The event will be held at the LSN Football Stadium. She also noted on September 21st the Lee's Summit Symphony will be playing at John Knox Village. Tickets are still available.

Councilmember Binney congratulated the Lee's Summit Parks & Rec for a very successful concert last Friday at Legacy Park featuring Sarah Evans, almost sold out at 1500 tickets. He advised Julian Vaughn would be performing there this weekend and there will be one more free concert, 18th and Vine, in September.

Mayor Baird joked that Mayor Pro Tem Lopez was suffering from near depression after sending his second daughter off to school.

4. Public Hearings:

- A. [2019-2911](#) Continued Public Hearing: Application #PL2019-020 - Rezoning from RP-2 to RP-3 and Preliminary Development Plan - Burton Townhomes, 408 & 500 NW Olive Street; Cherokee Flight, LLC, applicant.

(Note: This application was continued from July 23, 2019 pending an additional hearing at the Planning Commission.)

Exhibit A, List of Exhibits 1-22 were entered into the record.

City Council discussions included:

- Dimensions of the buildings
- Improvements to Olive and Orchard (street is torn up and new construction from new curb to new curb)
- Current 4 plex lot sizes
- Density for current zonings
- Prices and number of bedrooms/bathrooms
- Is it a historic area
- Requirements on new construction for the historic area
- Road Improvements, south of Orchard (dead end)

- Detention areas
- Compatible neighborhood recommendation
- Utility pole moved so driveway can line up with Orchard
- HOA to maintain detention basins and guest parking
- Fencing
- Prohibition on rentals
- Exterior materials

Ms. Pat Vanbebber feels HOA's don't always do what they are supposed to and new owners can do whatever they want to. She asked who will maintain the detention ponds if the HOA doesn't. She also asked who profits from changing the zoning. She feels the streets are a big problem and there is only one entrance in and one entrance out of the proposed plan.

Mr. Kathy McClintock stated Olive is a busy street, dead end with a business at the end. She feels the intersection is dangerous. She noted some of the ditches were allowed to be filled in north to allow for parking. She does not feel this project is the right fit for this location.

Ms. Diana Peoples noted her concerns of increase in traffic, detention ponds and screening, and dangerous and deteriorating road. She feels there is already too much traffic for the roads the way they are.

Ms. Tammy Neal stated her concern for the truck traffic during construction and feels the road is going to give way or someone is going to get hurt.

There were no speakers in favor of this application.

ACTION: After lengthy discussion, a motion was made by Councilmember Binney, seconded by Councilmember Faith, that this Public Hearing be continued to a date certain of October 1, 2019. The motion carried by the following vote:

- 1) [BILL NO. 19-185](#) An Ordinance approving a Rezoning from District RP-2 to District RP-3 and Preliminary Development Plan for approximately 3.76 acres located at 408 & 500 NW Olive St, proposed Burton Townhomes in accordance with the provisions of Chapter 33, The Unified Development Ordinance of Lee's Summit Code of Ordinances, for the City of Lee's Summit, Missouri.

This item was continued to October 1, 2019 with the continuation of the Public

Hearing.

5. Public Comments:

Ms. Jean Burbank stated she was here 5 weeks ago regarding the creek behind her house and she has not heard from anyone. She advised the trees continue to fall on her fence and the property behind her continues to erode and fall into the creek. Spoke with the owner of the property a month ago and he said he has someone coming out to clear north which will only make her situation worse. She would like the city to do more to help her situation.

Councilmember Forte noted she did feel for Ms. Burbank and asked staff if there was more that could be done.

Mr. Steve Arbo, City Manager, stated there is really nothing more that can be done. Stormwater issues are not funded and this is on personal property and is a civil matter between two neighbors. He suggested Ms. Burbank contact an attorney for assistance as the property she is talking about is Jackson County owned property and not City owned property. Staff would be happy to help when possible, but there is nothing they can do to help with this situation.
