**COOPERATIVE PURCHASING AGREEMENT
BETWEEN
THE CITY OF LEE'S SUMMIT
AND
SUNSET LAW ENFORCEMENT, LLC**

THIS COOPERATIVE PURCHASING AGREEMENT (this "Agreement") is entered into between the City of Lee's Summit, a Missouri municipal corporation (the "City"), and Sunset Law Enforcement, LLC. (the "Vendor"). The City and the Vendor are sometimes referred to individually as the "Party" and collectively as the "Parties".

RECITALS

A. After a competitive procurement process, State of Missouri ("State of MO") entered into Contract #CC240449008 with Vendor dated December 4, 2023 (the "State of MO Contract"), for Vendor to provide Ammunition. The State of MO Contract is incorporated herein by reference as though fully set forth, to the extent not inconsistent with this Agreement.

B. The City is permitted to purchase such products under the State of MO Contract, at its discretion and with the agreement of the awarded Vendor, and so long as the State of Contract permits its cooperative use by other public entities, including the City.

C. The City and the Vendor desire to enter into this Agreement for the purpose of (i) acknowledging their cooperative contractual relationship under the State of MO Contract and this Agreement, and (ii) establishing the terms and conditions by which the Vendor may provide the City with Ammunition, as more particularly set forth in Section 2 below (the "Services").

AGREEMENT

NOW, THEREFORE, in consideration of the foregoing recitals, which are incorporated herein by reference, the following mutual covenants and conditions, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the City and the Vendor hereby agree as follows:

1. Term of Agreement. This Agreement shall be effective as of the Effective Date set forth below and shall remain in full force and effect until the end of the term of State of MO Contract, unless terminated as otherwise provided in this Agreement.

2. Scope of Work. Vendor shall provide the products as set forth in the State of MO Contract.

3. Work Authorization/E-verify. Pursuant § 285.530, RSMo., if this Agreement exceeds five thousand dollars (\$5,000.00), Vendor warrants and affirms to the City that (i) Vendor is enrolled and participates in a federal work authorization program with respect to the employees working in connection with the contracted services and (ii) Vendor does not knowingly employ any person who is an unauthorized alien in connection with the contracted services.

Vendor shall swear to and sign an affidavit declaring such affirmation, and provide the City with supporting documentation of its enrollment and participation in a federal work authorization program with respect to the employees working in connection with this Agreement. The required documentation

must be from the federal work authorization program provider (e.g. the electronic signature page from the E-Verify program's Memorandum of Understanding); a letter from Vendor reciting compliance is not sufficient.

4. Agreement Subject to Appropriation. The City is obligated only to pay its obligations set forth in the Agreement as may lawfully be made from funds appropriated and budgeted for that purpose during the City's then current fiscal year. The City's obligations under this Agreement are current expenses subject to the "budget law" and the unfettered legislative discretion of the City concerning budgeted purposes and appropriation of funds. Should the City elect not to appropriate and budget funds to pay its Agreement obligations, this Agreement shall be deemed terminated at the end of the then-current fiscal year term for which such funds were appropriated and budgeted for such purpose and the City shall be relieved of any subsequent obligation under this Agreement. The Parties agree that the City has no obligation or duty of good faith to budget or appropriate the payment of the City's obligations set forth in this Agreement in any budget in any fiscal year other than the fiscal year in which the Agreement is executed and delivered. Vendor hereby waives any and all rights to bring any claim against the City from or relating in any way to the City's termination of this Agreement pursuant to this section.

5. Applicable Law; Venue. This Agreement shall be governed by the laws of the State of Missouri and suit pertaining to this Agreement may be brought only in courts in Jackson County, Missouri.

6. Anti-Discrimination Against Israel Act. If this Contract has a total potential value of \$100,000 or more and Vendor has 10 or more employees, the following applies. Pursuant to Section 34.600, RSMo and to the fullest extent permitted by law, Vendor certifies that Vendor is not engaged in a boycott of Israel as of the Effective Date of this Agreement, and agrees for the duration of this Agreement to not engage in a boycott of Israel as defined in Section 34.600, RSMo

7. Rights and Privileges. To the extent provided under the State of MO Contract, the City shall be afforded all of the rights and privileges afforded to Sunset Law Enforcement LLC, and shall be the "Vendor" (as that term is defined in the State of MO Contract) for the purposes of the portions of the State of MO Contract that are incorporated herein by reference.

8. Indemnification; Insurance. In addition to and in no way limiting the provisions set forth in Section 7 above, the City shall be afforded all of the insurance coverage and indemnifications afforded to the State of MO to the extent provided under the State of MO Contract, and such insurance coverage and indemnifications shall inure and apply with equal effect to the City under this Agreement including, but not limited to, the Vendor's obligation to provide the indemnification and insurance.

In addition to the insurance requirements set forth in the State of MO Contract, for claims arising out of the performance of this Agreement, the City, its agents, representatives, officers, officials and employees shall be endorsed as an Additional Insured under ISO, Commercial General Liability Additional Insured Endorsement forms CG 20 10 03 97 and CG 20 37 07 04, or their equivalents, which shall read "Who is an Insured (Section II) is amended to include as an insured the person or organization shown in the Schedule, but only with respect to liability arising out of "your work" for that insured by or for you."

9. Counterparts and Electronic Signatures. This Agreement may be executed in one or more counterparts, and counterparts may be exchanged by electronic transmission (including by email), each of which will be deemed an original, but all of which together constitute one and the same instrument.

IN WITNESS WHEREOF, the Parties hereto have executed this Agreement as of the date of the City Manager's signature ("Effective Date").

INSTRUCTIONS AND INFORMATION

1. **PREFERRED USE:** The State of Missouri intends to establish contracts with multiple vendors which shall be referred to collectively as a Qualified Vendor List (QVL) for use on an as needed, if needed basis. Contract awards will be made based upon the vendor's reliability and compliance with the requirements specified herein. The awarded contracts shall not be viewed as exclusive contracts. The state reserves the right to issue subsequent solicitations for the same or similar supplies.
2. **PRICE QUOTE(S):** At the state agency's discretion, the contractors awarded specific line item(s) will be contacted to quote a firm, fixed maximum price for the state agency's specific purchase. **The contractor shall be obligated to quote a price at the time the state agency contacts the contractor for a quote.** The firm, fixed maximum price quoted for the specific purchase shall be contractually binding on the contractor for that specific order and shall remain firm, fixed for the timeframe in which the price quoted was obtained.
3. **PRICE:** Contractors shall price the specific product(s) based on the estimated quantity, unit of measure, and the mandatory specifications stated by the agency at the time of quote request. The state shall not pay nor be liable for any other additional costs including but not limited to taxes, shipping charges, insurance, interest, penalties, termination payments, attorney fees, liquidated damages, etc.
 - All pricing shall include all packing, handling, shipping, and freight charges **FOB Destination, Freight Prepaid and Allowed**. The State of Missouri shall not make additional payments or pay add-on charges for freight or shipping.
4. **DETERMINATION OF LOWEST PRICED CONTRACTOR:** For each quote response, the state agency shall confirm the quote response meets the minimum requirements as stated in the quote request. For those responses which meet the state agency's minimum requirements, the state agency shall consider (1) price (2) how well the proposed product meets their needs, and (3) any preference considerations identified in the contract award for the individual QVL

contractors by the Division of Purchasing in determining the “lowest and best” quote received.

- More specifically, for those responses which meet the requesting entity’s minimum requirements, the evaluation shall be based upon (1) cost and (2) any bonus points from the original RFP evaluation for Organizations for the Blind and Sheltered Workshop Participation and Missouri Service-Disabled Veteran Business Enterprise Participation. The contractor with the lowest cost that meets the state agency’s needs shall be considered the “lowest and best” quote response and awarded the specific purchase, unless a vendor qualifies for SDVE or Organization for the Blind/Sheltered Workshop bonus points in which case, cost and bonus points will determine the “lowest and best” quote response. The state agency shall have the right to reject all responses and not make an award.

Note: Bonus Points for Organizations for the Blind and Sheltered Workshop Participation, Missouri Service-Disabled Veteran Business Enterprise Participation were not awarded to any of the contractors.

- Upon determination of each QVL contractor’s total cost for the quote responses, cost points shall be computed from the results of the calculation stated below using a scale of 200 possible points:

$$\frac{\text{Lowest Responsive Contractor's Price}}{\text{Compared Contractor's Price}} \times \frac{\text{Maximum Cost Points}}{100} = \text{Assigned Cost points}$$

- The state agency will document their evaluation justification regarding their award determination of the “lowest and best” quote at the time the quote is awarded.
- The state agency will inform all responding contractors of the outcome of the award. Acceptance of the quote, unless otherwise specified, is not authorization to proceed with shipment of products. The state agency must provide authorization to proceed through issuance of a purchase order or specific written authorization to proceed.
- Contractors or state agency personnel that would like to know the history of the price quotes submitted, need to contact the state agency requesting the price quotes.
- In the event all quote responses fail to meet the state agency’s needs, the state agency may reject all responses and cancel the quote request.

5. **SCOPE OF WORK:** Due to the large amount of information included in the contract’s Scope of Work, the information is not included in the Statewide Contract Notification. The information

is available through the Awarded Bid & Contract Document Search at <https://oa.mo.gov/purchasing/bidding-contracts/awarded-bid-contract-document-search> or through MissouriBUYS at <https://missouribuy.com>, search for RFPC30034902400449.

6. **PURCHASE ORDER REQUIREMENTS BY STATE AGENCY:** The state agency shall purchase ammunition from the lowest priced contractor (as determined by section 2.4) for each line item for the duration of the timeframe requested.
- If the lowest-priced contractor cannot provide ammunition in accordance with the mandatory requirements and terms stated herein for the duration of the timeframe requested for any reason and/or meet the state agency's needs, the contractor may be considered in breach of contract and subject to the remedies thereto.
 - The state agency shall document each instance of the contractor's inability to provide the ammunition as required. If the contractor continually or consistently is unable to provide the required ammunition, the Division of Purchasing may elect to cancel the contract.
 - If the lowest-priced contractor cannot provide ammunition in accordance with the mandatory requirements and terms stated herein or otherwise meet the needs of the state agency, then the state agency reserves the right to use the next lowest contractor's price (as determined in accordance with section 2.4). If the state agency determines they need to use the next lowest contractor's price, the state agency **must** contact the buyer of record.
7. **CONTRACT MANAGEMENT:**
- The state agency should monitor, measure, and manage the contractor's performance of services and delivery of products according to the contractual requirements. Please refer to the Contract Management Guide: <https://oapurch.state.mo.us/procurementsources.shtml>.
 - In the event your state agency encounters any issues or has any concerns or questions regarding the contract, please contact the Division of Purchasing in writing to the attention of the buyer shown on the front page of this document.
 - To assist the Division of Purchasing in monitoring the performance of the contractors and ensuring quality services are provided to state agencies, state agencies are strongly encouraged to submit documentation regarding the contract and contractor performance to the Division of Purchasing to the attention of the buyer listed on the front page of this document.

8. **SATISFACTION SURVEY:** Customer service is a top priority. The Division of Purchasing desires to work with state agencies to identify solutions if there are any contract concerns. State agencies are encouraged to complete the Satisfaction Survey, Appendix A (below), regarding their experience with the contract. Please submit your completed survey to the Division of Purchasing to the attention of the buyer shown on the front page of this document.
