**Interest Response:** Having been a Lee's Summit Resident for most of the past 45 years (since 1978), I've witnessed the amazing growth of my hometown. Along with my Wife Tracy, we've raised two adult Daughters here and in the past year become empty nesters. I've always wanted to give back, serve and also offer my knowledge and expertise to make a difference, so the next generation has the opportunity to live in the greatest city in the KCMO Metropolitan area. I truly believe there's a necessary balance to achieve between the small town feel many of us cherish, yet also offering as many services / amenities as possible, within our community. Adding in my 30 plus years commercial construction and development experience, I'm confident I can make a positive impact if appointed by Mayor Baird to the LCRA.

**Other Activities:** I was a Leadership Lee's Summit Graduate back in 2000. I have served on multiple committee's and boards within the Kansas City commercial construction industry for both The Builders Association and Associated General Contractors (AGC).
