**Section 8.6. Validity and Severability.** It is the intention of the parties hereto that the provisions of this Agreement shall be enforced to the fullest extent permissible under the laws and public policies of the State, and that the unenforceability (or modification to conform with such laws or public policies) of any provision hereof shall not render unenforceable, or impair, the remainder of this Agreement. Accordingly, if any provision of this Agreement shall be deemed invalid or unenforceable in whole or in part, this Agreement shall be deemed amended to delete or modify, in whole or in part, if necessary, the invalid or unenforceable provision or provisions, or portions thereof, and to alter the balance of this Agreement in order to render the same valid and enforceable.

**Section 8.7. Execution of Counterparts.** This Agreement may be executed simultaneously in two counterparts, each of which shall be deemed to be an original, but both of which together shall constitute one and the same instrument.

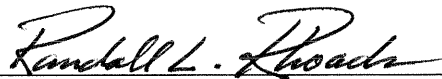

**Section 8.8. City Approvals.** Unless specifically provided to the contrary herein, all approvals of the City hereunder may be given by the City Manager or his or her designee without the necessity of any action by the City Council.

**Section 8.9. District Approvals.** Unless specifically provided to the contrary herein, all approvals of the District hereunder may be given by the Executive Director or his or her designee without the necessity of any action by the Board of Directors.
