

Blue Springs

CDBG-CV1 \$158,000

Allocated \$135,000 to Small Business Loans, \$23,000 to PSAs

- PSA \$ was expended within 30 days
- Small Business Loan application only received requests totaling \$43,000
- City reallocated \$94,000 to PSA (utility/rent assistance through CSL—this is 50% expended)

CDBG-CV2 \$230,000

Currently under review by CDBG Advisory Committee and City Council

- Proposed allocation of \$100,000 to PSAs
- \$130,000 to Small Business (they have simplified the process; but have received an underwhelming number of applications due to the paperwork involved)

Overland Park

CDBG-CV1 \$466,120

- \$5,000 to small businesses—administered by Community Capital Fund (applications opened October 20)

Leavenworth

CDBG-CV1 \$201,489

Allocated \$101,489 to Public Services for rent/utilities and food, \$100,000 to small business loans

- PSA CV1 funding has all been disbursed
- Not much interest in small business loans—amount offered is not worth the paperwork, 4 have been awarded to date

CDBG-CV2 \$119,897

- \$108,897 to PSAs
- \$11,000 to admin

Wyandotte/KCK

\$2,143,980

- \$750,000 rental assistance
- \$100,000 food/meal services

- Remainder, plus any reallocations to WYCO Connect (partnership between Community Development and Health Departments, United Way, and Community Health Council). This program will hire, train and embed approximately 20 community health workers in community organizations to help the most vulnerable populations navigate health needs. They will help residents connect to COVID-19 testing/care (and eventually vaccination), provide health education and connect families to other COVID-19 related resources such as housing, food, employment, etc.

Independence

CDBG-CV1 \$478,943

- Allocated \$73,000 to PY20 PSAs
- \$125,000 to public transportation (IndeBus)
- Currently have RFP out to establish a Rental Assistance Program with the remaining funds; goal is to have these funds disbursed by Christmas
