Councilmember Forte shared that her daughter was named one of the top 12 teachers in the Lee's Summit School District. One of these 12 will be named Teacher of the Year. She then mentioned a very close friend of hers, Chuck Mount, passed away a couple weeks ago. He would walk Lowenstein Park everyday and would call her and say "don't ever let anyone do anything to this park, we love that park". She added that she was proud to find out that his sons found some solace in walking that park the day their father was buried and it is a reminder what the parks mean to people that live in this community.

Mayor Pro Tem Lopez reported he has the honor of representing the Mayor and City Council at the monthly MARC (Mid-America Regional Council) Board meetings. At the end of the meeting this past week, he spoke with a couple of colleagues from Overland Park, Kansas and they made comments about the great things Lee's Summit has going on, specifically how it relates to "our cool downtown".

Councilmember Faith announced today is National PB&J (Peanut Butter and Jelly) day.

Councilmember Edson noted that Saturday, April 27, 2019 from 10:00 a.m. to 2:00 p.m., Lee's Summit CARES will be sponsoring their annual drug take back day. All unused prescription medication can be dropped off at four locations around the city including the Jackson County Sheriff's office, the Lee's Summit Police Department, the Lee's Summit Medical Center ER and Places Restaurant in John Knox Village. She also reported that on April 3, 2019 she will be with several other people traveling to Whiteman Airforce base for a tour and Lee's Summit will be honored at the luncheon.

Councilmember Binney thanked the community and those that campaigned for the school board elections. He shared his hope that with the ending of elections, the district and community gets back to educating and focusing on the children. He then reminded everyone that Summit Park and Howard Park have been designated for improvements this year. He added that the Parks and Recreation Department is looking at the 40-50 year old parks and finding out what the neighbors and community want to use those parks for. He then mentioned the Parks Newsletter "Lee's Summit Illustrated" came out recently. He highlighted 2 events: April 20, 2019 is the Flights of Fancy kite festival at Longview College and Saturday, April 27, 2019 will be the Sweep the Summit event cleaning up three parks this year, Legacy, Lowenstein and Lea McKeighan or you can go out and clean up your own park that day. He closed with recognition of World Autism Awareness Day today, April 2, 2019.

10. Committee Reports

Councilmember Carlyle reminded everyone there will be a Rules Committee meeting on Thursday, April 4, 2019 at 6:00 p.m.

Councilmember Forte stated that at the last CEDC meeting the committee had a conversation regarding the No Tax Increase Bond Issue as it relates to Police Department in-car video replacement system and body worn cameras. She stated the committee thought these items might be needed before the bond issue was passed and she asked Mr. Travis Forbes to step forward and speak to the issue. Mr. Travis Forbes, Chief of Police, stated that there is a need to get those systems as soon as possible, however, staff time and resources are somewhat limited until the fall of 2019.

Councilmember Faith commented that the Health Education Advisory Board had a really good presentation on trauma resilient communities. They discussed mental health and combating PTSD.

Councilmember Johnson reported the Parks and Recreation Department has plans to redevelop, and reconstruct, a lot of the neighborhood parks over the next few years. The other night the Parks Board mentioned that work on Pleasant Lea Park will be a year or so away and Councilmember Johnson stated the plans are phenomenal. He then announced the Finance and Budget Committee will meet Monday, April 8, 2019 at 5:00 p.m. He asked all of the members of the Council, and the public that watches Council meetings, to get a review of the FY20 revenue estimates that staff prepared for the Finance Committee 2 or 3 weeks ago. He noted that not everything can be funded.

Mayor Pro Tem Lopez stated CEDC (Community and Economic Development Committee) had 2 meetings in the month of March and the next meeting will be April 10, 2019 at 4:00 p.m.

Mayor Baird mentioned this Friday, April 5, 2019 the City Council will working on the Strategic Plan from 4:00 - 7:00 p.m. and on Saturday, April 6, 2019 from 8:30 a.m. - Noon.

11. Council Comments:

Councilmember Binney asked staff to provide a legal definition and the role of the TIF Commission. He said he thought the TIF Commission was established to look at the economic impact, impact to taxing jurisdictions, and the return on investment but he heard Commissioners talking about being involved in the planning process, traffic concerns, and water or sewer infrastructure. He then asked the City Manager if the city has reached the amount of anticipated savings in the budget that had been reported at the time of the last budget amendment. Mr. Steve Arbo, City Manager, responded that some revenue items are coming in at, or over, what had been anticipated and others are not. He added that he will be giving a full presentation on each line item at the Finance and Budget Committee meeting on Monday, April 8, 2019.

Councilmember Binney then asked Mayor Pro Tem Lopez when the No Tax Increase Bond Issue will be brought to the full City Council. Mr. Mark Dunning, Assistant City Manager, shared a timeline for those discussions.

Mayor Baird stated that he thinks they have had great results getting the Planning Commission on the same page this year and he is planning to draft a letter to the TIF Commission about staying within their scope and getting them on the same page as well.

Councilmember Forte agreed with Mayor Baird and Councilmember Binney and added she thinks it's important that the TIF Commission understand the message is coming from multiple Councilmembers as well as the Mayor.

12. Staff Roundtable

Mr. Steve Arbo, City Manager, announced tonight is the first night to have closed captioning. He apologize if anyones last names didn't show up correctly and he thanked the Council for the ongoing funding and support for that effort.

Mr. Travis Forbes, Police Chief, announced that on June 1, 2019 there will be a restructuring of the Police Department and they will be making some significant changes. As part of that process the City Council approved the new position of Deputy Chief. Major John Boenker will become the first Deputy Chief of the Police Department.
