereof (subject to reasonable loss deductible provisions). The term "Full Insurable Value" shall mean the actual replacement cost of the Project, without deduction for physical depreciation. The insurance required pursuant to this Section shall be maintained with a generally recognized responsible insurance company or companies authorized to do business in the State of Missouri or generally recognized international insurers or reinsurers with an A.M. Best rating of B+ or the equivalent thereof or better as may be selected by the Company. All such policies of insurance pursuant to this Section, and all renewals thereof, shall name the Company as insured and the City and the Trustee shall be named as loss payees, as their respective interests may appear, and shall contain a provision that the issuer of such insurance will provide at least 10 days' advance written notice to, the Company of the cancellation of such insurance. Company agrees it shall immediately forward any notice of cancellation it receives from the issuer of such insurance to the City and Trustee. The Company shall provide the City and the Trustee, on an annual basis, commencing on December 1, 2017 with a certificate of an Authorized Company Representative certifying compliance with this Section. The Trustee shall be entitled to rely upon said certificate as to the Company's compliance with the insurance requirements. The Trustee makes no representation as to, and shall have no responsibility for the sufficiency or adequacy of, the insurance.

(b) In the event of loss or damage to the Project, the Net Proceeds of property insurance carried pursuant to this Section shall be applied as provided in **Article IX** of this Lease, or as may be directed by, or on behalf of, the Owners of 100% in principal amount of the Bonds outstanding.

Section 7.3. Commercial General Liability Insurance.

(a) The Company shall at its sole cost and expense maintain or cause to be maintained at all times during the Lease Term general accident and commercial general liability insurance under which the City, the Company and the Trustee shall be named as additional insureds, properly protecting and indemnifying the City and the Trustee, in an amount not less than \$1,000,000 per occurrence (subject to reasonable liability retention amounts not to exceed the amounts normally or generally carried by the Company or its affiliates). The policies of said insurance shall contain a provision that the issuer of such insurance will provide at least 10 days' advance written notice to the Company of the cancellation of such insurance. The Company agrees it shall immediately forward any notice of cancellation it receives from the issuer of such insurance to the City and Trustee. The Company shall provide the City and the Trustee, on an annual basis, commencing on December 1, 2017 with a certificate of an Authorized Company Representative certifying compliance with this Section. The Trustee shall be entitled to rely upon said certificate as to the Company's compliance with the insurance requirements. The Trustee makes no representation as to, and shall have no responsibility for the sufficiency or adequacy of, the insurance.

(b) In the event of a public liability occurrence, the Net Proceeds of liability insurance carried pursuant to this Section shall be applied toward the extinguishment or satisfaction of the liability with respect to which such proceeds have been paid.

Section 7.4. Workers' Compensation. The Company agrees throughout the Lease Term to maintain or cause to be maintained the Workers' Compensation coverage required by the laws of the State of Missouri.

Section 7.5. Blanket Insurance Policies; Self-Insurance. The Company may satisfy any of the insurance requirements set forth in this Article by using blanket policies of insurance, provided each and all of the requirements and specifications of this Article respecting insurance are complied with. Nothing in this Lease shall be construed from prohibiting the Company from self-insuring provided the

Company, or in combination with its parent corporation, has a net worth in excess of \$200,000,000, as determined by accounting principles generally accepted in the United States of America.

ARTICLE VIII

ALTERATION OF THE PROJECT

Section 8.1. Additions, Modifications and Improvements to the Project. The Company shall have and is hereby given the right, at its sole cost and expense, to make such additions, modifications and improvements in and to any part of the Project as the Company from time to time may deem necessary or desirable for its business purposes. All additions, modifications and improvements made by the Company pursuant to the authority of this Section shall (a) be made in workmanlike manner and will comply in all material respects with all laws and ordinances applicable thereto, (b) when commenced, be prosecuted to completion with due diligence, and (c) when completed, be deemed a part of the Project; provided, however, that additions of machinery and equipment installed on the Project Site by the Company not purchased or acquired from funds deposited with the Trustee hereunder and not constituting repairs, renewals or replacements of the Project shall remain the property of the Company and may be removed by the Company. Such property shall be subject to *ad valorem* taxes.

Section 8.2. Additional Improvements on the Project Site. The Company may, at its sole cost and expense, construct on portions of the Project Site not theretofore occupied by buildings or improvements such additional buildings and improvements as the Company from time to time may deem necessary or desirable for its business purposes. All additional buildings and improvements constructed on the Project Site by the Company, and not paid for with Bond proceeds, pursuant to the authority of this Section shall not be included as Project Improvements and, during the life of this Lease, shall remain the property of the Company and may be added to, altered or razed and removed by the Company at any time. All additional buildings and improvements shall be made in a good and workmanlike manner and in strict compliance with all material laws, orders and ordinances applicable thereto and when commenced shall be prosecuted to completion with due diligence. The Company covenants and agrees (a) to make any repairs and restorations required to be made to the Project because of the construction of, addition to, alteration or removal of said additional buildings or improvements, and (b) to promptly and with due diligence either raze and remove or repair, replace or restore any of said additional buildings and improvements as may from time to time be damaged by fire or other casualty. The Company shall pay all *ad valorem* taxes and assessments payable with respect to such additional buildings and improvements which remain the property of the Company. If for any reason the County Assessor determines that such additional buildings and improvements are not subject to *ad valorem* taxes, the Company shall make payments in lieu of taxes in an amount equal to the taxes that would otherwise be due under this Section.

Section 8.3. Permits and Authorizations. The Company shall not do or permit others under its control to do any work on the Project related to any repair, rebuilding, restoration, replacement, modification or addition to the Project, or any part thereof, unless all requisite municipal and other governmental permits and authorizations shall have been first procured. All such work shall be done in a good and workmanlike manner and in material compliance with all applicable building, zoning and other laws, ordinances, governmental regulations. In the event of demonstrated noncompliance with such laws, ordinances, governmental regulations and requirements the Company will take all reasonable steps to comply with laws, ordinances, governmental regulations and requirements.

Section 8.4. Mechanics' Liens.

(a) The Company will not directly or indirectly create, incur, assume or suffer to exist any lien on or with respect to the Project, except Permitted Encumbrances, and the Company shall promptly notify the City of the imposition of such lien of which the Company is aware and shall promptly, at its own expense, take such action as may be necessary to fully discharge or release any such lien. Whenever and as often as any mechanics' or other similar lien is filed against the Project, or any part thereof, purporting to be for or on account of any labor done or materials or services furnished in connection with any work in or about the Project, the Company shall discharge the same of record. Notice is hereby given that the City shall not be liable for any labor or materials furnished the Company or anyone claiming by, through or under the Company upon credit, and that no mechanics' or other similar lien for any such labor, services or materials shall attach to or affect the reversionary or other estate of the City in and to the Project or any part thereof.

(b) Notwithstanding paragraph (a) above, the Company may contest any such mechanics' or other similar lien if the Company (1) within 60 days after the Company becomes aware of any such lien notifies the City and the Trustee in writing of its intention so to do, (2) diligently prosecutes such contest, (3) at all times effectively stays or prevents any official or judicial sale of the Project, or any part thereof or interest therein, under execution or otherwise, (4) promptly pays or otherwise satisfies any final judgment adjudging or enforcing such contested lien claim and (5) thereafter promptly procures record release or satisfaction thereof. The Company may permit the lien so contested to remain unpaid during the period of such contest and any appeal therefrom unless the Company is notified by the City that, in the opinion of counsel, by nonpayment of any such items, the interest of the City in the Project will be subject to loss or forfeiture. In that event, the Company shall promptly, at its own expense, take such action as may be reasonably necessary to duly discharge or remove any such mortgage, pledge, lien, charge, encumbrance or claim if the same shall arise at any time. The Company shall save and hold harmless the City from any loss, costs or expenses the City may incur related to any such contest. The Company shall reimburse the City for any expense incurred by it in connection with the imposition of any such lien or in order to discharge or remove any such mortgage, pledge, lien, charge, encumbrance or claim. The City shall cooperate fully with the Company in any such contest.

ARTICLE IX

DAMAGE, DESTRUCTION AND CONDEMNATION

Section 9.1. Damage or Destruction.

(a) If the Project is damaged or destroyed by fire or any other casualty, whether or not covered by insurance, the Company, as promptly as practicable, shall either (i) make the determination described in subsection (f) below, or (ii) repair, restore, replace or rebuild the same so that upon completion of such repairs, restoration, replacement or rebuilding the Project is of a value not less than the value thereof immediately before the occurrence of such damage or destruction or, at the Company's option, construct upon the Project Site new buildings and improvements thereafter together with all new machinery, equipment and fixtures which are either to be attached to or are to be used in connection with the operation or maintenance thereof, provided that (A) the value thereof shall not be less than the value of such destroyed or damaged Project Improvements immediately before the occurrence of such damage or destruction and (B) the nature of such new buildings, improvements, machinery, equipment and fixtures will not impair the character of the Project as an enterprise permitted by the Act.

If the Company elects to construct any such new buildings and improvements, for all purposes of this Lease, any reference to the words "Project Improvements" shall be deemed to also include any such new buildings and improvements and all additions thereto and all replacements and alterations thereof.

Unless the Company makes the determination described in subsection (f) below, the Net Proceeds of casualty insurance required by **Article VII** hereof received with respect to such damage or loss to the Project shall be used to pay the cost of repairing, restoring, replacing or rebuilding the Project or any part thereof. Insurance monies in an amount less than \$1,000,000 may be paid to or retained by the Company to be held in trust and used as provided herein. Insurance monies in any amount of \$1,000,000 or more shall be (i) paid to the Trustee and deposited in the Project Fund and shall be disbursed as provided in **Section 4.4** hereof to pay the cost of repairing, restoring, replacing or rebuilding the Project or any part thereof, or (ii) if determined by the Owners of 100% in principal amount of the Bonds Outstanding, applied as directed by, or on behalf of, such Owners of 100% in principal amount of the Bonds Outstanding. If the Company makes the determination described in subsection (f) below, the Net Proceeds shall be deposited with the Trustee and used to redeem Bonds as provided in subsection (f).

(b) If any of the insurance monies paid by the insurance company as hereinabove provided remain after the completion of such repairs, restoration, replacement or rebuilding, and this Lease has not been terminated, the excess shall be deposited in the Bond Fund, subject to the rights of any leasehold mortgagee or Financing Party. Completion of such repairs, restoration, replacement or rebuilding shall be evidenced by a certificate of completion in accordance with the provisions of **Section 4.5** hereof. If the Net Proceeds are insufficient to pay the entire cost of such repairs, restoration, replacement or rebuilding, the Company shall pay the deficiency.

(c) Except as otherwise provided in this Lease, in the event of any such damage by fire or any other casualty, the provisions of this Lease shall be unaffected and the Company shall remain and continue liable for the payment of all Basic Rent and Additional Rent and all other charges required hereunder to be paid by the Company, as though no damage by fire or any other casualty has occurred.

(d) The City and the Company agree that they will cooperate with each other, to such extent as such other party may reasonably require, in connection with the prosecution or defense of any action or proceeding arising out of, or for the collection of any insurance monies that may be due in the event of, any loss or damage, and that they will execute and deliver to such other parties such instruments as may be required to facilitate the recovery of any insurance monies.

(e) The Company agrees to give prompt notice to the City and the Trustee with respect to all fires and any other casualties occurring in, on, at or about the Project Site which damages a material portion of the Project.

(f) If the Company determines that rebuilding, repairing, restoring or replacing the Project is not practicable or desirable, or if the Company does not have the right under any Leasehold Mortgage or Financing Document to use any Net Proceeds for repair or restoration of the Project, any Net Proceeds of casualty insurance required by **Article VII** hereof received with respect to such damage or loss shall, after payment of all Additional Rent then due and payable, be paid into the Bond Fund and shall be used to redeem Bonds on the earliest practicable redemption date or to pay the principal of any Bonds as the same become due, all subject to rights of the mortgagee under the Leasehold Mortgage (if any) and the Financing Party under the Financing Documents (if any). The Company agrees to be reasonable in exercising its judgment pursuant to this subsection (f). Alternatively, if the Company is the sole owner of the Bonds and it has determined that rebuilding, repairing, restoring or replacing the Project is not

practicable or desirable, it may tender Bonds to the Trustee for cancellation in a principal amount equal to the Net Proceeds of the casualty insurance, and retain such proceeds for its own account.

(g) The Company shall not, by reason of its inability to use all or any part of the Project during any period in which the Project is damaged or destroyed or is being repaired, rebuilt, restored or replaced, nor by reason of the payment of the costs of such rebuilding, repairing, restoring or replacing, be entitled to any reimbursement from the City, the Trustee or the Owners or to any abatement or diminution of the rentals payable by the Company under this Lease or of any other obligations of the Company under this Lease except as expressly provided in this Section.

Section 9.2. Condemnation.

(a) If during the Lease Term, title to, or the temporary use of, all or any part of the Project is condemned by or sold under threat of condemnation to any authority possessing the power of eminent domain, to such extent that the claim or loss resulting from such condemnation is greater than \$1,000,000, the Company shall, within 90 days after the date of entry of a final order in any eminent domain proceedings granting condemnation or the date of sale under threat of condemnation, notify the City, the Trustee, the mortgagee under the Leasehold Mortgage (if any) and the Financing Party under the Financing Documents (if any) in writing as to the nature and extent of such condemnation or loss of title and whether it is practicable and desirable to acquire or construct substitute improvements.

(b) If the Company determines that such substitution is practicable and desirable, the Company shall proceed promptly with and complete with reasonable dispatch the acquisition or construction of such substitute improvements, so as to place the Project in substantially the same condition as existed before the exercise of the said power of eminent domain, including the acquisition or construction of other improvements suitable for the Company's operations at the Project (which improvements will be deemed a part of the Project and available for use and occupancy by the Company without the payment of any rent other than herein provided, to the same extent as if such other improvements were specifically described herein and demised hereby); provided, that such improvements will be acquired by the City subject to no liens, security interests or encumbrances before the lien and/or security interest afforded by the Indenture and this Lease other than Permitted Encumbrances. In such case, any Net Proceeds received from any award or awards with respect to the Project or any part thereof made in such condemnation or eminent domain proceedings, or of the sale proceeds, shall be applied in the same manner as provided in **Section 9.1** hereof (with respect to the receipt of casualty insurance proceeds).

(c) If the Company determines that it is not practicable or desirable to acquire or construct substitute improvements, any Net Proceeds of condemnation awards received by the Company shall, after payment of all Additional Rent then due and payable, be paid into the Bond Fund and shall be used to redeem Bonds on the earliest practicable redemption date or to pay the principal of any Bonds as the same becomes due and payable, provided that if the Company is the sole owner of the Bonds and it has determined that acquiring and constructing substitute improvements is not practicable or desirable, it may tender Bonds to the Trustee for cancellation in a principal amount equal to the Net Proceeds of the condemnation awards, and retain such proceeds for its own account, all subject to the rights of the mortgagee under the Leasehold Mortgage (if any) and Financing Party under the Financing Documents (if any).

(d) The Company shall not, by reason of its inability to use all or any part of the Project during any such period of restoration or acquisition nor by reason of the payment of the costs of such

restoration or acquisition, be entitled to any reimbursement from the City, the Trustee or the Owners or to any abatement or diminution of the rentals payable by the Company under this Lease nor of any other obligations hereunder except as expressly provided in this Section.

(e) The City shall cooperate fully with the Company in the handling and conduct of any prospective or pending condemnation proceedings with respect to the Project or any part thereof, and shall, to the extent it may lawfully do so, permit the Company to litigate in any such proceeding in the name and on behalf of the City. In no event will the City voluntarily settle or consent to the settlement of any prospective or pending condemnation proceedings with respect to the Project or any part thereof without the prior written consent of the Company.

Section 9.3. Bondowner Approval. Notwithstanding anything to the contrary contained in this **Article IX**, the proceeds of any insurance received subsequent to a casualty or of any condemnation proceedings (or threats thereof) may prior to the application thereof by the City or the Trustee be applied as directed by the Owners of 100% of the principal amount of Bonds outstanding, subject and subordinate to the rights of the City and the Trustee to be paid all their expenses (including attorneys' fees, trustee's fees and any extraordinary expenses of the City and the Trustee) incurred in the collection of such gross proceeds. For purposes of this Section only, any person to whom Bonds have been pledged in good faith shall be deemed to be the Owner of the Bonds.

ARTICLE X

SPECIAL COVENANTS

Section 10.1. No Warranty of Condition or Suitability by the City; Exculpation and Indemnification. The City makes no warranty, either express or implied, as to the condition of the Project or that it will be suitable for the Company's purposes or needs. The Company releases the City and the Trustee from, agrees that the City and the Trustee shall not be liable for and agrees to hold the City and the Trustee harmless against, any loss or damage to property or any injury to or death of any Person that may be occasioned by any cause whatsoever pertaining to the Project or the Company's use thereof, unless such loss is the result of the City's or the Trustee's gross negligence or willful misconduct. This provision shall survive termination of this Lease.

Section 10.2. Surrender of Possession. Upon accrual of the City's right of re-entry to the extent provided in **Section 12.2(b)** hereof, the Company shall peacefully surrender possession of the Project to the City in good condition and repair; provided, however, the Company may within 90 days (or such later date as the City may agree to) after the termination of this Lease remove from the Project Site any buildings, improvements, furniture, trade fixtures, machinery and equipment owned by the Company and not constituting part of the Project. All repairs to and restorations of the Project required to be made because of such removal shall be made by and at the sole cost and expense of the Company, and during said 90-day (or extended) period the Company shall bear the sole responsibility for and bear the sole risk of loss for said buildings, improvements, furniture, trade fixtures, machinery and equipment owned by the Company and not constituting part of the Project. All buildings, improvements, furniture, trade fixtures, machinery and equipment owned by the Company and which are not so removed from the Project before the expiration of said period shall be the separate and absolute property of the City.

Section 10.3. City's Right of Access to the Project. The Company agrees that the City and the Trustee and their duly authorized agents shall have the right at reasonable times during business hours, subject to 24 hours' advance written notice and the Company's usual safety and security requirements, to enter upon the Project Site (a) to examine and inspect the Project without interference or prejudice to the Company's operations, (b) as may be reasonably necessary to cause to be completed the purchase and installation provided for in **Section 4.2** hereof, (c) performing such work in and about the Project Site made necessary by reason of the Company's default under any of the provisions of this Lease, and (d) exhibiting the Project to prospective purchasers, lessees or trustees.

Section 10.4. Granting of Easements; Leasehold Mortgages and Financing Arrangements.

(a) Subject to **Sections 10.4(b)** and **(c)**, if no Event of Default under this Lease has happened and is continuing, the Company may at any time or times (i) grant subleases (as permitted in **Section 13.1(b)** hereof), easements, licenses, rights-of-way (including the dedication of public highways) and other rights or privileges in the nature of easements that are for the direct use of the Project, or part thereof, by the grantee, (ii) release or terminate existing subleases, easements, licenses, rights-of-way and other rights or privileges, all with or without consideration and upon such terms and conditions as the Company shall determine, or (iii) incur Permitted Encumbrances. The Company may take such actions and may execute any applicable documents in the Company's own name. No separate signature of or authorization from the City shall be required for the execution and delivery of any such document, although the City agrees to execute and deliver such confirming documents as are described below, under the procedures described below, if the Company chooses to make such a request. All third parties entering into agreements with the Company or receiving delivery of or the benefit of such agreements or documents shall be entitled to rely upon the same as having been executed and delivered by the City, unless such third party has actual or constructive notice, expressly in writing, that the agency herein granted by the City to the Company has been terminated by the City because of an uncured Event of Default hereunder. The City agrees that it will execute and deliver and will cause and direct the Trustee to execute and deliver any instrument necessary or appropriate to confirm and grant, release or terminate any such sublease, easement, license, right-of-way or other right or privilege or any such agreement or other arrangement, upon receipt by the City and the Trustee of: (i) a copy of the instrument of grant, release or termination or of the agreement or other arrangement, (ii) a written application signed by an Authorized Company Representative requesting such instrument, and (iii) a certificate executed by an Authorized Company Representative stating that such grant or release is not detrimental to the proper conduct of the business of the Company, will not impair the effective use or interfere with the efficient and economical operation of the Project, will not materially adversely affect the security intended to be given by or under the Indenture and will be a Permitted Encumbrance. If no Event of Default has happened and is continuing beyond any applicable grace period, any payments or other consideration received by the Company for any such grant or with respect to or under any such agreement or other arrangement shall be and remain the property of the Company; but, subject to **Sections 10.4(b)** and **(c)**, upon (i) termination of this Lease for any reason other than the redemption of the Bonds and/or the purchase of the Project by the Company or (ii) the occurrence and continuance of an Event of Default by the Company, all rights then existing of the Company with respect to or under such grant shall inure to the benefit of and be exercisable by the City and the Trustee.

(b) The Company may mortgage the leasehold estate created by this Lease, with prior notice to but without the consent of the City, provided and upon condition that a duplicate original or certified copy or photostatic copy of each such mortgage, and the note or other obligation secured thereby, is delivered to the City within thirty (30) days after the execution thereof.

(c) The City acknowledges and agrees that the Company may finance and refinance its rights and interests in the Project, this Lease, and the leasehold estate created hereby and, in connection therewith, the Company may execute Financing Documents with one or more Financing Parties. Notwithstanding anything contained to the contrary in this Lease, the Company may, at any time and from time to time, with prior notice to but without the consent of the City (i) execute one or more Financing Documents upon the terms contained in this **Section 10.4** and (ii) sublease or assign this Lease, the leasehold estate, any sublease and rights in connection therewith, and/or grant liens or security interests therein, to any Financing Party. Any further sublease or assignment by any Financing Party shall be subject to the provisions of **Section 13.1(c)**.

(d) Upon notice by the Company to the City in writing that it has executed one or more Financing Documents under which it has granted rights in this Lease to a Financing Party, which includes the name and address of such Financing Party, then the following provisions shall apply in respect of each such Financing Party:

(1) there shall be no merger of this Lease or of the leasehold estate created hereby with the fee title to the Project, notwithstanding that this Lease or said leasehold estate and said fee title shall be owned by the same Person or Persons, without the prior written consent of such Financing Party;

(2) the City shall serve upon each such Financing Party (at the address, if any, provided to the City) a copy of each notice of the occurrence of an Event of Default and each notice of termination given to the Company under this Lease, at the same time as such notice is served upon the Company. No such notice to the Company shall be effective unless a copy thereof is thus served upon each Financing Party;

(3) each Financing Party shall have the same period of time which the Company has, after the service of any required notice upon it, within which to remedy or cause to be remedied any payment default under this Lease which is the basis of the notice plus thirty (30) days, and the City shall accept performance by such Financing Party as timely performance by the Company;

(4) the City may exercise any of its rights or remedies with respect to any other Event of Default by the Company, subject to the rights of the Financing Parties under this **Section 10.4(d)** as to such other events of default;

(5) upon the occurrence and continuance of an Event of Default by the Company under this Lease, other than a default in the payment of money, the City shall take no action to effect a termination of this Lease by service of a notice or otherwise, without first giving notice thereof to each such Financing Party and permitting such Financing Party (or its designee, nominee, assignee or transferee) a reasonable time within which to remedy such default in the case of an Event of Default which is susceptible of being cured (provided that the period to remedy such event of default shall continue beyond any period set forth in the Lease to effect said cure so long as the Financing Party (or its designee, nominee, assignee or transferee) is diligently prosecuting such cure); provided that the Financing Party (or its designee, nominee, assignee or transferee) shall pay or cause to be paid to the City and the Trustee all expenses, including reasonable counsel fees, court costs and disbursements incurred by the City or the Trustee in connection with any such default; and

(6) the Financing Parties (and their designees, nominees, assignees or transferees) shall have the right to enter, possess and use the Project at such reasonable times and manner as are necessary or desirable to effectuate the remedies and enforce their respective rights under the Financing Documents.

(e) In connection with the execution of one or more Financing Documents, upon the request of the Company, the City agrees to execute such documents as shall be reasonably requested by a Financing Party and which are usual and customary in connection with the closing of the financing or refinancing pursuant to the Financing Documents. The Company agrees to reimburse the City for any and all costs and expenses incurred by the City pursuant to this Section, including reasonable attorneys' fees and expenses, in complying with such request.

(f) The Company's obligations under any mortgage or Financing Documents relating to the Project shall be subordinate to the Company's obligations under this Lease.

Section 10.5. Indemnification of City and Trustee. The Company shall indemnify and save and hold harmless the City and the Trustee and their governing body members, officers, agents and employees (collectively, the "Indemnified Parties") from and against all claims, demands, costs, liabilities, damages or expenses, including attorneys' fees, by or on behalf of any person, firm or corporation arising from the issuance of the Bonds and the execution of this Lease, the Indenture or any other documents entered into in connection with the Bonds and from the conduct or management of, or from any work or thing done in or on the Project during the Lease Term, and against and from all claims, demands, costs, liabilities, damages or expenses, including attorneys' fees, arising during the Lease Term from (a) any condition of the Project, (b) any breach or default on the part of the Company in the performance of any of its obligations under this Lease or any related document, (c) any contract entered into by the Company in connection with the purchase, construction, extension or improvement of the Project, (d) any act of negligence of the Company or of any of its agents, contractors, servants, employees or licensees, (e) unless the Company has been released from liability pursuant to **Section 13.1(c)**, any act of negligence of any assignee or sublessee of the Company, or of any agents, contractors, servants, employees or licensees of any assignee or sublessee of the Company, (f) obtaining any applicable state and local sales and use tax exemptions for materials or goods that become part of the Project, and (g) any claim relating to the presence on, escape or removal from the Project during the term of the Lease of any hazardous substance or other material regulated by any applicable Environmental Law, or compliance with any applicable Environmental Law, whether such claim arises before, during or after the term of this Lease, including claims relating to personal injury or damage to property; provided, however, the indemnification contained in this **Section 10.5** shall not (i) extend to the City if such claims, demands, costs, liabilities, damages or expenses, including attorneys' fees, are the result of work being performed at the Project by employees of the City or the result of negligence or willful misconduct by the City, or (ii) extend to the Trustee if such claims, demands, costs, liabilities, damages or expenses, including attorneys' fees, are the result of the negligence or willful misconduct of the Trustee or (iii) the performance or failure to perform by the City or the Trustee of its obligations under this Lease, the Performance Agreement or any related documents. Upon notice from the City or the Trustee, the Company shall defend them or either of them in any such action or proceeding. This **Section 10.5** shall survive any termination of this Lease or the satisfaction and discharge of the Indenture.

In case any action shall be brought against one or more of the Indemnified Parties based upon the foregoing indemnification and in respect of which indemnity may be sought against the Company, the Indemnified Parties shall promptly notify the Company in writing and the Company shall promptly assume the defense thereof, including the employment of counsel, the payment of all reasonable expenses and the right to negotiate and consent to settlement. If the Company shall have wrongfully failed to

assume the defense of such action, the reasonable fees and expenses of counsel retained by the Indemnified Party shall be paid by the Company. If any of the Indemnified Parties is advised by counsel retained by the Company to defend such action that there may be legal defenses available to it which are adverse to or in conflict with those available to the Company or any other Indemnified Party, and that the defense of such Indemnified Party should be handled by separate counsel, the Company shall not have the right to assume the defense of such Indemnified Party, but shall be responsible for the reasonable fees and expenses of counsel retained by such Indemnified Party in assuming its own defense, provided, such counsel shall be acceptable to the Company. Any one or more of the Indemnified Parties shall have the right to employ separate counsel in any such action and to participate in the defense thereof, but the fees and expenses of such counsel shall be at the expense of such Indemnified Party or Indemnified Parties unless employment of such counsel has been specifically authorized by the Company. The Company shall not be liable for any settlement of any such action effected without its consent by any of the Indemnified Parties, but if settled with the consent of the Company or if there be a final judgment for the plaintiff in any such action against the Company or any of the Indemnified Parties, with or without the consent of the Company, the provided that the Company was given prompt written notice and the ability to assume the defense thereof as required by this paragraph, the Company agrees to indemnify and hold harmless the Indemnified Parties to the extent provided herein.

Section 10.6. Depreciation, Investment Tax Credit and Other Tax Benefits. The City agrees that any depreciation, investment tax credit or any other tax benefits with respect to the Project or any part thereof shall be made available to the Company, and the City will fully cooperate with the Company in any effort by the Company to avail itself of any such depreciation, investment tax credit or other tax benefits.

Section 10.7. Company to Maintain its Corporate Existence. The Company agrees that until the Bonds are paid or payment is provided for in accordance with the terms of the Indenture, it will maintain its corporate existence, and will not dissolve or otherwise dispose of all or substantially all of its assets; provided, however, that the Company may, without violating the agreement contained in this Section, consolidate with or merge into another domestic corporation (i.e., a corporation incorporated and existing under the laws of one of the states of the United States) or permit one or more other domestic corporations to consolidate with or merge into it, or may sell or otherwise transfer to another domestic corporation all or substantially all of its assets as an entirety and thereafter dissolve, provided, the surviving, resulting or transferee corporation either (A) becomes, in connection with the consolidation, merger or sale of assets becomes the Owner of 100% in principal amount of the Bonds outstanding and expressly assumes in writing all of the obligations of the Company contained in this Lease and the Performance Agreement, or (B) if not the Owner of 100% in principal amount of the Bonds outstanding, expressly assumes in writing all the obligations of the Company contained in this Lease and the Performance Agreement; and, further provided, that if not the Owner of 100% in principal amount of the Bonds outstanding, the surviving, resulting or transferee corporation, as the case may be, has a consolidated net worth (after giving effect to said consolidation, merger or transfer) at least (i) equal to or greater than that of the Company immediately prior to said consolidation, merger or transfer, or (ii) \$100,000,000. The term "net worth," as used in this Section, shall mean the difference obtained by subtracting total liabilities (not including as a liability any capital or surplus item) from total assets of the Company and all of its subsidiaries. In any such consolidation, merger or transfer the Company shall comply with the provisions of **Section 10.1** hereof to the extent applicable.

Section 10.8. Security Interests. At the written request of the Owner of the Bonds, the City and the Company agree to enter into all instruments (including financing statements and statements of continuation) necessary for perfection of and continuance of the perfection of the security interests of the City and the Trustee in the Project. Upon the written instructions of the Owner of the Bonds, the Trustee, at the Company's expense, shall file all instruments the Owner of the Bonds shall deem necessary to be

filed and shall continue or cause to be continued the liens of such instruments for so long as the Bonds shall be Outstanding. The City and the Company shall cooperate with the Trustee in this regard by executing such continuation statements and providing such information as the Trustee may require to renew such liens.

ARTICLE XI

OPTION AND OBLIGATION TO PURCHASE THE PROJECT

Section 11.1. Option to Purchase the Project. The Company shall have, and is hereby granted, the option to purchase the Project at any time, upon payment in full of all Bonds then outstanding or provision for their payment having been made pursuant to **Article XIII** of the Indenture. To exercise such option the Company shall give written notice to the City and to the Trustee, and shall specify therein the date of closing such purchase, which date shall be not less than 15 nor more than 90 days from the date such notice is mailed, and in case of a redemption of the Bonds in accordance with the provisions of the Indenture, the Company shall make arrangements satisfactory to the Trustee for the giving of the required notice of redemption. Notwithstanding the forgoing, if the City or the Trustee provides notice of its intent to exercise its remedies hereunder (a "Remedies Notice"), the Company shall be deemed to have exercised its repurchase option under this Section on the 29th day following the issuance of the Remedies Notice without any further action by the Company; provided said notice has not been rescinded by such date (such option to take place on the 29th day following the issuance of the Remedies Notice). The Company may rescind such exercise by providing written notice to the City and the Trustee on or prior to the 29th and by taking such action as may be required to cure the default that led to the giving of the Remedies Notice. The purchase price payable by the Company in the event of its exercise of the option granted in this Section shall be the sum of the following:

- (a) an amount of money which, when added to the amount then on deposit in the Bond Fund, will be sufficient to redeem all the then outstanding Bonds on the earliest redemption date next succeeding the closing date, including, without limitation, principal and interest to accrue to said redemption date and redemption expense; plus
- (b) an amount of money equal to the Trustee's agreed to and reasonable fees, charges and expenses under the Indenture accrued and to accrue until such redemption of the Bonds; plus
- (c) an amount of money equal to all payments due and payable pursuant to the Performance Agreement through the end of the calendar year in which the date of purchase occurs; plus
- (d) the sum of \$100.00.

At its option, to be exercised at least 5 days prior to the date of closing such purchase, the Company may deliver to the Trustee for cancellation Bonds not previously paid, and the Company shall receive a credit against the purchase price payable by the Company in an amount equal to 100% of the principal amount of the Bonds so delivered for cancellation, plus the accrued interest thereon.

Section 11.2. Conveyance of the Project. At the closing of the purchase of the Project pursuant to this Article, the City will upon receipt of the purchase price deliver to the Company the following:

(a) If the Indenture shall not at the time have been satisfied in full, a release from the Trustee of the Project from the lien and/or security interest of the Indenture and this Lease and appropriate termination of financing statements as required under the Uniform Commercial Code; and

(b) Documents, including without limitation a special warranty deed as to the Project Site, conveying to the Company legal title to the Project, as it then exists, in recordable form, subject to the following: (i) those liens and encumbrances, if any, to which title to the Project was subject when conveyed to the City; (ii) those liens and encumbrances created by the Company or to the creation or suffering of which the Company consented; (iii) those liens and encumbrances resulting from the failure of the Company to perform or observe any of the agreements on its part contained in this Lease; (iv) Permitted Encumbrances other than the Indenture and this Lease; and (v) if the Project or any part thereof is being condemned, the rights and title of any condemning authority.

Section 11.3. Relative Position of Option and Indenture. The options and obligation to purchase the Project granted to the Company in this Article shall be and remain prior and superior to the Indenture and may be exercised whether or not the Company is in default under this Lease, provided that such default will not result in nonfulfillment of any condition to the exercise of any such option and further provided that all options herein granted shall terminate upon the termination of this Lease.

Section 11.4. Obligation to Purchase the Project. As additional consideration for the Company's use of the Project, the Company hereby agrees to purchase, and the City hereby agrees to sell, the Project upon the occurrence of (a) the expiration of the Lease Term following full payment of the Bonds or provision for payment thereof having been made in accordance with the provisions of the Indenture, and (b) the final payment due under the Performance Agreement. The amount of the purchase price under this Section shall be \$100 plus an amount sufficient to redeem all the then Outstanding Bonds, plus accrued interest and the reasonable fees and expenses of the City and the Trustee.

ARTICLE XII

DEFAULTS AND REMEDIES

Section 12.1. Events of Default. If any one or more of the following events shall occur and be continuing, it is hereby defined as and declared to be and to constitute an "Event of Default" or "default" under this Lease:

(a) Default in the due and punctual payment of Basic Rent for a period of 5 days following written notice to the Company by the City or the Trustee; or

(b) Default in the due and punctual payment of Additional Rent for a period of 30 days following written notice to the Company by the City or the Trustee or the Owners of 25% in aggregate principal amount of all Bonds Outstanding provided, however, at any time the Company is the owner of 100% in aggregate principal amount of all Bonds Outstanding, said notice must also have been given by the Owner of 100% in aggregate principal amount of all Bonds Outstanding or it shall not be effective (unless such Event of Default stems from a payment obligation owed to the City or the Trustee, in which case notice given by the City or the Trustee, as applicable, shall be sufficient); or

(c) Default in the due observance or performance of any other covenant, agreement, obligation or provision of this Lease on the Company's part to be observed or performed, and such default shall continue for 30 days after the City or the Trustee or the Owners of 25% in aggregate principal amount of all Bonds Outstanding has given the Company written notice specifying such default (or such longer period as shall be reasonably required to cure such default provided that (1) the Company has commenced such cure within said 30-day period, and (2) the Company diligently prosecutes such cure to completion) provided, however, at any time the Company is the owner of 100% in aggregate principal amount of all Bonds Outstanding, said notice must also have been given by the Owner of 100% in aggregate principal amount of all Bonds Outstanding or it shall not be effective (unless such Event of Default stems from a payment or indemnification obligation owed to the City or the Trustee or an obligation to obtain insurance in accordance with **Article VII** of this Lease, in which case notice given by the City or the Trustee, as applicable, shall be sufficient); or

(d) The Company: (1) admits in writing its inability to pay its debts as they become due; or (2) files a petition in bankruptcy or for reorganization, arrangement, composition, readjustment, liquidation, dissolution or similar relief under the Bankruptcy Code as now or in the future amended or any other similar present or future federal or state statute or regulation, or files a pleading asking for such relief; or (3) make an assignment for the benefit of creditors; or (4) consents to the appointment of a trustee, receiver or liquidator for all or a major portion of its property or fails to have the appointment of any trustee, receiver or liquidator made without the Company's consent or acquiescence, vacated or set aside; or (5) is finally adjudicated as bankrupt or insolvent under any federal or state law; or (6) is subject to any proceeding, or suffers the entry of a final and non-appealable court order, under any federal or state law appointing a trustee, receiver or liquidator for all or a major part of its property or ordering the winding-up or liquidation of its affairs, or approving a petition filed against it under the Bankruptcy Code, as now or in the future amended, which order or proceeding, if not consented to by it, is not dismissed, vacated, denied, set aside or stayed within 90 days after the day of entry or commencement; or (7) suffers a writ or warrant of attachment or any similar process to be issued by any court against all or any substantial portion of its property, and such writ or warrant of attachment or any similar process is not contested, stayed, or is not released within 60 days after the final entry, or levy or after any contest is finally adjudicated or any stay is vacated or set aside; or

(e) the Company vacates, abandons, ceases operations, fails to occupy or is ejected from the Project Site or any material portion thereof, and the same remains uncared for or abandoned for a period of 90 days; or

(f) The occurrence and continuance of an "Event of Default" by the Company under the Performance Agreement following any applicable notice and grace period provided therein.

With regard to any alleged default concerning which notice is given to the Company under the provisions of this Section, the City hereby grants the Company full authority for account of the City to perform any covenant or obligation, the nonperformance of which is alleged in said notice to constitute a default, in the name and stead of the City, with full power to do any and all things and acts to the same extent that the City could do and perform any such things and acts in order to remedy such default.

Section 12.2. Remedies on Default. If any Event of Default referred to in **Section 12.1** hereof has occurred and continues beyond the period provided to cure, then the City may at the City's election (subject, however, to any restrictions against acceleration of the maturity of the Bonds or termination of

this Lease in the Indenture), then or at any time thereafter, and while such default continues, take any one or more of the following actions:

(a) cause all amounts payable with respect to the Bonds for the remainder of the term of this Lease to become due and payable after giving ten (10) days prior written notice thereof to the Company, as provided in the Indenture; or

(b) give the Company written notice of the City's intention to terminate this Lease on a date specified therein, which date shall not be earlier than 30 days after such notice is given, and if all defaults have not then been cured, on the date so specified, the Owners shall tender or be deemed to have tendered the outstanding principal amount of the Bonds for cancellation with instruction that such tender is in lieu of payment in accordance with **Section 11.1** hereof and this Lease shall thereupon be terminated, and the City will promptly convey the Project in accordance with **Section 11.2** hereof.

Section 12.3. Survival of Obligations. The Company covenants and agrees with the City and Owners that those of its obligations under this Lease which by their nature require performance after the end of the term of this Lease, or which are expressly stated herein as intended to survive expiration or termination of this Lease, shall survive the cancellation and termination of this Lease, for any cause.

Section 12.4. Performance of the Company's Obligations by the City. If the Company shall fail to keep or perform any of its obligations as provided in this Lease in the making of any payment or performance of any obligation, then the City, or the Trustee in the City's name, may (but shall not be obligated so to do) upon the continuance of such failure on the Company's part for 30 days after written notice of such failure is given the Company by the City or the Trustee, and without waiving or releasing the Company from any obligation hereunder, as an additional but not exclusive remedy, make any such payment or perform any such obligation, and all reasonable sums so paid by the City or the Trustee and all incidental reasonable costs and expenses incurred by the City or the Trustee (including, without limitation, attorneys' fees and expenses) in performing such obligations shall be deemed Additional Rent and shall be paid to the City or the Trustee on demand, and if not so paid by the Company, the City or the Trustee shall have the same rights and remedies provided for in **Section 12.2** hereof in the case of default by the Company in the payment of Basic Rent.

Section 12.5. Rights and Remedies Cumulative. The rights and remedies reserved by the Trustee, the City and the Company hereunder and those provided by law shall be construed as cumulative and continuing rights. No one of them shall be exhausted by the exercise thereof on one or more occasions. The Trustee, the City and the Company shall each be entitled to specific performance and injunctive or other equitable relief for any breach or threatened breach of any of the provisions of this Lease, notwithstanding availability of an adequate remedy at law, and each party hereby waives the right to raise such defense in any proceeding in equity.

Section 12.6. Waiver of Breach. No waiver of any breach of any covenant or agreement herein contained shall operate as a waiver of any subsequent breach of the same covenant or agreement or as a waiver of any breach of any other covenant or agreement, and in case of a breach by the Company of any covenant, agreement or undertaking by the Company, the Trustee or the City may nevertheless accept from the Company any payment or payments hereunder without in any way waiving the Trustee or the City's right to exercise any of its rights and remedies provided for herein with respect to any such breach or breaches of the Company which were in existence at the time such payment or payments were accepted by the Trustee or the City.

Section 12.7. Trustee's Exercise of the City's Remedies. Whenever any Event of Default shall have occurred and be continuing, the Trustee may, but except as otherwise provided in the Indenture shall not be obliged to, exercise any or all of the rights of the City under this Article, upon notice as required of the City unless the City has already given the required notice. In addition, the Trustee shall have available to it all of the remedies prescribed by the Indenture.

ARTICLE XIII

ASSIGNMENT AND SUBLEASE

Section 13.1. Assignment; Sublease.

(a) The Company may assign, transfer, encumber or dispose of this Lease or any interest therein or part thereof for any lawful purpose under the Act. With respect to any assignment, the Company shall comply with the following conditions:

(1) Such assignment shall be in writing, duly executed and acknowledged by the assignor and in proper form for recording;

(2) Such assignment shall include the entire then unexpired term of this Lease; and

(3) A duplicate original of such assignment shall be delivered to the City and the Trustee within 10 days after the execution thereof, together with an assumption agreement, duly executed and acknowledged by the assignee in proper form for recording, by which the assignee shall assume all of the terms, covenants and conditions of this Lease on the part of the Company to be performed and observed.

(b) The Company shall have the right to sublet all or any part of the Project to a single entity for any lawful purpose under the Act. The Company shall, within 10 days after the delivery thereof, furnish or cause to be furnished to the City and the Trustee a true and correct copy of each such sublease. Any sublease may provide, at the Company's option, that the City's consent shall not be required in respect of any further subletting thereunder if such further subletting is for a similar purpose as the original sublease and is for a purpose permissible under the Act. Notwithstanding the foregoing, the Company may, in the ordinary course of its business, and without the prior approval of, or notice to, the City, enter into leases or subleases with one or more persons or entities for the various parcels or units within the Project to be used for residential purposes or other uses commonly associated with an apartment complex.

If for any reason this Lease and the leasehold estate of the Company hereunder is terminated by the City by summary proceedings or otherwise in accordance with the terms of this Lease, the City covenants and agrees that such termination of this Lease shall not result in a termination of any sublease affecting the Project or any part or parts thereof and that they shall continue for the duration of their respective terms and any extensions thereof as a direct lease between the City hereunder and the sublessee thereunder, with the same force and effect as if the City had originally entered into such sublease as landlord thereunder. Any such sublessee shall not be named or joined in any action or proceeding by the City under this Lease to recover possession of the Project or for any other relief if such sublessee is not then in default under the terms of its sublease beyond any applicable grace period for curing the same. The City shall, upon request, execute, acknowledge and deliver such agreements evidencing and agreeing to the foregoing in a form reasonably satisfactory to the Company.

(c) Notwithstanding the foregoing, the right of the Company to assign or sublease (excluding residential subleases as contemplated in subsection (b) hereof) any interests in this Lease without the prior written consent of the City shall only apply to assignments made (A) to any entity whose long-term debt, or the long-term debt of an entity controlled by, under common control with or controlling such entity has at least a rating in any of the top three long term debt rating categories by any nationally recognized rating agency; (B) so long as the Company shall remain secondarily liable, to any such entity; or (C) to an entity controlled by or under common control with or controlling the Company, so long as such entity has a net worth of at least \$5,000,000 at the time of such assignment or sublease. For any proposed assignment or transfer, other than those specifically set forth in this Lease, the Company may assign or transfer any interests in this Lease to any entity or person with the City's prior written consent, and such consent shall not be unreasonably withheld, conditioned or delayed. The City shall have the right to grant or withhold its consent to such proposed assignment or transfer in its reasonable discretion after inquiry and the delivery of information by the Company to the City as to whether the proposed assignee or transferee has sufficient financial wherewithal and experience to complete the Project according to the terms of this Lease, the Performance Agreement or any other agreement related to the issuance of the Bonds. If and to the extent that the Company and/or the proposed assignee reasonably demonstrates to the City that the proposed assignee has sufficient experience and a net worth sufficient to complete the Project, then it shall not be deemed "reasonable" for the City to withhold its consent to such proposed assignment or sublease. Any assignee of all the rights of the Company shall agree to be bound by the terms of this Lease and any other documents related to the issuance of the Bonds. Upon such assignment of all the rights of the Company and agreement by the assignee to be bound by the terms of this Lease and any other documents related to the Bonds, the Company shall be released from and have no further obligations under this Lease or any agreement related to the issuance of the Bonds.

Section 13.2. Assignment of Revenues by City. The City shall assign and pledge any rents, revenues and receipts receivable under this Lease, to the Trustee pursuant to the Indenture as security for payment of the principal of, interest and premium, if any, on the Bonds and the Company hereby consents to such pledge and assignment. The City and the Company recognize that the Trustee is a third party creditor beneficiary of this Lease.

Section 13.3. Prohibition Against Fee Mortgage of Project. Except as otherwise set forth in **Section 10.4**, the City shall not mortgage its fee interest in the Project, but may assign its interest in and pledge any moneys receivable under this Lease to the Trustee pursuant to the Indenture as security for payment of the principal of and interest on the Bonds.

Section 13.4. Restrictions on Sale or Encumbrance of Project by City. During this Lease Term, the City agrees that, except to secure the Bonds to be issued pursuant to the Indenture, it will not sell, assign, encumber, transfer or convey the Project or any interest therein, but may assign its interest in and pledge any moneys receivable under this Lease to the Trustee pursuant to the Indenture as security for payment of the principal of and interest on the Bonds.

ARTICLE XIV

AMENDMENTS, CHANGES AND MODIFICATIONS

Section 14.1. Amendments, Changes and Modifications. Except as otherwise provided in this Lease or in the Indenture, subsequent to the issuance of Bonds and prior to the payment in full of the Bonds (or provision for the payment thereof having been made in accordance with the provisions of the

Indenture), this Lease may not be effectively amended, changed, modified, altered or terminated without the prior written consent of the Trustee, given in accordance with the provisions of the Indenture.

ARTICLE XV

MISCELLANEOUS PROVISIONS

Section 15.1. Notices. All notices, certificates or other communications required or desired to be given hereunder shall be in writing and shall be governed by **Section 1403** of the Indenture.

Section 15.2. City Shall Not Unreasonably Withhold Consents and Approvals. Wherever in this Lease it is provided that the City shall, may or must give its approval or consent, or execute supplemental agreements or schedules, the City shall not unreasonably, arbitrarily or unnecessarily withhold or refuse to give such approvals or consents or refuse to execute such supplemental agreements or schedules; provided, however, that nothing in this Lease shall be interpreted to affect the City's rights to approve or deny any additional project or matter unrelated to the Project subject to zoning, building permit or other regulatory approvals by the City.

Section 15.3. Net Lease. The parties hereto agree (a) that this Lease shall be deemed and construed to be a net lease, (b) that the payments of Basic Rent are designed to provide the City and the Trustee funds adequate in amount to pay all principal of and interest accruing on the Bonds as the same become due and payable, (c) that to the extent that the payments of Basic Rent are not sufficient to provide the City and the Trustee with funds sufficient for the purposes aforesaid, the Company shall be obligated to pay, and it does hereby covenant and agree to pay, upon demand therefor, as Additional Rent, such further sums of money, in cash, as may from time to time be required for such purposes, and (d) that if after the principal of and interest on the Bonds and all costs incident to the payment of the Bonds (including the fees and expenses of the City and the Trustee) have been paid in full the Trustee or the City holds unexpended funds received in accordance with the terms hereof such unexpended funds shall, after payment therefrom of all sums then due and owing by the Company under the terms of this Lease, and except as otherwise provided in this Lease and the Indenture, become the absolute property of and be paid over forthwith to the Company.

Section 15.4. Limitation on Liability of City. No provision, covenant or agreement contained in this Lease, the Indenture or the Bonds, or any obligation herein or therein imposed upon the City, or the breach thereof, shall constitute or give rise to or impose upon the City a pecuniary liability or a charge upon the general credit or taxing powers of the City or the State of Missouri.

Section 15.5. Governing Law. This Lease shall be construed in accordance with and governed by the laws of the State of Missouri.

Section 15.6. Binding Effect. This Lease shall be binding upon and shall inure to the benefit of the City and the Company and their respective successors and assigns.

Section 15.7. Severability. If for any reason any provision of this Lease shall be determined to be invalid or unenforceable, the validity and enforceability of the other provisions hereof shall not be affected thereby.

Section 15.8. Execution in Counterparts. This Lease may be executed in several counterparts, each of which shall be deemed to be an original and all of which shall constitute but one and the same instrument.

Section 15.9. Electronic Storage. The parties hereto agree that the transaction described herein may be conducted and related documents may be sent, received or stored by electronic means. Copies, telecopies, facsimiles, electronic files and other reproductions of original executed documents shall be deemed to be authentic and valid counterparts of such original documents for all purposes, including the filing of any claim, action or suit in the appropriate court of law.

Section 15.10. Satisfaction of the Company's Obligations. Any obligation of the Company under this Lease, including, but not limited to, the obligations of the Company to pay Basic Rent, Additional Rent and to maintain insurance as required herein, may be performed by a member of the Company, and such performance by a member of the Company shall be treated as though the obligation were performed by the Company.

Section 15.11 Complete Agreement. THE COMPANY AND THE CITY UNDERSTAND THAT ORAL OR UNEXECUTED AGREEMENTS OR COMMITMENTS TO LOAN MONEY, EXTEND CREDIT OR TO FORBEAR FROM ENFORCING REPAYMENT OF A DEBT INCLUDING PROMISES TO EXTEND OR RENEW SUCH DEBT ARE NOT ENFORCEABLE. TO PROTECT THE COMPANY AND THE CITY FROM MISUNDERSTANDING OR DISAPPOINTMENT, ANY AGREEMENTS THE COMPANY AND THE CITY REACH COVERING SUCH MATTERS ARE CONTAINED IN THIS LEASE AND IN THE PERFORMANCE AGREEMENT, WHICH ARE THE COMPLETE AND EXCLUSIVE STATEMENTS OF THE AGREEMENT BETWEEN THE COMPANY AND THE CITY, EXCEPT AS THE COMPANY AND THE CITY MAY LATER AGREE IN WRITING TO MODIFY THIS LEASE AND THE PERFORMANCE AGREEMENT.

IN WITNESS WHEREOF, the parties hereto have caused this Lease to be executed in their respective names by their duly authorized signatories, all as of the date first above written.

THIS PERFORMANCE AGREEMENT, dated as of [DATE], 2017 (the “**Agreement**”), between the **CITY OF LEE’S SUMMIT, MISSOURI**, a constitutional charter city and municipal corporation duly organized and existing under the laws of the State of Missouri (the “**City**”), and **[ARCHVIEW PROPERTIES, LLC]**, an Indiana limited liability company (the “**Company**”);

RECITALS:

1. The City is authorized and empowered pursuant to the provisions of Article VI, Section 27(b) of the Missouri Constitution and Sections 100.010 through 100.200, inclusive, of the Revised Statutes of Missouri, as amended (collectively, the “**Act**”), to purchase, construct, extend and improve certain projects and to issue industrial development revenue bonds for the purpose of providing funds to pay the costs of such projects and to lease or otherwise dispose of such projects to private persons or corporations for manufacturing, commercial, research and development, warehousing and industrial development purposes upon such terms and conditions as the City shall deem advisable.

2. Pursuant to the Act, the City Council of the City gave notice to the affected taxing jurisdictions in accordance with Section 100.059.1 of the Act and held a public hearing to finance the costs of a project (the “**Project**”) for the Company consisting of the acquisition and improvement of certain real property located generally in the vicinity of the northeast intersection of 3rd Street and View High Drive in the City (the “**Project Site**”), including the construction and improvement of a high-end multi-family complex on the Project Site, out of the proceeds of the industrial development revenue bonds to be issued under the Act to provide funds to pay the costs of the Project, and to lease or sell the Project to the Company for the purpose of financing the costs of the Project.

3. Pursuant to Ordinance No. [] (the “**Ordinance**”) passed by the City Council on February 2, 2017, the City has approved a plan for the Company’s economic development project and has been authorized to execute and deliver (a) a Trust Indenture of even date herewith (the “**Indenture**”) between the City and BOKF, N.A., Kansas City, Missouri, as trustee (the “**Trustee**”), for the purpose of issuing and securing the City’s Taxable Industrial Development Revenue Bonds (Village at View High Project), Series 2017 in the maximum principal amount of \$39,500,000 (the “**Bonds**”), (b) a Lease Agreement of even date herewith (the “**Lease**”) with the Company under which the City, as lessor, will construct, extend and improve the Project and will lease the Project to the Company, in consideration of rentals which will be sufficient to pay the principal of and interest on the Bonds, and (c) this Agreement for the purpose of setting forth the terms and conditions of the Project’s exemption from ad valorem real property taxes and certain payments in lieu of taxes to be made by the Company with respect to the Project.

4. Pursuant to the foregoing, the City desires to enter into this Agreement with the Company in consideration of the Company’s desire to construct, extend and improve the Project upon the terms and conditions hereinafter set forth.

NOW, THEREFORE, in consideration of the premises and the mutual representations, covenants and agreements herein contained, the City and the Company hereby represent, covenant and agree as follows:

ARTICLE II

REPRESENTATIONS

Section 2.1. City’s Representations. The City hereby represents that the Project will significantly benefit the City and the State of Missouri by (i) stimulating economic development in the City and the State; and (ii) increasing local and state tax revenues.

Section 2.2. Company's Representations. The Company hereby represents that the Project will significantly benefit the City and the State of Missouri by (i) stimulating economic development in the City and the State; and (ii) increasing local and state tax revenues.

ARTICLE III

PROPERTY TAX EXEMPTION; PAYMENT IN LIEU OF TAXES

Section 3.1. Property Tax Exemption. So long as the City owns title to the Project, the City expects that the Project will be exempt from ad valorem taxes on real property. The first year of the exemption period for purposes of this Agreement shall begin on January 1, 2017. Notwithstanding any other provision of this Agreement to the contrary, the last year of such exemption period shall be 2028. The Company covenants and agrees that, during each year the Project is exempt from ad valorem taxes by reason hereof, the Company will make annual payments in lieu of taxes to the City (each such payment, a "PILOT") as described in this **Article III**. The City and the Company hereby agree that the tax abatement provided by this Agreement shall only apply to property financed with the proceeds of the Bonds (i.e., property constituting a part of the Project) and shall not apply to property not financed with proceeds of the Bonds.

Section 3.2. Payments In Lieu of Taxes for Project. The Company covenants and agrees to make PILOT Payments to the City on or before each December 31, commencing December 31, 2017, in the amounts, and in the years, set forth in **Exhibit B** attached hereto. Additionally, because the Project Site is being transferred to the City in 2017, the real property is not subject to ad valorem taxation for 2017 and 2018, and therefore, the Company, to the extent the taxes for 2017 or 2018 are not paid, is required to make a PILOT Payment equal to 100% of the taxes that would otherwise be due for 2017 and 2018 in the amounts shown in **Exhibit B**.

Section 3.3. Termination for Failure to Operate the Project as a Commercial Facility. If the Company fails to operate the Project as a Commercial Facility, other than temporary closures customary in the applicable industry, then in addition to any other remedies that may be available to the City under the Lease or hereunder, the percentage of PILOTS set forth in **Section 3.2** shall be increased to 100% of the ad valorem real property taxes that would otherwise have been due on the Project during each year following such failure, including the year in which the failure occurs, and during which the Project is exempt from ad valorem real property taxes as provided herein.

Section 3.4. Distribution of PILOTS. Within 30 days of the date of receipt of each PILOT, the City or designated billing/collection agent shall distribute each PILOT among the taxing jurisdictions. However, upon a termination under **Section 3.3**, the City or designated billing/collection agent shall distribute each PILOT among the taxing jurisdictions in proportion to the amount of taxes which would have been paid in each year had the Project not been exempt from taxation pursuant to this Agreement.

Section 3.5. Obligation of City to Effect Tax Abatement. The City agrees to take all actions within its control to obtain and/or maintain in effect the exemption referred to in **Section 3.1** above, including any filing required with any governmental authorities; provided, however, the City shall not be liable for any failure of Jackson County, Missouri or any other governmental taxing authority to recognize the exemption provided herein. The City covenants that it will not voluntarily take any action that may cause or induce the levy or assessment of ad valorem taxes on the Project. In the event such a levy or assessment should occur, the City shall, at the Company's request and at the Company's expense,

fully cooperate with the Company in all reasonable ways to prevent and/or remove any such levy or assessment against the Project.

Section 3.6. Administration Costs. Under Section 100.050 of the Act, the City may require the Company to reimburse the City for its actual costs of issuing the Bonds and administering the plan including costs associated with this Agreement, in an amount of no greater than \$1,000 per year. The City will provide a statement for such costs to the Company not later than November 15th of each year and the Company will reimburse the City for its costs on or before December 31 of each year continuing until December 31 of the year in which this Agreement expires or is terminated.

Section 3.7. Other Property Taxes In Connection with the Project. The real property tax exemption provided by the City's ownership of the Project is expected to apply to all interests in the Project during the period it is owned by the City. If any ad valorem property taxes are levied by or on behalf of any taxing jurisdiction against any interest in the Project during the period the City owns the Project (including, without limitation, any ad valorem taxes levied against the Company's rights in the Lease), the amount of ad valorem tax payments related to such levy or levies which are paid by the Company and received by the City and other taxing jurisdictions shall be credited against and reduce on a *pro rata* basis the amount of the PILOT Payments the Company is obligated to pay pursuant to this Agreement. The Company shall be responsible for any taxes related to any interest in the Project which the Company owns in its own name or granted to the Company other than pursuant to the Lease.

Section 3.8. Credits for Certain Tax Payments. Nothing in this Agreement shall be construed to require the Company to make duplicate tax payments. The Company shall receive a credit hereunder to such extent it has made any payment for ad valorem real property taxes on the Project to Jackson County, Missouri.

Section 3.9. Company's Right To Protest Taxes. Notwithstanding any other provision of this Agreement to the contrary, nothing in this Agreement shall be construed to limit or in any way restrict the availability of any provision of Missouri law which confers upon the Company the right to appeal, protest or otherwise contest any property tax valuation, assessment, classification or similar action.

Section 3.10. No Abatement on Special Assessments, Licenses or Fees. The City and the Company hereby agree that the property tax exemptions described in this Agreement shall not apply to special assessments and shall not serve to reduce or eliminate any other licenses or fees owing to the City or any other taxing jurisdiction with respect to the Project. The Company hereby agrees to make payments with respect to all special assessments, licenses and fees which would otherwise be due with respect to the Project if such Project was not owned by the City.

Section 3.11. PILOTS Following Cessation of Operations. If for any reason the Company ceases operations of the Project during the term of this Agreement, the percentage of PILOTS set forth in **Section 3.2** shall be increased to 100% of the ad valorem real property taxes that would otherwise have been due on the Project for each year following such cessation of operations including the year of cessation of operations. "Ceases operations" or "cessation of operations" for the purpose of this paragraph means the Company completely vacates, abandons and permanently ceases operations for a period of 90 consecutive days during the term of this Agreement, unless the Project has been subject to a casualty and the Company is intending to rebuild the Project or the Company's interest in this Agreement has been transferred pursuant to **Article V** hereof and the Project continues in operation thereafter.

ARTICLE IV

COVENANTS, REPRESENTATIONS AND AGREEMENTS

Section 4.1. Inspection. The Company agrees that the City and its duly authorized agents shall have the right at reasonable times (during business hours), subject to at least 48 hours advance notice and to the Company's usual business proprietary, safety and security requirements, to enter upon the Project Site to examine and inspect the Project and the records of the Company which demonstrate compliance with this Agreement.

Section 4.6. Indemnification. The Company shall indemnify and defend the City to insure that the City and the Trustee are held harmless from and against all claims, demands, costs, liabilities, damages or expenses, including attorneys' fees, by or on behalf of any person, firm or corporation arising from the conduct or management of, or from any work or thing done in, on or about, the Project during the term of the Lease, and against and from all claims, demands, costs, liabilities, damages or expenses, including attorneys' fees, arising during the term of the Lease from any event described in **Section 10.5** of the Lease to the extent and subject to the limitations provided therein. The Company hereby grants such warranties regarding environmental matters as set forth in **Section 10.9** of the Lease. This section shall not apply to the negligence or willful misconduct of the City or its officers, employees or agents.

Section 4.7. Sales Tax Exemptions. In order to obtain an exemption from state and local sales taxes, the City will provide a project exemption certificate to the Company in connection with the Company's acquisition of the construction materials for the Project Improvements.

Section 4.8. Costs of Issuance of the Bonds. The Company agrees to pay on the date of the initial issuance of the Bonds, all costs of issuance incurred in connection therewith.

ARTICLE V

SALE AND ASSIGNMENT

The benefits granted by the City to the Company pursuant to this Agreement shall belong solely to the Company, and such benefits shall not be transferred (other than to an affiliate of the Company), assigned, pledged or in any other manner hypothecated without the express written consent of the City; but nothing herein shall preclude the Company from assigning or pledging its interest in the Project so long as the Company continues to operate the Project as a commercial apartment complex and otherwise remains responsible for its undertakings herein. Notwithstanding the foregoing, the Company may, without the City's consent, transfer its interests in this Agreement to any entity or person to whom the Lease has been assigned in accordance with **Article XIII** thereof.

ARTICLE VI

DEFAULT AND REMEDIES

Section 6.1. Events of Default. If any one or more of the following events shall occur and be continuing, it is hereby defined as and declared to be and to constitute an Event of Default hereunder:

(a) the Company fails to make any PILOT Payments required to be paid hereunder within 10 days after written notice and demand by the City;

(b) any representation of the Company contained herein proves to be materially false or erroneous and is not corrected or brought into compliance within 30 days (or such longer period as the City and the Company may agree in writing) after the City has given written notice to the Company specifying the false or erroneous representation and requiring it to be remedied; provided, that if such matter is not subject to cure within such 30 days (or such longer period as the City and Company agree in writing) after such notice, the Company fails to initiate action to cure the default within such 30 days after such notice and fails to pursue such action diligently; or

(c) the Company fails to operate the Project as a Commercial Facility.

Section 6.2. Remedies on Default. Upon an Event of Default hereunder this Agreement may be terminated by written notice to the Company from the City. Within thirty days of such termination and upon written notice of the dollar amounts due, the Company shall make a PILOT to the City equal to (i) the pro rata amount payable pursuant to **Section 3.3** hereof from January 1 of the year in question through the effective date of termination, plus (ii) the pro rata amount of taxes that would be due for the remaining portion of the year assuming the Project was placed on the tax rolls effective on the date of termination through December 31; provided, however, the payment of PILOTS following cessation of operations shall be governed by **Section 3.12**.

Upon any termination of this Agreement the Company agrees to pay interest and penalties on all amounts due hereunder to the same extent as if such payments were taxes under Missouri law.

Section 6.3. Payments on Defaulted Amounts. Any amounts due hereunder which are not paid when due shall bear interest at the interest rate imposed by Missouri law on overdue ad valorem real estate taxes from the date such payment was first due.

Section 6.4. Enforcement. In addition to the remedies specified in **Section 6.2**, upon the occurrence of an Event of Default, the City or any taxing jurisdictions that would benefit from the PILOT Payments due and owing under this Agreement may bring an action for specific performance to enforce such payments. In the event of litigation pertaining to the enforcement of this Agreement, the losing party shall pay all costs of litigation, including reasonable attorneys' fees.

Section 6.5. Failure of the City to Perform its Obligations. In the event the City shall fail to perform any of its obligations hereunder for (i) a period of 60 days (or such longer period as the Company and the City may agree in writing) following written notice to the City from the Company of such failure which notice shall include a specific description of the City's failure hereunder), or (ii) if such failure is not subject to cure within such 60 days, the City shall have failed to initiate action to cure such default and shall pursue such action diligently; the Company may declare that the City is in default under this Agreement and may pursue any legal remedy available to it to enforce this Agreement.

This Agreement shall automatically terminate prior to the Stated Expiration Date in the event the Bonds (or any Bonds issued to refund the Bonds) are no longer outstanding.

ARTICLE VIII

MISCELLANEOUS PROVISIONS

Section 8.1. Severability. If for any reason any provision of this Agreement shall be determined to be invalid or unenforceable, the validity and enforceability of the other provisions hereof shall not be affected thereby.

Section 8.2. Governing Law. This Agreement shall be construed in accordance with and governed by the laws of the State of Missouri.

Section 8.3. Execution in Counterparts. This Agreement may be executed simultaneously in several counterparts, each of which shall be deemed to be an original and all of which shall constitute but one and the same instrument.

Section 8.4. Waiver. The City and the Company acknowledge and agree that the amounts payable hereunder shall constitute payments due the City under the Lease executed in connection with the Bonds. The Company shall not be entitled to any extension of payment of such amounts as a result of a filing by or against the Company in any bankruptcy court.

Section 8.5. Entire Agreement. This Agreement constitutes the entire agreement relating to the subject matter contained herein and supersedes all prior agreements and understandings, both written and oral, between the City and the Company with respect to the subject matter hereof.

Section 8.6. Electronic Storage of Documents. The City and the Company agree that the transaction described herein may be conducted and related documents may be sent, received or stored by electronic means.

Section 8.7. Notices. All notices, certificates or other communications required or desired to be given hereunder shall be given in the manner specified in the Lease.

Section 8.8. Employee Verification. The Company will comply with and satisfy the requirements of Section 285.530.2, RSMo., as amended, which requires (1) any business entity receiving tax abatement to, by sworn affidavit and provision of documentation, annually affirm its enrollment and participation in a federal work authorization program with respect to the employees working in connection with the business entity receiving tax abatement, and (2) every such business entity to annually sign an affidavit affirming that it does not knowingly employ any person who is an unauthorized alien in connection with the entity receiving tax abatement. The Company shall provide such affidavits and documentation to the City on or before November 15 of each year during the term of this Agreement, beginning November 15, 2017, and also upon execution of this Agreement.

Section 8.9. Complete Agreement. The Company and the City understand that oral or unexpected agreements or commitments to loan money, extend credit or to forbear from enforcing repayment of a debt including promises to extend or renew such debt are not enforceable. To protect the Company and the City from misunderstanding or disappointment, any agreements the Company and the City reach covering such matters are contained in this Agreement and the Lease, which are the complete and exclusive statements of the agreement between the Company and the City, except as the Company and the City may later agree in writing to modify this Agreement and the Lease.
