EXHIBIT "A" LEE'S SUMMIT COMMUNITY FOUNDATION DOCUMENT RETENTION AND DESTRUCTION POLICY

This Document Retention and Destruction Policy addresses the retention and destruction of documents of the City of Lee's Summit Community Foundation. (hereinafter "LSCF".) This policy applies uniformly to documents retained in either paper or electronic format. This policy provides guidelines for the retention and destruction of certain types of documents and should not be considered a comprehensive list of all types of documents that LSCF may now or in the future have. In addition, while documents covered under this policy must be retained for the period of time set forth in Schedule A, they may be kept for a longer time than prescribed.

If a claim is anticipated or has been filed against LSCF, or if a subpoena or investigative demand has been issued by a governmental agency seeking records of LSCF, the Board of Trustees shall place a "Litigation Hold" suspending the destruction of documents. This suspension shall remain in place until the Board of Trustees, with the advice of legal counsel, determines otherwise.

Schedule A contains the retention period for several types of LSCF documents. Questions regarding the retention of documents not listed in Schedule A should be directed to the Secretary. Documents from Schedule A may be destroyed only after they have been retained for the period of time prescribed in Schedule A. Paper documents that are destroyed must be shredded or incinerated if they contain confidential or sensitive information.
