Notwithstanding any provision contained in this Section, however, the Company shall have the right, at its own cost and expense, to contest or review by legal or other appropriate procedures the validity or legality of any such governmental statute, law, ordinance, order, judgment, decree, regulation, direction or requirement, or any such requirement, rule or regulation of an insurer, and during such contest or review the Company may refrain from complying therewith.

Section 3.4. Title to the Project. The City shall be the sole owner of the Project during the Lease Term, except for any portions of the Project released from this Lease pursuant to the terms hereof.

ARTICLE IV

CONSTRUCTION AND IMPROVEMENT OF THE PROJECT

Section 4.1. Issuance of the Bonds. To provide funds for the payment of Project Costs, the City agrees that, upon request of the Company, it will issue, sell and cause to be delivered the Bonds to the purchaser thereof in accordance with the provisions of the Indenture and the Bond Purchase Agreement. The proceeds of the sale of the Bonds, when received, shall be paid over to the Trustee for the account of the City. The Trustee shall promptly deposit such proceeds, when received, as provided in the Indenture, to be used and applied as hereinafter provided in this Lease and in the Indenture. Alternatively, the Trustee may, (pursuant to **Section 208(d)** of the Indenture) endorse the Bonds in an amount equal to the requisition certificates submitted pursuant to **Section 4.4** below. In that event, the purchaser of the Bonds shall be deemed to have deposited funds with the Trustee in an amount equal to the amount stated in the requisition certificate.

Section 4.2. Construction and Improvement of the Project. The City and the Company agree that the Company, as the agent of the City, shall construct and improve the Project as follows:

(a) The City has acquired the Project Site prior to the execution hereof. Concurrently with the execution of this Lease, (i) a deed and any other necessary instruments of transfer will be delivered to the City and placed of record, and (ii) the commitment for title insurance or ownership and encumbrance report required by **Article VII** hereof will be delivered to the City and the Trustee;

(b) On behalf of the City, the Company will construct and improve the Project Improvements on the Project Site and otherwise improve the Project Site in accordance with the Plans and Specifications and in a manner materially consistent with the description of the Project Improvements included in **Exhibit B** to this Lease. The Company may revise the Plans and Specifications from time to time as it deems necessary to carry out the Project, but revisions that would alter the intended purpose of the Project may be made only with the prior written approval of the City. The Company agrees that the aforesaid construction and improvement will, with such changes and additions as may be made hereunder, result in facilities suitable for use by the Company for its purposes, and that all real and personal property described in the Plans and Specifications, with such changes and additions as may be made hereunder, is desirable and appropriate in connection with the Project. The provisions of this paragraph are in addition to and do not supersede the provisions of **Section 8.2**; and

(c) The Company agrees that it will use reasonable efforts to cause the construction and improvement of the Project to be completed as soon as practicable with all reasonable dispatch. In the event such construction and improvement commences prior to the receipt of proceeds from the sale of the Bonds, the Company agrees to advance all funds necessary for such purpose.

Section 4.3. Project Costs. The City hereby agrees to pay for, but solely from the Project Fund, and hereby authorizes and directs the Trustee to pay for, but solely from the Project Fund, all

Project Costs upon receipt by the Trustee of a certificate pursuant to **Section 4.4** hereof. The Company may not submit any requisition certificates for Project Costs incurred after the Completion Date. The Company must submit all requisitions for Project Costs incurred before the Completion Date within three months after the Completion Date.

Section 4.4. Payment for Project Costs. All Project Costs as specified in **Section 4.3** hereof shall be paid by the Trustee from the Project Fund as more fully provided in the Indenture, and the City hereby authorizes and directs the Trustee to make disbursements from the Project Fund, upon receipt by the Trustee of certificates in substantially the form attached hereto as **Exhibit C**, signed by an Authorized Company Representative, which disbursements may be recorded via a transaction entry on the trust records held by the Trustee. The Trustee may rely conclusively on any such certificate and shall not be required to make any independent investigation in connection therewith. The submission of any requisition certificate by an Authorized Company Representative shall constitute unto the Trustee an irrevocable determination that all conditions precedent to the payments requested have been satisfied.

Section 4.5. Establishment of Completion Date. The Completion Date shall be evidenced to the Trustee by a certificate signed by the Authorized Company Representative stating (a) the construction and improvement of the Project has been completed in accordance with the Plans and Specifications, (b) that all costs and expenses incurred in the construction and improvement of the Project have been paid except costs and expenses the payment of which is not yet due or is being retained or contested in good faith by the Company, and (c) amounts to be retained by Trustee with respect to item (b) above. Notwithstanding the foregoing, such certificate shall state that it is given without prejudice to any rights against third parties which exist at the date of such certificate or which may subsequently come into being. The Company and the City agree to cooperate in causing such certificate to be furnished to the Trustee.

Section 4.6. Surplus or Deficiency in Project Fund.

(a) Upon receipt of the certificate described in **Section 4.5** hereof, the Trustee shall, as provided in **Section 504** of the Indenture, transfer any remaining moneys then in the Project Fund to the Bond Fund to be applied as directed by the Company solely to (1) the payment of principal and premium, if any, of the Bonds through the payment (including regularly scheduled principal payments, if any) or redemption thereof at the earliest date permissible under the terms of the Indenture, or (2) at the option of the Company, to the purchase of Bonds at such earlier date or dates as the Company may elect. Any amount so deposited in the Bond Fund may be invested as permitted by **Section 702** of the Indenture.

(b) If the Project Fund shall be insufficient to pay fully all Project Costs and to complete the Project free of liens and encumbrances other than Permitted Encumbrances, the Company shall pay, in cash, the full amount of any such deficiency by making payments thereof directly to the contractors and to the suppliers of materials and services as the same shall become due, and the Company shall save the City and the Trustee whole and harmless from any obligation to pay such deficiency.

Section 4.7. Project Property of City. The Project Site and the Project Improvements, if any, which the Company desires to convey to the City, including all work and materials on the Project Improvements as such work progresses, and all additions or enlargements thereto or thereof, the Project as fully completed, anything under this Lease which becomes, is deemed to be, or constitutes a part of the Project, and the Project as repaired, rebuilt, rearranged, restored or replaced by the Company under the provisions of this Lease, except as otherwise specifically provided herein, shall immediately when erected or installed become the absolute property of the City, subject only to this Lease, the Indenture, any Permitted Encumbrances, and the Mortgage, if any.

Section 4.8. Non-Project Improvements, Machinery and Equipment Property of the Company. Any improvements or items of machinery or equipment which do not constitute part of the Project Improvements and the entire purchase price of which is paid for by the Company with the Company's own funds, and no part of the purchase price of which is paid for from funds deposited pursuant to the terms of this Lease in the Project Fund, shall be the property of the Company and shall not constitute a part of the Project for purposes of **Section 6.4** hereof and therefore are subject to taxation, to the extent otherwise provided by law.

Section 4.9. Environmental Matters. The Company acknowledges that it is responsible for maintaining the Project in compliance with all Environmental Laws. In the event that the Company fails to undertake to comply with any final, non-appealable order issued by any local, state or federal authority under applicable Environmental Law, the City or the Trustee, immediately after notice to the Company, may elect (but shall not be required) to undertake such compliance. Any moneys expended by the City or the Trustee in efforts to comply with any applicable Environmental Law (including the reasonable cost of hiring consultants, undertaking sampling and testing, performing any cleanup necessary or useful in the compliance process and reasonable attorneys' fees) shall be due and payable as Additional Rent hereunder with interest thereon at the average rate of interest per annum on the Bonds, plus two (2) percentage points, from the date such cost is incurred. There shall be unlimited recourse to the Company to the extent of any liability incurred by the City or the Trustee with respect to any breaches of the provisions of this section.

The Company shall and does hereby indemnify the City, the Trustee and the Bondowners and agree to defend and hold them harmless from and against all loss, cost, damage and expense (including, without limitation, reasonable attorneys' fees and costs associated incurred in the investigation, defense and settlement of claims) that they may incur, directly or indirectly, as a result of or in connection with the assertion against them or any of them of any claim relating to the presence on, escape or removal from the Project during the term of this Lease of any hazardous substance or other material regulated by any applicable Environmental Law, or compliance with any applicable Environmental Law, whether such claim is raised before, during or after the term of this Lease, including claims relating to personal injury or damage to property; provided, however, this indemnity shall only relate to claims resulting from the City's ownership of the Project or the Trustee's acceptance of its duties as Trustee hereunder.

ARTICLE V

RENT PROVISIONS

Section 5.1. Basic Rent. The Company covenants and agrees to pay to the Trustee in same day funds for the account of the City during this Lease Term, for deposit in the Bond Fund on or before 10:00 a.m., Trustee's local time, on or before each December 1, commencing December 1, 2026 and continuing until the principal of and interest on the Bonds shall have been fully paid, an amount which, when added to any collected funds then on deposit in the Bond Fund and available on such Payment Date, shall be equal to the total amount payable on each December 1 as interest on the Bonds. On **December 1, 2039** (or such earlier date as the Company may elect or be required to redeem the Bonds), the Company shall also pay an amount equal to all principal then due on the Bonds in connection with such maturity or redemption. All payments of Basic Rent provided for in this Section shall be paid directly to the Trustee and shall be deposited in accordance with the provisions of the Indenture into the Bond Fund and shall be used and applied by the Trustee in the manner and for the purposes set forth in this Lease and the Indenture, provided that if the Company is the Owner of all the Bonds Outstanding, payment of Basic

Rent as provided for in this Section may be made via a transaction entry on the trust records held by the Trustee and the Paying Agent consistent with **Section 204(e)** and **Section 208(g)** of the Indenture. Any Basic Rent paid by the Company which exceeds the total amount payable on such payment dates shall be immediately paid to the Company by wire transfer. At its option, on the final Payment Date, the Company may deliver to the Trustee for cancellation Bonds not previously paid and the Company shall receive a credit against the Basic Rent payable by the Company in an amount equal to the principal amount of the Bonds so tendered for cancellation plus accrued interest thereon.

In furtherance of the foregoing and of **Section 204(e)** and **Section 208(g)** of the Indenture, and notwithstanding any other provision in this Lease, the Indenture or the Bond Purchase Agreement, and provided that the Company is the sole Bondowner, the Company may set-off each Basic Rent payment against the City's obligation to the Company as Bondowner, in lieu of delivery of a payment of Basic Rent on any date on which principal of or interest on the Bonds is payable, without providing notice of such set-off to the Trustee. The Trustee may conclusively rely on the absence of any notice from the Company to the contrary as evidence that such set-off has occurred.

Section 5.2. Additional Rent. The Company shall pay as Additional Rent, within 30 days after receiving an itemized invoice therefor, the following amounts as and when the same become due:

- (a) all reasonable fees, charges and expenses, including agent and counsel fees, of the Trustee incurred under the Indenture, this Lease, or any other document entered into in connection with the Bonds, as and when the same become due;
- (b) all costs incident to the payment of the principal of and interest on the Bonds as the same becomes due and payable, including all costs and expenses in connection with the call, redemption and payment of all outstanding Bonds;
- (c) all reasonable costs which are reasonably incurred in connection with the enforcement of any rights against the Company or the Project or in connection with a failure of the Company to perform its obligations under this Lease or the Indenture by the City, the Trustee or the Bondowners, including counsel fees and expenses;
- (d) the PILOT Payments required by **Article VI** of this Lease, which shall be due at such time and in such amount as described in **Article VI**; and
- (e) all other payments of whatever nature which Company has agreed to pay or assume under the provisions of this Lease.

Section 5.3. Obligations of Company Absolute and Unconditional.

(a) The obligations of the Company under this Lease to make payments of Basic Rent and Additional Rent on or before the date the same become due, and to perform all of its other obligations, covenants and agreements hereunder shall be absolute and unconditional, without notice or demand, and without abatement, deduction, set-off, counterclaim, recoupment or defense or any right of termination or cancellation arising from any circumstance whatsoever, whether now existing or hereafter arising, and irrespective of whether the Project has been started or completed, or whether the City's title thereto or to any part thereof is defective or nonexistent, and notwithstanding any damage to, loss, theft or destruction of, the Project or any part thereof, any failure of consideration or frustration of commercial purpose, the taking by eminent domain of title to or of the right of temporary use of all or any part of the Project, legal curtailment of the Company's use thereof, the eviction or constructive eviction of the Company, any

change in the tax or other laws of the United States of America, the State of Missouri or any political subdivision thereof, any change in the City's legal organization or status, or any default of the City hereunder, and regardless of the invalidity of any action of the City; provided, however, that nothing in this **Section 5.3(a)** or **Section 5.3(b)** is intended or shall be deemed to affect or impair in anyway the rights of the Company to tender Bonds for redemption in satisfaction of Basic Rent as provided in **Section 5.1** and **Section 5.4** hereof, nor the right of the Company to terminate this Lease and repurchase the Project as provided in **Article XI** hereof.

(b) Nothing in this Lease shall be construed to release the City from the performance of any agreement on its part herein contained or as a waiver by the Company of any rights or claims the Company may have against the City under this Lease or otherwise, but any recovery upon such rights and claims shall be had from the City separately, it being the intent of this Lease that the Company shall be unconditionally and absolutely obligated to perform fully all of its obligations, agreements and covenants under this Lease (including the obligation to pay Basic Rent and Additional Rent) for the benefit of the Owners and the City. The Company may, however, at its own cost and expense and in its own name or in the name of the City, prosecute or defend any action or proceeding or take any other action involving third Persons which the Company deems reasonably necessary in order to secure or protect its right of possession, occupancy and use hereunder, and in such event the City hereby agrees to cooperate fully with the Company and to take all action necessary to effect the substitution of the Company for the City in any such action or proceeding if the Company shall so request.

Section 5.4. Prepayment of Basic Rent. The Company may at any time and from time to time prepay all or any portion of the Basic Rent provided for hereunder (subject to the limitations of **Section 301(a)** of the Indenture relating to the redemption of the Bonds. During such times as the amount held by the Trustee in the Bond Fund shall be sufficient to pay, at the time required, the principal of and interest on all the Bonds then remaining unpaid, the Company shall not be obligated to make payments of Basic Rent under the provisions of this Lease.

Subject to **Section 301(a)** of the Indenture relating to the redemption of Bonds, the Company, at its option, may deliver to the Trustee for cancellation Bonds owned by the Company and not previously paid, and the Company shall receive a credit against amounts payable by the Company for the redemption of Bonds in an amount equal to the principal amount of the Bonds so tendered for cancellation, plus accrued interest thereon.

ARTICLE VI

MAINTENANCE, TAXES AND UTILITIES; TAX ABATEMENT

Section 6.1. Maintenance and Repairs. Throughout the Lease Term the Company shall, at its own expense, keep the Project in as reasonably safe condition as the operation thereof will permit, and keep the Project in good repair and in good operating condition (reasonable wear, tear, depreciation, and obsolescence excepted), making from time to time all necessary repairs thereto and renewals and replacements thereof it determines to be necessary. Without limiting the generality of the foregoing, the Company shall at all times remain in compliance with all provisions of the City's code relating to maintenance and appearance.

Section 6.2. Taxes, Assessments and Other Governmental Charges.

(a) Subject to subsection (b) of this Section, the Company shall promptly pay and discharge, as the same become due, all taxes and assessments, general and special, and other governmental charges of any kind whatsoever that may be lawfully taxed, charged, levied, assessed or imposed upon or against or be payable for or in respect of the Project, or any part thereof or interest therein (including the leasehold estate of the Company therein) or any buildings, improvements, machinery and equipment at any time installed thereon by the Company, or the income therefrom, including any new taxes and assessments not of the kind enumerated above to the extent that the same are lawfully made, levied or assessed in lieu of or in addition to taxes or assessments now customarily levied against real or personal property, and further including all utility charges, assessments and other general governmental charges and impositions whatsoever, foreseen or unforeseen, which if not paid when due would impair the security of the Bonds or encumber the City's title to the Project; provided that with respect to any special assessments or other governmental charges that are lawfully levied and assessed which may be paid in installments, the Company shall be obligated to pay only such installments thereof as become due and payable during the Lease Term.

(b) The Company may, in its own name or in the City's name, contest the validity or amount of any tax, assessment or other governmental charge which the Company is required to bear, pay and discharge pursuant to the terms of this Article by appropriate legal proceedings instituted at least 10 days before the tax, assessment or other governmental charge complained of becomes delinquent if and provided (1) the Company, before instituting any such contest, gives the City and the Trustee written notice of its intention to do so, (2) the Company diligently prosecutes any such contest, at all times effectively stays or prevents any official or judicial sale therefor, under execution or otherwise, and (3) the Company promptly pays any final judgment enforcing the tax, assessment or other governmental charge so contested and thereafter promptly procures record release or satisfaction thereof. The City agrees to cooperate fully with the Company in connection with any and all administrative or judicial proceedings related to any tax, assessment or other governmental charge. The Company shall save and hold harmless the City and the Trustee from any costs and expenses the City and the Trustee may incur related to any of the above.

(c) Nothing in this Lease shall be construed to require the Company to make duplicate tax payments. The Company shall receive a credit against any PILOT Payments due under this Lease to the extent of any ad valorem taxes imposed and paid by the Company with respect to the Project pursuant to this Section.

Section 6.3. Utilities. All utilities and utility services used by the Company in, on or about the Project shall be paid for by the Company and shall be contracted for by the Company in the Company's own name (or the name(s) of its affiliates), and the Company shall, at its sole cost and expense, procure any and all permits, licenses or authorizations necessary in connection therewith.

Section 6.4. Property Tax Exemption. So long as the City owns title to the Project, the City expects that the Project will be exempt from *ad valorem* taxes on real property. The first year of the exemption period for purposes of this Lease shall be **2025**. Notwithstanding any other provision of this Lease to the contrary, the last year of such exemption period shall be no later than **2039**. The Company covenants and agrees that, during each year the Project is exempt from *ad valorem* taxes by reason hereof, the Company will make annual payments in lieu of taxes to the City (each such payment, a "PILOT") as described in this **Article VI**. The City and the Company hereby agree that the tax abatement provided by this Lease shall only apply to property financed with the proceeds of the Bonds and shall not apply to

property not financed with proceeds of the Bonds (and specifically shall not apply to personal property relating to the Project other than construction materials that have been incorporated into the Project).

Section 6.5. Payments In Lieu of Taxes for Project. The Company covenants and agrees to make PILOT Payments to the City on or before each December 1, commencing December 1, 2025 (if applicable for 2025, as described below), in the amounts, and in the years, set forth below. Any PILOT Payments due under this Lease which are not paid when due shall bear interest at the interest rate imposed by Missouri law on overdue *ad valorem* real estate taxes from the date such payment was first due.

- 1) For calendar year 2025, the Company shall pay the taxes billed by Jackson County, Missouri for the Project Site. If such taxes become uncollectable or are not billed, the Company shall pay a PILOT Payment equal to \$15,858.
- 2) In each year of the Construction Period after calendar year 2025, a PILOT Payment shall be made for the Project as calculated by multiplying the “Dollars per Unit” shown on **Appendix I** by the number of Units completed or under construction within the Project, multiplied by the Completion Percentage for such Units (provided that, the minimum PILOT Payment for any year of the Construction Period shall be \$15,858).
- 3) In each year of the Abatement Period, a PILOT Payment shall be made for the Project as calculated by multiplying the “Dollars per Unit” shown on **Appendix I** by the number of Units within the Project. For avoidance of doubt, the years shown on **Appendix I** may extend beyond the Abatement Period depending on the year in which the Construction Period ends and **Appendix I** shall in no way serve to extend the Abatement Period if it would otherwise terminate prior to the last year shown on **Appendix I**.
- 4) In each year after the end of the Abatement Period, if the Project remains in City ownership, a PILOT Payment shall be made for the Project in the amount equal to the Taxes Otherwise Due on the Project.

For the purpose of calculating the PILOT Payment during the Construction Period, the Company shall certify in good faith to the City, by August 15 of each year during each such Construction Period, the percentage of completion for all Units under construction within the Project as of January 1 of that year (the “**Completion Percentage**”). Any Unit within a building that is under construction shall be deemed to be under construction for this purpose and the percentage of completion of the entire building shall be applied to each of the Units within such building.

Section 6.6. Distribution of PILOT Payments. Within 30 days of the date of receipt of each PILOT Payment, the City or designated billing/collection agent shall distribute each PILOT Payment among the taxing jurisdictions.

Section 6.7. Obligation of City to Effect Tax Abatement. The City agrees to take all actions within its control to obtain and/or maintain in effect the exemption referred to in **Section 6.4** above, including any filing required with any governmental authorities, and shall, at the Company’s request and at the Company’s expense, fully cooperate with the Company in all reasonable ways to obtain/and or maintain in effect such exemption; provided, however, the City shall not be liable for any failure of Jackson County, Missouri or any other governmental taxing authority to recognize the exemption provided herein. The City covenants that it will not voluntarily take any action that may cause or induce the levy or assessment of *ad valorem* taxes on the Project. In the event such a levy or assessment should occur, the City shall, at the Company’s request and at the Company’s expense, fully

cooperate with the Company in all reasonable ways to prevent and/or remove any such levy or assessment against the Project.

Section 6.8. Administration Costs. Under Section 100.050 of the Act, the City may require the Company to reimburse the City for its actual costs of issuing the Bonds and administering the plan including costs associated with this Lease, in an amount of no greater than \$1,000 per year. The City will provide a statement for such costs to the Company not later than November 15th of each year and the Company will reimburse the City for its costs on or before December 1 of each year continuing until December 1 of the year in which this Lease expires or is terminated.

Section 6.9. No Abatement on Special Assessments, Licenses or Fees. The City and the Company hereby agree that the property tax exemptions described in this Lease shall not apply to special assessments and shall not serve to reduce or eliminate any other licenses or fees owing to the City or any other taxing jurisdiction with respect to the Project. The Company hereby agrees to make payments with respect to all special assessments, licenses and fees which would otherwise be due with respect to the Project if such Project was not owned by the City.

Section 6.10. PILOT Increases Due to Certain Events.

(a) If for any reason the Company ceases operations of the Project during the term of this Lease, the PILOT Payments set forth in **Section 6.5** shall be increased to 100% of the Taxes Otherwise Due on the Project for each year following such cessation of operations including the year of cessation of operations. "Ceases operations" or "cessation of operations" for the purpose of this paragraph means the Company completely vacates, abandons and permanently ceases operations for a period of 90 consecutive days during the term of this Lease, unless the Project has been subject to a casualty and the Company is intending to rebuild the Project or the Company's interest in this Lease has been transferred pursuant to this Lease and the Project continues in operation thereafter. The Company shall not be found to have ceased operations during any time in which the Company is maintaining the Project as required by this Lease and is advertising the Project for lease as a Permitted Facility.

(b) If for any reason the Company operates or allows the operation of the Project for a use other than as a Permitted Facility for a period of 90 consecutive days during the term of this Lease, the PILOT Payments set forth in **Section 6.5** shall be increased to 100% of the Taxes Otherwise Due on the Project for each year in which the Project is operated as other than a Permitted Facility, starting with the year in which such non-complying use exceeds 89 consecutive days. However, if the non-complying use ceases, the amount of the PILOT Payments shall return to the amounts set forth in **Section 6.5**, starting with the first year in which the non-complying use persists for less than 90 consecutive days.

Section 6.11. Sales Tax Exemption. Upon request of the Company after the issuance of the Bonds, the City will issue a sales tax exemption certificate to the Company for construction materials to be purchased for the Project and the City shall provide such other documentation as may be necessary from time to time to effect said sales tax exemption. The Company shall use the exemption certificate only for the purchase of construction materials to be incorporated into the Project on the Project Site and shall not use the exemption certificate for the purchase of any personal property other than construction materials. The Company shall indemnify and defend the City and its respective officers, employees and agents against and from any and all causes of action or actions in law or equity, liens, claims damages, loss, costs or expenses of any nature whatsoever by any person or entity, arising out of the City's furnishing of the exemption certificate.

ARTICLE VII

INSURANCE

Section 7.1. Title Report. Before conveying title to any real property to the City, the Company will provide a report reasonably acceptable to the City showing the ownership of and encumbrances on the Project Site. Copies of such report shall be provided to the City and the Trustee.

Section 7.2. Property Insurance.

(a) The Company shall at its sole cost and expense obtain and shall maintain throughout the Lease Term, a policy or policies of insurance (including, if appropriate, builder's risk insurance) to keep the Project constantly insured against loss or damage by fire, lightning and all other risks covered by the extended coverage insurance endorsement then in use in the State of Missouri in an amount equal to the Full Insurable Value thereof (subject to reasonable loss deductible provisions). The insurance required pursuant to this Section shall be maintained with a generally recognized responsible insurance company or companies authorized to do business in the State of Missouri or generally recognized international insurers or reinsurers with an A.M. Best rating of B+ or the equivalent thereof or better as may be selected by the Company. All such policies of insurance pursuant to this Section, and all renewals thereof, shall name the Company as insured and the City and the Trustee shall be named as loss payees, as their respective interests may appear, and shall contain a provision that the issuer of such insurance will provide at least 10 days' advance written notice to, the Company of the cancellation of such insurance. Company agrees it shall immediately forward any notice of cancellation it receives from the issuer of such insurance to the City and Trustee.

(b) In the event of loss or damage to the Project, the Net Proceeds of property insurance carried pursuant to this Section shall be applied as provided in **Article IX** of this Lease, or as may be directed by, or on behalf of, the Owners of 100% in principal amount of the Bonds outstanding.

Section 7.3. Commercial General Liability Insurance.

(a) The Company shall at its sole cost and expense maintain or cause to be maintained at all times during the Lease Term general accident and commercial general liability insurance under which the City, the Company and the Trustee shall be named as additional insureds, properly protecting and indemnifying the City and the Trustee, in an amount not less than the limits of liability set by Section 537.610 of the Revised Statutes of Missouri (subject to loss deductible clauses not to exceed \$25,000). The policies of said insurance shall contain a provision that the issuer of such insurance will provide at least 10 days' advance written notice to the Company of the cancellation of such insurance. The Company agrees it shall immediately forward any notice of cancellation it receives from the issuer of such insurance to the City and Trustee.

(b) In the event of a public liability occurrence, and subject to the rights of Lender under and pursuant to the terms of the Mortgage (except that no right of the Lender under the Mortgage shall affect the right of the City or the Trustee to the protection and indemnification provided as additional insureds pursuant to subsection(a), above), the Net Proceeds of liability insurance carried pursuant to this Section shall be applied toward the extinguishment or satisfaction of the liability with respect to which such proceeds have been paid.

Section 7.4. Workers' Compensation. The Company agrees throughout the Lease Term to maintain or cause to be maintained Workers' Compensation coverage to the extent required by the laws of the State of Missouri.

Section 7.5. Blanket Insurance Policies; Self-Insurance. The Company may satisfy any of the insurance requirements set forth in this Article by using blanket policies of insurance, provided each and all of the requirements and specifications of this Article respecting insurance are complied with. Nothing in this Lease shall be construed from prohibiting the Company from self-insuring provided the Company, or in combination with its parent corporation, has a net worth in excess of \$200,000,000, as determined by generally accepted accounting principles.

Section 7.6. Certificate of Compliance. The Company shall provide the City and the Trustee, on an annual basis, commencing on December 1, 2026 with a Certificate of Insurance Compliance in the form attached hereto as **Exhibit D**. The Trustee shall be entitled to rely upon said Certificate of Insurance Compliance as to the Company's compliance with the insurance requirements. The Trustee makes no representation as to, and shall have no responsibility for the sufficiency or adequacy of, the insurance.

ARTICLE VIII

ALTERATION OF THE PROJECT

Section 8.1. Additions, Modifications and Improvements to the Project. The Company shall have and is hereby given the right, at its sole cost and expense, to make such additions, modifications and improvements in and to any part of the Project as the Company from time to time may deem necessary or desirable for its business purposes. All additions, modifications and improvements made by the Company pursuant to the authority of this Section shall (a) be made in workmanlike manner and will comply in all material respects with all laws and ordinances applicable thereto, (b) when commenced, be prosecuted to completion with reasonable due diligence, and (c) when completed, be deemed a part of the Project; provided, however, that additions of machinery and equipment installed on the Project Site by the Company not purchased or acquired from funds deposited with the Trustee hereunder and not constituting repairs, renewals or replacements of the Project shall remain the property of the Company and may be removed by the Company. Such property shall be subject to *ad valorem* taxes.

Section 8.2. Additional Improvements on the Project Site. The Company may, at its sole cost and expense, construct on portions of the Project Site not theretofore occupied by buildings or improvements such additional buildings and improvements as the Company from time to time may deem necessary or desirable for its business purposes. All additional buildings and improvements constructed on the Project Site by the Company, and not paid for with Bond proceeds, pursuant to the authority of this Section shall not be included as Project Improvements and, during the life of this Lease, shall remain the property of the Company and may be added to, altered or razed and removed by the Company at any time. All additional buildings and improvements shall be made in a good and workmanlike manner and in strict compliance with all material laws, orders and ordinances applicable thereto and when commenced shall be prosecuted to completion with due diligence. The Company covenants and agrees (a) to make any repairs and restorations required to be made to the Project because of the construction of, addition to, alteration or removal of said additional buildings or improvements, and (b) to promptly and with due diligence either raze and remove or repair, replace or restore any of said additional buildings and improvements as may from time to time be damaged by fire or other casualty. The Company shall pay all

ad valorem taxes and assessments payable with respect to such additional buildings and improvements which remain the property of the Company. If for any reason the County Assessor determines that such additional buildings and improvements are not subject to ad valorem taxes, the Company shall make payments in lieu of taxes in an amount equal to the taxes that would otherwise be due under this Section.

Section 8.3. Permits and Authorizations. The Company shall not do or permit others under its control to do any work on the Project related to any repair, rebuilding, restoration, replacement, modification or addition to the Project, or any part thereof, unless all requisite municipal and other governmental permits and authorizations shall have been first procured. All such work shall be done in a good and workmanlike manner and in material compliance with all applicable building, zoning and other laws, ordinances, governmental regulations. In the event of demonstrated noncompliance with such laws, ordinances, governmental regulations and requirements the Company will take all reasonable steps to comply with laws, ordinances, governmental regulations and requirements.

Section 8.4. Mechanics' Liens.

(a) The Company will not directly or indirectly create, incur, assume or suffer to exist any lien on or with respect to the Project, except Permitted Encumbrances, and the Company shall promptly notify the City of the imposition of such lien of which the Company is aware and shall promptly, at its own expense, take such action as may be necessary to fully discharge or release any such lien. Whenever and as often as any mechanics' or other similar lien is filed against the Project, or any part thereof, purporting to be for or on account of any labor done or materials or services furnished in connection with any work in or about the Project, the Company shall discharge the same of record. Notice is hereby given that the City shall not be liable for any labor or materials furnished the Company or anyone claiming by, through or under the Company upon credit, and that, unless and to the extent that consent is given in the memorandum of this Lease or other document filed by the City against the Project Site with the recorder of deeds, no mechanics' or other similar lien for any such labor, services or materials shall attach to or affect the reversionary or other estate of the City in and to the Project or any part thereof.

(b) Notwithstanding paragraph (a) above, and subject to the terms of the Mortgage, the Company may contest any such mechanics' or other similar lien if the Company (1) within 60 days after the Company becomes aware of any such lien notifies the City and the Trustee in writing of its intention so to do, (2) diligently prosecutes such contest, (3) at all times effectively stays or prevents any official or judicial sale of the Project, or any part thereof or interest therein, under execution or otherwise, (4) promptly pays or otherwise satisfies any final judgment adjudging or enforcing such contested lien claim and (5) thereafter promptly procures record release or satisfaction thereof. The Company may permit the lien so contested to remain unpaid during the period of such contest and any appeal therefrom unless the Company is notified by the City that, in the opinion of counsel, by nonpayment of any such items, the interest of the City in the Project will be subject to loss or forfeiture. In that event, the Company shall promptly, at its own expense, take such action as may be reasonably necessary to duly discharge or remove any such pledge, lien, charge, encumbrance or claim if the same shall arise at any time. The Company shall save and hold harmless the City from any loss, costs or expenses the City may incur related to any such contest. The Company shall reimburse the City for any expense incurred by it in connection with the imposition of any such lien or in order to discharge or remove any such pledge, lien, charge, encumbrance or claim. The City shall cooperate fully with the Company in any such contest.

ARTICLE IX

DAMAGE, DESTRUCTION AND CONDEMNATION

Section 9.1. Damage or Destruction.

(a) If the Project is damaged or destroyed by fire or any other casualty, whether or not covered by insurance, the Company, as promptly as practicable and subject to delay to the extent caused by such fire or other casualty, shall either (i) make the determination described in subsection (f) below, or (ii) repair, restore, replace or rebuild the same so that upon completion of such repairs, restoration, replacement or rebuilding the Project is of a value not less than the value thereof immediately before the occurrence of such damage or destruction or, at the Company's option, construct upon the Project Site new buildings and improvements thereafter together with all new machinery, equipment and fixtures which are either to be attached to or are to be used in connection with the operation or maintenance thereof, provided that (A) the value thereof shall not be less than the value of such destroyed or damaged Project Improvements immediately before the occurrence of such damage or destruction and (B) the nature of such new buildings, improvements, machinery, equipment and fixtures will not impair the character of the Project as an enterprise permitted by the Act.

If the Company elects to construct any such new buildings and improvements, for all purposes of this Lease, any reference to the words "Project Improvements" shall be deemed to also include any such new buildings and improvements and all additions thereto and all replacements and alterations thereof.

Unless the Company makes the determination described in subsection (f) below, the Net Proceeds of casualty insurance required by **Article VII** hereof received with respect to such damage or loss to the Project shall be used to pay the cost of repairing, restoring, replacing or rebuilding the Project or any part thereof. Insurance monies in an amount less than \$1,000,000 may be paid to or retained by the Company to be held in trust and used as provided herein. Insurance monies in any amount of \$1,000,000 or more shall be (i) paid to the Trustee and deposited in the Project Fund and shall be disbursed as provided in **Section 4.4** hereof to pay the cost of repairing, restoring, replacing or rebuilding the Project or any part thereof, or (ii) if determined by the Owners of 100% in principal amount of the Bonds Outstanding, applied as directed by, or on behalf of, such Owners of 100% in principal amount of the Bonds Outstanding. If the Company makes the determination described in subsection (f) below, the Net Proceeds shall be deposited with the Trustee and used to redeem Bonds as provided in subsection (f).

(b) Unless the Company makes the determination described in subsection (f) below, if any of the insurance monies paid by the insurance company as hereinabove provided remain after the completion of such repairs, restoration, replacement or rebuilding, and this Lease has not been terminated, the excess shall be deposited in the Bond Fund, subject to the rights of any Lender under the terms of the Mortgage. Completion of such repairs, restoration, replacement or rebuilding shall be evidenced by a certificate of completion in accordance with the provisions of **Section 4.5** hereof. If the Net Proceeds are insufficient to pay the entire cost of such repairs, restoration, replacement or rebuilding, the Company shall pay the deficiency.

(c) Except as otherwise provided in this Lease, in the event of any such damage by fire or any other casualty, the provisions of this Lease shall be unaffected and the Company shall remain and continue liable for the payment of all Basic Rent and Additional Rent and all other charges required hereunder to be paid by the Company, as though no damage by fire or any other casualty has occurred.

(d) The City and the Company agree that they will cooperate with each other, to such extent as such other party may reasonably require, in connection with the prosecution or defense of any action or proceeding arising out of, or for the collection of any insurance monies that may be due in the event of, any loss or damage, and that they will execute and deliver to such other parties such instruments as may be required to facilitate the recovery of any insurance monies.

(e) The Company agrees to give prompt notice to the City and the Trustee with respect to all fires and any other casualties occurring in, on, at or about the Project Site which damages a material portion of the Project.

(f) If the Company determines that rebuilding, repairing, restoring or replacing the Project is not practicable or desirable, or if the Company does not have the right under any Mortgage to use any Net Proceeds for repair or restoration of the Project, any Net Proceeds of casualty insurance required by **Article VII** hereof received with respect to such damage or loss shall, after payment of all Additional Rent then due and payable, be paid into the Bond Fund and shall be used to redeem Bonds on the earliest practicable redemption date or to pay the principal of any Bonds as the same become due, all subject to rights of any Lender under a Mortgage (if any). The Company agrees to be reasonable in exercising its judgment pursuant to this subsection (f). Alternatively, if the Company is the sole owner of the Bonds and it has determined that rebuilding, repairing, restoring or replacing the Project is not practicable or desirable, it may tender Bonds to the Trustee for cancellation in a principal amount equal to the Net Proceeds of the casualty insurance, and retain such proceeds for its own account.

(g) The Company shall not, by reason of its inability to use all or any part of the Project during any period in which the Project is damaged or destroyed or is being repaired, rebuilt, restored or replaced, nor by reason of the payment of the costs of such rebuilding, repairing, restoring or replacing, be entitled to any reimbursement from the City, the Trustee or the Owners or to any abatement or diminution of the rentals payable by the Company under this Lease or of any other obligations of the Company under this Lease except as expressly provided in this Section.

Notwithstanding anything to the contrary set forth herein, the City shall have no right, for its own account, to the Net Proceeds of any property insurance maintained in accordance with **Section 7.2** of this Lease; provided that such Net Proceeds shall be applied in accordance with this Lease and the Mortgage (if any).

Section 9.2. Condemnation.

(a) If during the Lease Term, title to, or the temporary use of, all or any part of the Project is condemned by or sold under threat of condemnation to any authority possessing the power of eminent domain, to such extent that the claim or loss resulting from such condemnation is greater than \$1,000,000, the Company shall, within 90 days after the date of entry of a final order in any eminent domain proceedings granting condemnation or the date of sale under threat of condemnation, notify the City, the Trustee, and any Lender under a Mortgage (if any) in writing as to the nature and extent of such condemnation or loss of title and whether it is practicable and desirable to acquire or construct substitute improvements.

(b) If the Company determines that such substitution is practicable and desirable, the Company shall proceed promptly with and complete with reasonable dispatch the acquisition or construction of such substitute improvements, so as to place the Project in substantially the same condition as existed before the exercise of the said power of eminent domain, including the acquisition or

construction of other improvements suitable for the Company's operations at the Project (which improvements will be deemed a part of the Project and available for use and occupancy by the Company without the payment of any rent other than herein provided, to the same extent as if such other improvements were specifically described herein and demised hereby); provided, that such improvements will be acquired by the City subject to no liens, security interests or encumbrances before the lien and/or security interest afforded by the Indenture and this Lease other than Permitted Encumbrances. In such case, any Net Proceeds received from any award or awards with respect to the Project or any part thereof made in such condemnation or eminent domain proceedings, or of the sale proceeds, shall be applied in the same manner as provided in **Section 9.1** hereof (with respect to the receipt of casualty insurance proceeds).

(c) If the Company determines that it is not practicable or desirable to acquire or construct substitute improvements, any Net Proceeds of condemnation awards received by the Company shall, after payment of all Additional Rent then due and payable, be paid into the Bond Fund and shall be used to redeem Bonds on the earliest practicable redemption date or to pay the principal of any Bonds as the same becomes due and payable, provided that if the Company is the sole owner of the Bonds and it has determined that acquiring and constructing substitute improvements is not practicable or desirable, it may tender Bonds to the Trustee for cancellation in a principal amount equal to the Net Proceeds of the condemnation awards, and retain such proceeds for its own account, all subject to the rights of any Lender under a Mortgage (if any).

(d) The Company shall not, by reason of its inability to use all or any part of the Project during any such period of restoration or acquisition nor by reason of the payment of the costs of such restoration or acquisition, be entitled to any reimbursement from the City, the Trustee or the Owners or to any abatement or diminution of the rentals payable by the Company under this Lease nor of any other obligations hereunder except as expressly provided in this Section.

(e) The City shall cooperate fully with the Company in the handling and conduct of any prospective or pending condemnation proceedings with respect to the Project or any part thereof, and shall, to the extent it may lawfully do so, permit the Company to litigate in any such proceeding in the name and on behalf of the City. In no event will the City voluntarily settle or consent to the settlement of any prospective or pending condemnation proceedings with respect to the Project or any part thereof without the prior written consent of the Company and the Lender.

Section 9.3. Bondowner Approval. Notwithstanding anything to the contrary contained in this **Article IX**, and subject to the rights of the Lender, the proceeds of any insurance received subsequent to a casualty or of any condemnation proceedings (or threats thereof) may prior to the application thereof by the City or the Trustee be applied as directed by the Owners of 100% of the principal amount of Bonds Outstanding, subject and subordinate to (a) the terms and conditions of the Mortgage; (b) the rights of the City and the Trustee to be paid all their expenses (including attorneys' fees, trustee's fees and any extraordinary expenses of the City and the Trustee) incurred in the collection of such gross proceeds.

ARTICLE X

SPECIAL COVENANTS

Section 10.1. No Warranty of Condition or Suitability by the City; Exculpation and Indemnification. The City makes no warranty, either express or implied, as to the condition of the Project or that it will be suitable for the Company's purposes or needs. The Company releases the City and the Trustee from, agrees that the City and the Trustee shall not be liable for and agrees to hold the City and the Trustee harmless against, any loss or damage to property or any injury to or death of any Person that may be occasioned by any cause whatsoever pertaining to the Project or the Company's use thereof, unless such loss is the result of the City's or the Trustee's gross negligence or willful misconduct. This provision shall survive termination of this Lease.

Section 10.2. Surrender of Possession. Upon accrual of the City's right of re-entry to the extent provided in **Section 12.2(b)** hereof, the Company shall peacefully surrender possession of the Project to the City in good condition and repair; provided, however, the Company may within 90 days (or such later date as the City may agree to) after the termination of this Lease remove from the Project Site any buildings, improvements, furniture, trade fixtures, machinery and equipment owned by the Company and not constituting part of the Project. All repairs to and restorations of the Project required to be made because of such removal shall be made by and at the sole cost and expense of the Company, and during said 90-day (or extended) period the Company shall bear the sole responsibility for and bear the sole risk of loss for said buildings, improvements, furniture, trade fixtures, machinery and equipment owned by the Company and not constituting part of the Project. All buildings, improvements, furniture, trade fixtures, machinery and equipment owned by the Company and which are not so removed from the Project before the expiration of said period shall be the separate and absolute property of the City.

Section 10.3. City's Right of Access to the Project. The Company agrees that the City and the Trustee and their duly authorized agents shall have the right at reasonable times during business hours, subject to 24 hours' advance written notice and the Company's usual safety and security requirements (and provided that no such access need be granted with respect to an occupied residential unit), to enter upon the Project Site (a) to examine and inspect the Project without interference or prejudice to the Company's operations, (b) as may be reasonably necessary to cause to be completed the purchase and installation provided for in **Section 4.2** hereof, (c) performing such work in and about the Project Site made necessary by reason of the Company's default under any of the provisions of this Lease, and (d) exhibiting the Project to prospective purchasers, lessees or trustees subsequent to an Event of Default.

Section 10.4. Granting of Easements; Mortgages and Financing Arrangements.

(a) Subject to **Sections 10.4(b)** and (c), if no Event of Default under this Lease has happened and is continuing, the Company may at any time or times (i) grant subleases (as permitted in **Section 13.1(b)** hereof), easements, licenses, rights-of-way (including the dedication of public highways) and other rights or privileges in the nature of easements that are for the direct use of the Project, or part thereof, by the grantee, (ii) release or terminate existing subleases, easements, licenses, rights-of-way and other rights or privileges, all with or without consideration and upon such terms and conditions as the Company shall determine, or (iii) incur Permitted Encumbrances. The Company may take such actions and may execute any applicable documents in the Company's own name. No separate signature of or authorization from the City shall be required for the execution and delivery of any such document, although the City agrees to execute and deliver such confirming documents as are described below, under the procedures described below, if the Company chooses to make such a request, provided that no such

document shall impose any obligation (monetary or otherwise) on the City or require any representations by the City. All third parties entering into agreements with the Company or receiving delivery of or the benefit of such agreements or documents shall be entitled to rely upon the same as having been executed and delivered by the City, unless such third party has actual or constructive notice, expressly in writing, that the agency herein granted by the City to the Company has been terminated by the City because of an uncured Event of Default hereunder. The City agrees that it will execute and deliver and will cause and direct the Trustee to execute and deliver any instrument necessary or appropriate to confirm and grant, release or terminate any such sublease, easement, license, right-of-way or other right or privilege or any such agreement or other arrangement, upon receipt by the City and the Trustee of: (i) a copy of the instrument of grant, release or termination or of the agreement or other arrangement, (ii) a written application signed by an Authorized Company Representative requesting such instrument, and (iii) a certificate executed by an Authorized Company Representative stating that such grant or release is not detrimental to the proper conduct of the business of the Company, will not impair the effective use or interfere with the efficient and economical operation of the Project, will not materially adversely affect the security intended to be given by or under the Indenture and will be a Permitted Encumbrance; *provided that* the City shall not be required to undertake any duties or payment obligations under such instruments and shall make only such representations as it deems appropriate in its sole discretion. If no Event of Default has happened and is continuing beyond any applicable grace period, any payments or other consideration received by the Company for any such grant or with respect to or under any such agreement or other arrangement shall be and remain the property of the Company; but, subject to **Sections 10.4(b) and (c)**, upon (i) termination of this Lease for any reason other than the redemption of the Bonds and/or the purchase of the Project by the Company or (ii) the occurrence and continuance of an Event of Default by the Company, all rights then existing of the Company with respect to or under such grant shall inure to the benefit of and be exercisable by the City and the Trustee.

(b) The right of a Lender to foreclose upon the lien of a Mortgage or accept a deed in lieu of foreclosure from the Company shall not require the consent of the City, if written notice of the proposed sale or assignment is provided to the City at least fifteen (15) days prior thereto. The City acknowledges and agrees that the Company may further finance and refinance its rights and interests in the Project, this Lease, and the leasehold estate created hereby with prior notice to but without the consent of the City, provided and upon condition that a duplicate original or certified copy or photostatic copy of each such Mortgage, and the note or other obligation secured thereby, is delivered to the City within thirty (30) days after the execution thereof. The Company may mortgage the fee estate held by the City with the consent of the City, not to be unreasonably withheld, conditioned, or delayed. In connection with any Mortgage, the Company shall have the right to assign this Lease, the leasehold estate, any sublease, and any rights in connection therewith, and/or grant liens or security interests therein, to any Lender. Any further sublease or assignment by any Lender shall be subject to the provisions of **Section 13.1(c)**.

(c) With respect to a future Mortgage, upon notice by the Company to the City in writing that it has executed a Mortgage under which it has granted rights in this Lease to a Lender which includes the name and address of such Lender, the following provisions shall apply in respect of each such Lender:

(1) there shall be no merger of this Lease or of the leasehold estate created hereby with the fee title to the Project, notwithstanding that this Lease or said leasehold estate and said fee title shall be owned by the same Person or Persons, without the prior written consent of such Lender;

(2) the City shall serve upon each such Lender (at the address, if any, provided to the City) a copy of each notice of the occurrence of an Event of Default and each notice of termination given to the Company under this Lease, at the same time as such notice is served

upon the Company. No such notice to the Company shall be effective unless a copy thereof is thus served upon each Lender (at the address, if any, provided to the City);

(3) each Lender shall have the same period of time which the Company has, after the service of any required notice upon it, within which to remedy or cause to be remedied any payment default under this Lease which is the basis of the notice plus thirty (30) days, and the City shall accept performance by such Lender as timely performance by the Company;

(4) the City may exercise any of its rights or remedies with respect to any other Event of Default by the Company, subject to the rights of each Lender under this **Section 10.4(c)** as to such other events of default. Without limiting the generality of the foregoing, any Lender holding a Mortgage of the fee simple interest or leasehold interest in the Project may cause the sale of the fee simple interest or any leasehold interest of the Company, as applicable, to be sold at foreclosure sale conducted in accordance with applicable law and the terms of the Mortgage, may accept assignment of this Lease in lieu of foreclosure and may appoint a receiver for the Project, all without obtaining the prior written consent of the City (provided that the City's right to exercise remedies under this Lease against any successor in interest shall not be reduced by virtue of such transfer);

(5) upon the occurrence and continuance of an Event of Default by the Company under this Lease, other than a default in the payment of money, the City shall take no action to effect a termination of this Lease by service of a notice or otherwise, without first giving notice thereof to each such Lender and permitting such Lender (or its designee, nominee, assignee, or transferee) a reasonable time within which to remedy such default in the case of an Event of Default which is susceptible of being cured (provided that the period to remedy such event of default shall continue beyond any period set forth in the Lease to effect said cure so long as the Lender (or its designee, nominee, assignee, or transferee) is diligently prosecuting such cure); provided that the Lender (or its designee, nominee, assignee, or transferee) shall pay or cause to be paid to the City and the Trustee all expenses, including reasonable counsel fees, court costs and disbursements incurred by the City or the Trustee in connection with any such default; and

(6) such Lenders (and their designees, nominees, assignees, or transferees) shall have the right to enter, possess and use the Project at such reasonable times and manner as are necessary or desirable to effectuate the remedies and enforce their respective rights under the Mortgage(s).

(d) In connection with the execution of one or more Mortgages, upon the request of the Company, the City agrees to execute such documents as shall be reasonably requested by a Lender and which are usual and customary in connection with the closing of the financing or refinancing pursuant to the Mortgage, *provided that* the City shall not be required to undertake any duties or payment obligations under such documents and shall make only such representations as it deems appropriate in its sole discretion. The Company agrees to reimburse the City for any and all costs and expenses incurred by the City pursuant to this Section, including reasonable attorneys' fees and expenses, in complying with such request.

(e) This Lease is subject to any Mortgage executed or consented to by the Company.

(f) Notwithstanding anything contained to the contrary in this Lease, (a) the Company shall have the right to assign this Lease and any subleases to a Lender or to the designee or nominee of a Lender, without the consent of the City, and (b) if a Lender or its designee or nominee shall acquire ownership of the

leasehold estate, either following foreclosure of the applicable Mortgage or in liquidation of the indebtedness and in lieu of foreclosure thereof, said Lender or its designee or nominee shall have the further right to further assign this Lease and any subleases and any purchase money mortgage accepted in connection therewith, without the consent of the City and such assignee shall enjoy all rights, powers and privileges granted herein to said Lender; provided, however, that such Lender or its assignee or nominee, or their assignee or nominee, shall assume in writing all rights, duties and obligations of the Company under this Lease.

(g) During the term of any Mortgage, the following provisions shall apply:

(i) this Lease may not be modified, amended, canceled or surrendered by agreement between the City and the Company, without the prior written consent of the applicable Lender;

(ii) if this Lease shall terminate prior to the expiration of the Lease Term, the City shall enter into a new lease for the Project with the applicable Lender or its designee or nominee, for the remainder of the Lease Term, effective as of the date of such termination, at the same rent and upon the same terms, covenants and conditions contained herein, except that such new lease shall not guarantee possession of the Project to the new tenant as against the Company and/or anyone claiming under the Company, and the City, simultaneously with the execution and delivery of such new lease, shall turn over to the new tenant all monies, if any, then held by the City under the Lease on behalf of the Company, on condition that:

(A) The applicable Lender shall make written request for such new lease within thirty (30) days after the date of such termination, and

(B) on the commencement date of the term of the new lease, the applicable Lender shall cure all defaults of the Company under the Lease (susceptible of being cured by such Lender) which remain uncured on that date, and shall pay or cause to be paid all unpaid sums which at such time would have been payable under this Lease but for such termination, and shall pay or cause to be paid to the City on that date all fees, costs, charges and expenses, including, without limitation, reasonable counsel fees, court costs and disbursements, incurred by the City or the Trustee in connection with any such default and termination as well as in connection with the execution and delivery of such new lease;

(iii) if a Lender or its designee or nominee shall become the owner of this Lease either following foreclosure of a Mortgage or in liquidation of the indebtedness and in lieu of foreclosure thereof and said Lender or its designee or nominee shall have assigned this Lease, said Lender or its designee or nominee so assigning shall be released from all liability accruing from and after the date of such assignment.

(h) The City agrees that any requested consent or signature of the City to any Mortgage under this Section (including any related document, including but not limited to documents subordinating the City's fee interest in the Project Site or any portion thereof to a Mortgage) may be given by the City Manager, in his or her discretion, without further approval of the City Council. The City agrees that if a Mortgage on the fee interest in the Project Site is granted that this Lease shall be subject to, and subordinate to, any such Mortgage and that the Lender will not be required to grant any rights of nondisturbance with respect to this Lease.

Section 10.5. Indemnification of City and Trustee. The Company shall indemnify and save and hold harmless the City and the Trustee and their governing body members, officers, agents and employees (collectively, the “Indemnified Parties”) from and against all claims, demands, costs, liabilities, damages or expenses, including attorneys’ fees, by or on behalf of any person, firm or corporation arising from the issuance of the Bonds and the execution of this Lease, the Indenture or any other documents entered into in connection with the Bonds and from the conduct or management of, or from any work or thing done in or on the Project during the Lease Term, and against and from all claims, demands, costs, liabilities, damages or expenses, including attorneys’ fees, arising during the Lease Term from (a) any condition of the Project, (b) any breach or default on the part of the Company in the performance of any of its obligations under this Lease or any related document, (c) any contract entered into by the Company in connection with the purchase, construction, extension or improvement of the Project, (d) any act of negligence of the Company or of any of its agents, contractors, servants, employees or licensees, (e) any liability of an Indemnified Party resulting from a failure to comply with Section 107.170 of the Revised Statutes of Missouri, as amended, with respect to the Project, (f) unless the Company has been released from liability pursuant to **Section 13.1(d)**, any act of negligence of any assignee or sublessee of the Company, or of any agents, contractors, servants, employees or licensees of any assignee or sublessee of the Company, (g) obtaining any applicable state and local sales and use tax exemptions for materials or goods that become part of the Project, and (h) any claim relating to the presence on, escape or removal from the Project during the term of the Lease of any hazardous substance or other material regulated by any applicable Environmental Law, or compliance with any applicable Environmental Law, whether such claim arises before, during or after the term of this Lease, including claims relating to personal injury or damage to property; provided, however, the indemnification contained in this **Section 10.5** shall not extend to (i) the City if such claims, demands, costs, liabilities, damages or expenses, including attorneys’ fees, are the result of work being performed at the Project by employees of the City or the result of negligence or willful misconduct by the City (except in the case of failure to comply with Section 107.170), or (ii) the Trustee if such claims, demands, costs, liabilities, damages or expenses, including attorneys’ fees, are the result of the negligence or willful misconduct of the Trustee or (iii) the City for any claim relating to the failure of such party to perform its obligations under this Lease or the Indenture. Upon notice from the City or the Trustee, the Company shall defend them or either of them in any such action or proceeding. This **Section 10.5** shall survive any termination of this Lease or the satisfaction and discharge of the Indenture.

In case any action shall be brought against one or more of the Indemnified Parties based upon the foregoing indemnification and in respect of which indemnity may be sought against the Company, the Indemnified Parties shall promptly notify the Company in writing and the Company shall promptly assume the defense thereof, including the employment of counsel satisfactory to the Indemnified Parties, the payment of all reasonable expenses and the right to negotiate and consent to settlement. If the Company shall have wrongfully failed to assume the defense of such action, the reasonable fees and expenses of counsel retained by the Indemnified Party shall be paid by the Company. If any of the Indemnified Parties is advised by counsel retained by the Company to defend such action that there may be legal defenses available to it which are adverse to or in conflict with those available to the Company or any other Indemnified Party, and that the defense of such Indemnified Party should be handled by separate counsel, the Company shall not have the right to assume the defense of such Indemnified Party, but shall be responsible for the reasonable fees and expenses of counsel retained by such Indemnified Party in assuming its own defense. Any one or more of the Indemnified Parties shall have the right to employ separate counsel in any such action and to participate in the defense thereof, but except as otherwise set forth in this Section, the fees and expenses of such counsel shall be at the expense of such Indemnified Party or Indemnified Parties unless employment of such counsel has been specifically authorized by the Company. The Company shall not be liable for any settlement of any such action effected without its consent by any of the Indemnified Parties, but if settled with the consent of the

Company or if there be a final judgment for the plaintiff in any such action against the Company or any of the Indemnified Parties, with or without the consent of the Company, the provided that the Company was given prompt written notice and the ability to assume the defense thereof as required by this paragraph, the Company agrees to indemnify and hold harmless the Indemnified Parties to the extent provided herein.

Section 10.6. Depreciation, Investment Tax Credit and Other Tax Benefits. The City agrees that any depreciation, investment tax credit or any other tax benefits with respect to the Project or any part thereof shall be made available to the Company, and the City will fully cooperate with the Company in any effort by the Company to avail itself of any such depreciation, investment tax credit or other tax benefits.

Section 10.7. Company to Maintain its Corporate Existence. The Company agrees that until the Bonds are paid or payment is provided for in accordance with the terms of the Indenture, it will maintain its corporate existence, and will not dissolve or otherwise dispose of all or substantially all of its assets; provided, however, that the Company may, without violating the agreement contained in this Section, consolidate with or merge into another domestic corporation (i.e., a corporation incorporated and existing under the laws of one of the states of the United States) or permit one or more other domestic corporations to consolidate with or merge into it, or may sell or otherwise transfer to another domestic corporation all or substantially all of its assets as an entirety and thereafter dissolve, provided, the surviving, resulting or transferee corporation either (A) becomes, in connection with the consolidation, merger or sale of assets becomes the Owner of 100% in principal amount of the Bonds outstanding and expressly assumes in writing all of the obligations of the Company contained in this Lease, or (B) if not the Owner of 100% in principal amount of the Bonds outstanding, expressly assumes in writing all the obligations of the Company contained in this Lease; and, further provided, that if not the Owner of 100% in principal amount of the Bonds outstanding, the surviving, resulting or transferee corporation, as the case may be, has a consolidated net worth (after giving effect to said consolidation, merger or transfer) at least (i) equal to or greater than that of the Company immediately prior to said consolidation, merger or transfer, or (ii) \$50,000,000. The term "net worth," as used in this Section, shall mean the difference obtained by subtracting total liabilities (not including as a liability any capital or surplus item) from total assets of the Company and all of its subsidiaries. In any such consolidation, merger or transfer the Company shall comply with the provisions of **Section 13.1** hereof to the extent applicable.

Section 10.8. Security Interests. At the written request of the Owner of the Bonds, the City and the Company agree to enter into all instruments (including financing statements and statements of continuation) necessary for perfection of and continuance of the perfection of the security interests of the City and the Trustee in the Project. Upon the written instructions of the Owner of the Bonds, the Trustee, at the Company's expense, shall file all instruments the Owner of the Bonds shall deem necessary to be filed. The Trustee shall, pursuant to **Section 805** of the Indenture, file continuation statements of originally filed financing statements for so long as the Bonds shall be Outstanding provided a copy of such originally financing statements is timely delivered to the Trustee. The City and the Company shall cooperate with the Trustee in this regard by executing such continuation statements and providing such information as the Trustee may require to renew such liens.

ARTICLE XI

OPTION AND OBLIGATION TO PURCHASE THE PROJECT

Section 11.1. Option to Purchase the Project. The Company shall have, and is hereby granted, the option to purchase the Project at any time, upon payment in full of all Bonds then outstanding or provision for their payment having been made pursuant to **Article XIII** of the Indenture. To exercise such option the Company shall give written notice to the City and to the Trustee, and shall specify therein the date of closing such purchase, which date shall be not less than 15 nor more than 90 days from the date such notice is mailed, and in case of a redemption of the Bonds in accordance with the provisions of the Indenture, the Company shall make arrangements satisfactory to the Trustee for the giving of the required notice of redemption. Such notice may be waived by the City and the Trustee in their discretion. Notwithstanding the forgoing, if the City or the Trustee provides notice of its intent to exercise its remedies hereunder (a "Remedies Notice"), the Company shall be deemed to have exercised its repurchase option under this Section on the 29th day following the issuance of the Remedies Notice without any further action by the Company; provided said notice has not been rescinded by such date (such option to take place on the 29th day following the issuance of the Remedies Notice). The Company may rescind such exercise by providing written notice to the City and the Trustee on or prior to the 29th and by taking such action as may be required to cure the default that led to the giving of the Remedies Notice. The purchase price payable by the Company in the event of its exercise of the option granted in this Section shall be the sum of the following:

- (a) an amount of money which, when added to the amount then on deposit in the Bond Fund, will be sufficient to redeem all the then outstanding Bonds on the earliest redemption date next succeeding the closing date, including, without limitation, principal and interest to accrue to said redemption date and redemption expense; plus
- (b) an amount of money equal to the Trustee's reasonable fees, charges and expenses under the Indenture accrued and to accrue until such redemption of the Bonds; plus
- (c) an amount of money equal to all PILOT Payments and other payments due and payable pursuant to **Article VI** hereof through the end of the calendar year in which the date of purchase occurs; plus
- (d) the sum of \$100.00.

At its option, to be exercised at least 5 days prior to the date of closing such purchase, the Company may deliver to the Trustee for cancellation Bonds not previously paid, and the Company shall receive a credit against the purchase price payable by the Company in an amount equal to 100% of the principal amount of the Bonds so delivered for cancellation, plus the accrued interest thereon.

Section 11.2. Conveyance of the Project. At the closing of the purchase of the Project pursuant to this Article, the City will upon receipt of the purchase price deliver to the Company the following:

- (a) If the Indenture shall not at the time have been satisfied in full, a release from the Trustee of the Project from the lien and/or security interest of the Indenture and this Lease and appropriate termination of financing statements as required under the Uniform Commercial Code; and

(b) Documents, including without limitation a special warranty deed as to the Project Site, conveying to the Company legal title to the Project, as it then exists, in recordable form, subject to the following: (i) those liens and encumbrances, if any, to which title to the Project was subject when conveyed to the City (such that the City shall not have placed any mortgage, deed of trust, or any other similar instrument upon the Project without the prior written consent of the Company); (ii) those liens and encumbrances created by the Company or to the creation or suffering of which the Company consented; (iii) those liens and encumbrances resulting from the failure of the Company to perform or observe any of the agreements on its part contained in this Lease; (iv) Permitted Encumbrances other than the Indenture and this Lease; and (v) if the Project or any part thereof is being condemned, the rights and title of any condemning authority.

Any deed of trust, mortgage, or any other similar instrument placed upon the Project by the City without the prior written consent of the Company shall be removed prior to conveyance of the Project to the Company.

Section 11.3. Relative Position of Option and Indenture. The options and obligation to purchase the Project granted to the Company in this Article shall be and remain prior and superior to the Indenture and may be exercised whether or not the Company is in default under this Lease, provided that such default will not result in nonfulfillment of any condition to the exercise of any such option and further provided that all options herein granted shall terminate upon the termination of this Lease.

Section 11.4. Obligation to Purchase the Project.

(a) As additional consideration for the Company's use of the Project, the Company hereby agrees to purchase, and the City hereby agrees to sell, the Project upon the occurrence of (a) the expiration of the Lease Term following full payment of the Bonds or provision for payment thereof having been made in accordance with the provisions of the Indenture, and (b) the final payments due under **Article VI** of this Lease. The amount of the purchase price under this Section shall be \$100 plus an amount sufficient to redeem all the then Outstanding Bonds, plus accrued interest and the reasonable fees and expenses of the City and the Trustee.

(b) If the Abatement Period ends prior to **2039**, the Company shall exercise the option to purchase the Project under **Section 11.1** of this Lease in December of the final year of the Abatement Period.

(c) If the Company fails to complete the purchase of the Project at the time required by this Section, the City is specifically authorized to convey the Project back to the Company with or without terminating this Lease and, in such case, may unilaterally terminate this Lease by an instrument signed by the City alone.

ARTICLE XII

DEFAULTS AND REMEDIES

Section 12.1. Events of Default. If any one or more of the following events shall occur and be continuing, it is hereby defined as and declared to be and to constitute an "Event of Default" or "default" under this Lease:

(a) Default in the due and punctual payment of Basic Rent for a period of 5 days following written notice to the Company by the City or the Trustee; or

(b) Default in the due and punctual payment of Additional Rent for a period of 30 days following written notice to the Company by the City or the Trustee or the Owners of 25% in aggregate principal amount of all Bonds Outstanding provided, however, at any time the Company is the owner of 100% in aggregate principal amount of all Bonds Outstanding, said notice must also have been given to the Owner of 100% in aggregate principal amount of all Bonds Outstanding or it shall not be effective; or

(c) Default in the due observance or performance of any other covenant, agreement, obligation or provision of this Lease on the Company's part to be observed or performed, and such default shall continue for 30 days after the City or the Trustee or the Owners of 25% in aggregate principal amount of all Bonds Outstanding has given the Company written notice specifying such default (or such longer period as shall be reasonably required to cure such default provided that (1) the Company has commenced such cure within said 30-day period, and (2) the Company diligently prosecutes such cure to completion) provided, however, at any time the Company is the owner of 100% in aggregate principal amount of all Bonds Outstanding, said notice must also have been given to the Owner of 100% in aggregate principal amount of all Bonds Outstanding or it shall not be effective; or

(d) The Company: (1) admits in writing its inability to pay its debts as they become due; or (2) files a petition in bankruptcy or for reorganization, arrangement, composition, readjustment, liquidation, dissolution or similar relief under the Bankruptcy Code as now or in the future amended or any other similar present or future federal or state statute or regulation, or files a pleading asking for such relief; or (3) make an assignment for the benefit of creditors; or (4) consents to the appointment of a trustee, receiver or liquidator for all or a major portion of its property or fails to have the appointment of any trustee, receiver or liquidator made without the Company's consent or acquiescence, vacated or set aside; or (5) is finally adjudicated as bankrupt or insolvent under any federal or state law; or (6) is subject to any proceeding, or suffers the entry of a final and non-appealable court order, under any federal or state law appointing a trustee, receiver or liquidator for all or a major part of its property or ordering the winding-up or liquidation of its affairs, or approving a petition filed against it under the Bankruptcy Code, as now or in the future amended, which order or proceeding, if not consented to by it, is not dismissed, vacated, denied, set aside or stayed within 90 days after the day of entry or commencement; or (7) suffers a writ or warrant of attachment or any similar process to be issued by any court against all or any substantial portion of its property, and such writ or warrant of attachment or any similar process is not contested, stayed, or is not released within 60 days after the final entry, or levy or after any contest is finally adjudicated or any stay is vacated or set aside; or

(e) the Company vacates, abandons, ceases operations, fails to occupy or is ejected from the Project Site or any material portion thereof, and the same remains uncared for or abandoned for a period of 90 days; unless the Project has been subject to a casualty and the Company is intending to rebuild the Project in accordance with **Section 9.1** hereof; or

(f) the Company, after completion of construction, operates or allows operation of any portion of the Project as other than a Permitted Facility for a period of 90 days; unless the Project has been subject to a casualty and the Company is intending to rebuild the Project.

With regard to any alleged default concerning which notice is given to the Company under the provisions of this Section, the City hereby grants the Company full authority for account of the City to perform any covenant or obligation, the nonperformance of which is alleged in said notice to constitute a default, in the name and stead of the City, with full power to do any and all things and acts to the same extent that the City could do and perform any such things and acts in order to remedy such default.

Section 12.2. Remedies on Default. If any Event of Default referred to in **Section 12.1** hereof has occurred and continues beyond the period provided to cure, then the City may at the City's election (subject, however, to any restrictions against acceleration of the maturity of the Bonds or termination of this Lease in the Indenture), then or at any time thereafter, and while such default continues, take any one or more of the following actions:

(a) cause all amounts payable with respect to the Bonds for the remainder of the term of this Lease to become due and payable after giving ten (10) days prior written notice thereof to the Company, as provided in the Indenture; or

(b) give the Company written notice of the City's intention to terminate this Lease on a date specified therein, which date shall not be earlier than 30 days after such notice is given, and if all defaults have not then been cured, on the date so specified, the Owners shall tender or be deemed to have tendered the outstanding principal amount of the Bonds for cancellation with instruction that such tender is in lieu of payment in accordance with **Section 11.1** hereof and this Lease shall thereupon be terminated, and the City will promptly convey the Project in accordance with **Section 11.2** hereof.

Section 12.3. Survival of Obligations. The Company covenants and agrees with the City and Owners that those of its obligations under this Lease which by their nature require performance after the end of the term of this Lease, or which are expressly stated herein as intended to survive expiration or termination of this Lease, shall survive the cancellation and termination of this Lease, for any cause.

Section 12.4. Performance of the Company's Obligations by the City. If the Company shall fail to keep or perform any of its obligations as provided in this Lease in the making of any payment or performance of any obligation, then the City, or the Trustee in the City's name, may (but shall not be obligated so to do) upon the continuance of such failure on the Company's part for 30 days after written notice of such failure is given the Company by the City or the Trustee, and without waiving or releasing the Company from any obligation hereunder, as an additional but not exclusive remedy, make any such payment or perform any such obligation, and all reasonable sums so paid by the City or the Trustee and all incidental reasonable costs and expenses incurred by the City or the Trustee (including, without limitation, attorneys' fees and expenses) in performing such obligations shall be deemed Additional Rent and shall be paid to the City or the Trustee on demand, and if not so paid by the Company, the City or the Trustee shall have the same rights and remedies provided for in **Section 12.2** hereof in the case of default by the Company in the payment of Basic Rent.

Section 12.5. Rights and Remedies Cumulative. The rights and remedies reserved by the Trustee, the City and the Company hereunder and those provided by law shall be construed as cumulative and continuing rights. No one of them shall be exhausted by the exercise thereof on one or more occasions. The Trustee, the City and the Company shall each be entitled to specific performance and injunctive or other equitable relief for any breach or threatened breach of any of the provisions of this Lease, notwithstanding availability of an adequate remedy at law, and each party hereby waives the right to raise such defense in any proceeding in equity. Notwithstanding anything in this Section or elsewhere in this Lease to the contrary, the Company's option to purchase the Project as provided in **Article XI** shall

not be terminated upon an Event of Default unless and until this Lease is terminated to the extent permitted pursuant to **Section 12.2(b)**.

Section 12.6. Waiver of Breach. No waiver of any breach of any covenant or agreement herein contained shall operate as a waiver of any subsequent breach of the same covenant or agreement or as a waiver of any breach of any other covenant or agreement, and in case of a breach by the Company of any covenant, agreement or undertaking by the Company, the Trustee or the City may nevertheless accept from the Company any payment or payments hereunder without in any way waiving the Trustee or the City's right to exercise any of its rights and remedies provided for herein with respect to any such breach or breaches of the Company which were in existence at the time such payment or payments were accepted by the Trustee or the City.

Section 12.7. Trustee's Exercise of the City's Remedies. Whenever any Event of Default shall have occurred and be continuing, the Trustee may, but except as otherwise provided in the Indenture shall not be obliged to, exercise any or all of the rights of the City under this Article, upon notice as required of the City unless the City has already given the required notice. In addition, the Trustee shall have available to it all of the remedies prescribed by the Indenture.

ARTICLE XIII

ASSIGNMENT AND SUBLEASE

Section 13.1. Assignment; Sublease.

(a) Subject to subsection (c), below, the Company may assign, transfer, encumber or dispose of this Lease or any interest therein or part thereof for any lawful purpose under the Act. With respect to any assignment, the Company shall comply with the following conditions:

(1) Such assignment shall be in writing, duly executed and acknowledged by the assignor and in proper form for recording;

(2) Such assignment shall include the entire then unexpired term of this Lease; and

(3) A duplicate original of such assignment shall be delivered to the City and the Trustee within 10 days after the execution thereof, together with an assumption agreement, duly executed and acknowledged by the assignee in proper form for recording, by which the assignee shall assume all of the terms, covenants and conditions of this Lease on the part of the Company to be performed and observed.

(b) Without the consent of the City, the Company shall have the right to sublet all or any part of the Project to a single entity for any lawful purpose under the Act. The Company shall, within 10 days after the delivery thereof, furnish or cause to be furnished to the City and the Trustee a true and correct copy of each such sublease. Any complying sublease may provide, at the Company's option, that the City's consent shall not be required in respect of any further subletting thereunder if such further subletting is for a similar purpose as the original sublease and is for a purpose permissible under the Act. Notwithstanding the foregoing, the Company may, in the ordinary course of its business, and without the prior approval of, or notice to, the City, enter into leases or subleases with one or more end users for the various parcels, units or space within the Project to be used for purposes commonly associated with the use of a Permitted Facility. For any sublease requiring consent of the City, such consent shall not be

unreasonably withheld, conditioned or delayed, provided that the City may require that any sublessee for which consent is required demonstrate to the City's reasonable satisfaction that it has sufficient financial, management, property ownership and operation capabilities, and that it is interested in the long-term viability of the portion of the Project to be subleased.

If for any reason this Lease and the leasehold estate of the Company hereunder is terminated by the City by summary proceedings or otherwise in accordance with the terms of this Lease, the City covenants and agrees that such termination of this Lease shall not result in a termination of any sublease affecting the Project or any part or parts thereof and that they shall all continue for the duration of their respective terms and any extensions thereof as a direct lease between the City hereunder and the sublessee thereunder, with the same force and effect as if the City hereunder had originally entered into such sublease as landlord thereunder; provided that, the City shall have no liability for any loss associated with or any monetary obligation or other obligation of the landlord under any such sublease. Any such sublessee shall not be named or joined in any action or proceeding by the City under this Lease to recover possession of the Project or for any other relief if such sublessee is not then in default under the terms of its sublease beyond any applicable grace period for curing the same.

(c) For any assignment of this Lease (except as otherwise allowed under **Section 10.4** with respect to a Lender and/or Mortgage), the Company shall obtain the prior written consent of the City, which consent shall not be unreasonably withheld, conditioned or delayed, unless such assignment is to an entity controlled by or under common control with or controlling the Company, in which event no written consent of the City shall be required. The City may require that any assignee for which consent is required demonstrate to the City's reasonable satisfaction that it has sufficient financial, management, property ownership and operation capabilities, and that it is interested in the long-term viability of the Project.

(d) Any assignee of all the rights of the Company shall agree to be bound by the terms of this Lease and any other documents related to the issuance of the Bonds. Upon such assignment of all the rights of the Company and agreement by the assignee to be bound by the terms of this Lease and any other documents related to the Bonds, the Company shall be released from and have no further obligations under this Lease or any agreement related to the issuance of the Bonds.

(e) The City agrees that any requested consent or signature of the City to any sublease or assignment under this Article, including any related document, may be given by the City Manager, in his or her discretion, without further approval of the City Council.

Section 13.2. Assignment of Revenues by City. The City shall assign and pledge any rents, revenues and receipts receivable under this Lease, to the Trustee pursuant to the Indenture as security for payment of the principal of, interest and premium, if any, on the Bonds and the Company hereby consents to such pledge and assignment. The City and the Company recognize that the Trustee is a third party creditor beneficiary of this Lease.

Section 13.3. Prohibition Against Fee Mortgage of Project. Except as otherwise set forth in Section 10.4, the City shall not mortgage its fee interest in the Project, but may assign its interest in and pledge any moneys receivable under this Lease to the Trustee pursuant to the Indenture as security for payment of the principal of and interest on the Bonds.

Section 13.4. Restrictions on Sale or Encumbrance of Project by City. During this Lease Term, the City agrees that, except to secure the Bonds to be issued pursuant to the Indenture, it will not sell, assign, encumber, transfer or convey the Project or any interest therein, but may assign its interest in

and pledge any moneys receivable under this Lease to the Trustee pursuant to the Indenture as security for payment of the principal of and interest on the Bonds.

ARTICLE XIV

AMENDMENTS, CHANGES AND MODIFICATIONS

Section 14.1. Amendments, Changes and Modifications. Except as otherwise provided in this Lease or in the Indenture, subsequent to the issuance of Bonds and prior to the payment in full of the Bonds (or provision for the payment thereof having been made in accordance with the provisions of the Indenture), this Lease may not be effectively amended, changed, modified, altered or terminated without the prior written consent of the Trustee, given in accordance with the provisions of the Indenture.

ARTICLE XV

MISCELLANEOUS PROVISIONS

Section 15.1. Notices. All notices, certificates or other communications required or desired to be given hereunder shall be in writing and shall be governed by **Section 1403** of the Indenture.

Section 15.2. City Shall Not Unreasonably Withhold Consents and Approvals. Wherever in this Lease it is provided that the City shall, may or must give its approval or consent, or execute supplemental agreements or schedules, unless stated that such matter is in the City's sole discretion, the City shall not unreasonably, arbitrarily or unnecessarily withhold or refuse to give such approvals or consents or refuse to execute such supplemental agreements or schedules; provided, however, that nothing in this Lease shall be interpreted to affect the City's rights to approve or deny any additional project or matter unrelated to the Project subject to zoning, building permit or other regulatory approvals by the City.

Section 15.3. Net Lease. The parties hereto agree (a) that this Lease shall be deemed and construed to be a net lease, (b) that the payments of Basic Rent are designed to provide the City and the Trustee funds adequate in amount to pay all principal of and interest accruing on the Bonds as the same become due and payable, (c) that to the extent that the payments of Basic Rent are not sufficient to provide the City and the Trustee with funds sufficient for the purposes aforesaid, the Company shall be obligated to pay, and it does hereby covenant and agree to pay, upon demand therefor, as Additional Rent, such further sums of money, in cash, as may from time to time be required for such purposes, and (d) that if after the principal of and interest on the Bonds and all costs incident to the payment of the Bonds (including the fees and expenses of the City and the Trustee) have been paid in full the Trustee or the City holds unexpended funds received in accordance with the terms hereof such unexpended funds shall, after payment therefrom of all sums then due and owing by the Company under the terms of this Lease, and except as otherwise provided in this Lease and the Indenture, become the absolute property of and be paid over forthwith to the Company.

Section 15.4. Limitation on Liability of City. No provision, covenant or agreement contained in this Lease, the Indenture or the Bonds, or any obligation herein or therein imposed upon the City, or the breach thereof, shall constitute or give rise to or impose upon the City a pecuniary liability or a charge upon the general credit or taxing powers of the City or the State of Missouri.

Section 15.5. Governing Law. This Lease shall be construed in accordance with and governed by the laws of the State of Missouri.

Section 15.6. Binding Effect. This Lease shall be binding upon and shall inure to the benefit of the City and the Company and their respective successors and assigns. Any Lender shall be a third party beneficiary of any provisions contained herein granting rights to any such Lender.

Section 15.7. Severability. If for any reason any provision of this Lease shall be determined to be invalid or unenforceable, the validity and enforceability of the other provisions hereof shall not be affected thereby.

Section 15.8. Execution in Counterparts. This Lease may be executed in several counterparts, each of which shall be deemed to be an original and all of which shall constitute but one and the same instrument.

Section 15.9. Electronic Storage. The parties hereto agree that the transaction described herein may be conducted and related documents may be sent, received or stored by electronic means. Copies, telecopies, facsimiles, electronic files and other reproductions of original executed documents shall be deemed to be authentic and valid counterparts of such original documents for all purposes, including the filing of any claim, action or suit in the appropriate court of law.

Section 15.10. Satisfaction of the Company's Obligations. Any obligation of the Company under this Lease, including, but not limited to, the obligations of the Company to pay Basic Rent, Additional Rent and to maintain insurance as required herein, may be performed by a member of the Company, and such performance by a member of the Company shall be treated as though the obligation were performed by the Company.

Section 15.11 Complete Agreement. **THE COMPANY AND THE CITY UNDERSTAND THAT ORAL OR UNEXECUTED AGREEMENTS OR COMMITMENTS TO LOAN MONEY, EXTEND CREDIT OR TO FORBEAR FROM ENFORCING REPAYMENT OF A DEBT INCLUDING PROMISES TO EXTEND OR RENEW SUCH DEBT ARE NOT ENFORCEABLE. TO PROTECT THE COMPANY AND THE CITY FROM MISUNDERSTANDING OR DISAPPOINTMENT, ANY AGREEMENTS THE COMPANY AND THE CITY REACH COVERING SUCH MATTERS ARE CONTAINED IN THIS LEASE, WHICH ARE THE COMPLETE AND EXCLUSIVE STATEMENTS OF THE AGREEMENT BETWEEN THE COMPANY AND THE CITY, EXCEPT AS THE COMPANY AND THE CITY MAY LATER AGREE IN WRITING TO MODIFY THIS LEASE.**

Section 15.12. Employee Verification. The Company will comply with and satisfy the requirements of Section 285.530.2, RSMo., as amended, which requires (1) any business entity receiving tax abatement to, by sworn affidavit and provision of documentation, annually affirm its enrollment and participation in a federal work authorization program with respect to the employees working in connection with the business entity receiving tax abatement, and (2) every such business entity to annually sign an affidavit affirming that it does not knowingly employ any person who is an unauthorized alien in connection with the entity receiving tax abatement. The Company shall provide such affidavits

and documentation to the City on or before December 1 of each year during the term of this Lease, beginning December 1, 2026, and also upon execution of this Lease.
