Section 203. Designation of Paying Agent. UMB, N.A., Kansas City, Missouri is hereby designated as the City’s paying agent for the payment of principal of and interest on the Bonds and bond registrar with respect to the registration, transfer and exchange of Bonds (the “Paying Agent”).

The City will at all times maintain a Paying Agent meeting the qualifications herein described for the performance of the duties hereunder. The City reserves the right to appoint a successor Paying Agent by (1) filing with the Paying Agent then performing such function a certified copy of the proceedings giving notice of the termination of such Paying Agent and appointing a successor, and (2) causing notice of the appointment of the successor Paying Agent to be given by first class mail to each Bondowner. No resignation or removal of the Paying Agent shall become effective until a successor acceptable to the City has been appointed and has accepted the duties of Paying Agent.

Every Paying Agent appointed hereunder shall at all times be a commercial banking association or corporation or trust company authorized to do business in the State of Missouri, organized and doing business

under the laws of the United States of America or of the State of Missouri, authorized under such laws to exercise trust powers and subject to supervision or examination by federal or state regulatory authority.

The principal or Redemption Price of each Bond shall be paid at Maturity by check or draft to the Person in whose name such Bond is registered on the Bond Register at the Maturity thereof, upon presentation and surrender of such Bond at the payment office of the Paying Agent.

The interest payable on each Bond on any Interest Payment Date shall be paid to the Registered Owner of such Bond as shown on the Bond Register at the close of business on the Record Date for such interest by (a) check or draft mailed by the Paying Agent to the address of such Registered Owner shown on the Bond Register, or (b) in the case of an interest payment to (i) the Securities Depository, or (ii) any Registered Owner of \$500,000 or more in aggregate principal amount of Bonds, by electronic transfer to such Registered Owner upon written notice signed by such Registered Owner given to the Paying Agent by such Registered Owner, not less than 5 days prior to the Record Date for such interest, containing the electronic transfer instructions including the bank (which shall be in the continental United States), ABA routing number and account name and account number to which such Registered Owner wishes to have such transfer directed.

Notwithstanding the foregoing provisions of this Section, any Defaulted Interest with respect to any Bond shall cease to be payable to the Registered Owner of such Bond on the relevant Record Date and shall be payable to the Registered Owner in whose name such Bond is registered at the close of business on the Special Record Date for the payment of such Defaulted Interest, which Special Record Date shall be fixed as hereinafter specified in this paragraph. The City shall notify the Paying Agent in writing of the amount of Defaulted Interest proposed to be paid on each Bond and the date of the proposed payment (which date shall be at least 30 days after receipt of such notice by the Paying Agent) and shall deposit with the Paying Agent at the time of such notice an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Paying Agent for such deposit prior to the date of the proposed payment. Following receipt of such funds the Paying Agent shall fix a Special Record Date for the payment of such Defaulted Interest that shall be not more than 15 nor less than 10 days prior to the date of the proposed payment. The Paying Agent shall promptly notify the City of such Special Record Date and, in the name and at the expense of the City, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, by first class mail, postage prepaid, to each Registered Owner of a Bond entitled to such notice at the address of such Registered Owner as it appears on the Bond Register not less than 10 days prior to such Special Record Date.

Section 205. Registration, Transfer and Exchange of Bonds. The City covenants that, as long as any of the Bonds remain Outstanding, it will cause the Bond Register to be kept at the office of the Paying Agent as herein provided. Each Bond when issued shall be registered in the name of the owner thereof on the Bond Register.

Bonds may be transferred and exchanged only on the Bond Register as provided in this Section. Upon surrender of any Bond at the payment office of the Paying Agent, the Paying Agent shall transfer or exchange such Bond for a new Bond or Bonds in any authorized denomination of the same Stated Maturity and in the same aggregate principal amount as the Bond that was presented for transfer or exchange. Bonds presented for transfer or exchange shall be accompanied by a written instrument or instruments of transfer or authorization for exchange, in a form and with guarantee of signature satisfactory to the Paying Agent, duly executed by the Registered Owner thereof or by the Registered Owner's duly authorized agent.

In all cases in which the privilege of transferring or exchanging Bonds is exercised, the Paying Agent shall authenticate and deliver Bonds in accordance with the provisions of this Ordinance. The City shall pay the fees and expenses of the Paying Agent for the registration, transfer and exchange of Bonds provided for by this Ordinance and the cost of printing a reasonable supply of registered bond blanks. Any additional costs or fees that might be incurred in the secondary market, other than fees and expenses of the Paying Agent, are the responsibility of the Registered Owners of the Bonds. In the event any Registered Owner fails to provide a correct taxpayer identification number to the Paying Agent, the Paying Agent may make a charge against such Registered Owner sufficient to pay any governmental charge required to be paid as a result of such failure. In compliance with Section 3406 of the Code, such amount may be deducted by the Paying Agent from amounts otherwise payable to such Registered Owner hereunder or under the Bonds.

The City and the Paying Agent shall not be required (a) to register the transfer or exchange of any Bond that has been called for redemption after notice of such redemption has been mailed by the Paying Agent pursuant to **Section 303** hereof and during the period of 15 days next preceding the date of mailing of such notice of redemption; or (b) to register the transfer or exchange of any Bond during a period beginning at the opening of business on the day after receiving written notice from the City of its intent to pay Defaulted Interest and ending at the close of business on the date fixed for the payment of Defaulted Interest pursuant to **Section 204** hereof.

The City and the Paying Agent may deem and treat the Person in whose name any Bond is registered on the Bond Register as the absolute owner of such Bond, whether such Bond is overdue or not, for the purpose of receiving payment of, or on account of, said Bond and for all other purposes. All payments so made to any such Registered Owner or upon the Registered Owner's order shall be valid and effective to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the City nor the Paying Agent shall be affected by any notice to the contrary.

At reasonable times and under reasonable regulations established by the Paying Agent, the Bond Register may be inspected and copied by the Registered Owners of 10% or more in principal amount of the Bonds then Outstanding or any designated representative of such Registered Owners whose authority is evidenced to the satisfaction of the Paying Agent.

Section 206. Execution, Registration, Authentication and Delivery of Bonds. Each of the Bonds, including any Bonds issued in exchange or as substitutions for the Bonds initially delivered, shall be signed by the manual or facsimile signature of the Mayor and attested by the manual or facsimile signature of the City Clerk and shall have the official seal of the City affixed or imprinted thereon. In case any officer whose signature appears on any Bond ceases to be such officer before the delivery of such Bond, such signature shall nevertheless be valid and sufficient for all purposes, as if such person had remained in office until delivery. Any Bond may be signed by such persons who at the actual time of the execution of such Bond are the proper officers to sign such Bond although at the date of such Bond such persons may not have been such officers.

The Mayor and City Clerk are hereby authorized and directed to prepare and execute the Bonds in the manner herein specified, and, when duly executed and registered, to deliver the Bonds to the Paying Agent for authentication.

The Bonds shall have endorsed thereon a certificate of authentication substantially in the form set forth in **Exhibit A** attached hereto, which shall be manually executed by an authorized officer or employee of the Paying Agent, but it shall not be necessary that the same officer or employee sign the certificate of authentication on all of the Bonds that may be issued hereunder at any one time. No Bond shall be entitled to any security or benefit under this Ordinance or be valid or obligatory for any purpose unless and until such certificate of authentication has been duly executed by the Paying Agent. Such executed certificate of

authentication upon any Bond shall be conclusive evidence that such Bond has been duly authenticated and delivered under this Ordinance. Upon authentication, the Paying Agent shall deliver the Bonds to or upon the order of the Purchaser upon payment of the purchase price of the Bonds plus accrued interest thereon to the date of their delivery.

Section 207. Mutilated, Destroyed, Lost and Stolen Bonds. If (a) any mutilated Bond is surrendered to the Paying Agent or the Paying Agent receives evidence to its satisfaction of the destruction, loss or theft of any Bond, and (b) there is delivered to the Paying Agent such security or indemnity as may be required by the Paying Agent, then, in the absence of notice to the Paying Agent that such Bond has been acquired by a bona fide purchaser, the City shall execute and the Paying Agent shall authenticate and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Bond, a new Bond of the same Stated Maturity and of like tenor and principal amount.

If any such mutilated, destroyed, lost or stolen Bond has become or is about to become due and payable, the Paying Agent, in its discretion, may pay such Bond instead of delivering a new Bond.

Upon the issuance of any new Bond under this Section, the City may require the payment by the Registered Owner of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Paying Agent) connected therewith.

Every new Bond issued pursuant to this Section shall constitute a replacement of the prior obligation of the City, and shall be entitled to all the benefits of this Ordinance equally and ratably with all other Outstanding Bonds.

Section 208. Cancellation and Destruction of Bonds Upon Payment. All Bonds that have been paid or redeemed or that otherwise have been surrendered to the Paying Agent, either at or before Maturity, shall be canceled by the Paying Agent promptly upon the payment, redemption and surrender thereof to the Paying Agent and subsequently destroyed in accordance with the customary practices of the Paying Agent. The Paying Agent shall execute a certificate describing the Bonds so canceled and destroyed and shall file an executed counterpart of such certificate with the City.

Section 209. Book-Entry Bonds; Securities Depository.

(a) The Bonds shall initially be registered to Cede & Co., the nominee for the Securities Depository, and no beneficial owner will receive certificates representing their respective interest in the Bonds, except in the event the Paying Agent issues Replacement Bonds as provided in subsection (b) hereof. It is anticipated that during the term of the Bonds, the Securities Depository will make book-entry transfers among its Participants and receive and transmit payment of principal of, premium, if any, and interest on, the Bonds to the Participants until and unless the Paying Agent authenticates and delivers Replacement Bonds to the beneficial owners as described in subsection (b).

(b) (1) If the City determines (A) that the Securities Depository is unable to properly discharge its responsibilities, or (B) that the Securities Depository is no longer qualified to act as a securities depository and registered clearing agency under the Securities and Exchange Act of 1934, as amended, or (C) that the continuation of a book-entry system to the exclusion of any Bonds being issued to any Bondowner other than Cede & Co. is no longer in the best interests of the beneficial owners of the Bonds, or (2) if the Paying Agent receives written notice from Participants having interests in not less than 50% of the Bonds Outstanding, as shown on the records of the Securities Depository (and certified to such effect by the Securities Depository), that the continuation of a book-entry system to the exclusion of any Bonds being issued to any Bondowner other than Cede & Co. is no longer in the best interests of the beneficial owners of the Bonds, then the Paying

Agent, in accordance with the operational arrangements of the Securities Depository, shall notify the Bondowners of such determination or such notice and of the availability of certificates to Owners requesting the same, and the Paying Agent shall register in the name of and authenticate and deliver Replacement Bonds to the beneficial owners or their nominees in principal amounts representing the interest of each, making such adjustments as it may find necessary or appropriate as to accrued interest and previous calls for redemption; provided, that in the case of a determination under (1)(A) or (1)(B) of this subsection (b), the City, with the consent of the Paying Agent, may select a successor securities depository in accordance with **Section 209(c)** hereof to effect book-entry transfers. In such event, all references to the Securities Depository herein shall relate to the period of time when the Securities Depository or its nominee is the registered owner of at least one Bond. Upon the issuance of Replacement Bonds, all references herein to obligations imposed upon or to be performed by the Securities Depository shall be deemed to be imposed upon and performed by the Paying Agent, to the extent applicable with respect to such Replacement Bonds. If the Securities Depository resigns and the City, the Paying Agent or Bondowners are unable to locate a qualified successor of the Securities Depository in accordance with **Section 209(c)** hereof, then the Paying Agent shall authenticate and cause delivery of Replacement Bonds to Bondowners, as provided herein. The Paying Agent may rely on information from the Securities Depository and its Participants as to the names of, addresses for and principal amounts held by the beneficial owners of the Bonds. The cost of mailing notices, printing, registration, authentication, and delivery of Replacement Bonds shall be paid for by the City.

(c) In the event the Securities Depository resigns, is unable to properly discharge its responsibilities, or is no longer qualified to act as a securities depository and registered clearing agency under the Securities and Exchange Act of 1934, as amended, the City may appoint a successor Securities Depository provided the Paying Agent receives written evidence satisfactory to the Paying Agent with respect to the ability of the successor Securities Depository to discharge its responsibilities. Any such successor Securities Depository shall be a securities depository that is a registered clearing agency under the Securities and Exchange Act of 1934, as amended, or other applicable statute or regulation that operates a securities depository upon reasonable and customary terms. The Paying Agent upon its receipt of a Bond or Bonds for cancellation shall cause the delivery of Bonds to the successor Securities Depository in appropriate denominations and form as provided herein.

Section 210. Preliminary Official Statement and Final Official Statement. The Preliminary Official Statement, in the form on file with the City and attached hereto as **Exhibit B**, is hereby ratified and approved and the Final Official Statement is hereby authorized and approved by supplementing, amending and completing the Preliminary Official Statement, with such changes and additions thereto as are necessary to conform to and describe the transactions related to the issuance of the Bonds. The Mayor is hereby authorized to execute the Final Official Statement as so supplemented, amended and completed, and the use and public distribution of the Final Official Statement by the Purchaser in connection with the reoffering of the Bonds is hereby authorized. The proper officials of the City are hereby authorized to execute and deliver a certificate pertaining to such Final Official Statement as prescribed therein, dated as of the date of payment for and delivery of the Bonds.

For the purpose of enabling the Purchaser to comply with the requirements of Rule 15c2-12(b)(1) of the Securities and Exchange Commission, the City hereby deems the information regarding the City contained in the Preliminary Official Statement to be “final” as of its date, except for the omission of such information as is permitted by Rule 15c2-12(b)(1), and the appropriate officers of the City are hereby authorized, if requested, to provide the Purchaser a letter or certification to such effect and to take such other actions or execute such other documents as such officers in their reasonable judgment deem necessary to enable the Purchaser to comply with the requirement of such rule.

The City agrees to provide to the Purchaser within seven business days of the date of the sale of Bonds sufficient copies of the Final Official Statement to enable the Purchaser to comply with the requirements of

Rule 15c2-12(b)(4) of the Securities and Exchange Commission and with the requirements of Rule G-32 of the Municipal Securities Rulemaking Board.

Section 211. Certificate of Final Terms. The sale of the Bonds to the Purchaser at a purchase price set forth in the Certificate of Final Terms, in substantially the form on file in the records of the City and attached hereto as **Exhibit C** is hereby authorized. Delivery of the Bonds shall be made to, or upon the order of, the Purchaser as soon as practicable after the adoption of this Ordinance, upon payment therefor in accordance with the terms of sale. The Mayor is authorized to execute the Certificate of Final Terms, with such changes therein as such official deems appropriate, for and on behalf of the City, such officer's signature thereon being conclusive evidence of such official's and the City's approval thereof.

ARTICLE III

OPTIONAL REDEMPTION OF BONDS

Section 301. Redemption of Bonds. The Bonds shall be subject to optional and mandatory sinking fund redemption as described in the Certificate of Final Terms.

Section 302. Selection of Bonds to Be Redeemed.

(a) The Paying Agent shall call Bonds for redemption and payment and shall give notice of such redemption as herein provided upon receipt by the Paying Agent at least 35 days prior to the Redemption Date of written instructions of the City specifying the principal amount, Stated Maturities, Redemption Date and Redemption Prices of the Bonds to be called for redemption. If the Bonds are refunded more than 90 days in advance of such Redemption Date, any escrow agreement entered into by the City in connection with such refunding shall provide that such written instructions to the Paying Agent shall be given by or on behalf of the City not more than 90 days prior to the Redemption Date. The Paying Agent may in its discretion waive such notice period so long as the notice requirements set forth in **Section 303** are met. The foregoing provisions of this paragraph shall not apply to the mandatory redemption of Bonds hereunder, and Bonds shall be called by the Paying Agent for redemption pursuant to such mandatory redemption requirements without the necessity of any action by the City and whether or not the Paying Agent shall hold moneys available and sufficient to effect the required redemption.

(b) Bonds shall be redeemed only in the principal amount of \$5,000 or any integral multiple thereof. When less than all of the Outstanding Bonds are to be redeemed, such Bonds shall be redeemed from Stated Maturities selected by the City, and Bonds of less than a full Stated Maturity shall be selected by the Paying Agent in \$5,000 units of principal amount by lot or in such other equitable manner as the Paying Agent may determine.

(c) In the case of a partial redemption of Bonds when Bonds of denominations greater than \$5,000 are then Outstanding, then for all purposes in connection with such redemption each \$5,000 of face value shall be treated as though it were a separate Bond of the denomination of \$5,000. If it is determined that one or more, but not all, of the \$5,000 units of face value represented by any Bond are selected for redemption, then upon notice of intention to redeem such \$5,000 unit or units, the Registered Owner of such Bond or the Registered Owner's duly authorized agent shall present and surrender such Bond to the Paying Agent (1) for payment of the Redemption Price and any accrued interest to the Redemption Date of such \$5,000 unit or units of face value called for redemption, and (2) for exchange, without charge to the Registered Owner thereof, for a new Bond or Bonds of the aggregate principal amount of the unredeemed portion of the principal amount of such Bond. If the Registered Owner of any such Bond fails to present such Bond to the Paying Agent for payment and exchange as aforesaid, such Bond shall, nevertheless, become due and payable

on the redemption date to the extent of the \$5,000 unit or units of face value called for redemption (and to that extent only).

Section 303. Notice and Effect of Call for Redemption. Unless waived by any Registered Owner of Bonds to be redeemed, official notice of any redemption shall be given by the Paying Agent on behalf of the City by mailing a copy of an official redemption notice by first class mail at least 20 days prior to the Redemption Date to the Purchaser of the Bonds and each Registered Owner of the Bond or Bonds to be redeemed at the address shown on the Bond Register.

All official notices of redemption shall be dated and shall contain the following information:

- (a) the Redemption Date;
- (b) the Redemption Price;
- (c) if less than all Outstanding Bonds of a maturity are to be redeemed, the identification (such identification to include interest rates, maturities, CUSIP numbers and such additional information as the Paying Agent may reasonably determine) of the Bonds to be redeemed;
- (d) a statement that on the Redemption Date the Redemption Price will become due and payable upon each such Bond or portion thereof called for redemption and that interest thereon shall cease to accrue from and after the Redemption Date; and
- (e) the place where such Bonds are to be surrendered for payment of the Redemption Price, which shall be the payment office of the Paying Agent.

The failure of any Registered Owner to receive notice given as heretofore provided or any defect therein shall not invalidate any redemption.

Prior to any Redemption Date, the City shall deposit with the Paying Agent an amount of money sufficient to pay the Redemption Price of all the Bonds or portions of Bonds that are to be redeemed on that date.

Official notice of redemption having been given as aforesaid, the Bonds or portions of Bonds to be redeemed shall become due and payable on the Redemption Date, at the Redemption Price therein specified, and from and after the Redemption Date (unless the City defaults in the payment of the Redemption Price) such Bonds or portion of Bonds shall cease to bear interest. Upon surrender of such Bonds for redemption in accordance with such notice, the Redemption Price of such Bonds shall be paid by the Paying Agent. Installments of interest due on or prior to the Redemption Date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Bond, there shall be prepared for the Registered Owner a new Bond or Bonds of the same Stated Maturity in the amount of the unpaid principal as provided herein. All Bonds that have been surrendered for redemption shall be canceled and destroyed by the Paying Agent as provided herein and shall not be reissued.

In addition to the foregoing notice, further notice shall be given by the Paying Agent on behalf of the City as set out below, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if official notice thereof is given as above prescribed.

- (a) Each further notice of redemption given hereunder shall contain the information required above for an official notice of redemption plus (1) the CUSIP numbers of all Bonds being

redeemed; (2) the date of issue of the Bonds as originally issued; (3) the rate of interest borne by each Bond being redeemed; (4) the maturity date of each Bond being redeemed; and (5) any other descriptive information needed to identify accurately the Bonds being redeemed.

(b) Each further notice of redemption shall be sent at least one day before the mailing of notice to Bondowners by first class, registered or certified mail or overnight delivery, as determined by the Paying Agent, to all registered securities depositories then in the business of holding substantial amounts of obligations of types comprising the Bonds and to one or more national information services that disseminate notices of redemption of obligations such as the Bonds.

(c) Each check or other transfer of funds issued for the payment of the Redemption Price of Bonds being redeemed shall bear or have enclosed the CUSIP number of the Bonds being redeemed with the proceeds of such check or other transfer.

The Paying Agent is also directed to comply with any mandatory standards then in effect for processing redemptions of municipal securities established by the Securities and Exchange Commission. Failure to comply with such standards shall not affect or invalidate the redemption of any Bond.

For so long as the Securities Depository is effecting book-entry transfers of the Bonds, the Paying Agent shall provide the notices specified in this Section to the Securities Depository. It is expected that the Securities Depository shall, in turn, notify its Participants and that the Participants, in turn, will notify or cause to be notified the beneficial owners. Any failure on the part of the Securities Depository or a Participant, or failure on the part of a nominee of a beneficial owner of a Bond (having been mailed notice from the Paying Agent, the Securities Depository, a Participant or otherwise) to notify the beneficial owner of the Bond so affected, shall not affect the validity of the redemption of such Bond.

ARTICLE IV

SECURITY FOR AND PAYMENT OF BONDS

Section 401. Security for the Bonds. The Bonds shall be general obligations of the City payable from ad valorem taxes that may be levied without limitation as to rate or amount upon all the taxable tangible property, real and personal, within the territorial limits of the City. The full faith, credit and resources of the City are hereby irrevocably pledged for the prompt payment of the Bonds as the same become due.

Section 402. Levy and Collection of Annual Tax. For the purpose of providing for the payment of the Bonds as the same become due, there is hereby levied upon all of the taxable tangible property within the City a direct annual tax sufficient to produce the amounts necessary for the payment of the Bonds as the same become due and payable in each year.

The taxes referred to above shall be extended upon the tax rolls in each of the several years, respectively, and shall be levied and collected at the same time and in the same manner as the other ad valorem taxes of the City are levied and collected. The proceeds derived from said taxes shall be deposited in the Debt Service Fund, shall be kept separate and apart from all other funds of the City and shall be used for the payment of the Bonds as and when the same become due and the fees and expenses of the Paying Agent.

If at any time said taxes are not collected in time to pay the Bonds when due, the Finance Director is hereby authorized and directed to pay said Bonds out of the general funds of the City and to reimburse said general funds for money so expended when said taxes are collected.

ARTICLE V

ESTABLISHMENT OF FUNDS; DEPOSIT AND APPLICATION OF MONEYS

Section 501. Establishment of Funds. There have been or shall be established in the treasury of the City and shall be held and administered by the Finance Director of the City the following separate funds and accounts:

- (a) Project Fund, and with a General Municipal Projects Account, a Transportation Projects Account and a Public Safety Projects Account.
- (b) Debt Service Fund.

Section 502. Deposit of Bond Proceeds. The net proceeds received from the sale of the Bonds shall be deposited simultaneously with the delivery of the Bonds in the Project Fund in the accounts as directed by the City consistent with the final terms of the Bonds.

Section 503. Application of Moneys in Debt Service Fund. All amounts paid and credited to the Debt Service Fund shall be expended and used by the City for the purpose of paying the Bonds as and when the same become due and the usual and customary fees and expenses of the Paying Agent. The Finance Director is authorized and directed to withdraw from the Debt Service Fund sums sufficient to pay the Bonds and the fees and expenses of the Paying Agent as and when the same become due, and to forward such sums to the Paying Agent in a manner that ensures that the Paying Agent will receive immediately available funds in such amounts on or before the Business Day immediately preceding the dates when such principal, interest and fees of the Paying Agent will become due. If, through the lapse of time or otherwise, the Registered Owners of Bonds are no longer entitled to enforce payment of the Bonds or the interest thereon, the Paying Agent shall return said funds to the City. All moneys deposited with the Paying Agent shall be deemed to be deposited in accordance with and subject to all of the provisions contained in this Ordinance and shall be held in trust by the Paying Agent for the benefit of the Registered Owners of the Bonds entitled to payment from such moneys.

Any moneys or investments remaining in the Debt Service Fund after the retirement of the indebtedness for which the Bonds were issued and all other indebtedness of the City shall be transferred and paid into the general fund of the City or as otherwise required by law.

Section 504. Deposits and Investment of Moneys. Moneys in each of the funds created by and referred to in this Ordinance shall be deposited in a bank or banks or other legally permitted financial institutions authorized to do business in the State of Missouri that are members of the Federal Deposit Insurance Corporation. All such deposits shall be continuously and adequately secured by the financial institutions holding such deposits as provided by the laws of the State of Missouri. All moneys held in the funds created by this Ordinance shall be kept separate and apart from all other funds of the City so that there shall be no commingling of such funds with any other funds of the City.

Moneys held in any fund referred to in this Ordinance may be invested by the Finance Director at the direction of the City Council, in accordance with this Ordinance and the Arbitrage Instructions, in Permitted Investments; provided, however, that no such investment shall be made for a period extending longer than to the date when the moneys invested may be needed for the purpose for which such fund was created. All earnings on any investments held in any fund shall accrue to and become a part of such fund.

Section 505. Nonpresentment of Bonds. If any Bond is not presented for payment when due, if funds sufficient to pay such Bond have been made available to the Paying Agent, all liability of the City to the Registered Owner thereof for the payment of such Bond shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of the Paying Agent to hold such funds, without liability for interest thereon, for the benefit of the Registered Owner of such Bond, who shall thereafter be restricted exclusively to such funds for any claim of whatever nature on his part under this Ordinance or on, or with respect to, said Bond. If any Bond is not presented for payment within one year following the date when such Bond becomes due at Maturity, the Paying Agent shall repay to the City without liability for interest thereon the funds theretofore held by it for payment of such Bond, and such Bond shall, subject to the defense of any applicable statute of limitation, thereafter be an unsecured obligation of the City, and the Registered Owner thereof shall be entitled to look only to the City for payment, and then only to the extent of the amount so repaid to it by the Paying Agent, and the City or the Paying Agent shall not be liable for any interest thereon and shall not be regarded as a trustee of such money.

Section 506. Payments Due on Saturdays, Sundays and Holidays. In any case where a Bond Payment Date is not a Business Day, then payment of principal, Redemption Price or interest need not be made on such Bond Payment Date but may be made on the next succeeding Business Day with the same force and effect as if made on such Bond Payment Date, and no interest shall accrue for the period after such Bond Payment Date.

Section 507. Application of Moneys in the Project Fund. Moneys in the Project Fund shall be used by the City solely for the purpose of paying the costs of the Projects for which the Bonds have been voted and authorized, in accordance with the plans and specifications therefor prepared by the City's architects or engineers heretofore approved by the City Council and on file in the office of the City Clerk, including any alterations in or amendments to said plans and specifications deemed advisable and approved by the City, and paying the costs and expenses of issuing the Bonds.

The Finance Director shall make withdrawals from the Project Fund only upon duly authorized and executed order of the City Council therefor for a purpose within the scope of this Ordinance. Upon completion of the purpose for which the Bonds have been issued, any surplus remaining in the Project Fund shall be transferred to and deposited in the Debt Service Fund.

ARTICLE VI

REMEDIES

Section 601. Remedies. The provisions of this Ordinance, including the covenants and agreements herein contained, shall constitute a contract between the City and the Registered Owners of the Bonds, and the Registered Owner or Owners of not less than 10% in principal amount of the Bonds at the time Outstanding shall have the right for the equal benefit and protection of all Registered Owners of Bonds similarly situated:

(a) by mandamus or other suit, action or proceedings at law or in equity to enforce the rights of such Registered Owner or Owners against the City and its officers, agents and employees, and to require and compel duties and obligations required by the provisions of this Ordinance or by the constitution and laws of the State of Missouri;

(b) by suit, action or other proceedings in equity or at law to require the City, its officers, agents and employees to account as if they were the trustees of an express trust; and

(c) by suit, action or other proceedings in equity or at law to enjoin any acts or things that may be unlawful or in violation of the rights of the Registered Owners of the Bonds.

Section 602. Limitation on Rights of Bondowners. The covenants and agreements of the City contained herein and in the Bonds shall be for the equal benefit, protection and security of the legal owners of any or all of the Bonds. All of the Bonds shall be of equal rank and without preference or priority of one Bond over any other Bond in the application of the funds herein pledged to the payment of the Bonds, or otherwise, except as to rate of interest, or date of Maturity or right of prior redemption as provided in this Ordinance. No one or more Bondowners secured hereby shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security granted and provided for herein, or to enforce any right hereunder, except in the manner herein provided, and all proceedings at law or in equity shall be instituted, had and maintained for the equal benefit of all Registered Owners of such Outstanding Bonds.

Section 603. Remedies Cumulative. No remedy conferred herein upon the Bondowners is intended to be exclusive of any other remedy, but each such remedy shall be cumulative and in addition to every other remedy and may be exercised without exhausting and without regard to any other remedy conferred herein. No waiver of any default or breach of duty or contract by the Registered Owner of any Bond shall extend to or affect any subsequent default or breach of duty or contract or shall impair any rights or remedies consequent thereon. No delay or omission of any Bondowner to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or acquiescence therein. Every substantive right and every remedy conferred upon the Registered Owners of the Bonds by this Ordinance may be enforced and exercised from time to time and as often as may be deemed expedient. If any suit, action or proceedings taken by any Bondowner on account of any default or to enforce any right or exercise any remedy has been discontinued or abandoned for any reason, or has been determined adversely to such Bondowner, then, and in every such case, the City and the Registered Owners of the Bonds shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of the Bondowners shall continue as if no such suit, action or other proceedings had been brought or taken.

ARTICLE VII

DEFEASANCE

Section 701. Defeasance. When any or all of the Bonds or scheduled interest payments thereon have been paid and discharged, then the requirements contained in this Ordinance and the pledge of the City's faith and credit hereunder and all other rights granted hereby shall terminate with respect to the Bonds or scheduled interest payments thereon so paid and discharged. Bonds or scheduled interest payments thereon shall be deemed to have been paid and discharged within the meaning of this Ordinance if there has been deposited with the Paying Agent, or other commercial bank or trust company authorized to do business in the State of Missouri and having full trust powers, at or prior to the Stated Maturity or Redemption Date of said Bonds or the interest payments thereon, in trust for and irrevocably appropriated thereto, moneys and/or Defeasance Obligations that, together with the interest to be earned on any such Defeasance Obligations, will be sufficient for the payment of the Bonds to the Stated Maturity or Redemption Date, or if default in such payment has occurred on such date, then to the date of the tender of such payments; provided, however, that if any such Bonds are to be redeemed prior to their Stated Maturity, (1) the City has elected to redeem such Bonds, and (2) either notice of such redemption has been given, or the City has given irrevocable instructions, or shall have provided for an escrow agent to give irrevocable instructions, to the Paying Agent to give such notice of redemption in compliance with **Section 303** of this Ordinance. Any money and Defeasance Obligations that at any time shall be deposited with the Paying Agent or other commercial bank or trust company by or on behalf of the City, for the purpose of paying and discharging any of the Bonds, shall be and are hereby assigned, transferred and set over to the Paying Agent or other bank or trust company in trust for the respective Registered Owners of the Bonds, and such moneys shall be and are hereby irrevocably appropriated to the payment and discharge thereof. All money and Defeasance Obligations deposited with

the Paying Agent or other bank or trust company shall be deemed to be deposited in accordance with and subject to all of the provisions of this Ordinance.

ARTICLE VIII

MISCELLANEOUS PROVISIONS

Section 801. Tax Covenants.

(a) The City covenants and agrees that (1) it will comply with all applicable provisions of the Code, including Sections 103 and 141 through 150, necessary to maintain the exclusion from federal gross income of the interest on the Bonds, and (2) it will not use or permit the use of any proceeds of Bonds or any other funds of the City, nor take or permit any other action, or fail to take any action, that would adversely affect the exclusion from federal gross income of the interest on the Bonds. The City will also adopt such other ordinances or resolutions and take such other actions as may be necessary to comply with the Code and with other applicable future law, in order to ensure that the interest on the Bonds will remain excluded from federal gross income, to the extent any such actions can be taken by the City.

(b) The City covenants and agrees that (1) it will use the proceeds of the Bonds as soon as practicable and with all reasonable dispatch for the purposes for which the Bonds are issued, and (2) it will not invest or directly or indirectly use or permit the use of any proceeds of the Bonds or any other funds of the City in any manner, or take or omit to take any action, that would cause the Bonds to be “arbitrage bonds” within the meaning of Section 148(a) of the Code.

(c) The City covenants and agrees that it will pay or provide for the payment from time to time of all rebatable arbitrage to the United States pursuant to Section 148(f) of the Code and the Arbitrage Instructions. This covenant shall survive payment in full or defeasance of the Bonds. The Arbitrage Instructions may be amended or replaced if, in the opinion of Bond Counsel nationally recognized on the subject of municipal bonds, such amendment or replacement will not adversely affect the exclusion from federal gross income of the interest on the Bonds.

(d) The City covenants and agrees that it will not use any portion of the proceeds of the Bonds, including any investment income earned on such proceeds, directly or indirectly, (1) in a manner that would cause any Bond to be a “private activity bond” within the meaning of Section 141(a) of the Code, or (2) to make or finance a loan to any Person.

(e) The foregoing covenants shall remain in full force and effect notwithstanding the defeasance of the Bonds pursuant to **Article VII** of this Ordinance or any other provision of this Ordinance, until the final maturity date of all Bonds Outstanding.

Section 802. Annual Audit. Annually, promptly after the end of the fiscal year, the City will cause an audit to be made of its funds and accounts for the preceding fiscal year by an independent public accountant or firm of independent public accountants. Within 30 days after the completion of each such audit, a copy thereof shall be filed in the office of the City Clerk, and a duplicate copy of the audit shall be submitted to the Municipal Securities Rulemaking Board through the Electronic Municipal Market Access system. Such audits shall at all times during the usual business hours be open to the examination and inspection by any Registered Owner of any of the Bonds, or by anyone acting for or on behalf of such Registered Owner.

As soon as possible after the completion of the annual audit, the governing body of the City shall review such audit, and if the audit discloses that proper provision has not been made for all of the requirements of this Ordinance, the City shall promptly cure such deficiency.

A copy of each annual audit will be mailed to the Purchaser and, upon payment of the reasonable cost of preparing and mailing the same, a copy of any annual audit will, upon request, be sent to any Bondholder or prospective Bondholder.

Section 803. Amendments. The rights and duties of the City and the Bondowners, and the terms and provisions of the Bonds or of this Ordinance, may be amended or modified at any time in any respect by ordinance of the City with the written consent of the Registered Owners of not less than a majority in principal amount of the Bonds then Outstanding, such consent to be evidenced by an instrument or instruments executed by such Registered Owners and duly acknowledged or proved in the manner of a deed to be recorded, and such instrument or instruments shall be filed with the City Clerk, but no such modification or alteration shall:

- (a) extend the maturity of any payment due upon any Bond;
- (b) effect a reduction in the amount that the City is required to pay on any Bond;
- (c) alter the redemption terms of the Bonds;
- (d) permit preference or priority of any Bond over any other Bond; or
- (e) reduce the percentage in principal amount of Bonds required for the written consent to any modification or alteration of the provisions of this Ordinance.

Any provision of the Bonds or of this Ordinance may, however, be amended or modified by ordinance duly adopted by the governing body of the City at any time in any legal respect with the written consent of the Registered Owners of all of the Bonds at the time Outstanding.

Without notice to or the consent of any Bondowners, the City may amend or supplement this Ordinance for the purpose of curing any formal defect, omission, inconsistency or ambiguity therein or in connection with any other change therein that is not materially adverse to the security of the Bondowners.

Every amendment or modification of the provisions of the Bonds or of this Ordinance, to which the written consent of the Bondowners is given, as above provided, shall be expressed in an ordinance adopted by the governing body of the City amending or supplementing the provisions of this Ordinance and shall be deemed to be a part of this Ordinance. A certified copy of every such amendatory or supplemental ordinance, if any, and a certified copy of this Ordinance shall always be kept on file in the office of the City Clerk and shall be made available for inspection by the Registered Owner of any Bond or a prospective purchaser or owner of any Bond authorized by this Ordinance, and upon payment of the reasonable cost of preparing the same, a certified copy of any such amendatory or supplemental ordinance or of this Ordinance will be sent by the City Clerk to any such Bondowner or prospective Bondowner.

Any and all modifications made in the manner hereinabove provided shall not become effective until there has been filed with the City Clerk a copy of the ordinance of the City hereinabove provided for, duly certified, as well as proof of any required consent to such modification by the Registered Owners of the Bonds then Outstanding. It shall not be necessary to note on any of the Outstanding Bonds any reference to such amendment or modification.

The City shall furnish to the Paying Agent a copy of any amendment to the Bonds or this Ordinance that affects the duties or obligations of the Paying Agent under this Ordinance.

Section 804. Notices, Consents and Other Instruments by Bondowners. Any notice, consent, request, direction, approval or other instrument to be signed and executed by the Bondowners may be in any number of concurrent writings of similar tenor and may be signed or executed by such Bondowners in person or by agent appointed in writing. Proof of the execution of any such instrument or of the writing appointing any such agent and of the ownership of Bonds, (except for the assignment of ownership of a Bond as provided for in the form of the Bond set forth in **Exhibit A** attached hereto), if made in the following manner, shall be sufficient for any of the purposes of this Ordinance, and shall be conclusive in favor of the City and the Paying Agent with regard to any action taken, suffered or omitted under any such instrument, namely:

(a) The fact and date of the execution by any person of any such instrument may be proved by a certificate of any officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the person signing such instrument acknowledged before such officer the execution thereof, or by affidavit of any witness to such execution.

(b) The fact of ownership of Bonds, the amount or amounts, numbers and other identification of Bonds, and the date of holding the same shall be proved by the Bond Register.

In determining whether the Registered Owners of the requisite principal amount of Bonds Outstanding have given any request, demand, authorization, direction, notice, consent or waiver under this Ordinance, Bonds owned by the City shall be disregarded and deemed not to be Outstanding under this Ordinance, except that, in determining whether the Bondowners shall be protected in relying upon any such request, demand, authorization, direction, notice, consent or waiver, only Bonds which the Bondowners know to be so owned shall be so disregarded. Notwithstanding the foregoing, Bonds so owned that have been pledged in good faith shall not be disregarded as aforesaid if the pledgee establishes to the satisfaction of the Bondowners the pledgee's right so to act with respect to such Bonds and that the pledgee is not the City.

Section 805. Further Authority. The officers of the City, including the Mayor, the City Manager and City Clerk, are hereby authorized and directed to execute all documents and take such actions as they may deem necessary or advisable in order to carry out and perform the purposes of this Ordinance and to make ministerial alterations, changes or additions in the foregoing agreements, statements, instruments and other documents herein approved, authorized and confirmed which they may approve, and the execution or taking of such action shall be conclusive evidence of such necessity or advisability.

Section 806. Severability. If any section or other part of this Ordinance, whether large or small, is for any reason held invalid, the invalidity thereof shall not affect the validity of the other provisions of this Ordinance.

Section 807. Governing Law. This Ordinance shall be governed exclusively by and construed in accordance with the applicable laws of the State of Missouri.

Section 808. Effective Date. This Ordinance shall take effect and be in full force from and after its passage by the City Council and approval by the Mayor.

Section 809. Electronic Transaction. The transaction described herein may be conducted and related documents may be received, delivered or stored by electronic means. Copies, telecopies, facsimiles, electronic files and other reproductions of original executed documents shall be deemed to be authentic and valid counterparts of such original documents for all purposes, including the filing of any claim, action or suit in the appropriate court of law.

The Bonds shall be subject to redemption prior to maturity as described in the Certificate of Final Terms.

Bonds shall be redeemed only in the principal amount of \$5,000 or any integral multiple thereof. When less than all of the Outstanding Bonds are to be redeemed, such Bonds shall be redeemed from Stated Maturities selected by the City, and Bonds of less than a full Stated Maturity shall be selected by the Paying Agent in \$5,000 units of principal amount by lot or in such other equitable manner as the Paying Agent may determine.

Notice of redemption, unless waived, is to be given by the Paying Agent by mailing an official redemption notice by first class mail at least 20 days prior to the Redemption Date to the original purchaser of the Bonds and each Registered Owner of the Bond or Bonds to be redeemed at the address shown on the Bond Register maintained by the Paying Agent. Notice of redemption having been given as aforesaid, the Bonds or portions of Bonds to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the City defaults in the payment of the redemption price) such Bonds or portions of Bonds shall cease to bear interest.

The Bonds constitute general obligations of the City payable from ad valorem taxes that may be levied without limitation as to rate or amount upon all the taxable tangible property, real and personal, within the territorial limits of the City. The full faith, credit and resources of the City are irrevocably pledged for the prompt payment of the Bonds as the same become due.

The Bonds are issuable in the form of fully registered Bonds without coupons in denominations of \$5,000 or any integral multiple thereof.

The Bonds are being issued by means of a book-entry system with no physical distribution of bond certificates to be made except as provided in the Ordinance. One Bond certificate with respect to each date on which the Bonds are stated to mature or with respect to each form of Bonds, registered in the nominee name of the Securities Depository, is being issued. The book-entry system will evidence positions held in the Bonds by the Securities Depository’s participants, beneficial ownership of the Bonds in authorized denominations pursuant to the Ordinance being evidenced in the records of such participants. Transfers of ownership shall be effected on the records of the Securities Depository and its participants pursuant to rules and procedures established by the Securities Depository and its participants. The City and the Paying Agent will recognize the Securities Depository nominee, while the registered owner of this Bond, as the owner of this Bond for all purposes, including (i) payments of principal of, and redemption premium, if any, and interest on, this Bond, (ii) notices and (iii) voting. Transfer of payments to participants of the Securities Depository, and transfer of payments to beneficial owners of the Bonds by participants of the Securities Depository will be the responsibility of such participants and other nominees of such beneficial owners. The City and the Paying Agent will not be responsible or liable for such transfers of payments or for maintaining, supervising or reviewing the records maintained by the Securities Depository, the Securities Depository nominee, its participants or persons acting through such participants. While the Securities Depository nominee is the owner of this Bond, notwithstanding the provision hereinabove contained, payments on this Bond shall be made in accordance with existing arrangements among the City, the Paying Agent and the Securities Depository.

EXCEPT AS OTHERWISE PROVIDED IN THE ORDINANCE, THIS BOND MAY BE TRANSFERRED, IN WHOLE BUT NOT IN PART, ONLY TO ANOTHER NOMINEE OF THE SECURITIES DEPOSITORY OR TO A SUCCESSOR SECURITIES DEPOSITORY OR TO A NOMINEE OF A SUCCESSOR SECURITIES DEPOSITORY. This Bond may be transferred or exchanged, as provided in the Ordinance, only on the Bond Register kept for that purpose at the payment office of the Paying Agent, upon surrender of this Bond together with a written instrument of transfer or authorization for exchange satisfactory to the Paying Agent duly executed by the Registered Owner or the Registered Owner's duly authorized agent, and thereupon a new Bond or Bonds in any authorized denomination of the same maturity and in the same aggregate principal amount shall be issued to the transferee in exchange therefor as provided in the Ordinance and upon payment of the charges therein prescribed. The City and the Paying Agent may deem and treat the Person in whose name this Bond is registered on the Bond Register as the absolute owner hereof for the purpose of receiving payments due hereon and for all other purposes.

This Bond shall not be valid or become obligatory for any purpose or be entitled to any security or benefit under the Ordinance until the Certificate of Authentication hereon has been executed by the Paying Agent.

IT IS HEREBY DECLARED AND CERTIFIED that all acts, conditions and things required to be done and to exist precedent to and in the issuance of the Bonds have been done and performed and do exist in due and regular form and manner as required by the constitution and laws of the State of Missouri; that a direct annual tax upon all taxable tangible property situated in the City has been levied for the purpose of paying the Bonds when due; and that the total indebtedness of the City, including this Bond and the series of which it is one, does not exceed any constitutional or statutory limitation.
