Hi Trisha

I would like to formally appeal an application for Mural that was denied on June 20th, 2025. Spicybros Chicken LLC d.b.a. Dave's Hot Chicken

Would like to appear before the city council to state my case regarding the denial. The denial states that application does not meet section F - Designs Standards - Item #4 "the proposed mural is well integrated with the building's facade and other elements of the property and enhances the architecture or aesthetics of a building or wall."

I would like to explain my case why Item #4 should be reviewed by the City Council.

- Examples of other murals in the same shopping center
- Examples of other branding elements in same shopping center
- Discussion points by Artist's listed on the City of Lee's Summit website regarding mural application in City of Lee's Summit
- City did not propose any alteration options or suggestion on what would meet section F - Line item #4.

I look forward to your response.

Sincerely
Curt Staab
