Subject to the requirements set forth herein and so long as the Board is authorized under the Tax Credit Statute to issue Tax Credits, the Board hereby agrees to accept Contributions from Donors in a maximum aggregate amount of \$6,000,000 (the "**Maximum Contributions**"), resulting in the potential issuance of Tax Credits in the maximum amount of \$3,000,000 (the "**Maximum Tax Credits**"), and to deposit such Contributions into the Board's Infrastructure Development Fund, and to issue such Donors' Tax Credits in an amount not to exceed 50% of the amount of such Contribution.

The date of the award and authorization for the Tax Credits shall be October 15, 2024.

All Contributions must be received by December 31, 2025 unless the Board, in its sole and absolute discretion elects to extend the period for which Contributions may be received. This paragraph shall not restrict the owner of any Tax Credit from utilizing the benefits of the carry-forward provisions contained in the Tax Credit Statute.

Section 3.2. Submission of Form 100. The Board shall process each Contribution which is accompanied by a properly completed Form 100 (currently available at <https://mdfb.org/resources-forms/tax-credit-contribution-forms/>) and any other documents required by Missouri law. Any Contribution which is received for which the Board does not have a properly completed Form 100 and any other documents required by Missouri law shall be held by the Board until such documents are provided or, at the option of the Board, returned to the Donor with a written notation stating why such Contribution is being returned. A copy of each returned Contribution shall also be sent to the Public Entity. The Board reserves the right to require any additional information which the Board determines to be necessary to comply with the Board's statutes, as they may be amended from time to time.

Section 3.3. Minimum Contribution. The Board shall not accept any Contribution in an amount less than \$5,000. Unless the Board, in its sole and absolute discretion, elects to waive the foregoing limitation, any Contribution which is received for less than such minimum amount shall be returned to the Donor with a written notation stating that Contributions must be made in the minimum amount of \$5,000. A copy of each returned Contribution shall also be sent to the Public Entity.

Section 3.4. Processing Contributions. The Board shall promptly process all completed Contributions. The Board expects that once a properly completed Form 100 and all other required documents are received by the Board, together with the Contribution, the Board will issue and deliver or cause to be issued and delivered the Tax Credits within thirty (30) business days.

Section 3.5. Determination of Amount of Contribution. The amount (or value) of each Contribution shall be determined by the Board as follows:

Cash. The amount (or value) of cash Contributions shall be the face amount of such Contribution.

Marketable Securities. The amount (or value) of marketable securities shall be the proceeds received by the Board from the liquidation of such marketable securities in accordance with the Donor's instructions approved and accepted by the Board, less the Board's costs of selling such securities.

Unmarketable Securities and Other Property. No contributions of unmarketable securities or other property (other than as described above) shall be permitted under this Agreement.

The Board and the Public Entity agree that in the event the Board receives Contributions in excess of the Maximum Contribution set forth in **Section 3.1** hereof (as the same may be modified by the Board in its sole and absolute discretion), the Board shall return such Contributions to the Donors thereof with a statement that Tax Credits are no longer available for such Contributions. A copy of each returned Contribution shall also be sent to the Public Entity.

ARTICLE IV

APPLICATION OF CONTRIBUTIONS

Section 4.1. Board's Application of Contributions. All Contributions received by the Board for the Project described herein shall be deposited in the same manner as other amounts received by the Board, and the amount of such Contributions shall be maintained by the Board on its books and records in a separate ledger account (the "**Board Project Account**"). All moneys on deposit in the Board Project Account shall be invested by the Board in accordance with its investment guidelines. All interest earnings on such amounts shall accrue to the Board and shall not be credited to the Board Project Account.

Section 4.2. Disbursements from the Board Project Account. The Board shall disburse amounts from the Board Project Account upon receipt of fully executed disbursement requests in the form attached hereto as **Exhibit C** (each a "**Disbursement Request**"). The Board shall be entitled to rely upon each Disbursement Request in disbursing amounts from the Board Project Account and it shall have no duty to conduct any investigation into the authenticity of the signatures on such Disbursement Request or the accuracy of the information set forth therein.

All disbursements from the Board Project Account shall satisfy the conditions set forth in **Exhibit D**.

Section 4.3. Procedures and Conditions for Disbursements. The Board and the Public Entity hereby agree to the following procedures in connection with disbursements from the Board Project Account:

(a) All Disbursement Requests shall be submitted to the Board for approval as provided in **Section 4.2** hereof. All payments from the Board Project Account shall be made payable to the Public Entity;

(b) In no event shall the Public Entity submit more than one Disbursement Request to the Board each month, unless approved by the Board's Executive Director;

(c) All disbursements of the Contributions shall be used only for costs described on **Exhibit A**; and

(d) The Board shall have the right to cease funding disbursement requests upon the occurrence of any of the following events:

(i) Project Abandonment has occurred; or

(ii) the Public Entity shall fail to perform any material covenant, condition or other provision of this Agreement.

The Board shall promptly notify the Public Entity of its election to cease funding disbursement requests and such notice shall contain a description of the basis upon which the Board has exercised such right to cease funding disbursement requests. If the Board and the Public Entity are unable to agree to a waiver, extension or modification of such conditions, the Board shall have the right to terminate this Agreement and shall cause all moneys remaining in the Board Project Account to be applied as provided in **Sections 4.6** and **6.1** hereof.

Section 4.4. Processing of Disbursement Requests. Within ten (10) business days after the submission of a fully completed Disbursement Request to the Board, the Controller shall process such request for payment or immediately notify the Public Entity of any information needed to process such Disbursement Request.

Section 4.5. Deduction of Board Fees and Expenses. Concurrently upon the receipt of each Contribution, the Board shall deduct an administrative fee in an amount equal to 4.0% of the amount of the Contribution, and shall furnish the Public Entity a detailed description of such deductions at least quarterly. Such fees shall be in addition to any interest earned for the account of the Board on moneys invested in the Board Project Account. If the Board grants an extension to the deadline for the Board's receipt of Contributions as set forth in **Section 3.1** hereof, the administrative fee on all Contributions made after the deadline contained in **Section 3.1** hereof shall increase to 5.0% of the amount of such Contributions. Nothing herein shall obligate the Board to grant any extension.

Section 4.6. Return of Contributions. In the event the Public Entity has been unable to satisfy the conditions set forth in **Section 4.3** hereof and in **Exhibit D** to the satisfaction of the Board, or in the event the Public Entity shall notify the Board of an event of Project Abandonment, or upon an event of default under **Section 6.1** hereof, then all Contributions held by the Board pursuant to **Section 4.1** hereof shall become the property of the Board and this Agreement shall be terminated. If the Board seeks to

declare an event of Project Abandonment, the Board shall provide the Public Entity with a notice of default in accordance with **Section 6.1** hereof stating its intent to deem the Contributions property of the Board and to terminate this Agreement in accordance with **Section 6.1** hereof. Notwithstanding the foregoing, if requested by a Donor in writing, a Contribution made by a Donor and still on deposit in the Board Project Account shall be returned to the Donor after reimbursement to the State for the cost of Tax Credits issued hereunder. In the event of a declaration of Project Abandonment or default, the Board agrees that it will provide a written notice to each Donor who would be entitled to any Contribution return. In determining the cost to the State of such Tax Credits the Board shall assess interest on such Tax Credits from the date of issuance of the Tax Credits through the date of the return of the Contribution, such interest to be calculated using an interest rate equal to *The Bond Buyer's* 20 Bond Index published in *The Bond Buyer* on the day such calculation is made. Notwithstanding any other provision of this Agreement, Contributions which are expended by the Public Entity in accordance with this Agreement shall not be subject to return nor shall such Tax Credits be subject to recapture.

Section 4.7. Recapture of Credits Issued in the Event the Project is Abandoned. If Project Abandonment occurs, any proceeds from the sale of a portion of the real estate on which the Project is constructed shall be applied in the following order of priority: (i) to repay any debt incurred to acquire the Project, (ii) to reimburse the State for the cost of Tax Credits issued hereunder, and (iii) in any manner the Public Entity shall elect free and clear of all restrictions in this Tax Credit Agreement.

Section 4.8. Public Entity Assumes All Responsibility for the Project. The Public Entity acknowledges and agrees that any and all costs and expenses incurred in connection with the acquisition, construction and equipping of the Project in excess of the amounts on deposit with the Board Project Account (including amounts which are ineligible for payment from the Board Project Account) shall be paid by the Public Entity and the Board shall not have any liability in connection therewith. The Public Entity recognizes that since the construction and equipping of the Project is being completed at the request of and under the direct supervision of the Public Entity and by contractors and suppliers selected by and under contract with the Public Entity in accordance with plans and specifications prepared on behalf of the Public Entity, the Board makes no representation or warranty, express or implied, with respect to the merchantability, condition or workmanship of any part of the Project or its suitability for the Public Entity's purposes or the extent to which funds in and expected to be deposited into the Board Project Account will pay the cost to be incurred in connection with the work.

Section 4.9. Public Entity Responsible For Construction; Required Liability Insurance. The Public Entity shall have the right and the obligation to hire, retain and employ all persons, including, but not limited to, contractors, to complete the acquisition, construction and equipping of the Project. The Public Entity shall be responsible to the Board for the acts and omissions of all said employees and contractors and their agents and employees, and all other persons performing any work in connection with the Project. The Public Entity shall, in connection with the construction and equipping of the Project, obtain public liability insurance in such amounts and in such coverages as shall be customary and reasonable for projects of similar size and scope. The Public Entity shall require the provider of such insurance policy to give at least 30 days prior written notice to the Board of any cancellation or material change in the terms of such insurance. The Public Entity shall obtain all necessary endorsements to fulfill the foregoing requirements and shall provide certificates of insurance to demonstrate such compliance upon request. The construction and equipping of the Project shall be performed in good and workmanlike manner.

Section 4.10. Compliance With Laws. The Public Entity agrees to comply in all material respects with the provisions of all applicable federal, state and local statutes and regulations, including, but not limited to, the Fair Labor Standards Act, Fair Employment Practices Act, Equal Opportunity Act, Missouri Prevailing Wage Law, Contract Work Hours and Safety Standards Act, Copeland Anti-Kick Back Act and the provisions of any other applicable federal, state or local statutes and regulations and

amendments thereto pertaining to employment, labor relations and equal employment opportunity and applicable to the construction and equipping of the Project, and pertaining to laws and regulations concerning environmental safety and remediation and applicable to the construction and equipping of the Project.
