Compliance

- 2025 OMB Compliance Supplement in draft stage - Single Audits delayed until officially released by OMB
- President Trump signs EO 14332: “Improving Oversight of Federal Grantmaking”
 - Authorizes OMB to revise Uniform Guidance
 - Allows revision of discretionary grant terms and conditions to permit immediate termination for convenience
- Volume of Executive Orders makes compliance challenging
- Subrecipient monitoring - Nonalignment with Executive Orders creates increased liability for the City

Next Steps

- Implement updated Grants Management Policies & Procedures
- New awards will include City risk assessment for City Council to review at acceptance
- New application strategies:
 - Propose only projects with minimal schedule risk and secured local funding
 - Utilize Grants Manager to strengthen alignment of applications with Notice of Funding Opportunities and preferred vocabulary
